Sale Feature: ROAD TO GRAND ISLAND
SHOW HEIFER PROSPECTS

Welcome to our HERDBUILDER Twenty-Seven Limousin production sale! 2020 was in all circumstances unprecedented; we are glad it is behind us and we are looking to the future with optimism. Ed Pinegar's hard work has laid a strong foundation for us to continue building upon.

Pinegar Limousin is proud to continue the AUTO legacy that Ed began more than 30 years ago. We believe customers are priority; we are only sustainable if our customers are satisfied with their product. We have a large offering today and believe what you will see here is the heart of our program; we remain committed to exceed customer satisfaction.

Our motto in the cattle business has been to have common sense and planned genetics to assure our customers the most predictable product possible. We have surrounded our program and laid a foundation with only the best and most proven donor cows we could possibly create and/or find. That nucleus of females has secured our place as one of the largest Limousin seedstock suppliers in the breed.

We continue to strive to build a solid program based on strong cow families. Ed never liked surprises, especially in marketing, thus we do this so predictability is there for our customers. Ed always said to provide your customers with a dependable product to market and let them go from there!

Our program has been managed by Ty and Susie Heavin for many years, and we thank them for all they do. The professionalism, care and maintenance of the cattle is beyond compare and like no other. We could not be the program we are without them and the crew.

We also want to thank everyone that works hard to prepare for the sale and during the sale. We are grateful to our customers—the relationships we have developed over the years are priceless.

As always, Ty, Susie and the entire Pinegar crew stand ready for your call or visit.

Sincerely,
The Pinegar Family

Hall of Fame

The objective of the NALF Hall of Fame is to honor those breeders who have made a significant impact on the improvement and furtherance of the Limousin breed of cattle in the United States. The inductees have given unselfishly of their time, counsel and wisdom; and provided leadership in advancing the objectives of the North American Limousin Foundation and its members.

NALF's core values include promoting the Limousin breed, integrity, treating members fairly and passion for the breed—this was Ed Pinegar. To say he had passion for promoting and marketing the entire Limousin breed would be an understatement. He was all in from the beginning.

Ed started in the Limousin cattle business in 1992 on the farm he was raised on. Within a few short years, he became a leading breeder of Limousin Cattle in North America. His auctions would bring in breeders from all over the U.S. and Canada. This March is Pinegar's 27th annual cattle auction at the farm.

He truly enjoyed helping fellow Limousin breeders grow and improve their herd. He always wanted to help ensure the best Limousin cattle were being produced and promoted. That is why

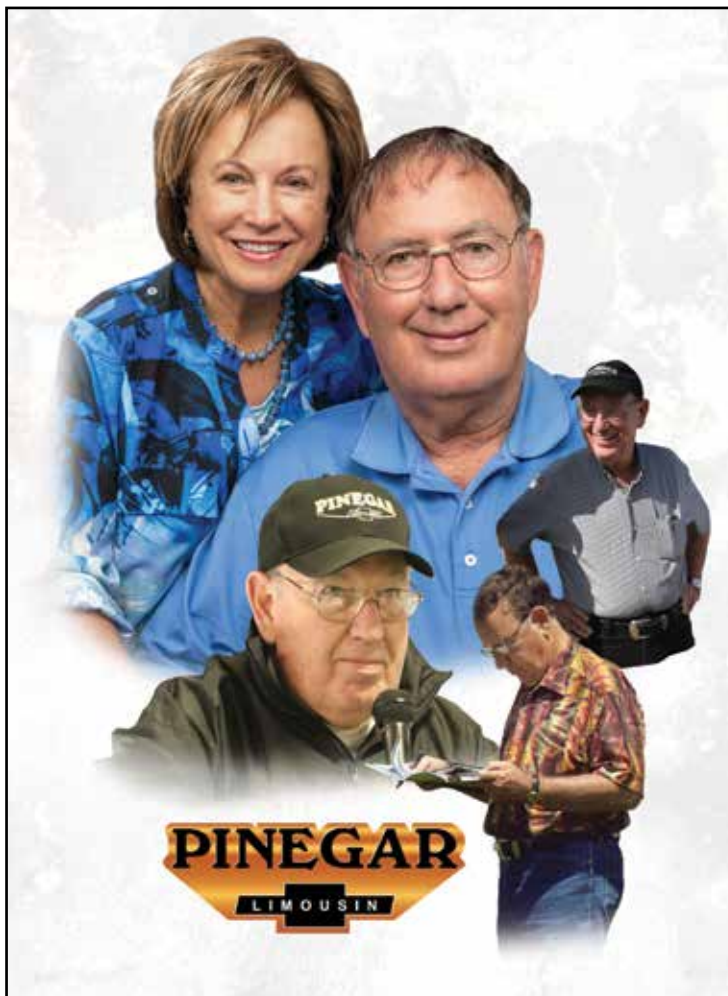

he put so much focus on the juniors and the growth of the junior program. He wanted to ensure juniors were all given the best chance to succeed.

