

HERDBUILDER

Twenty-Six

MARCH 21, 2020

1 P.M. | AT THE FARM | SPRINGFIELD, MO

Dear Limousin Enthusiasts,

Welcome to our HERDBUILDER Twenty-Six Limousin production sale! This annual sale represents a total of 29 years in the purebred seedstock business. What a ride this has been for all of us at Pinegar Limousin. We know that in any business we are only sustainable if our customers are satisfied with their product.

Our motto in the cattle business has been to have common sense and planned genetics to assure our customers the most predictable product possible. We have surrounded our program and laid a foundation with only the best and most proven donor cows we could possible create and/or find. That nucleus of females has secured our place as one of the largest seedstock suppliers in the breed.

I would like to thank the entire Pinegar crew who work day in and day out in keeping everything in order with the volume of cattle that we run.

Our program has been managed by Ty and Susie Heavin for many years now, and we thank them for all they do. The professionalism, care and maintenance of the cattle is beyond compare and like no other.

We cordially invite you to come early, stay late and enjoy the relationships we have developed over the years in a business that has been very rewarding for us as a family.

Sincerely,
Ed & Carol Pinegar

If you need assistance with your purchases or want to discuss the genetics selling, feel free to contact any member of our marketing team. As a paid marketing agent for Pinegar Limousin, we take pride in the opportunity to work closely with this program. We can assist you with your phone order and/or handle your bid in the most confidential manner. Email, call or text, we will be more than happy to assist.

TRUCKING

Will be available on site to haul purchases the day of the sale. To make prior arrangements feel free to call R&R Marketing Co. at 615.330.2735 and we will make your buying easy and accommodating.

PAYMENT

Cattle must be paid for at the time of the sale unless prior arrangements are made with sale management at the time of the sale at 615.330.2735. All credit cards accepted.

ANNOUNCEMENTS

Announcements at the sale by the owners, auctioneer or sale management will take precedence over statements in the sale catalog.

SALE ORDER & SUPPLEMENTAL INFORMATION

Sale order is catalog order. A supplement sheet will be posted Friday, March 20 at www.RRMktg.com.

TERMS & CONDITIONS

Terms of the sale are cash unless satisfactory credit arrangements have been made prior to the sale. A representative will be on hand sale day if you wish to insure your purchases. Please note: The sale manager is only an agent for the seller and has no responsibility other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the sale manager nor Pinegar Limousin assume liability, legal or otherwise, for any accidents which may occur.

INSURANCE

Insurance on your purchase can be provided by Mark Smith, Grassroots Insurance, Ankeny, IA, 515.229.5227.

EPDs - EPDs are dated 2.12.2020

DIRECTIONS - See back cover.

HERD-SIRE

Prospects

LOTS 1-26

This is a remarkable young herd-sire prospect who has tremendous muscle expression, a big square hip, huge bone and a massive top. AUTO 132F is a MAGS Cable son and from the LH U Haul daughter, AUTO Bliss 265Y, the \$30,000 donor for Lawrence Family, Diamond Hill, Hall Cattle and Coyote Hills. You'll want to retain almost every calf out of this guy because they'll be keepers to build a powerful herd around. This bull offers such breeding versatility being a 57% Lim-Flex and from such exceptional cow families. His phenotypic design will impress even the most critical eye. 4x4 posts a 0.38 figure for marbling that ranks him in the elite 5%.

Due 4/29/2020 to HBRL Deluxe Package 6114D (HP/HB)

This exquisite female is a no-nonsense daughter of the prolific Riverstone Crown Royal and when mated with the AUTO April 202A female—this is the result and we couldn't be more thrilled. AUTO April 202A is the MAGS Manuela daughter out of the powerful SAV Brave 8320 bull. There's absolutely no guesswork in this genetic package right here. The consistency in AUTO Solo 419E is so evident and she's a whale of a powerhouse that you'll want in your program when she calves. Her milk figure is in the top 20% of the breed. She is homozygous black and homozygous polled.

