11	0.2	72	110	28	9	1.3	15	-.13	36	.57	.71	77

Offered by: STOWERS LAND & CATTLE, BRIDGEPORT, TX

We were beyond elated when the Stowers family said they would like to donate a heifer to the Corner Post Fund. Not only did they donate a heifer, they donated a genetic

masterpiece! Scott, Donna and Lauren do everything to their fullest potential and pay special attention to every detail, so it doesn't surprise us they chose to donate, something special. SSTO Carla 559C is a direct daughter of SSTO Watercolors, who Lauren showed in 2011 and was Champion Purebred Female in Fort Worth. This makes 559C a Piña Colada maternal granddaughter, making her even more intriguing. A A R Ten X 7008 was the curve-bending bull the Angus breed was waiting for when he first came on the market. He has calving-ease, growth and carcass value without having Objective, Precision or New Design in his pedigree and without sacrificing a lot of look. Sometimes things actually go as planned when mating cattle—SSTO Carla is a prime example! Her data set puts her in the top 1% of the breed for \$MI and MB, while ranking in the top 25% or better for CED, CEM, BW, WW and YW EPDs. Then you look up from her stats and she hits you with a picture-perfect outline and her mamma's good looks. Beautiful through her front one third, thick ended, great angles and that brood cow shape through the middle of her skeleton. She may be a donation heifer, but she will be a mainstay for her new owners.

Eligible for the 2018 Lone Star Shoot-Out.

Offered by: JCL LAND & CATTLE, WELCH, OK AND THOMAS & SON FARMS, BOONESBORO, MD

Thomas & Son Farms has done it again. They have studiously mated the best genetics available to create one of the most talked about show bulls in the breed currently. TASF Crown Royal is the reigning NAILE Champion for Thomas & Son and their partner, JCL Land and Cattle. You know he is a good one if Jimmy was willing to bring him out to Louisville prior to making the trip to Denver—that doesn't happen very often. Sired by the many time champion, DHVO Deuce, out of the previous NAILE and NWSS Jr Show winner for Lonnie Thomas, TASF Whiskey Lullaby. Crown Royal displays both statistical growth on paper as well as actual

TASF CROWN ROYAL • 2016 NAILE Grand Champion Bull

performance—he is in the top 5% for WW EPD, top 15% for YW and top 25% for REA. Crossing the scales, he recorded an adjusted 205 day weight of 821 lbs. and an adjusted yearling weight of 1,332 lbs. Homozygous polled and black, TASK Crown Royal is certainly top shelf genetics and keeps getting better and better with age. He is undeniable one of the most massively created bulls in terms of his foot size and bonework, yet he handles this power in an attractive and sound moving package. Selling 20 unit packages.

Offered by: LAWRENCE FAMILY LIMOUSIN, ANTON, TX

This will be our first year to participate in the National Western Stock Show Pen Show and we couldn't be more excited. We are offering the pick of our April Pen and I think you will find it very challenging to pick the bull of your choice. The buyer of this pick will receive full possession and 50% semen interest.

LFL Duty Calls, Lot 2A, is sired by the highly sought-after RB Tour of Duty and out of DHVO Alma Jo who is a flushmate to DHVO Deuce and DHVO Trey. He has tremendous length of body and is deep ribbed with that really special disposition. These three flushmate brothers (Lots 2B, 2C and 2D) are the sons of the very highly predictable DJ Xecutive Privilege, a past Corner Post female. They are some of the first calves to sell out of LH Advantage who was syndicated in Denver and Fort Worth in 2015. Their dam, DJ Xecutive Privilege, produced LFL Belinda and LFL Classy—both of whom topped the 2015 and 2016 National Sales. A full brother to LFL Belinda, LFL Buddy, was the high-selling bull in the 2015 Hall-Coyote Hills Ranch bull sale!

We welcome your visit to our pen (#2028) in the yards where we will be glad to show you these exciting bulls.

A!d 4/19/16 safe to MAGS Yip. // PE'd 5/6/16 to 8/1/16 to TMCK Apollo 010A. // Approx. Due Date 1/24/17.

This exceptionally well-designed, double homozygous, huge-numbered Lim-Flex is a unique buying opportunity. Striking best describes this big-footed, free-moving, sleek-fronted, deep, square hipped female. She ranks in the top 25% or better in 10 economically relevant traits—CE, WW, YW, MK, SC, CM, CW, RE, MB and \$MI. She is by the highly popular and predictable EXAR Denver 2002B AI sire and out of a high-powered purebred donor, MAGS Win Place Or Show, who has done an amazing job in production. The bottom-line is, this is a sure-fire donor in the making and would be an asset to your genetic arsenal for years to come. View this sale entry at the Magness hospitality area in the yards 1/8/16.

