TRUCKING: Will be available on site to haul any purchases out the day of the sale. To make prior arrangements, feel free to call R&R Marketing Co. at 615.330.2735 and we will make your buying easy and accommodating.

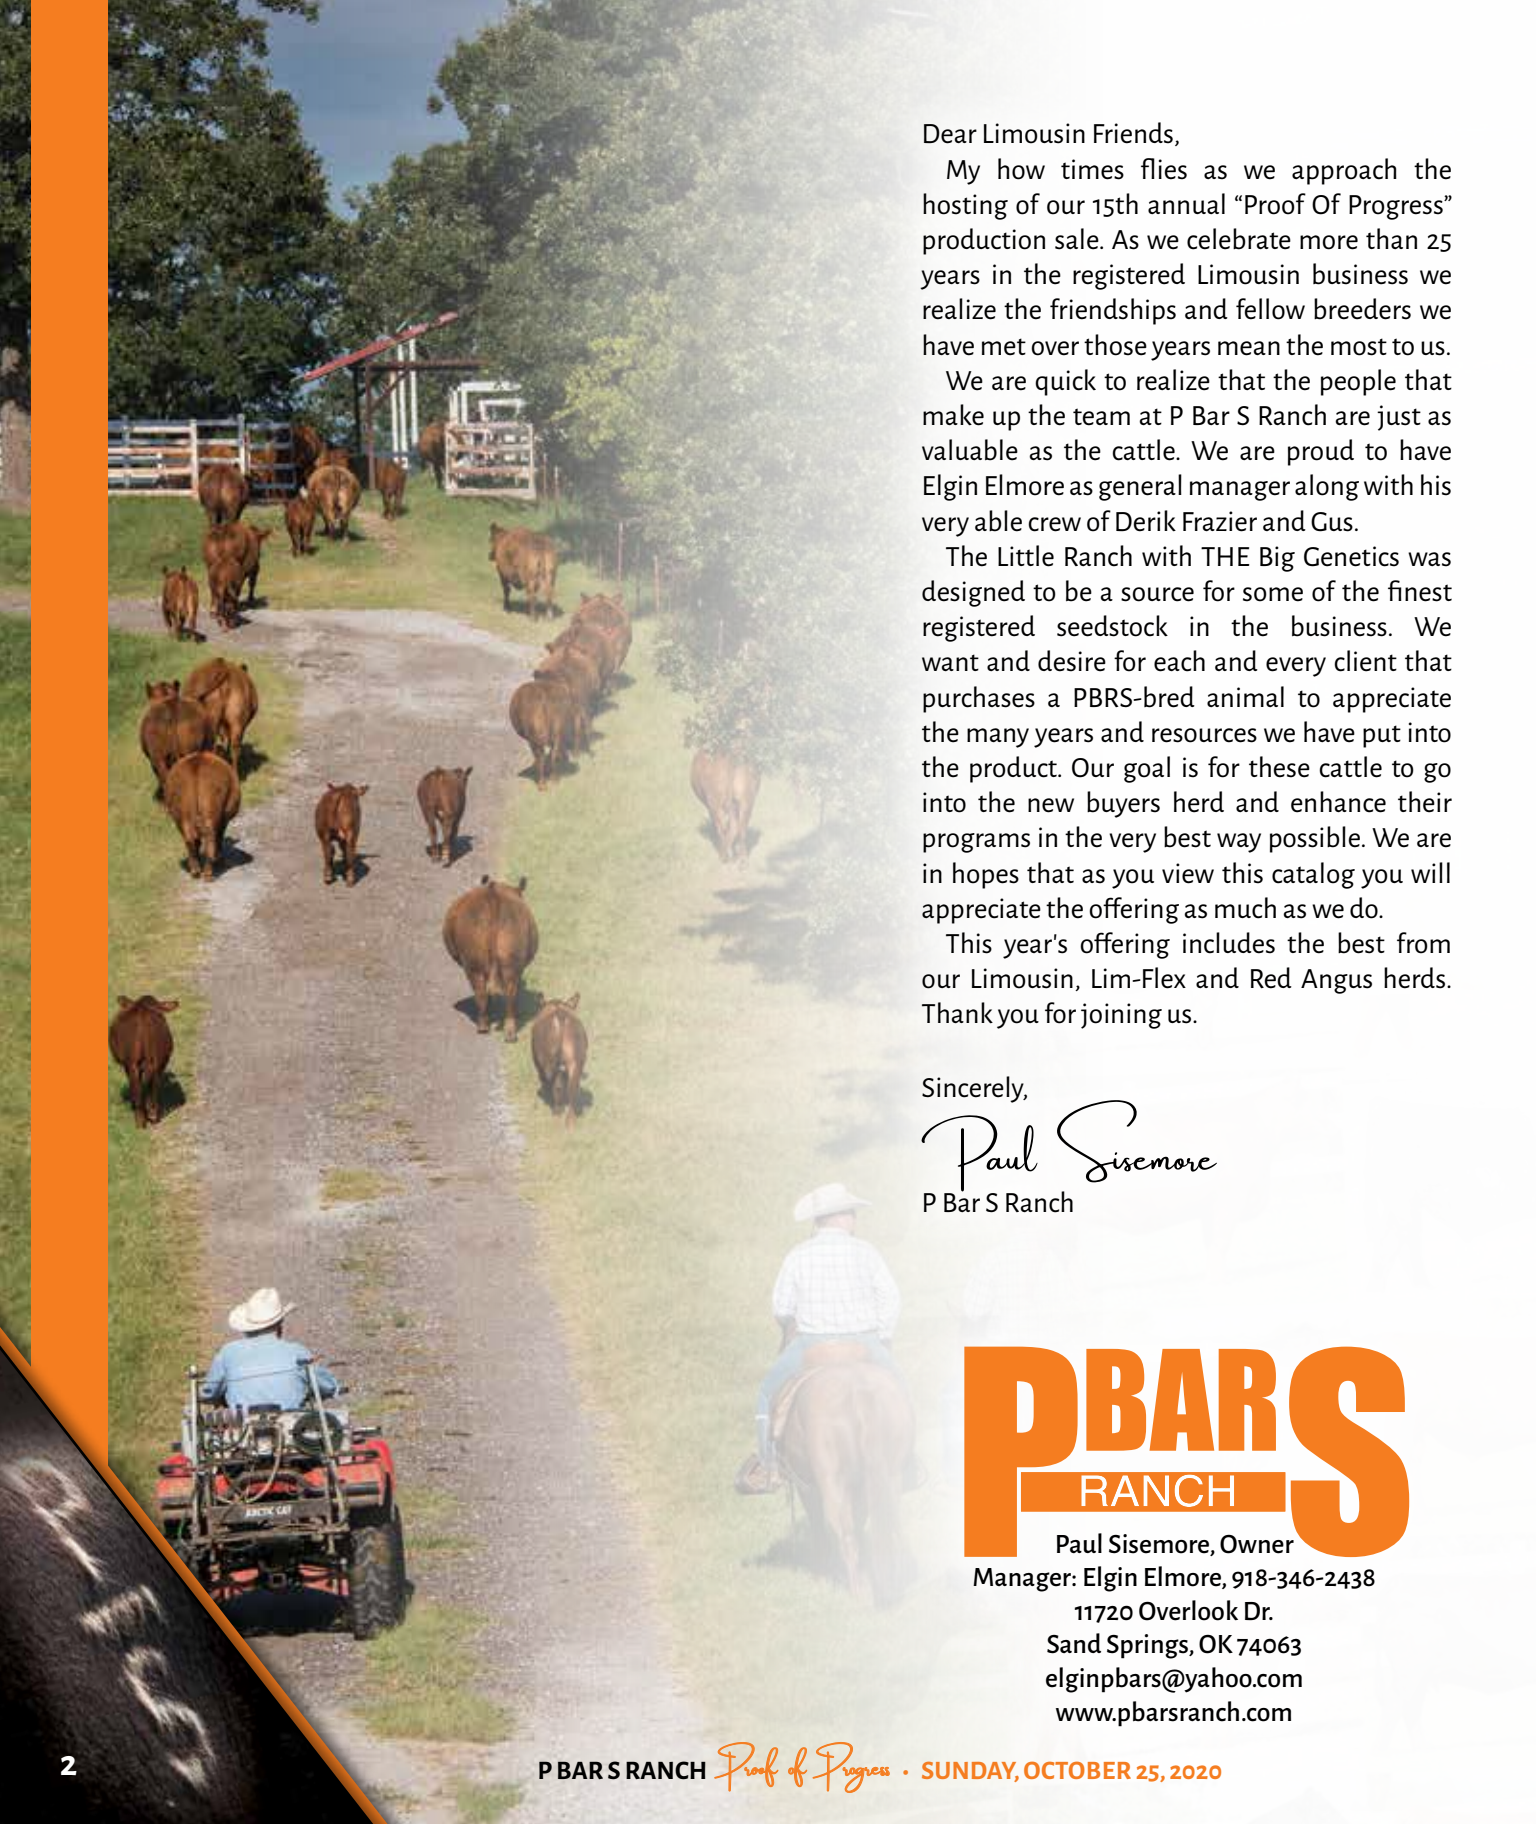

PAYMENT: All cattle must be paid for immediately following the conclusion of the sale unless prior payment arrangements have been made with R&R Marketing Co. at 615.330.2735. R&R Marketing accepts payment by credit cards with a 3% convenience fee.

ANNOUNCEMENTS: Announcements made sale day by the owners, auctioneers or sale management take precedence over statements in this catalog.

SALE ORDER & SUPPLEMENTAL INFO: Sale order and supplement sheet information will be posted Saturday, October 24 at www.RRMktg.com.

TERMS & CONDITIONS: Terms of the sale are cash unless satisfactory credit arrangements have been made prior to the sale. A representative will be on hand sale day if your wishes are to insure your purchases. Please note: The sale manager is only an agent for the seller and has no responsibility other than those involved in conducting the sale. All persons who visit the ranch do so at their own risk. Neither the sale manager nor P Bar S assume liability, legal or otherwise for, any accidents which may occur.

Dear Limousin Friends,