When Pinegar Limousin went to its first show in Mississippi the summer of 1994, Ed wanted to make a statement and knew that was possible with EXLR Luvly. He wanted to show

Pinegar Limousin was going to bring the very best to shows. This began Ed's journey to breed top genetic cattle to grow the breed and show the greatness of the Limousin breed.

It didn't take long for Pinegar Limousin to bring one of its own cattle to the front of the ring at the All-American Futurity with AUTO Cliff Hanger winning Grand Champion Bull honors in the summer of 1996. This was a great moment for Ed, his family and crew. Cliff Hanger is just one of many bulls and females with the AUTO prefix to win the title of Grand Champion at a major show.

Ed was truly honored when the Missouri Limousin Breeders Association inducted him into the Hall of Fame in 2013. His family is truly honored on his behalf of his induction to the NALF Hall of Fame.

LOTS 1-10

LOT 1

Due approximately 4/12/21 to HBRL Deluxe Package 6114D

The influence of AUTO Rebeca 292S and MAGS Manuela have yielded some of the most powerful and distinguished individuals the Limousin breed has ever seen. AUTO Gabriella 208G ET is one that upholds their influence of structural integrity, flexibility and tremendous longevity. This double homozygous donor female is a daughter of AUTO Cruze 132X, the MAGS The General x Auto Rebeca 292S son. Gabriella's dam is AUTO April 202A, a daughter from the SAV Brave 8320 x MAGS Manuela mating. She'll be a tremendous maternal influence- her milk figure ranks in the top 10% of the breed. AUTO Gabriella 208G ET has a promising future that lies ahead as a donor and we know you'll be as pleased with her heritage as we are. She is a can't-miss female that is visually as pleasing as any in this expansive lineup. She's feminine in her design, extremely well balanced from every angle and she's got exactly what it takes to hit it big time.

Due approximately 4/12/21 to HBRL Deluxe Package 6114D.

The demand for a donor female of this genetic influence is high! AUTO Gaerwen 245G ET is sired by CJSL Data Bank 6142D ET, the MAGS Anchor son. She is a daughter of the prestigious AUTO Rebeca 292S donor female. You'll want to study the basic build of this female and the potential she has to add extreme value to your operation. This female is striking on the profile- she's loaded with substance of body, natural rib shape and a powerful set of running gears. Not only is she a total beauty in person, she's backed by robust growth numbers. Her weaning weight figure of 75 and yearling weight figure of 117 both rank in the top 15% of the breed. AUTO Gaerwen 245G ET is a double homozygous female that deserves your full attention- we're confident she'll be an excellent return on your investment and add major value to your donor arsenal!

LOT 2

Due approximately 5/7/21 to HBRL Deluxe Package 6114D.

Style and beauty! AUTO Grandeur 214G is just as her name portrays- impressively designed, sound structured and she comes from splendid roots. She is sired by PVF Insight, the SAV Brilliance 8077 son known for injecting doability, extra mass and dimension into his exceptional daughters. This double homozygous female is the perfect example of what comes from blending two phenomenal cow families together. The dam of AUTO Grandeur 214G ET is AUTO Zofia 439Z, a distinguished donor herself and daughter of MAGS Xyloid and MAGS Manuela. This 43% Lim-Flex donor female is truly in a league of her own. She highlights the absolute best attributes from both sides of her pedigree. She is feminine in her design, tremendous in her structural build and ultra smooth made. An unequivocal standout for the donor lineup in anyone's breeding operation!

AUTO 215G will serve as an integral foundation female in your operation. This PVF Insight 0129 daughter has a wealth of genetic base to offer combined with a powerful, complete build. Her dam is none other than AUTO Zofia 439Z, who garnered numerous banners for Cody Heavin during her show career and continues to produce excellent progeny such as this female. AUTO Zofia 439Z is a daughter of MAGS Xyloid and MAGS Manuela. This double homozygous female has set the bar extremely high in terms of genetic superiority, brilliant phenotype and breeding versatility. AUTO 215G has all the necessary pieces to build an entire program around with just one female. She is a 43% Lim-Flex donor prospect that we anticipate big things for!

