Sandy Ridge Address: 89868 472nd Avenue, Atkinson, Nebraska 68713

Cattle Friends,

Thanks for your interest in our 2020 Opportunity Sale offering. This is our 32nd annual event and the 2nd edition to be held at Sandy Ridge Ranch in Atkinson, Nebraska. We are extremely excited to present this year's set of herd sires and herd building females.

The past year's production cycle, leading up to this sale, has been challenging, to say the least. The weather events, which postponed our sale last spring, caused many struggles for us and many of our customers. However, in response to the input at that time, we have moved our sale day to April. Hopefully, this change allows for a better chance at spring-like weather and gets us closer to green grass turnout for receiving your purchases following the sale.

Our sale group this year is deeper and more consistent than any we have ever offered. The bulls are loaded with muscle and performance with the specifications to produce ideal feeder calves and replacement females. We do still have a variety of options which are designed to fit your programs needs. As always, we are offering Limousin, Lim-Flex® and Angus to build the Limousin x Angus calves which we want to buy to feed in the Wulf Cattle program. We also offer them as two year old, 18 month old fall-born and yearling spring born bulls to suit your breeding groups and preferences.

If you can attend the seminar and sale on April 8 and 9, we would love to show you the cattle and some hospitality. If you can't be in attendance, we will do our best to help you fill your seedstock needs. Videos will be available 3-4 weeks prior to the sale on our website, www.wulfcattle.com, Superior Livestock or DV Auction. Bidding will also be available online or contact any of the sale staff for order buying. Your satisfaction with your purchases is always guaranteed.

Give me a call anytime, at 320-288-6128, to discuss your needs.

Regards,
Casey Fanta

Sweetgrass Veterinary Services

418 S. Main St. • Dimock, S.D. 57331 • (605) 299-4255

The crew of Sweetgrass Veterinary Services and myself are eager to greet everyone to the 2020 Wulf Cattle Opportunity Sale! We are honored in continuing to perform the herd health preparation for the sale while continuing to grow and evolve, as Wulf Cattle does. We applaud the "Be Kind" program and enhanced safety initiatives that have been implemented and currently practiced at all their locations. We must make positive changes, even though the challenges of the past year are still looming, for the benefit of the animals, handlers and the cattle business.

Several days were spent performing breeding soundness exams which included evaluation of semen motility and morphology, scrotal measurements, hip heights, and visual examination of hoof and leg conformation. To reduce stress and times through the chute, yearling bulls were also carcass ultrasounded by CUP Lab certified tech Jeff Schoenfelder at the time of the breeding exam.

All sale animals have received vaccinations for IBR, BVD, PI3, BRSV, Lepto, Vibrio, Clostridial diseases and poured to control external and internal parasites. In addition, heifers have also received their Brucellosis vaccination. Administration of magnets are given to both bulls and heifers for the prevention of hardware disease. Wulf Cattle tests all breeding stock for John's Disease and has a zero tolerance for positive tests. These animals and their offspring are removed from their breeding herd to insure the future health of your herd.

We will be readily available on sale day and can be reached by email at vet@sweetgrassvets.com or at (605) 656-1334 anytime. We will be issuing electronic official health papers for lots sold outside of Nebraska the day of the sale. To assist us in this process, please provide your email and the physical address of where the cattle will be delivered to when you sign up for a bidder number, please refrain from using P.O. Box numbers. You may also find it convenient to download the MyVetLINK app to see your health documents as they are created. In good practice, we do encourage a 3-week quarantine period before contact with your herd to allow them to get over the high-risk time after the stress of transportation and to work with your local veterinarian in preparing your bull for breeding by repeating a fertility test prior to pasture turn out.

All our best,
Erik Holum DVM

Dear Friends & Fellow Cattlemen,

Recently I was asked to serve on a NCBA Long Range Plan Task Force committee that is challenged to look at what the future might look like for the beef industry. It has been a privilege and an interesting experience working with other beef industry influencers who have been tasked with developing this plan that will serve as a guide for both the National Cattlemen's Beef Association (NCBA) and the Cattlemen's Beef Board for the next five years.