My how times flies as we approach the hosting of our 15th annual “Proof Of Progress” production sale. As we celebrate more than 25 years in the registered Limousin business we realize the friendships and fellow breeders we have met over those years mean the most to us.

We are quick to realize that the people that make up the team at P Bar S Ranch are just as valuable as the cattle. We are proud to have Elgin Elmore as general manager along with his very able crew of Derik Frazier and Gus.

The Little Ranch with THE Big Genetics was designed to be a source for some of the finest registered seedstock in the business. We want and desire for each and every client that purchases a PBRS-bred animal to appreciate the many years and resources we have put into the product. Our goal is for these cattle to go into the new buyers herd and enhance their programs in the very best way possible. We are in hopes that as you view this catalog you will appreciate the offering as much as we do.

This year’s offering includes the best from our Limousin, Lim-Flex and Red Angus herds. Thank you for joining us.

Sincerely,

Paul Sisemore
P Bar S Ranch

 RED TER-RON REBEL 102N
 RED SOO COUNTESS 3211

Will calve in April to J6 Jagger 120G (RAAA 4055256), a purebred Red Angus son of Six Mile & Co Jagger 780A from a daughter of Red Fine Line Mulberry 26P.

PBR'S Glowing 9146 is just that, a 'glowing' Red Angus female that you'll want to set your sights on. She is extended in her lines and uses that to her advantage. She has a soft, fluid stride that will keep her in production for many years. She is a daughter of Red Wildman Cimarron 605D, a Canadian outcross sire out of the 2016 Canadian Show Female of the Year, Red Wildman Miss Stocky 420B. Her weaning weight EPD ranks in the top 17th percentile of the breed and her yearling weight ranks in the top 18th percentile. This one has the build, the shape and the power to go on and produce some of the finest individuals that people will talk about for years!

LOT 2

Will calve in April to J6 Jagger 120G (RAAA 4055256), a purebred Red Angus son of Six Mile & Co Jagger 780A from a daughter of Red Fine Line Mulberry 26P.

Folks, this may be one of the best Red Angus females we've seen in a long time! PBRS Very Nice 985 is out of J6RA Lion Heart E254, a son of Majestic Lion Heart A25. His dam is WR Ms Betty 9035, a prolific donor female for J6 Farms. We believe this female knocks it completely out of the park when it comes to overall design, cow power and extreme longevity. She has the depth of body, explosive rib shape and flexibility to keep her smooth when she's on the move. Individuals with robust design and build don't normally also look like elegant females, but this one does! This gal will make one heck of a donor female.

Will calve in April to J6 Jagger 120G (RAAA 4055256), a purebred Red Angus son of Six Mile & Co Jagger 780A from a daughter of Red Fine Line Mulberry 26P.