LOT 4

LOT 5

Due approximately 4/2/21 to **AUTO King David 120E**.

This female has knocked herself out of the park and set an incredibly high standard for her peers. AUTO Flint 403F is a double homozygous daughter of AUTO Power Plus 133B ET, an EXAR Denver 2002B son. Her dam is from the prominent mating of MAGS The General and our prolific AUTO Rebeca 292S donor. AUTO Flint 403F ET has a wealth of influence genetically, but she also has a significant set of growth figures that pack a punch among the breed. Her weaning weight figure of 77 ranks in the top 20% of the breed and her yearling weight figure of 119 ranks in the top 25%. Phenotypically, this female offers such an exceptional build that is exemplified by her tremendous amount of center volume, body mass and flawless structure. A phenomenal donor in the making that we're proud to have carrying the AUTO prefix.

Due approximately 4/3/21 to **AUTO King David 120E**.

This gal has the credentials to find her way to the top of nearly any program out there! AUTO Grammie 636G is destined for greatness- she's out of a beautiful MAGS Manuela x MAGS Aviator female, AUTO Scandall 443D ET. Her sire is AUTO Power Plus 133B, a son of EXAR Denver 2002B who creates individuals packed with bold influence and major worth. This 64% Lim-Flex female will be attractive to any cattleman. She possesses such a cool, broody look with excellent body shape and added dimension. This female compliments her storied pedigree in the most eloquent fashion and we're thrilled to see what her future holds. She is homozygous black and heterozygous polled.

Lot 7A: AUTO 619J, a Homo Blk, Polled, LF 56% Heifer born 1/17/21 by HBRL Deluxe Package 6114D. BW: 64 lbs.

AUTO Framer 439F is a young, productive female worth major attention! She stems from some of the very best, time-trusted genetics in our program still today. This attractive 56% Lim-Flex daughter of AUTO Ace Ventura 557C is a testament to what we believe every female should be. She's stylish in her pattern, angular in her build and offers a world of cow power. Real world functionality combined with remarkable genetics have set this female up for astounding success up ahead. Her dam is AUTO April 202A, one of the best females to carry the AUTO prefix. She is a daughter of SAV Brave 8320 and MAGS Manuela. On paper, this female's milk figure of 27 ranks in the top 10% of the breed. This is a maternally-focused female that offers unlimited genetic potential and a tremendous future in the most prestigious of programs. She is homozygous black and heterozygous polled.

LOT 10

Lot 10A: AUTO 699H, a Homo Blk, Homo Pld, LF 62% Heifer born 12/9/20 by AUTO Cruze 132X. BW: 72 lbs.

The maternal phenotype and cow power present in AUTO Coleen 248C is jaw-dropping. This EXAR Denver 2022B daughter is a 37% Lim-Flex that will add versatility to your breeding program. Her proven donor dam is MAGS Salmetto, a daughter of TNUH Blue Print that continues to shine brightly in our program today. She packs a punch numerically speaking with her milk figure of 26 and marbling figure of 0.42 that both rank in the top 10% of the breed. This female is constructed in such an attractive and functional package. She is deep sided with a boat load of center body and overall dimension. Not only is she powerful in her build, she's graceful on the move and tracks with confidence and tremendous flex to her pastern. A double homozygous donor female that has some exciting days ahead!

LOTS 11-34

LOT 11

Lot 11A: AUTO 576H, a Homo Blk, Dbl Pld, PB Bull born 12/1/20 by AUTO Blaque Blazer 100F. BW: 80 lbs.

A female that we anticipate will follow closely in the footsteps of her dam, the breed matriarch herself, MAGS Manuela. AUTO Sugarpop 298D is three-dimensional in her build, well balanced and incredibly smooth in her lines. She is flexible in her movement, soft in her pasterns and tracks with major confidence. This daughter of AUTO Power Plus 133B is a true testament to what we expect our females to do time after time in production. She is a 75% Lim-Flex female that ranks in the top 15% of the breed for her milk figure of 25. She is homozygous black. A blend of substance and power that transmits to her offspring every time without hesitation.

Lot 12A: AUTO 685H, a Dbl. Blk, Dbl Pld, LF 50% Heifer born 12/4/20 by AUTO Power Plus 133B. BW: 64 lbs.

