LIMOUSIN**

*Fall
Harvest*

ANNUAL
**FEMALE
SALE**

SUNDAY, NOVEMBER 1, 2020

1PM CST • LINHART SALE FACILITY, LEON, IA

Limousin Friends & Enthusiasts,

We would like to cordially welcome you to our 11th annual Fall Harvest Production Sale. We are a family operation that's located just north Leon, Iowa, in the heart of cow-calf country of southern Iowa. Our Limousin and Lim-Flex operation started in 1979 and has grown to near 650 producing females. Over the years we've always taken great pride in producing a quality product, our customers successes and doing things the right way.

In this sale offering we have brought you our very best. As you page through the catalog, we hope you'll notice the reflection of many of our premier donor cow families, elite herd sires, a progressive A.I program and the no 'short-cuts' approach we've adopted over the years. Note, new to this year's sale offering not only have we brought you our very finest open show heifer prospects and bred heifers but, also a highly productive set of fall cows with calves at side. In totality, whether you're a junior looking for a show heifer project or breeder looking to make an investment, rest assured we'll have quality product backed with quality service.

With the sale offering in mind, we would like to take the time to reinforce to our fellow breeders and valued junior show families the opportunity of affordable success that can be found in our sale pens. Over the past several years, we have been extremely fortunate to have sold many females at wide ranging price points that have gone on to win championship banners at the local, regional and national levels. Folks, make no mistake November 1 there will be several high quality females at various price ranges to suit your budget.

That said, it's a priority of ours to make all business transactions with customers a pleasant experience. As it was last year, our sale will be held in our on farm sale facility (GPS directions found under sale information) and the cattle will be displayed

in our on site display pens and will be auctioned off on video screens in our facility. In addition, all cattle sold are fully guaranteed to the catalog as in accordance with the North American Limousin Foundation as of October 1, 2020. Furthermore, if you would like to discuss the sight unseen purchase program, financial arrangements or trucking plans we are happy to accommodate.

We are excited to see all of you sale day November 1. If we can be of any assistance to you prior to or during the sale we have an open door policy and welcome all calls and questions.

Sincerely,

The Linhart Family
Linhart Limousin

NATIONAL LIMOUSIN

Absolute Style Daughters...

AL
POSITION

LLIGENCE
IN
SHOW

Absolute Style FEATURE

THE LEGACY CONTINUES

It's hard to know where to start when describing one of the most prolific and storied donor females in the history of the breed. With north of 70 total progeny registered as a seven year old, LLJB Absolute Style stands in elite company in the annals of breed history. Leading off one of the stoutest sale offerings the Limousin breed has ever seen in this catalog alone, six direct daughters of Absolute Style are available for purchase. This homozygous polled, halfblood cornerstone female is sired by one of the most popular Angus show bulls in the last decade, Silveiras Style 9303, and is out of an equally stellar donor and former National Champion, MAGS Wassail. It's safe to say, she's bred for success and the scores of top selling progeny she has produced like the in vogue A.I. sires, CJS� Dauntless 6257D purchased by the Thomas & Son Firm of Maryland, and CELL Freedom 8208F purchased by the Wilder Family of Texas, and syndicate plus, produced the 2018 top selling female in the Limousin breed in this very sale which sold to the progressive Sullivan Farms firm of Iowa.

Note, Absolute Style herself was twice named National Champion as the Grand Female at both the All-American Futurity and North American International Livestock Exposition. Phenotypically, note she ranks among the breed's elite in terms of front end design and structural integrity.

Folks, the bottom line is the influence this legendary donor continues to express upon the breed is without parallel. This November 1st marks your opportunity to invest direct daughters that project not only to be top flight show heifers, but also big-time donor females. Bid with confidence, seize the moment and invest in your program's future.

Open Show Heifer Prospects

“The Best of Our Best”

LOTS 1-31

This offering of spring open show heifers is simply our finest to date. A vast majority of these females are from the heart of our embryo program and feature genetics out of our elite donors and some of the breed's best A.I. sires. We've elected to literally sell 'the cream of our crop' and it is with great pleasure to bring to you this exceptional set that we think will be highly competitive in the show ring and excel in production.

