If you need assistance with your purchases or want to discuss the genetics selling, feel free to contact any member of our marketing team. As a paid marketing agent for Pinegar Limousin, we take pride in the opportunity to work closely with this program. We can assist you with your phone order and/or handle your bid in the most confidential manner. Email, call or text, we will be more than happy to assist.

TRUCKING

Will be available on site to haul purchases the day of the sale. To make prior arrangements feel free to call R&R Marketing Co. at 615.330.2735 and we will make your buying easy and accommodating.

PAYMENT

Cattle must be paid for at the time of the sale unless prior arrangements are made with sale management at the time of the sale at 615.330.2735. All credit cards accepted.

ANNOUNCEMENTS

Announcements at the sale by the owners, auctioneer or sale management will take precedence over statements in the sale catalog.

SALE ORDER & SUPPLEMENTAL INFORMATION

Sale order is catalog order. A supplement sheet will be posted Friday, March 19 at www.RRMktg.com.

TERMS & CONDITIONS

Terms of the sale are cash unless satisfactory credit arrangements have been made prior to the sale. A representative will be on hand sale day if you wish to insure your purchases. Please note: The sale manager is only an agent for the seller and has no responsibility other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the sale manager nor Pinegar Limousin assume liability, legal or otherwise, for any accidents which may occur.

INSURANCE

Insurance on your purchase can be provided by Mark Smith, Grassroots Insurance, Ankeny, IA, 515.229.5227.

EPDs - EPDs are dated 2.16.2022

DIRECTIONS - See back cover.

1:00 p.m. HERDBUILDER Twenty-Eight Sale

Welcome to our Twenty-Eighth HERDBUILDER Limousin production sale! The last two years have been unlike any before, the world seems to keep changing; but one thing remains the same—our commitment to our customers. We continue to strive to build a solid program based on strong cow-families. We are proud and appreciative of our founder, Ed Pinegar's, hard work which laid a strong foundation for us to endure and honor his legacy.

Ed began the AUTO legacy more than 30 years ago and the team at Pinegar Limousin is proud to continue that tradition and exceed customer satisfaction. Customers continue to be a priority; we are only sustainable if our customers are satisfied with their product. We have a nice offering for our 28th installment and believe you will be pleased with the genetic offerings from the heart of our program.

Our motto in the cattle business remains; to have common sense and planned genetics to assure our customers the most predictable product possible. We have surrounded our program and laid a foundation with only the best and most proven donor cows we could possibly create and/or find. That nucleus of females has secured our place as one of the largest Limousin seedstock suppliers in the breed.

Ed never liked surprises, especially in marketing, thus we do this so predictability is there for our customers. Ed always said to provide your customers with a dependable product to market and let them go from there!

Our program has been managed by Ty and Susie Heavin for many years, and we thank them for all they do. The professionalism, dedication and maintenance of the cattle is beyond compare and like no other. We could not be the program we are without them and the crew. Hannah McCall has been vital in getting this herd ready for this sale; her care and expertise is unmatched.

We also want to thank everyone that works hard to prepare for the sale and during the sale. We are grateful to our customers, the relationships we have developed over the years is priceless.

As always, Ty, Susie and the entire Pinegar crew stand ready for your call or visit.

Sincerely,
The Pinegar Family

Due 9/28/22 to CHR Hank 105H.

A female that is unparalleled in terms of center body, depth of rib and body mass. AUTO Harp 217H is a 50% Lim-Flex daughter of Silveiras Style 9303. Her dam is AUTO Fedora, the highly productive and legendary daughter of TMCK Durham Wheat 6030X and the great WLR Prada female. AUTO Fedora was our \$30,000 high-selling female in the Pinegar Limousin's 2019 Road to Springfield & Select Breeders Sale. Phenotypically, this female is elegant in her design, bold in her rib and square built from the ground up. She is excellent in motion and there is absolutely no question that she's one of the softest bodied females in this offering with such a symmetrical build. She is powerfully built, square in her hip and has the added capacity for major rib shape. Not only is this female one of the barn favorites around here for her style and added look, she is supported by a pedigree lined with industry greats. AUTO Harp 217H will raise offspring that command top dollar regardless of how she is mated in the future. She is homozygous black. We think quite highly of this female and are sure many will agree when they see this female in person.