We spend hours discussing opportunities and threats that the industry may face in the future. I find myself reflecting on the Wulf Cattle beef supply chain, that so many of you are a part of, and want to take this opportunity to say, "Thank you for all you do!" Our task force discusses some of our industry's strengths. We produce high quality beef that is healthy and safe while having access to excellent genetics. Our opportunity is in building consumer trust by supplying beef brands that tell our story and offering product that comes from cattle that are 3rd party verified. Thank you for doing your part to make it happen!

As an industry, we face challenges such as building bi-lateral trade agreements, lack of traceability, and getting blamed for climate change, all while production technologies and antibiotic use continue to be more scrutinized. I cannot help thinking that if we were a better aligned industry, breaking down barriers and working together would be much easier as we face these challenges that we must address! Thank you for blazing a trail and being industry leaders, positioning us to be out in front and on the leading edge of those challenges!

To those utilizing our genetics and supplying Wulf Cattle with value-added feeder cattle I say, "Keep up the good work!" Keep your calves Age and Source Verified (SAV), NHTC and Verified Natural. Lastly, if you have not gotten yourself and all ranch employees BQA (Beef Quality Assurance) certified, please do so. You can get certified online at www.bqa.org.

I would like to close by extending a hearty invitation and welcome to attend our 32nd Opportunity Bull Sale on Thursday April 9. Plan to come the afternoon and evening of Wednesday April 8, to view the cattle and you will not want to miss our pre-sale seminar. Dr. Tom Field's perspective on business, our industry and where we are headed is always inspiring and very thought provoking!

Safe travels, and we'll see you soon.

Kind Regards,
 Jerry Wulf

"Opportunities in Agriculture in the Age of Change & Challenges"

Welcome comments: **Wulf Cattle Team**
 Presenters: **Dr. Tom Field,**
Nate Knobloch
Nico Guerrero

Despite the uncertainty that characterizes contemporary times, opportunity abounds for those willing to weigh anchor and set sail. Explore the drivers of change and how agriculture and rural America can thrive in the face of challenge.

Directions to Sandy Ridge Ranch

- From Stuart, Nebraska—North on 469th Avenue 14 miles to 895 Rd. Turn east 2.5 miles and north 3 miles.
- PLEASE NOTE: The route from Naper, NE, is still closed. Please choose another route!
- From Butte, Nebraska—1 mile west of Butte, turn south onto Highway 11 6.1 miles. First right after the Niobrara River, turn west onto 899 Rd. 10.9 miles.
- From Atkinson, Nebraska—North on Highway 11 7.9 miles. Continue straight onto 476 Avenue 14.5 miles. Turn west onto 899 Rd. 2.9 miles.

2020 Wulf Cattle Indexes

A method to simplify your bull selection and help you find the correct herd sires for your operation.

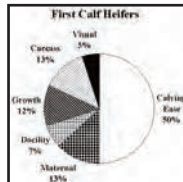

The indexes presented here can simplify your bull selection and help best match herd sires to your operation. Single-trait selection is not wise, rather, cattle with a balance of traits that match your production needs provide the greatest profit potential. Therefore, indexes were developed to combine traits of economic importance. Each index combines 19 different measurements grouped into six economically important categories.

- Breeding first-calf heifers
- Producing calves for the mainstream market using terminal sires
- Producing calves for the mainstream market while keeping replacement heifers

First Calf Heifers

This index score sires according to their usefulness on first calf heifers. While calving ease is the major driver in this index, a balance among the other traits is required to score high.

Calving Ease = Birth Weight EPD, Calving Ease Direct EPD, Actual Birth Weight
Maternal = Scrotal EPD, Milk EPD, Calving Ease Maternal EPD, Actual Scrotal
Docility = Docility EPD
Growth = Weaning Weight EPD, Yearling Weight EPD, Carcass Weight EPD, Actual WW, Actual YW
Carcass = Ribeye EPD relative to Carcass Wt EPD, Yield Grade EPD, Marbling EPD, Ultrasound ribeye to YW, Ultrasound marbling (Muscling and marbling are given greater or lesser importance depending on the index - see individual index descriptions).
Visual = Wulf's visual score

The icons listed below appear directly adjacent to each sale lot to serve as a quick reference to the corresponding Wulf Cattle Index.

