Due January 22, 2022. Sells with commercial recipient.

Truly a unique opportunity to procure a sexed heifer pregnancy of one of the most exciting matings in the breed. This pairing is special to us because it is the combination of the two outstanding cow families that we are proud to own, Absolute Style and Charmed. LLJB Absolute Style 3056A is a female that came out of our 5th Annual Fall Harvest Sale purchased by Shelby Hennessey of North Dakota. Hennessey's showed Absolute Style all over and most notably to the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show. The sire of this mating is the popular young show sire, SSTO Guns N Roses 9408G. His sire, TASF Crown Royal, is a champion in his own right, and sire of multiple champions. What's more, his dam is the most accomplished show female in history and now her daughters are dominating the show road. The demand for Riverstone Charmed "Larissa" influence is at a total fever pitch as evidence by a daughter that commanded a staggering \$201,500 last year on auction for the Ratliff family of Kansas. LLJB Absolute Style 3056A has more than 70 calves on file, which have generated more than \$600,000 and is known for eye appealing progeny that excel in terms of structural integrity. There have been too many extremely successful progeny to mention, for example, CELL Fascination 8231F, she was the top-seller in our 2018 Fall Harvest Sale commanding \$80,000 to Sara Sullivan of Dunlap, IA and the high-selling bull in our 2020 Business Done Right Bull Sale, CELL Freedom 8208F who was purchased by Wilder Family Limousin of Texas, just to name a few. Whatever paternal influence you choose, the product will be highly marketable and ultra competitive. It gets said too often, but this is truly an opportunity with very little risk yet great rewards.

## Lots 38C & D

Pay close attention to these special embryos. The top side of this mating is the vastly popular LLJB Absolute Style 3056A. Absolute Style is the elite female that came out of our 5th Annual Fall Harvest Sale, purchased by Shelby Hennessey of North Dakota. Hennessey's showed Absolute Style all over and most notably to the 2014 Grand Champion Female at the North American International Livestock Exposition in the MOE National Limousin Show. The paternal influence of this mating is TMCK Flashback 605F, one of the most popular TMCK Cash Flow 247C sons. Lot 26 CELL Judgment 1196J is a full sib to this mating and evidence of what this mating can do for you. These embryos have a winning pedigree that you're not going to want to pass up.

Attention Cattlemen! Here is a chance to procure semen on the great number giant, CELL Envision 7023E. This is an opportunity that doesn't arise every day. This spring's high-sellers report was claimed by Envision sons, such as CELL History Maker 0256H, who sold for \$37,500 and his full brother CELL History Buff 0239H who sold for \$37,000 at the Linhart Limousin Annual Business Done Right Bull Sal. Another notable Envision son was the high-seller at Colman Limousin Ranch's bull sale commanding \$40,000. CELL Envision 7023E is deceased but his legacy continues siring calves that have sorted to the top of many astute breeding programs across the country and have captured the attention of the masses. It is no secret his semen is in extremely short supply and has been evaluated for top dollar. When opportunity knocks, you better open the door.