Due 9/27/22 to CHR Hank 105H.

A standout phenotypically when it comes to body mass, density and true cow power. We appreciate AUTO Hampster 215H's unique ability to combine a feminine, functional and fault-free build with a powerful pedigree. This female is angular in her build, smooth in her lines and we are ever confident she will be headed straight for a donor pen when she gets her first calf on the ground. She is a 50% Lim-Flex daughter of Silveiras Style 9303. Her dam is the proven donor, AUTO Fedora. On paper, this female ranks in the 15th percentile of the breed for her marbling figure. There is no doubt this female is tough to part with, but we have faith in her ability to deliver elite and marketable genetics that will catapult your program to the next level. This female is homozygous black and homozygous polled.

AUTO FEDORA ET | DAM OF LOTS 1A & 1B

PINEGAR
LIMOUSIN

SPRING
Bred Females
LOTS 2-12

Due 3/30/2022 to COLE Genesis 86G.

This female is one of the most intriguing individuals in this offering when you study her mating flexibility and elite genetic profile she possesses. There is no question that AUTO Hensley 212H has the credentials to produce elite offspring with breed leading genetics. She is a purebred daughter of the one and only Riverstone Crown Royal. Riverstone Crown Royal is the son of TMCK Durham Wheat and HSF Your Fantasy who has created a tremendous amount of interest within the breed. His sire, TMCK Durham Wheat, is a son of the National Champion Limousin Bull DHVO Deuce 132R. HSF Your Fantasy's most celebrated daughter is Riverstone Charmed 50C, also known as "The Ratliff heifer", that set the show world on fire in 2016. AUTO Hensley 212H's dam is CELL Amelia Earhart 8212F, the MAGS Winston x MAGS Xtra Rest daughter (full sib to MAGS Aviator). CELL Amelia Earhart 8212F was our \$25,000 second high-selling female in the Pinegar Limousin's 2019 Road to Springfield & Select Breeders Sale. This female is homozygous black. She is bred and due to calve 3.30.22 to COLE Genesis, a member of Coleman Limousin Ranch 2020 National Western Stock Show Grand Champion Limousin Pen of Three Bulls. He is a son of HUNT Credentials 37C and out of COLE Miss Xrated 354A.

Due 5/15/2022 to HBRL Deluxe Package 6114D.

We are confident in this female's ability to be a pillar in your donor arsenal. AUTO Hidden 219H incorporates the influence of some of the breed's most prolific genetics into such an attractive and unique package. These genetics have withstood the true test of time and will continue to be highly sought after for years to come. AUTO Hidden 219H is a 57% Lim-Flex daughter of CJSL Dauntless 6257D. CJSL Dauntless 6257D is the MAGS Zodiac son from the highly renowned LLJB Absolute Style 3056A female. LLJB Absolute Style 3056A's production ability is well documented by a litany of top-sellers and show ring champions. During her show career, her accomplishments were unmatched; and now in production, her calves have been some of the most sought after in the industry. This female's dam is CELL Amelia Earhart 8212F, the MAGS Winston daughter out of the famed MAGS Xtra Rest donor. On paper, this female ranks in the fourth percentile of the entire breed for her birthweight figure and in the 25th percentile for her marbling figure. She is homozygous black and homozygous polled. This female is due to calve 5.12.22 to HBRL Deluxe Package 6114D, the MAGS Zodiac son from an EXAR Denver 2002B daughter, HBRL Bambi 489B.