CELL High-Class 0209H is a complete freak of a female! She's a 'stop the truck' kind of female that captures your attention from the road. She is a MAGS Ali daughter out of the great LLJB Absolute Style 3056A female. MAGS Ali is the powerful Connealy Consensus son. LLJB Absolute Style 3056A is the Silverias Style 9303 female that Shelby Hennessey of North Dakota purchased in our 5th Annual Fall Harvest Sale and campaigned in 2014 with major success. She was the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show. Phenotypically, CELL High-Class 0209H is as flawless as a female can be. She's incredible through her front one third, perfect in her structure and phenomenal in her lines. She's wicked flashy, athletic in her movement and a total showstopper when she's on the profile. The genetic worth in this female is unsurpassable. We expect big things out of this gal and cannot wait to see what the future holds for her.

Pay close attention to this gal, folks! CELL Hidden 0202H is a full sibling to CELL High-Class 0209H- they're from the special mating of MAGS Ali and LLJB Absolute Style 3056A. Absolute Style is the elite female that came out of our 5th Annual Fall Harvest Sale purchased by Shelby Hennessey of North Dakota. Hennessey's showed Absolute Style all over and most notably to the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show. CELL Hidden 0202H has a winning pedigree and such a sweet 'style' about her. She's a prime example of what comes from this mating and we are so proud to have her in this offering. This female is strong in her stance, incredible fronted and balances so well on the profile. She's got a killer design and look about her and we know she's got big things up ahead!

CELL High End 0068H has all the pieces to be a big-league show heifer prospect. She is dead level in her hip, super fronted and freaky powerful on the profile. She's flawless in her structure, confident in her stride and super flexible off both ends of her skeleton. This female utilizes the angularity of her design so elegantly when she's in motion. She's a daughter of the SAV Harvester 0338 son, SSTO Best Bet 456B ET. Her dam is CJSL 6027D, a MAGS Aviator daughter. This homozygous black and double polled female has a marbling figure of 0.36 ranks in the top 10% of the breed. She's an all-around solid female that has such a bright future in the ring and in production. She's 49% Lim-Flex.

Here is an incredibly feminine beauty of a female that we can't say enough about. CELL Honest 0001H is one of our absolute favorites around here. She's sweet fronted, dead level in her top and super big bellied. She's big boned, excellent in her footwork and so flashy when she stops. This female is a daughter of AUTO King David 120E ET who is from the elite mating of AUTO King James 162Z and PBRs Dutches 790X. Her dam is DHIL Easy Z's 7550E, a MAGS Eagle daughter. This female is destined for greatness, backed by strength of pedigree and she's such a standout no matter what group she's in. Her milk figure of 24 ranks in the top 20% of the breed. She is homozygous black and double polled and she's 57% Lim-Flex. This one will be a major crowd favorite when sale day rolls around!

CELL Heirloom 0126H is a daughter of the great MAGS Cable and out of the one and only LLJB Absolute Style 3056A. Talk about an elite blend of genetics! This female is so perfect and attractive from any angle. She's incredible fronted, super big bodied and flawless in her structure. This is a big-league show heifer prospect that we have so much confidence in. We're always so proud of the Absolute Style daughters and this one is a perfect example of the type and kind of female's we strive to create around here.

This double homozygous daughter of LVLS Full Duty 2201F is a total babe. She's super upheaded and clean fronted, she's got a big, swooping belly and she's excellent in her lines. This female's dam, PBR 7120E ET is a MAGS Aviator daughter. Not only is this female elite in her design, she's huge numbered. Her marbling figure of 0.44 ranks in the very 3% of the breed! Her yearling weight of 131 ranks in the top 10%, her weaning weight ranks in the top 15% and her milk figure is in the top 20% of the breed. Now that's a balanced set of numbers if you ask us! We've admired this female since she hit the ground and she's hard to let go of, but we're so excited to see what she can do for you! She is 39% Lim-Flex.

CELL Highlife 0158H is one heck of a young female! She is a daughter of MAGS Dodge Ball and out of a Sennett Predator 827U female. We love how well balanced this female is, her angularity and her gorgeous front end. She's wicked good from any angle and we know she's got an exciting future in store. She is homozygous polled and heterozygous black. This 52% Lim-Flex is one that you'll be hearing things about in the future- so you'll want to have her in your pastures for that!