Due 4/4/2020 to AUTO King David 120E (HetP/HB)

AUTO Ernest 800E is one that can be considered for a lead donor female even in the most progressive program. She stands on a big foot, exceptionally long and level out of her spine and super feminine. She is a daughter of AUTO Power Line 135B ET and from an impressive MAGS Yip daughter, MAGS Brilliant. This one checks every box phenotypically and we're excited to see what she can do for you. She is homozygous polled.

LOT 31

Due 4/2/2020 to LFLC Bank Account 701B (HP/R)

Glamorous is how we refer to this gal around here. From the day this one hit the ground, there was no doubt in our minds she'd be an attention-grabber! AUTO Emmalee 807E is a homozygous polled daughter of AUTO Gunn Point 192Y. Her dam is AUTO Momentum 650B, a daughter of AUTO Will Power 160X. She is about as complete as we can make one—she's square hipped, elegant fronted, so long down her top and stands on such a flawless structure.

Due 4/29/2020 to HBRL Deluxe Package 6114D (HP/HB)
 This attractive brood cow prospect combines such elite families with a superior phenotype that has surfaced her to the top of her contemporaries from day one. AUTO Capitol 403E is a Riverstone Crown Royal daughter and is from the highly prolific donor, SBLX Xtra Special. Xtra Special does such a masterful job at continuing her elite legacy within the breed. The pedigree depth in this purebred female is just flat explosive. She is homozygous black and polled.

LOT 34

Due 5/13/2020 to HBRL Deluxe Package 6114D (HP/HB)

This phenomenally designed female combines a leading-edge pedigree with phenotypic perfection and unlimited potential. Both her sire and dam need absolutely no introduction, but they're what anchor this female's worth. AUTO Morning Dew 402E is a purebred daughter of the wildly popular Riverstone Crown Royal bull and out of the highly respected Carrousel's Peaches 4330P female. It's almost impossible to pack more prolific genetics into one purebred female's pedigree. Endless breeding opportunities here folks!

LOT 35

Due 4/3/2020 to WASY Bakers Man 629B (HP/R)

An impressively beautiful red female that stems from the maternal matriarch, Carrousel's Peaches 4330P and AHCC Cowboy Kind C595 ET. She stands on such a gigantic foot, is as long as a freight train and about as soggy as one can be. AUTO Red Sparkle 412E is simply pure cow power all the way around. Bold in her muscle expression, huge middled and is so structurally sound. Her milk figure is in the top 10% of the breed. These are genetics that will be highly sought after for years to come.

 Quite a combination of cow power right here. AUTO Eldwin 450E is an elite purebred individual that combines plenty of body, structural integrity and femininity into a package that slides her to the top of major league donor potential. A daughter of Riverstone Crown Royal and the famed AUTO Luckie Too 423Y female. We really like what we are seeing out of Crown Royal and this female is the cookie cutter design everyone aims for. She is homozygous black.

LOT 38

Due 4/3/2020 to COJR High Tide 236M (Fullblood)

AUTO Emery 674E is a Fullblood that'll stop you completely in your tracks. She is a maternal powerhouse and ranks in the top 10% of the breed for milk. This is your chance to have a part of this incredibly cow family in your herd. AUTO Emery 674E is an AUTO Cliff Hanger 194D daughter out of the AUTO Cierra 269C female. She's a head-turner of a female and one that is so true in her kind.

Due 5/13/2020 to AUTO Blaque Blazer 100F (HP/HB)

Now this is a powerfully made brood cow prospect that is bred with longevity and will produce big time. AUTO Febe 251F is a 64% Lim-Flex daughter of AUTO Lucky Guy 140D ET, a son of AUTO Lucky Strike 118B. This female is out of one of the finest Manuela daughters, AUTO Carmela 207C, who is sired by the Red Angus bull, PZC TMAS Red Zone 2795. Talk about a royally stacked pedigree! We love this female's feminine look and how she carries herself with poise and grace, just as her dam has done for so many years in production.