Real world functionality can be identified right off the bat in this powerful MAGS Manuela daughter. AUTO Camber 451C is sired by the 2014 Roll of Victory Senior Champion Bull of the Year, BSF Opportunist Z5. An unbelievable combination of genetics that continue to prove themselves nationwide. AUTO Camber 451C is a 50% Lim-Flex cow that ranks in the top 10% of the breed for her marbling figure of 0.41. Whether you're aiming to produce show prospects, enhance your herd's phenotypic quality or add time-trusted genetics to your program, this is a female you won't want to look past.

AUTO Ruffles 441D bridges the gap between attractive show ring traits and necessary performance-minded traits. Sired by AUTO Power Plus 133B, this 75% Lim-Flex female is one to have at the top of your list. Power Plus is the EXAR Denver 2002B son we appreciate for his influence of sheer dimension, structural integrity and overall balance. This female's dam is one of the most popular females in the breed, SBLX Xtra Special. She is from the home run mating of DHVO Deuce 132R and MAGS Manuela. Numerically, this female gets it done in the growth ranks. Her weaning weight and yearling weight figures both rank in the top 30% of the breed. She is sure to be a favorite of anyone that lays eyes on her.

Lot 15A: AUTO 690H, a Dbl. Blk, Dbl Pld, LF 68% Heifer born 12/6/20 by AUTO Cruze 132X. BW: 74 lbs.

This daughter of MAGS Manuela certainly has a great look, tremendous dimension and lots of center body. AUTO Mona 458A is a Connealy Lead On daughter that is extremely complete in her design and well-made from the ground up. Connealy Lead On is the trusted curve bender bull that injects maternal strength and high accuracy into his progeny. AUTO Mona 458A is a maternal powerhouse that is ever-consistent raising powerful offspring. Her milk figure of 27 ranks in the top 15% of the breed. Visually this female is long sided, deep through her center body, and exceptionally wide at the base of her skeleton. There's not much more we can say about this female, other than you'll want to view her in person and the excellent calf at her side.

Lot 24A: AUTO 694H, a Dbl. Blk, Dbl Pld, LF 71% Heifer born 12/7/20 by AUTO Blaque Blazer 100F. BW: 73 lbs.

This female is powerfully constructed from the ground up- she's big footed, bold in her rib shape and smooth in her skeletal makeup. Her dam is the one and only AUTO Zofia 439Z. This 43% Lim-Flex female ranks in the top 10% of the breed for her marbling figure. She is the type and kind we take great pride in creating here at the farm- sound strided, versatile build and a foundation of elite, proven genetics.

Limousin Today Profit Tomorrow

"In these times when the margin on feeding cattle is so slim, the difference between YG 1-2 and YG 3 can be the difference in a profit or loss on a set of calves. We run a lot of Limousin influenced cattle through our barn and they consistently top the market and make our customers money."

-Jackie Moore, Owner/Operator,
Joplin Regional Stockyards, Missouri

Limousin and Lim-Flex® (Limousin x Angus hybrid) deliver to your bottom line.

- ⌘ Calving ease & calf vigor
- ⌘ More pounds to sell at weaning
- ⌘ Feed efficiency
- ⌘ Tested & proven docility
- ⌘ Cow & bull longevity
- ⌘ Carcass merit

To find out more about how you can profit tomorrow with Limousin or Lim-Flex® bulls and females, contact a NALF regional manager, Andy Rest or Nathan Smith or visit www.NALF.org.

AUTO Gabi 231G is a performance giant if we've ever seen one! From the start this female has always combined structural integrity, presence and overall dimension into such a beautiful silhouette. She is a dual chart-topper for both her weaning and yearling weight EPDs. If that's not impressive! This double homozygous daughter of CELL Envision 7023E has a super classy design and everything it takes to continue to be just as successful as her ancestors. A truly bright future lies ahead for AUTO Gabi 231G.

It is a great honor to earn Grand Champion Bull honors at the Inaugural Cattlemen's Congress in Oklahoma City. It was certainly one of the most prestigious events for the cattle industry for sometime and this win is one for the record books. AUTO How It's Done earned the judges praise for his near flawless phenotype, performance and structural correctness. We are excited about the bright future of this young champion both in the show ring and as a breeding bull.

ROAD

to Grand Island

Pinegar Limousin will reimburse entry fees and six nights hotel stay for juniors who exhibit a Pinegar animal purchased in this sale at this summer's National Junior Limousin Show & Congress in Grand Island, Nebraska.