Offered by: **STOWERS LAND & CATTLE, BRIDGEPORT, TX**

PE'd 6/1/16 to 9/15/16 safe to EBFL Ypsilanti 420Y.

A sale highlight and one of the finest from the heart of the Stowers program. This purebred happens to be a daughter of the once national champion purebred female MAGS Wrigley and past top-selling female. She is also a full-sib to the past national champion female and leading donor for Massey Limousin in Kentucky. Buy with confidence and invest in a purebred female who is destined to be someone's next donor. Anymore it is tough to find a purebred female that can highlight any program at any level, but we are certain CELL 5065C is one of those. Her dam was once appraised at \$48,000 and named a national champion. Her sister was appraised at \$40,000 and was also a national champion. Her sire was a past national champion and is recognized by many as one of the all-time great purebred sires ever.

Sale highlight are words fitting of this consignment of full siblings that are exceptionally well-designed, double homozygous, huge-numbered and from the heart of the Tubmill Creek Farms' program. Phenotypically, these own daughters of the highly prolific PBRS Winning Ways 29W donor possess a combination of structural integrity, body depth and fleshing ability even the most discriminating cattlemen would appreciate. Numerically, they're in a league of their own—they both rank in the top 1% for WW and YW. As a bonus, they're both safe to their AI dates by the proven calving-ease sire TMCK Alfalfa 35X. Assess the true value in this impressive pair of bred heifers sale day.

Offered by: LONELY VALLEY SEEDSTOCK, CRESTON, NE

Stop and look at one of the top red purebred heifers to be offered for sale. Sired by the once top-selling, red, purebred bull WZRK Atlas 8012A, the leading herd sire for Liberty Ranch. She ranks in the top 2% for MK, top 3% for TM, top 10% for DC and top 15% for REA. This heifer is sound footed, heavy in her bone and foot size, and soft in her pasterns. We admire her depth of flank, spring of rib and overall capacity.

Offered by: LONELY VALLEY SEEDSTOCK, CRESTON, NE

This 65% Lim-Flex heifer is sired by LVLS Bank Account 8116B, a son of MAGS Wazowski who topped the LVLS bull sale going to Liberty Ranch. As you can see in her picture and video, she is sound from the ground up, feminine through her head and neck, and strong down her top line. She ranks in the top 1% for WW, top 3% for YW, top 4% for CW, top 5% for TM, top 10% for SC, and top 15% for \$MI. This heifer has it all stacked in her favor and is one of the finest to come from the established, long-running LVLS program.

8	1.1	80	111	23	4	1.0	16	.01	34	.4	.19	61

Offered by: HAGER CATTLE CO., KARLSRUHE, ND

High-quality, stout, performance-oriented and huge-numbered are terms that appropriately summarize this pair of open heifers and the cattle you've come to expect from the progressive Hager Cattle Company program. The elite donor, LVLS 9066U, is genetically responsible for both of these standout heifers and is a can't-miss female who is big footed, relaxed in her pasterns, deep sided, level designed and boasts a perfectly constructed udder. With two proven and popular AI sires on the top side of each of these respective females, the likelihood of finding both of these 9066U daughters in the donor pen is inevitable. Invest in these females today and secure in your genetic future. View these sale entries at the Hager Pen in the yards.

Offered by: STOWERS LAND & CATTLE, BRIDGEPORT, TX

This double homozygous female is sired by the once All-American Futurity Supreme Champion bull MAGS Xyloid. She proudly represents the progressive Stowers program. She is massive in her foot size, heavy boned and has the beautiful sweep to her underline with tremendous rib shape and capacity. We are in awe of her feminine front end, smooth neck and shoulder junction and strength down her top line. Eligible for the 2018 Lone Star Shoot-Out.

Offered by: JCL LAND & CATTLE, WELCH, OK

601D, just like her maternal sister, JCL Katniss LNLM 207Z, is exceptionally constructed and superbly attractive. Katniss is the female Linden Linthicum led to the backdrop numerous times. Her success included winning the 2013 National Junior Show and All-American Limousin Futurity. PBRS Unbelievable is also the dam of JCL Spirit LNLM 511A, grand champion female at the American Royal; as well as JCL Thriller, the 2014 Grand Champion Bred-and-Owned Bull at the National Junior Show. When mated with the exciting new, balanced trait MAGS Xukalani son, MAGS All-Star, both his exceptional data and looks came shining through. JCL Della LNLM 601D ET's GeEPDs absolutely hit it out of the park—she is in the top 20% or better for each maternal, birth and growth trait, as well as MB and \$MTI, and the top 25% for REA. Eligible for the 2018 Lone Star Shoot-Out.

