All EPDs and performance information are in accordance with
the North American Limousin Foundation as of Spring 2018.

TRUCKING:

Free shipping will be available to central locations. Contact
Charles Linhart, 641-340-1306, to make arrangements.

Limousin Friends & Enthusiasts,

It is our pleasure to invite you to the third edition of our "Business Done Right" Bull Sale, Saturday, March 3, 2018, at our sale facility near Leon, Iowa. We are a family operation just north of Leon in the heart of cow-calf country in southern Iowa. Our Limousin and Lim-Flex seedstock operation began in 1979 and has grown to nearly 600-producing females.

Over the years, we have worked hard to create a quality product and share in our customers' success and while always doing things the right way.

In this offering we have brought you our very best. The bulls presented to you here have withstood the rigors of our stringent selection criteria. This group of 75 bulls consists of both spring yearlings and 18-month-old bulls. Like in years past, the influence of our premier donors, elite herd sires, progressive A.I. program and no "shortcuts" approach is evident in the bulls we are offering.

As you study the offering and evaluate the bulls as they relate to your overall production goals, we ask you to keep in mind the true "value" of a herd bull.

While we as an industry continue to enjoy excellent cattle prices relative to historical averages, the spread in value of genetically superior calves is at an all-time high. Regardless of whether you sell your calves at weaning at a sale barn, run them as yearlings or retain ownership throughout the feeding phase, buyers are becoming more selective as to the types of calves that generate premiums. Factor in the long-term value of the females you retain, and reasons to purchase superior herd bulls becomes evident.

We are confident the bulls in this sale have the inherent genetic ability to sire market topping calves based on the comprehensive data supplied to you in this catalog. So rest assured, the product at hand is exceptional and will come to you at various price levels. Bid with confidence.

It's our goal to make all business transactions with customers a pleasant experience. In addition, all cattle sold are fully guaranteed to the catalog in accordance with the North American Limousin Foundation as of Spring 2018. Furthermore, if you would like to discuss our sight-unseen purchase program, financial arrangements or trucking plans we are happy to accommodate. As a reminder to both our existing and prospective bull buyers, we encourage you to check out our industry competitive "Linhart Bull Program" incentives found on page 2 that we have in place to stand behind this quality set of bulls.

We look forward to seeing you at the sale. Plan to join us for lunch. If we can be of any assistance to you prior to or during the sale we have an open door policy and welcome all calls and questions. Don't hesitate to give us a call anytime.

Sincerely,

The Linhart Family
Linhart Limousin

Linhart Limousin Purchase Incentive Program

- **Guarantee...**one-year unconditional breeding guarantee. We fully stand behind our product.
- **Documentation...**bulls come complete with ultrasound, performance data, herd health & registration.
- **Financing Program...**50% down at time of purchase, balance due on delivery.
- **Housing...**complimentary development until April 15.
- **Trucking...**we offer free delivery to central points.
- **Volume Purchases...**buy 5 or more bulls, receive a 5% discount; 10 or more bulls receive a 10% discount.
- **Sight-Unseen Purchase Program...**you tell us what you're looking for, we'll do our best to meet those needs, and if you're not satisfied when you get your bull(s), you don't own them.

LOTS 1-44

We are proud to offer you this outstanding set of spring yearling bulls. Through our aggressive A.I. and embryo transfer program, we continually push the genetic envelope while using the same common sense approach we know our commercial customers use. While fresh pedigrees and breed-leading EPDs have value in the marketplace, they are of little relative importance if the bulls themselves are not packed with the convenience traits all true cattleman demand. We feel our program is on the right track, but you, our customers, are the measuring stick. Your feedback is not only welcomed, but appreciated, as we continue to fine tune our program into one capable of assuring our customers remain profitable based in part on the genetics we supply them.

SELLING SPRING POSSESSION & 1/2 INTEREST

It should be fairly obvious to see why we are starting the sale here. Simply stated, this Homozygous Black, Homozygous Polled PUREBRED, is a specimen. He is incredibly stout, yet maintains ample amounts of capacity and rib shape. From an EPD standpoint, he checks all the necessary boxes to be a herd sire of distinction. It's a safe bet to say he will end up being a featured semen seller in the years to come.

Take some time to study this royally-bred Homozygous black Lim-Flex herd sire prospect who posted the second highest adjusted weaning weight of all the spring bulls offered. At every turn, he features a major-league semen selling sire in his pedigree. In addition to being a phenotypic standout, his EPDs read about as good as you can print them. Top percentiles for growth, milk, scrotal, carcass weight, marbling and mainstream terminal index. You can't go wrong here.