LOT 3

LOT 4

Due 4/12/2022 to COLE Genesis 86G.
 AUTO Star 410G is a 67% Lim-Flex daughter of MAGS Aviator. Her dam is our beloved AUTO Rebeca 292S donor female. When you study this female's numbers you'll see how versatile she truly is. She ranks in the 25th percentile for her yearling weight figure and in the 35th percentile for both her weaning weight and milk figures. This female is feminine featured, angular in her front third and smooth in her lines. She is proportionate from every angle and we appreciate her quality of build from the ground up. Now is your time to invest in such prolific genetics! She is homozygous polled and homozygous black. This female is due to calve 04.12.22 to COLE Genesis, a member of Coleman Limousin Ranch's 2020 National Western Stock Show Grand Champion Limousin Pen of Three Bulls. He is a son of HUNT Credentials 37C and out of COLE Miss Xrated 354A.

Due 3/30/2022 to AUTO King David 120E.
 AUTO Hankey 228H is a 45% Lim-Flex daughter of CJSL Creed 5042C, the great MAGS Aviator son. This female's dam is AUTO Excitement 405E, a daughter of SAV Brand Name 9115 and out of the one and only AUTO Rebeca 292S. On paper, this female ranks in the 20th percentile for her birthweight figure and in the 35th percentile for her marbling figure. This is the type of female any operation can confidently anchor a program around. She is an attractive, well-designed and highly productive female. You'll want to invest in this high quality female that will take your operation to the next level! She is homozygous polled and homozygous black. This female is due to calve 3.30.22 to AUTO King David 120E, our 2019 Pinegar Limousin HerdBuilder Twenty-Five high-selling bull. He is sired by AUTO King James 162Z and out of PBRS Dutches 790X.

Due 4/12/2022 to AUTO Power Plus 133B.

AUTO Mona 832G is a 68% Lim-Flex daughter of AUTO Direct Drive 107D. He is the WLR Direct Hit son out of our AUTO Rebeca 292S donor, who has been a tried and true herd sire for us. This female's dam is AUTO Mona 458A, a daughter of Connealy Lead On and out of the breed matriarch herself, MAGS Manuela. This female ranks in the 15th percentile for her milk figure. Phenotypically, we appreciate this female's smoothness of lines, length of skeletal build and structural integrity. Highly predictable and profitable genetics is everything this female is made of! She is homozygous polled. This female is due 4.12.22 to AUTO Power Plus 133B, the son of EXAR Denver 2002B and out of the EF Yadda Yadda 809Y donor.

Due 3/30/2022 to AUTO Power Plus 133B.

AUTO Wonder 833G is a 62% Lim-Flex daughter of AUTO King David 120E. Her dam is AUTO Digger 496D, a daughter of SBLX First Class and AUTO Rebeca 292S. On paper, this female ranks in the 35th percentile for her milk figure. She is tremendous in terms of skeletal build, body shape and balance. She is well-designed and offers an attractive, maternal look. We appreciate this female's genuine shape and dimension that she offers. She sells bred to AUTO Power Plus 133B, the son of EXAR Denver 2002B and out of the EF Yadda Yadda 809Y donor.

Due Approx 5/15/2022 to ROMN Graffiti 103G.

We are pleased to feature several animals from our good friends and repeat customers at Minor Limousin. This stout-featured bred female is the first of several females in the offering brought to you by the Minor family. AUTO Grizela 241G is a 64% Lim-Flex daughter of AUTO Dually 553C, the son of AUTO Black Coffee 512A. Her dam is AUTO Danielle 205D, a female sired by EXAR Blue Chip 1877B and out of our legendary AUTO Rebeca 292S donor. This female's maternal look transcends from her elite pedigree and we are confident she will pass the same to her offspring. AUTO Grizela 241G is complete in her overall build, feminine in her design and functional in her structure. She is homozygous polled and homozygous black. This female is due to calve 5.15.22 to ROMN Graffiti 103G, the purebred son of AUTO Lucky Guy 140D.