If you're looking for the total package female, here she is! PBRS First Lady 93 is another daughter of J6RA Lion Heart E254. She is as long as a freight train, super deep bodied and terrific in her lines. This is one we can't say enough about. She's beautifully designed, great on her feet and legs and super clean fronted. A surefire candidate for the donor pen of any program!

Here is a massive powerhouse of a female that doesn't lack style and elegance! PBRS Very Nice 937 is another tremendous daughter of J6RA Lion Heart E254. This is a powerfully designed, wide built, super sound moving female that is great in her joints and flexible off both ends of her skeleton. PBRS Very Nice 937 is big and broody, but she's also built like a lady and ready to go to work in your herd!

This is one beautiful Red Angus female! PBRS Red Lana 9108 is a daughter of J6RA Lion Heart E354 that you need to pay major attention to. This gal is bold in her rib shape, moves extremely well and is built to last from the ground up. If you appreciate genetics that have stood the test of time and still have this much potential, consider investing in this beautiful female — we're certain you won't regret it!

PBRS Quickness 925 is a J6 Mr Quickdraw D328 daughter. Quickdraw is a Six Mile Taurus 519A son. We love this female's extra length and beautiful style. She's super strong topped, elegant through her front one third and stands on such a great structure. PBRS Quickness 925 has a great deal of donor female potential. She's got the look, the genetics and the potential to be a staple female in any program.

Will calve in April to J6 Jagger 120G (RAAA 4055256), a purebred Red Angus son of Six Mile & Co Jagger 780A from a daughter of Red Fine Line Mulberry 26P.

PBRS Jackie 923 is a beautiful brood cow prospect. She's packed full of breed character and lined with tons of genetic potential. Her sire is Pelton Wideload 78B who is known for creating broody, feminine females and powerful herd sire prospects. She's neat patterned, powerfully built and elegant through her front one third. Her marbling figure ranks in the 16th percentile of the breed. This is a valuable female in terms of genetic potential and powerful phenotype. You'll want this feminine, youthful appearing female in your herd when calving season rolls around.

P Bar S Stone 8242 is a purebred Angus female. Her dam is a Buford Emblazon Y92 daughter and she goes back to Connealy Consensus 7229 on the top side of her pedigree. You'll want this female in your pastures when calving season commences. She'll have an impressive RLBH Days of Thunder calf at side.

ANGUS SPRING CALVING FEMALE

WEBR MAXED OUT 627 | Sire of Lots 12A & 12B

DAMAR FIREFLY 4Z C183 | Dam of Lots 12A & 12B

DMAR Firefly 4Z C183 is impressive from every angle. She's wide at the base of her skeleton, incredibly deep bodied, smooth in her lines and wickedly flexible on the move. This Firefly female was the top purchase from the Cloud 9 Dispersal. She is the epitome of a true powerhouse donor. Her sire, Red Wrights 832S Iron Hide 4 is one of the most powerful young herd sires today. This female's traces to the Red FL Firefly 75M cow and from the storied family of 'Firefly' females.

 MAGS UR SALINA

Will calve in April to MAGS Good Will 130G (LFM2156961), a 43% Lim-Flex, homo polled, homo black son of AHCC Dakota Thunder 363D.

PBRS Good Deal 9131 is out of AUTO Real Deal 150B, an AUTO Cruze 132X son out of the great AUTO Luckie Too 423Y female. Her dam is AUTO Salina 7159E, a Riverstone Crown Royal female out of MAGS Barbie. This female has all the credentials, phenotype and flashy presence to hang with the best of them. She is capacious through her center third, dead level in her top and has such a powerful structure. Her milk figure ranks in the top 25% of the breed. PBRS Good Deal 9131 is homozygous black and double polled.

The genetic worth of this guaranteed heifer pregnancy is off the charts. Conley Express 7211 is an outcross bull that creates offspring with style and major presence. His legendary dam, DPL Sandy 3040 has a track record for producing standouts in the show ring and Conley Express 7211 adds to her superiority in the Angus breed. AUTO Ajay is one of our most prolific donors. She is a daughter of SAV Brave 8320 and the great MAGS Manuela. This heifer calf to be is homozygous black and double polled and will be born prior to the sale. She will be a 25% Lim-Flex female. Now is your chance to add these legendary cow families to your operation. The sky will truly be the limit with this one.