If you need to keep birth weights in check, while pushing the envelope for growth, milk, ribeye and marbling, then this double Homozygous Lim-Flex deserves a long hard look. By Y-Axis and out of an Aviator x Winston female, all the stars are aligned for what we think is a breed changing type of sire.

"We use Lim-Flex® bulls on our British-based cows because it allows us to achieve our goal of producing a high percentage of cattle that grade Choice, have higher yielding carcasses, while maintaining feed efficiency and uniformity."

-Erik Roen, Sierra Valley Ranch California

Roen is a profit-minded cattleman who uses Lim-Flex bulls on his 2,000 head cow herd. Roen markets his calves through Superior Livestock Auction. One set of calves averaged 94% Choice or Prime, had greater than a 65% dressing percentage and returned \$117 per head of profit for the feeder.

PURCHASE INCENTIVE PROGRAM

- **Guarantee...one-year unconditional breeding guarantee.**
We fully stand behind our product.
- **Documentation...bulls come complete with ultrasound, performance data, herd health & registration.**
- **Financing Program...50% down at time of purchase, balance due on delivery.**
- **Housing...complimentary development until April 15.**
- **Trucking...we offer free delivery to central points.**
- **Volume Purchases...buy 5 or more bulls, receive a 5% discount; 10 or more bulls receive a 10% discount.**
- **Sight-Unseen Purchase Program...you tell us what you're looking for, we'll do our best to meet those needs, and if you're not satisfied when you get your bull(s), you don't own them.**

LOTS 45 -75

We are equally excited about this group of stout, well-developed fall yearling bulls. Rest assured, these are not “left-overs” or “picked-throughs.” They are part of our comprehensive plan to provide a variety of genetic combinations in different age brackets. Many of the same cow families and sire groups found in our spring bulls are represented in their fall-born contemporaries. We developed these bulls with longevity in mind and as such, are comfortable they will hold up under tough conditions while providing years of trouble-free service. Equally important, these bulls should sire the kind of calves that cause your neighbors to slow down as they drive by and your buyers to stand at attention when your sale day rolls around. As always, we welcome your questions and concerns and in the event a problem arises when you get your bulls home, we hope we will be the first call you make.

ONE DOSE. TWICE THE SECURITY.

Once PHM[®] IN protects your calves from *Mannheimia haemolytica* and *Pasteurella multocida* – two of the leading forms of bacteria that cause early-onset BRD – so you're double covered.

One intranasal dose, no needle, given as young as 1 week of age, is all it takes. Easy for you, easy on them.

For more information, talk to your Merck Animal Health representative or visit The-Best-Defense.com/Once_PMH.

LIMOUSIN TODAY PROFIT TOMORROW

"In these times when the margin on feeding cattle is so slim, the difference between YG 1-2 and YG 3 can be the difference in a profit or loss on a set of calves. We run a lot of Limousin influenced cattle through our barn and they consistently top the market and make our customers money."

*-Jackie Moore, Owner/Operator,
Joplin Regional Stockyards, Missouri*

Limousin and Lim-Flex® (Limousin x Angus hybrid) deliver to your bottom line.

- ‡ Calving ease & calf vigor
- ‡ Tested & proven docility
- ‡ More pounds to sell at weaning
- ‡ Cow & bull longevity
- ‡ Feed efficiency
- ‡ Carcass merit

To find out more about how you can profit tomorrow with Limousin or Lim-Flex® bulls and females, call 303-220-1693 or visit www.NALF.org.

North American Limousin Foundation • 303-220-1693 • Limousin@NALF.org • NALF.org

The importance of quality herd bulls, be it in a commercial or seedstock operation, cannot be stressed enough. Herd bull decisions made today influence your program, either positively or negatively, for years to come through daughters retained in the herd.

At Linhart Limousin we have always believed in having the absolute best bull power available in the industry. As such, we have invested heavily over the years to ensure only the best sires walk behind our progressive AI and embryo program.

As you study the bulls offered for sale in this catalog, and as you look over the reference sire listing on the following pages, you will notice the positive influence bulls owned by Linhart or bulls carrying the Linhart moniker, are currently having on our program.

By becoming a customer of Linhart Limousin, you are not simply buying a new herd bull, you are buying into our philosophy of continuously striving to improve the sire side of the breeding equation.

A Sincere Thank You From
LINHART LIMOUSIN

We appreciate your support and interest in our breeding program. We take the people side of the business seriously and never for granted, that's why producing a quality product and making sure our customers are satisfied has always been a top priority. Simply put, your attendance and participation at our sales has humbled us, and we wish you many successes with your purchases.

Thank you for taking time to view the catalog and allowing us the opportunity to earn your business.