Offered by: EDWARDS LAND & CATTLE CO., BEULAVILLE, NC

ELCX Double Dip 621D comes to you from the heart of the Edwards Land & Cattle Co. replacement group. She is sired by the deceased MAGS Winston and is out of the \$20,000-valued AUTO Poem. She is the youngest of these flushmates and is looking like her older siblings with tremendous sweep to her rib and extreme refinement and elegance through her front end. Double Dip gives you twice as much marketability when you combine her show-ring potential with her performance profile. She explodes from a 13 CED to 113 YW EPD, and at the other end of the spectrum, she ranks in the top 15% and 10% of the breed for REA and MA EPDs, and she is in the top 5% of the Lim-Flex population for \$MI. 621D is a maternal sib to Owens Cattle Co. and Edwards' bull who was the 2016 AALF Champion, ELCX Bullet Proof.

Her dam is a flushmate to DHVO Deuce and DHVO Alma Jo. LFL Daisy has a stylish profile with balance and structure second-to-none! She will show with the purebreds in the junior show at Denver and Junior Nationals. She ranks in the top 35% in six traits. Eligible for the 2018 Lone Star Shoot-Out.

18

PICK OF THE FALL BRED HEIFERS

Offered by: LINHART LIMOUSIN, LEON, IA

A pick of approximately 50 elite bred heifers from the heart of the robust Linhart Limousin fall-calving herd, which is one of the largest in the business today. The list of breed-impacting females the Linhart program has raised over the years continues to grow and it's with confidence that a matron worthy of that moniker exists in this very group. Found specifically in the 2015 fall-born bred heifer pen are females from not only the strong Linhart genetic base, but also the base of the Magness fall-breeding program that was acquired last spring. The combination of this groups genetic diversity and high quality all but secures your chance of finding numerous prospect donor females to sort through.

Offered by: COLEMAN LIMOUSIN RANCH, CHARLO, MT

Selling the right to flush—six eggs maximum of 10. The choice is from one of these four matings. The combination of quality and variety is found in this intriguing genetic opportunity! These designer matings have strategically been made to complement one of the breed's most proven and predictable Lim-Flex donors. COLE Miss Traveler 029X needs little introduction anchoring the Coleman Limousin Rnach ET program, and being dam to the widely popular COLE Absolute 05A AI sire who's a lead bull in the progressive Linhart Limousin herd. This double homozygous polled donor is huge footed, stout featured, big bodied and boasts a perfect udder configuration. The AI sires to choose from are some of the most popular and genetically fresh the breed has to offer. You be the judge and invest with confidence.

Offered by: RIVERSTONE CATTLE CO., OLDS, AB

Selling 5 embryos to the bull of the buyer's choice. Riverstone Charmed and Riverstone Crown Royal are becoming household names in the U.S. Limousin community, both of which are progeny of the 2012 Canadian National Champion Female and Canadian Agribition First Lady Classic Champion, HSF Your Fantasy. Your Fantasy and her dam, HSF Tinkerbell, were the \$35,000 top-selling pair from the 2011 Highland Stock Farm sale. Her daughter, Riverstone Charmed, is the breathtaking female of Madison Ratliff's who has been champion in nearly every show she has shown in and is the first Limousin to win the coveted Supreme title at the NAILE junior show. Commonly referred to as the "Ratliff heifer" in 2016, she had the whole country a buzz about how far the breed has come and how good purebred Limousin can be. Riverstone Crown Royal sold in the 2016 Riverstone bull sale to his new home in the states with progressive breeders, Stowers Limousin and P Bar S Limousin. Here is your opportunity to flush the dam of these two game changers in the purebred population to the bull of your choice and make your Limousin fantasies come true!

Offered by: *COLT CUNNINGHAM, ROSE, OK*

An opportunity to get predictable genetics on both the top and bottom side of the pedigree. On the bottom you have LH Belle 015B who captured purple last year at Denver, Louisville and Fort Worth, as well as the supreme title at the Oklahoma Youth Expo for Colt Cunningham. On the top side is TMCK Durham Wheat 6030X, the sire of Riverstone Crown Royal and Riverstone Charmed, outstanding purebred Limousin in their own right.

Folks, here is a true sale highlight to invest in proven championship genetics! The donor dam, MAGS Zalia, is a sound-structured, bold-ribbed, attractive-patterned female who was admired by many as she claimed top honors at the 2014 National Junior Show Lim-Flex Show. The sire in this designer mating, MAGS Aviator was a member of the 2014 National Western Champion Carload and his progeny are known for their supreme style and structural correctness. This elite mating promises to produce homozygous black, good-numbered, phenotypically exceptional calves that project to compete at the highest level in show ring's across the country. Invest today.

