AI'd 1/16/16 to EF Xcessive Force

A big-time donor in the making! She is a double homozygous 25% Lim-Flex daughter of Connealy Consensus 7229. Her dam is one of the leading donors for Brown Land & Cattle Co. and Lonely Valley Limousin, LVLS Stella 111S. This brood cow is really something else—super deep-bodied, easy in her condition, and very maternal in her design and makeup. We love her feminine front end, depth of rib and flank. She is extreme in her EPD profile and sells bred to the many-time champion and now leading sire EF Xcessive Force.

This polled 50% Lim-Flex female is homozygous black and very appealing. This young female is a daughter of Lot 1 and we can only hope and wish she grows up to look as good as her mother. She is sired by the past All-American Limousin Futurity and now leading sire for Edwards Land & Cattle, MAGS Xyloid.

Bred 45 days safe to ELCX Tweeting 801B

This 62% Lim-Flex heifer is double polled (not tested), double black (not tested) and one young bred heifer we are certain you will be pleased with sale day. She is sired by the once Denver National Reserve Champion Bull, TW Fire N' Ice. Her dam is the Edwards/Freebird prominent donor and daughter of the performance Angus sire O C C Emblazon 854E. This young heifer is deep-middled, sound in her structure and complete in her lines. She sells bred to the Summitcrest Complete son, ELCX Tweeting 801B.

Sells bred safe to ELCX Bullet Proof. This 75% Lim-Flex heifer is double polled and homozygous black. She is sired by the past All-American Limousin Futurity Supreme Champion Bull MAGS Xyloid, and from the \$10,000-valued donor CFLX Rejoice 959W, a daughter of past national champion Lim-Flex sire, MAGS Scotland. This young first-calf heifer offers tremendous balance, structural correctness and the profile needed to get anyone's attention.

CONSIGNEE BY: OWEN CATTLE CO., HORNBEAK, TN

We are excited to showcase this 54% Lim-Flex double polled, double black bull from the heart of our program. He is sired by our junior herd sire ELCX Balancer 170Z, a son of TMCK Balancer from the elite donor EBFL San Jose 170X. His dam, DFLC HBHPC 4U, a daughter of the multiple trait-leading sire JCL Lodestar 27L from the elite donor DFLC HBHPC 25L, the grandam of ELCX Twilight, a past national champion female for Edwards Land & Cattle Co. and Wies Limousin Ranch. This bull is bred to be something special and has the performance, pedigree and EPDs needed to highlight anyone's program. He was recently named a Division Champion at the MOE Level I Southeast Summer Classic Show.

CONSIGNEE BY: BUCK RIDGE LIMOUSIN, ROGERSVILLE, MO

This progressive mating represents some of the top genetics from Buck Ridge. These HOMO black, HOMO polled 50% Lim-Flex progeny will combine the best of both breeds. AUTO Exceptional 282S is the top donor at Buck Ridge who currently has 61 registered progeny operating in some of the best herds in the industry. Recently, she produced the top-selling bull in the Buck Ridge 2016 online sale, HBRL Denver 485B; and featured a highlight son in the 2016 Pinegar Limousin Herdbuilder Sale, AUTO Lode Up 137B. G A R Prophet is a standout Angus sire known for producing real-world cattle that add profit to a cowherd. These embryos top the charts on paper with top 1% \$MI at 88 and top 1% MB at 0.98.

**G A R PROFIT**  
Sire of Lot 7

**AUTO EXCEPTIONAL 282S**

From the heart of the Freed and Fosdick programs comes two prime opportunities to capitalize on the highly popular and deceased, \$48,000-syndicated MAGS Anchor; and one of the most talked-about sires of this spring, AUTO Power Line 135B, who hails from esteemed Pinegar program. AUTO Angelina 225A is a can't-miss, elite donor who is visually stunning in her design and makeup. She stands on a big foot, is relaxed in her pasterns, has that deep broodiness and boasts a perfectly constructed udder. These elite matings will result in genetically superior, huge-numbered calves that

project to be phenotypically exceptional. You can invest in these designer matings with confidence.

# EMBRYOS

Three opportunities abound to invest in this truly unique pedigree, big numbered, top-shelf cow family that has already proven to produce tremendous results. Visually, the donor-dam Peaches is exceptionally sound-structured, flawless-fronted, loaded with rib shape, square-hipped and boasts a perfectly configured udder. In addition to her tremendous phenotype, this donor separates herself from the pack on paper—note, she ranks in the top 10% or higher for WW, YW, MK, TM, CW, RE, MB and \$MI. This female brings the unique blend of phenotypic quality, outcross genetics and bred-leading numerics to the table. Imagine the possibilities of these designer matings out of three of the breed's most popular AI sires. Bid with confidence.

CONSIGNEE BY: LINHART LIMOUSIN, LEON, IA

This represents one of the very few opportunities to invest in genetics out of the famed MAGS Wassail donor, who carries the moniker of a many-time national champion female and who happens to be dam to one of the great show females of our generation, LLJB Absolute Style 3056A! The sire, EXAR Denver was a member of the National Western champion carload for Express Ranches and his progeny are known their stoutness, growth, foot size and look. The bottom line is, this elite mating promises to produce homozygous polled, phenotypically exceptional calves that project the ability to compete at the highest level.

Attention folks, here is a huge opportunity to invest in PUREBRED genetics out of the wildly popular and many-time national champion female, WLR Prada! The sire, TMCK Durham Wheat, is catching fire in a big way and beginning to make an impressive mark on the breed. He consistently sires big-footed, heavy-structured, stout-featured cattle that carry an impressive look. As evidence, one of the most talked-about PUREBRED Limousin females in the country is a Durham Wheat daughter, Riverstone Charmed 50C, who has claimed many all-breed championship banners for the Ratliff's Cherry Creek Family of Westphalia, Kansas. Invest with confidence and be a part of the one of the breed's next great PUREBRED movements.