AUTO CARMELA 207C | DAM OF LOT 46

Due 4/2/2020 to COLE Cadillac 05C (HP/B)

AUTO Fabia 204F combines an exceptional front one third design, structural integrity and femininity into one unique package. She is a 75% Lim-Flex daughter of AUTO Real Deal 150B who is sired by AUTO Cruze and out of the great Luckie Too female. Her dam, AUTO Mabelline 267Z, is the elite daughter of Connealy Consensus 7229 and MAGS Manuela. Neither of her dam's parents need an introduction, but just for good measure—Consensus is the high accuracy bull who is known as the phenomenal cow producer and number one sire in the Angus breed for progeny registered in 2014. Manuela herself has written history within the Limousin breed and is arguably one of the most superior females to shape any breed. This female is part of the limited progeny left in the country and holds such value as brood cow. Her milk EPD is in the elite 20% of the breed with a 25. Look for her to produce at the highest level, just as her ancestors continue to do. She is homozygous black.

Due 4/29/2020 to AUTO Blaque Blazer 100F (HP/HB)

It's always a challenge to know where to start when describing what we believe are some of the most prolific genetics—not only within the Limousin breed. AUTO Finna 226F is a 50% Lim-Flex daughter of EXAR Upshot 0562B. Upshot is ranked among the top 25 sires of progeny registered for four consecutive years. He is most well-known for his son, EXAR Denver 2002B. This female's dam is PBRs Touch Me Gently 798T, the DHVO Deuce 132R daughter from the infamous Carrouseles Pina Colada female. This female is ultra smooth in her conformation, attractive in her pattern and balances up so well on the profile. She is so youthful in her appearance and could without a doubt anchor any donor program in the industry today. She is homozygous black and homozygous polled.

Due 4/2/2020 to AUTO Real Deal 150B (HP/HB)

Now here's a 50% Lim-Flex female that'll give your program a 'fresh look!' This female has as many monumental sires in her pedigree as any female in this offering. AUTO Fresh Look 238F is a daughter of EXAR Counsel 1016B, the Connealy Consensus 7229 son. Her dam is BOHI Rejoice 308R, the great GPFF Blaque Rulon daughter. Her useful set of EPDs is highlighted by a milk figure of 28 that ranks in the elite top four percent, a top 20% ranking for yearling weight and top 25% for marbling. Phenotypically this gal is in a class of her own—she is exceptionally practical in her design and carries such fundamental width all the way to the surface. She is homozygous black and homozygous polled.

Due 4/2/2020 to LVLS Bank Account 701B (HP/R)

AUTO Redhead 250F is ultra-smooth in her conformation, attractively designed and full of cow power. Her sire truly doesn't need much of an introduction because he's already made such an impact within the breed, but this is a rare opportunity to get a tremendous daughter of Cottage Lake Border Agent in your herd. Border Agent progeny are unprecedented in terms of phenotype and elite genetics. This homozygous polled female is extra good—she's thick made, loaded with natural performance and for a purebred she's marvelously built.

AUTO Red Blaze 258F is a Fullblood daughter of Posthaven Polled Yellowstone, the bull known for his calving ease and impressive offspring. Her dam is AUTO Red Pepper 216X, our elite brood matron from AUTO Cliff Hanger 194D. AUTO Red Blaze is not only maternal in her design, she ranks in the top 20% of the breed for her milk figure.

LOT 53

SPRING BRED FEMALES

LOT 54

Due 4/6/2020 to WASY Bakers Man (HP/R)
 A cherry-red purebred female with some of the most predictable genetics in the breed? Heck yes! AUTO Red Ember 215F is bred about as elite as you can make a purebred. Her dam is none other than the most impressive Carrousel's Peaches 4330P female. To list all of her accomplishments along with her offspring would be an entire chapter in and of itself in the Limousin breed. She has continued to out-produce herself time after time and especially with this elite female. Red Ember is a daughter of Wulfs Apostle T343A, genetics that are seen throughout sons of Wulfs Ultra Diamond 8571U. With all of this being said, she's as impressive in person as she reads on paper. She is super correct in her lines and so unique in her configuration. Another highlight is her milk figure that is in the very elite 4% of the breed with a 27. Don't miss this high quality, homozygous polled female!

Due 10/1/2020 to AUTO Denali 746F (HP/HB)

Such a feminine featured heifer that is well balanced and has an ideal structure build. She is a 50% Lim-Flex daughter of the powerful EXAR Powersource 4723B and from the legendary MAGS Manuela. Not only does this gal come from the most superior, but she's holding her own on paper. She posts an impressive 0.46 figure for marbling that shoots her right to the top three percent of the breed and she ranks in the top 25% for her milk figure. AUTO Fast Lane 262F will do just as her name states—place you right in the 'fast lane' to some of the most elite genetics still in the breed today. She is homozygous black.