Rare opportunity abounds. These embryos are full-sibs to one of the breed's most popular Lim-Flex AI sires—MAGS Aviator! If you're looking for a genetic opportunity that promises to produce homozygous polled, functionally sound bulls and tremendous cow prospects here's the mating for you! Featuring service by the deceased MAGS Winston, a sire known for producing easy-fleshing, big-bodied cattle that have truly clicked with the commercial industry. The donor, MAGS Xtra Rest, is one of the most phenotypically complete donor cows to walk the pastures of Linhart Limousin. Don't overlook this opportunity sale day.

Offered by: *MASSEY CATTLE COMPANY, LONDON, KY*

Appropriately, Massey Cattle is offering embryos from the standout donor, EF All In Fun, in Denver, by RLBH Air Force One. After all, what better way to commemorate them both winning there in 2014 than to share their genetics? EF All In Fun is as elegant and phenotypically flawless female as you could ever design in a purebred female. When paraded by Etherion Farms, she would turn heads and stopped people in their tracks to admire how well she tied together so many exceptional pieces. As both a calf and a yearling, Rachel Booth and the Etherions won nearly every major show with RLBH Air Force One before he was the top-selling bull in the 2015 National Sale going to Council Family Limousin. This mating is destined for the backdrop. The hard work is done with this project, trust us! There are several on the ground and they are easy-fleshing, super in their lines and angles, deep middle and extremely sound structured.

Folks, here is a pick 'em lot! Featured is your choice of the embryos by the cornerstone ET female in the Wieczorek Limousin program—WZRK Miss Nascar 8012U. She is an extra stout, sound-structured, high-performance female who has earned her can't-miss reputation. With more than 25 registered calves on file, she's been the dam to many of our highest performing and top-selling bulls the last five years. The two service sires are the proven and predictable Wulfs Xcellsior, and the genetically fresh, homozygous polled COLE Cadillac. It's with great confidence we place these matings on offer for your appraisal.

BIEBER HARD DRIVE Y120 • Sire of Lot 37

What a phenomenal genetic opportunity to invest in two of the finest homozygous polled, red Limousin and Lim-Flex matings ever created at Wulf Cattle! The feature donor, Wulfs Soloist 6284S, is highly predictable, stout-featured and THE cornerstone purebred female in the esteemed Wulf Cattle ET program. This marks your opportunity to attain genetics by her in these two exclusive matings which feature AI sires that represent the best of both the Limousin and Red Angus breeds—HUNT Credentials and Bieber Hard Drive. The blending of these exceptional genetics promises exciting results. Don't miss your chance to invest in these unique genetic packages.

In memory of and as a tribute to, Dale F. Runnion, who passed away in June 2016 at the age of 98, the sale management team for the National Limousin Sale has created a special award.

The Dale F. Runnion Memorial People's Choice Award will be presented to the champion female (bred or open) consigned to the 2017 National Limousin Sale.

Ballots will be made available in Denver. Voters may place their ballot in the box located at the NALF booth on the Hill or hand it to any member of the sale management team. Voting will close at Noon January 10.

The consignor of the People's Choice Champion will receive a three piece trophy buckle sponsored by Teners Western Outfitters in Oklahoma City, Oklahoma.

Dale F. Runnion was one of the most influential people in the breed's development in the United States. Before that, he was also one of the most influential people in the Angus breed. All along the way, he was an icon of livestock publishing, and a lion-hearted champion of the purebred industry.

Dale's livestock publishing career began in 1949 as a fieldman for *Chicago Drivers Journal*. In 1952, he went to work as a fieldman covering the north central states for the *Aberdeen Angus Journal*. Before he was done there, Runnion was the advertising manager and then the managing editor. In 1968, Runnion was named marketing manager for Ankony Hyland Angus, at Highmore, South Dakota

In 1971, Dale and Jim Baldrige founded National Livestock Brokers, Inc. at North Platte, Nebraska. They founded the *International Limousin Journal* that same year. Dale and June sold the *ILJ* in 1979.

In 1981, the American Angus Association called on Dale to bring its official publication—now named the *Angus Journal*—in house.

In 1983, Dale and June Runnion partnered with Dan and Nancy Wedman to found *Limousin World*. Dale and June sold their interest in the magazine to the Wedmans in 1986.

Dale served as NALF's second executive vice president and was the second inductee into the Limousin Hall of Fame

He was a founding member of the Livestock Publications Council and served as its president. In 1987, he was named LPC Headliner—for all practical purposes, it's the organization's hall of fame for livestock publication publishers, editors, journalists and creators and salesmen.

In 1988, Dale's portrait was hung in the Saddle and Sirloin Gallery. In 2006, Dale was inducted into the prestigious Angus Heritage Foundation.

Dale F. Runnion put his heart and soul into agriculture, especially the purebred cattle business, making it only fitting a prestigious award such as this be named in his honor.

For more information, contact any member of the sale management team.
