Genetics ON ICE Benefit Auction

A large part of the excellence achieved at the National Junior Limousin Show and Congress and the All-American Limousin Futurity stems from support of involved Limousin breeders — support from both the heart and the wallet.

This year, the National Junior Limousin Show and Congress and All-American Limousin Futurity in Denver, Colorado, promises to surpass even the high points of past experiences.

As you can see from the program, this year's benefit auction is filled with genetic opportunities and many other interesting items, thanks to the generosity of the many contributors. You will have the opportunity to choose from:

- some of the most popular and useful sires and dams in the breed today
- preferred position pages in the National Junior Limousin — All-American Limousin Futurity souvenir program to advertise your ranch or program
- award sponsorships
- unique art
- genetic packages
- hunting trips

This "Genetics On Ice" benefit auction gives you the opportunity to help yourself and your program while supporting one of the breed's major events of the year.

The benefit auction, as we know it today, was started in 1984 by American Cattle Services to fund the first All-American Limousin Futurity in the summer of 1985 in Springfield, Missouri, which was the first time the National Junior Heifer Show was held in conjunction with an open Limousin show. This first auction was held at the American Royal in Kansas City, Missouri, with assistance from the Kansas and Missouri Limousin Breeders Associations. Most items offered were frozen semen and pregnant recipients, thus the auction was named "Genetics On Ice" from the very beginning.

The fundraiser was initially one where the donor received 50 percent of the revenue and the AALF received 50 percent. After the second such auction in Kansas City in 1985, Dr. Greg Martin, NALF Executive Vice President, and Ken Holloway, principal partner of American Cattle Services, thought it would be appropriate to hold the benefit auction in Denver at the NALF banquet and split the proceeds between NALJA and AALF. The "Genetics On Ice" auction has enjoyed a 35-year run with much success thanks in no small part to the generosity of those who attended, contributed and purchased.

Totals indicate some \$1.7 million has been raised from Limousin breed promotion at the "Genetics On Ice" auction. A special thanks to all involved!

All items, unless otherwise noted, sell with proceeds split 50-50 between NALJA and the AALF.

All semen and embryos will be released for shipment upon payment, unless otherwise noted.

Shipment will be at the buyer's expense. Semen and embryos are not necessarily exportable outside the United States.

Please make checks payable to:

NORTH AMERICAN LIMOUSIN EDUCATION CORPORATION

EPDs are current as of Fall 2017.

LVLS/LV Bar donates the pick of the entire 2017 Spring born heifer calves from their Kansas location at Plainville. There will be 100 head for the buyer to choose from. **Genetics include:** LVLS Bank Account, WZRK Atlas, MAGS X-Wet, MAGS Zarah, MAGS Unreal, AHCC Badlands and numerous others.

INCLUDES

- FOUR CORNER ET (One flush, freezing and boarding)
- LATHROP TRUCKING (free Continental U.S. transport)
- GRASSROOTS INSURANCE (6 months insurance)

Plainville, KS

3 PICK OF THE SCHUPPE 2017 LIM-FLEX HEIFER CALVES

Selling is the pick of our 2017 Lim-Flex heifer calf crop to help support the 2018 National Junior Limousin Show and Congress in Denver, Colorado. You will be able to pick from the top 60 head out of 92 heifers born between January 25 and March 16, 2017. All of the heifers are black and polled. They are preconditioned, have had Multi Min, been bangs vaccinated and poured with Dectomax. The heifers have an average weaning weight of 642 pounds with no creep feed. Schuppe Farms has been raising Limousin and Lim-Flex cattle for 40 years.

Sires represented in the offering are: ELMW Xpedient 4X, SYES Backstage, TMCK Alfalfa 35X, TMCK Brooklyn 110B, TMCK Browning 105B, MAGS Aviator, MAGS Eagle, MAGS Adidas, along with some top Angus AI sires.

ELMW 31E is one of the top heifers by EPDs.

Cattlemen to Cattlemen

4 TV COMMERCIAL PRODUCTION & AIR TIME

NCBA's Cattlemen to Cattlemen will send a crew to your ranch to produce, script, voice and edit a 30-second commercial advertising your operation and/or production sale. Also included in this package is the air time for the commercial to run for four weeks (12 total airings) during NCBA's Cattlemen to Cattlemen show on RFD-TV anytime during 2018 or early 2019. Production should be completed 8 weeks prior to the targeted airing.

Buyer will also receive rights to use the video in their own electronic marketing efforts. Provided the operation is, or will become an NCBA member, the Cattlemen to Cattlemen crew will also shoot a feature story on the ranch to air on a future episode of Cattlemen to Cattlemen.

DONATED BY: KEVIN OCHSNER, KERSEY, CO

Proceeds go to the Colorado Limousin Association

Better Beef is our ONLY Business

The business of producing better beef doesn't start in the backyard. First it, the business of producing better beef begins a couple of years before the backyard at every cow-calf operation in America. Today, generations of conservation create the greatest opportunity for better beef production. Careful data collection over decades, implementing science and technology into breeding philosophies, and making certain our customers have equal opportunity for profitability, all make producing better beef a sustainable equation, call crop after call crop.

Success from farm to fork is a daily goal at Wolf Cattle. If you are interested in improving the quality of your product and being part of a value added supply chain, give us a call.