AUTO Hershey is near-perfect from every single angle. Her phenomenal structural build, width of base, smoothness of skeletal makeup and body shape is what sets this one apart from all the rest. She's unbelievable on the profile and exudes the pure essence of exactly what a Lim-Flex female should possess. Her hip and hind leg design is immaculate and transitions into a robust center body that is soft and darn near impossible to replicate. She is a daughter of Riverstone Crown Royal, the TMCK Durham Wheat 6030X son out of the prolific HSF Your Fantasy female. Two of HSF Your Fantasy's most notable progeny are Riverstone Crown Royal and the Riverstone Charmed female, known as the 'Ratliff heifer' that captured attention across the nation with her storied show career. This female's dam is AUTO Danielle 205D, from the distinguished mating of EXAR Blue Chip 1877B and AUTO Rebeca 292S. AUTO Danielle 205D was the Reserve Champion Limousin female at the 2016 American Royal exhibited by Cody Heavin. It doesn't get much better than this charming 68% Lim-Flex female. She is homozygous black and homozygous polled.

AUTO Honey offers an unwavering presence coupled with an overwhelming amount of power and shape. She is a daughter of the 2018 All American Limousin Futurity Grand Champion Bull, AUTO King David 120E, an AUTO King James 162Z son out of the prolific DHVO Deuce 132R daughter, PBRS Dutches 790X. Her dam, AUTO Princess 253D, is the daughter of EXAR Blue Chip 1877B and AUTO Gemini 248T, who is working for Rave Ranches in SD. She'll set the new pace when it comes to high profile Lim-Flex show females that can also develop into prolific donor females. When the dust settles, this female will be geared in the direction of becoming a major league donor that will produce top-notch individuals with substance and proven power. She is a 56% Lim-Flex that's got every single thing stacked completely in her favor- a flawless presence, a captivating future and one heck of a proven pedigree. She is heterozygous polled and homozygous black.

There are numerous individuals that have influenced the forward progression of the Limousin breed and this female represents some of the very best cow families there are and is on track to uphold their prolific legacy for many years to come. The influence of MAGS Manuela in our program has been consistent and ever potent, regardless of the mating. AUTO Henna is a daughter of CJSL Dauntless 6257D, a son of MAGS Zodiac out of LLJB Absolute Style 3056A. Her dam is AUTO Angelina 225A, a top donor at Freed Livestock and a Dameron First Class daughter out of the breed matriarch herself, MAGS Manuela. This 50% Lim-Flex show heifer prospect holds her own in terms of functionality, structural integrity and brood cow character while displaying such a desirable presence that sets her up for success in and out of the show ring. She is homozygous black and double polled.

Selling Heifer Pregnancy
Due 9/1/21

This genetic offering is all the rage! A combination of this caliber will set the standard for the future of the Limousin breed. FWLY Can Do was the 2018 American Royal Champion Limousin bull raised by Fawley Farms of Lynchburg, Ohio. He is the RLBH Air Force One son out of the highly productive CLLL Crystal 334W female. His sire is among the most prestigious in the breed having sired as many recent National Junior Heifer Show champions as any other sire. The dam of Can Do has been a surefire producer year after year. The dam in this elite mating is AUTO Fedora 222F, a daughter of TMCK Durham Wheat 6030X and out of the one and only WLR Prada donor. TMCK Durham Wheat is one of the most accomplished purebred bulls in the business. He has sired numerous champions over the years, but the one etched at the forefront of everyone's mind is the undefeated national champion "Ratliff heifer," Riverstone Charmed. WLR Prada needs no introduction- she is the MAGSWL Usual Suspect 538U daughter out of the phenomenal AUTO Rebeca 292S donor. A remarkable mating that will blow your mind. Now is the time to invest in consistent, proven genetics with immense worth and tremendous marketability! Co-owned with KLS Farms, Chatham, LA

Embryos were not sexed, but recipients were ultrasound fetal sexed.