Remarkable, a term so fitting of this incredibly well designed, impressively bred female that continues her family legacy in the most elite fashion. Phenotypically, AUTO First Take 280F combines such a commanding front one third design, femininity, explosive rib shape into one excellent package. She is a daughter of MAGS Cable, the 2016 and 2017 National Western Stock Show lead herd sire in the Champion Carloads. This female's dam is AUTO Bliss 265Y, the LH U Haul 135U daughter owned by Lawrence Family Limousin, Coyote Hills Ranch, Lance Hall Cattle Co. and Diamond Hill Cattle Co. Pedigree-wise this female is bred to be a show stopper in whatever program she's introduced to. She is a 57% Lim-Flex that ranks in the top 10% of the breed for marbling. She is homozygous black and homozygous polled.

ROAD TO WEST MONROE

Pinegar Limousin will reimburse entry fees and seven nights hotel stay for juniors who exhibit a Pinegar animal purchased in this sale at this summer's National Junior Limousin Show & Congress in West Monroe, Louisiana.

Volumes of Limousin history have been created by several individuals in this female's pedigree. AUTO Genevieve is a MAGS Aviator daughter and is from the great WLR Direct Hit X TYEJ DB Serenity daughter, AUTO Luckie Too 423Y. This female is 79% Limousin and we truly believe the options are endless with this one. She is homozygous black.

LOT 94

PBRS DUTCHES 790X | DAM OF LOT 94

This gal has what it takes to rise to the top of the most astute cattleman's program in a hurry. AUTO Gift 288G is another fancy daughter of MAGS Aviator and out of the AUTO Donella 210D ET female. Donella is the EXAR Blue Chip 1877B daughter from the AUTO Gemini 248T donor female. AUTO Gift 288G is a 54% Lim-Flex female that is homozygous black and homozygous polled.

This gal personifies what our breed is all about—she offers a sharp front end, length of skeleton and overall mass in a truly spectacular package. AUTO Gala 265G is simply bred to be a great one. She is a daughter of AUTO Power Plus 133B ET and the magnificent PBRS Dutches 790X female. She ranks in the top 20% of the breed for her milk EPD. A nifty package that is packed full of genetic power and elite phenotypic qualities that continue to be passed from generation to generation so flawlessly. This female is a 50% Lim-Flex and is homozygous black and homozygous polled.

This fall heifer calf is smokin' good. AUTO Graystone 261G is a daughter of Conley Express 7211 and from a MAGS Manuela daughter, AUTO Zofia 439Z. Zofia is sure the impressive MAGS Xyloid daughter and this heifer is following in both of her parents' footsteps so beautifully. She is sound and flexible in her structure and has a flawless pose wherever you catch a glance at her. She has a marbling figure of 0.38 that ranks in the elite five percent of the entire breed. We strongly urge your consideration of purchasing this elite 43% Lim-Flex heifer. She is homozygous black and double polled.

AUTO Gigi 402G is an AUTO Direct Drive 107D daughter out of the unparalleled SBLX Unknown 104U female. She is a 68% Lim-Flex heifer that ranks in the top 25% of the breed for her milk EPD. We love how structurally sound this female is and she's simply bred to be a standout. She is double black and double polled. A blend of genetics like these are your chance to take your program to a new level.

LOT 96

LOT 97

Such a promising and exciting heifer calf right here, folks! AUTO Grace 267G is all that her name says and then some—a truly grand pedigree and she looks like a lady. This 54% Lim-Flex female is a daughter of AUTO Lucky Strike 118B. Her dam is AUTO Danielle 205D ET from the great AUTO Rebeca 292S female and EXAR Blue Chip 1877B. She gets it done in person and with a superior pedigree, but she also gets it done on paper—her weaning weight ranks in the top 20% of the breed and her yearling weight in the top 25%. We are so confident in this little gal and her bright future. She is homozygous black.