Elite Herd Bull PROSPECT

LOT 32

New to our sale offering is one singular elite herd bull prospect. By design, we elected to offer and showcase a young elite herd sire prospect for your valued appraisal and for those that have attended our fall female sale, that have yet to experience the 'bull' side of our program. Note, we would like to take this opportunity to cordially invite you to not only to take a look at this individual but, also to attend our 2021 "Business Done Right" bull sale March 6th.

CELL Glass Ceiling 9459G is one heck of a young herd sire prospect! He is a double homozygous son of MAGS Aviator and out of a PVF Insight 0129 female, CELL 7483E ET. This bull is a 48% Lim-Flex that we believe reads with such power and longevity. If his belly was any deeper, it'd be dragging the ground. He's loaded with natural rib shape, substance of bone and a heck of a front one third. On paper, his weaning weight and yearling weights both rank in the top 15% of the breed. His marbling EPD ranks in the top 20% of the breed. This young herd sire prospect is one that will be major-league when he gets to covering a set of females and his first calf crop hits the ground.

Power OF Production

LOTS 33-70

This segment of the sale is a direct reflection of our commitment to raising production cattle. Our production philosophy is simply - we aim to create a product that's reproductively sound, high performance and mainstream acceptable. It's our goal that this group of 25 bred heifers and 11 fall pairs on offer, which features a blend of both Limousin and Lim-Flex genetics, will translate not only into your seedstock program seamlessly but, the results of their breeding will also meet your commercial customer's targets.

CELL Genie 9208G is a double homozygous daughter of TMCK Hydraulic 17Y. This female is big in her foot size, sound structured and huge bellied. She is so strong topped, wide at the base of her skeleton and reads with such durability. She's eye appealing phenotypically, but on paper she's even more appealing with such a balanced set of numbers. Her marbling ranks in the top 10% of the breed, her milk figure is in the top 20% and her weaning weight and yearling weight figures both rank in the top 30%. Talk about a number giant of a female! This is one that can spice up a program in terms of genetic value, EPD profile and phenotypic appeal. She is 42% Lim-Flex.

This is a powerhouse female. CELL Gently 9212G is big bodied, deep in her fore rib and super sound in her structure. She is a daughter of Musgrave Headway, a bull from Musgrave Angus' 2017 Pick 'em in Pike Sale, that ranks in the top 1% of the breed for weaning weight and yearling weight. This female's dam is the world-renowned donor MAGS Wassail, the DHVO Deuce daughter that was once a national champion. CELL Gently 9212G has such a valuable set of numbers. Her weaning weight figure is in the top 10% of the breed, her yearling weight figure in the top 15% and her milk figure in the top 20%. She is a 50% Lim-Flex female that is homozygous polled and heterozygous black.

We admire this female's body shape, powerful build and unique style AND she's a major growth-oriented individual. CELL Gemma 9103G is another great daughter of SSTO Best Bet 456B ET. Gemma is a sound structured female that is appealing from every angle. When you analyze her number profile, you'll be shocked with her yearling weight and weaning weights. Her yearling figure of 148 is in the top one percent of the entire breed and weaning figure of 90 is in the top two percent! Folks, females with this kind of growth don't always look this powerful and stylish, so don't let this gal slip away.

Gemma

TMCK Gradual 736G is a daughter of the great SAV Priority 7283 and out of a DHVO Deuce 132R female, CEPB Zangle 107Z. This is a female that has always sorted her way to the top of any group she's been in. She's strong and level in her topline, powerfully built and she reads with a tremendous amount of breeding versatility. Her number profile is growth oriented, and we're confident she'll create offspring with major grow and functionality. Her weaning weight figure ranks in the top 20% of the breed and her yearling weight figure is in the top 25%.

Genevieve

CELL Gardenia 9126G is a favorite of ours. She is a tremendous daughter of SSTO Best Bet 456B ET and out of a phenomenal MAGS Winston x AUTO Tootsie Pop female. This gal is so powerfully built, yet super elegant in her design and style. She's dead level in her spine and out through her hip structure. Her marbling figure ranks in the top 25% of the breed. Keep your eye on this one, folks- you'll want her in your donor arsenal!

Reference SIREs

The importance of quality herd bulls, be it in a commercial or seedstock operation, cannot be stressed enough. Herd bull decisions made today influence your program, either positively or negatively, for years to come through daughters retained in the herd. At Linhart Limousin we have always believed in having the absolute best bull power available in the industry. As such, we have invested heavily over the years to ensure only the best sires walk behind our progressive A.I. and embryo program.