The importance of proven cow families will always be at the top of our list and for great reason. This female comes from two cow families that are continuing to shape cattle operations across the country. AUTO Praise 409G is a purebred daughter of MAGS Aviator. Her dam is the one and only Riverstone Charmed female. Phenotypically, this female is long and extended in her front third, comfortable in her structural build and powerful on the profile. The icing on the cake with this female is her attractive heifer calf that reads with all the functionality and potential in the world. She is homozygous black and homozygous polled. Her heifer calf at side is a 64% Lim-Flex daughter of AUTO 126G. AUTO 126G is a son of EF Xcessive Force and out of the great AUTO Poem 273Y donor. AUTO 653J is homozygous black.

Volumes of Limousin history have been created by individuals in this female's pedigree. AUTO Genevieve 284G is a high percentage daughter of MAGS Aviator out of the legendary AUTO Luckie Too 423Y. She will blow you away in terms of build and offers an incomparable look of balance. She is big footed, stout boned, athletic and awesome through her front one third. This female is consistent in her rib shape, cow power and overall skeletal flexibility. She exemplifies the fundamentals of structural integrity, body shape and overall symmetry. We are confident this female has the credentials to make a dominant run as a donor female.

This female stems from some of the most phenotypically impressive individuals across the entire industry. AUTO Jane 222J is a daughter of the highly coveted FWLY Can Do bull. FWLY Can Do is a son of RLBH Air Force One and out of the WLR Direct Hit daughter, CLLL Crystal 334W. Can Do has sired numerous national champion individuals and is one of the hottest sires on the market today industry-wide. This female's dam is CFLX Bacardi 079E, a female sired by EF Xcessive Force and out of a Coleman Production 608 female, PSRF Zaida 238. She exemplifies a sound build, smooth design and overall power to a tee. The predictability of her genetic profile reigns high in our minds.

It goes without saying that we believe this female will not only be a standout show heifer, but she's on track to be a highly prolific donor. AUTO KLS Janna 214J is one of three full siblings in this offering from the exciting FWLY Can Do x AUTO Fedora 222F mating. We admire this female's body shape, depth of rib, structural integrity and fleshing ease. This female is the first of several offered in tandem with our friend and partner Kevin Smith of KLS Farms.

LOT 69

AUTO KLS Jan 216J is a daughter of the highly coveted FWLY Can Do bull. FWLY Can Do is a son of RLBH Air Force One and out of the WLR Direct Hit daughter, CLLL Crystal 334W. Can Do has sired numerous national champion individuals and is one of the hottest sires on the market today industry-wide. FWLY Can Do has experienced tremendous use across the breed for his added extension, style and presence that he transmits to his progeny. This female's dam is AUTO Fedora, the daughter of TMCK Durham Wheat 6030X and out of the great WLR Prada donor. This female is stunning in her basic build. She is one of the most unique females in this lineup. We admire this female's angularity through her front third, her smooth muscle pattern and wicked-balanced look on the profile. We believe this one will write her own chapter in the breed history books when she sets foot in any arena.

Owned with KLS Farms, Chatham, LA

Limousin Today Profit Tomorrow

"In these times when the margin on feeding cattle is so slim, the difference between YG 1-2 and YG 3 can be the difference in a profit or loss on a set of calves. We run a lot of Limousin influenced cattle through our barn and they consistently top the market and make our customers money."

*-Jackie Moore, Owner/Operator,
Joplin Regional Stockyards, Missouri*

**Limousin and Lim-Flex[®]
(Limousin x Angus hybrid)
deliver to your bottom line.**

- ⌘ Calving ease & calf vigor
- ⌘ More pounds to sell at weaning
- ⌘ Feed efficiency
- ⌘ Tested & proven docility
- ⌘ Cow & bull longevity
- ⌘ Carcass merit

To find out more about how you can profit tomorrow with Limousin or Lim-Flex[®] bulls and females, visit www.NALF.org.