Bull and heifer matings available. Due 9/1/21

An influential mating that combines proven predictability and immense genetic worth you'll want to focus on! For nearly two decades GPFF Blaque Rulon has sired some of the most prolific individuals to grace the Limousin breed. It would take pages to list the expanse of his influence and now is the time to capitalize on his lasting legacy and continued impact. The dam in this notable mating is AUTO Fedora 222F, a daughter of TMCK Durham Wheat 6030X and out of the one and only WLR Prada donor. TMCK Durham Wheat is one of the most accomplished purebred bulls in the business. He has sired numerous champions over the years, but the one etched at the forefront of everyone's mind is the undefeated national champion "Ratliff heifer," Riverstone Charmed. WLR Prada needs no introduction- she is the MAGSWL Usual Suspect 538U daughter out of the phenomenal AUTO Rebeca 292S donor. Get ready for the ride of your life with a combination of this superiority. You won't forget the level of genetic potency in this mating! Co-owned with KLS Farms, Chatham, LA

Truly an impressive Lim-Flex female that you'll want to pay special attention to! AUTO Halo has the ability to consistently grab everyone's attention and for great reason. She is sired by AUTO Power Plus 133B, a son of EXAR Denver 2002B and EF Yadda Yadda 809Y. This female's dam is FBFL Princess Kate 406C, a MAGS Xyloid daughter who is a donor for Edwards Land & Cattle in NC. From the ground up this female is big footed, stout in her bone work with added angularity to her skeletal build. She's genuine in her muscle shape and dimension with such a practical build and a symmetry that places her in the upper echelons of female's to come out of our program. She is homozygous black and homozygous polled.

AUTO Hope is exceptional in her maternal shape, depth of body and flexibility of skeletal makeup. Established cow families never go out of style and their marketability seems to increase exponentially with each passing year. We believe there is profound genetic worth in this female's blood. She is a daughter of TASF Crown Royal 960C, the DHVO Deuce 132R son out of TASF Whiskey Lullaby 357W known for producing progeny that hang banners time after time. TASF Crown Royal 960C was the 2017 National Western Stock Show Champion Limousin Bull and he sired the 2018 Grand Champion Limousin Female at the North American International Livestock Exposition exhibited by Kinnick Paulsen. This female's dam is AUTO Lucky Clover 469E, an AUTO Power Plus 133B ET daughter out of AUTO Luckie 246W. She was the Supreme Champion Bred & Owned Female 2019 Ozark Empire Fair for Cody Heavin. This show heifer prospect has the unprecedented look, structural integrity and cow power to find success wherever she lands! She is homozygous black and heterozygous polled and she's 87% Limousin- the sky's the limit!

This Schilling's R&L Confidential daughter is some kind of good! AUTO Honor has a superior look and quality about her, coupled with a phenomenal build and structural soundness that will impress the most critical eye. Schilling's R&L Confidential, a smokin' good purebred Angus son of Schilling's R&L Classified and out of a BC Lookout 7024 daughter. The prolific dam of AUTO Honor is one of the most noteworthy breed matriarch's, AUTO Rebeca 292S. She is a daughter of LESF Asphalt 9N from a BR Midland daughter, EXLR Rebeca 1019P. To say there is major depth of pedigree behind this female would be a total understatement. You'll want this double homozygous female in your show string and no one else's! AUTO Honor 290H is 37% Lim-Flex.

It's always such a pleasure to watch the legacy of MAGS Manuela live on through female's like AUTO Holly. Manuela has definitely stamped her legacy in this 50% Lim-Flex granddaughter of hers. She's got the look, maternal presence and structural integrity to take you absolutely anywhere you desire. This female is a daughter of Schilling's R&L Confidential, a force of a purebred Angus bull. He is a son of Schilling's R&L Classified out of a BC Lookout 7024 daughter. Her dam is AUTO Forever 219X, a daughter of DHVO Deuce 132R and MAGS Manuela. Female's like this are a rare and highly desirable commodity- act fast and get your bids in early on this beauty! She is homozygous black and polled.

An unrivaled mating when it comes to genetic worth and prolific influence across the entire show industry. AUTO Henrietta is a daughter of Silverias Style, one of the hottest Angus sires in the business today. He's a son of Gambles Hot Rod out of a Twin Valley Precision E161 daughter, Silveiras Elba 2520. This female's dam is AUTO Gemini 248T, a GPFF Blaque Rulon daughter out of MAGS Manuela. A mating of this caliber is certainly one to pay special attention to. Phenotypically, this female is as good as any in this lineup. She stands on an exceptional amount of bone and foot size, she's robust through her center body and three dimensional in her overall build. AUTO Henrietta exemplifies everything we envisioned when we set out to produce a show heifer prospect from the exciting Silverias Style x AUTO Gemini 248T mating. A homozygous black and homozygous polled 50% Lim-Flex female that will be quite enjoyable to campaign and have working in your herd one day!