Calving Ease Sires

Keeping Replacements

Main Stream Sires

* Indexes on all yearling bulls are based on EPDs only. They will be recalculated in March to include actual yearling data and visual scores. The updated indexes will be published on the Supplement Sheet and available one week prior to the sale at www.WulfCattle.com

Mainstream Markets—Terminal Sire

This index scores bulls for terminal sire use to produce calves for the mainstream market. Their calves may be sold at weaning or retained in the feedlot and sold for cash or on the grid. Growth traits are given the most emphasis in this index, followed by carcass traits that emphasize a balance between muscle and marbling.

* Indexes on all yearling bulls are based on EPDs only. They will be recalculated in March to include actual yearling data and visual scores. The updated indexes will be published on the Supplement Sheet and available one week prior to the sale at www.WulfCattle.com

- Balanced phenotype, balanced EPDs and balanced pedigree
- His tremendous two year old Wulfs Willard 5115W sired dam transmitted her body and muscle then nursed him to a powerful herdsire prospect

- Double digit calving ease with a smooth refined head, neck and shoulder
- Curve bending growth with a WW EPD in the Top 20% of the breed
- Tremendous body dimension and width down his top
- CWT, REA and \$MTI in the top 15% coupled with MARB ranking in the top 20%
- Huge scrotal that measured 43.5 cm actual at just over a year
- Extra docile temperament
- Major breeding piece that will leave his mark on Limousin genetics for generations

Call Superior Productions at 800-431-4452 and pre-register for your buyer's number.

We hope you can join us sale day. However, we know there will be some scheduling conflicts and distance limitations. In these cases, we have arranged for you to be able to participate in the sale on an absentee basis.

If possible, you can come by and evaluate the animals prior to sale day. If distance is a problem, we can also provide you with a DVD of all the cattle for home viewing. All of the lots in the sale will be available for viewing online prior to sale day at Superior Livestock as well.

Customers tell us that the video does a good job of showing conformation, structural correctness, and how the cattle travel, etc. Our sale book, with complete data on each animal, is very helpful. Please feel free to call us with questions.

HERE'S HOW IT WORKS

Please call Superior Productions at 800-431-4452 and pre-register for your buyer's number. A registration form needs to be filled out and returned to Superior Productions with a signature. This registration form is also available on the website at www.SuperiorLivestock.com under the Regis-

ter for a Buyer Number/Superior Productions tab where it can be printed, completed and either faxed or mailed in. Upon receipt of this information Superior will call you with a buyer's number and the bid line number that you will use on sale day to place bids over the phone.

The sale will be broadcast on the internet at www.SuperiorLivestock.com. Simply go to the website and in the brown Production Auctions box on the Home page, click on the Wulf Cattle Sale Link. From there, users can view the Wulf Cattle video catalog and also bid online, provided they have registered. Regardless of internet connection, you will be able to view and listen to the same video feed as seen on the satellite. The bidding process is the same—follow the auction on the internet and call the bid line number to place your bids. Your computer must have Flash Media Player installed to view the auction.

Bidders making purchases via internet at www.SuperiorClickToBid.com will be contacted by Wulf Cattle after the sale to settle payment and shipping arrangements.

Watch & bid online for FREE at DV Auction

Can't make the sale? Bid from home with DV Auction's "real-time" internet bidding service!

Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab.
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction—a DV representative will notify you once you have been approved.
3. Tune in for the sale and make your purchases! After the sale, contact the sale manager or owner to arrange transportation and payment. High speed internet is required for successful bidding. Be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

PROXY BIDDING: If you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.

SCHEDULE OF EVENTS:

Wednesday, April 8, 2020

- 1:00 PM Cattle available for viewing
- 4:30 to 6:00 PM Beef Supper
- 6:00 PM Wulf Cattle Opportunity Seminar

Thursday, April 9, 2020
