## % The Meaning & History Behind Our Brand %

When we established Coleman Angus in 1996, we wanted to choose a brand that had meaning. A brand that represented us, who we were, what our goals were, and what we wanted to accomplish: 100% dedication, 100% customer service, 100% commitment to our ranch, 100% commitment to the land.

A “brand” is a mark of the man and encompasses that proud moment when a man stamps his identity on the hide. A brand declares ownership, labels a man’s integrity, tags him with responsibility, and totals his worth. But a man’s brand is about more than just a symbol of ownership, it is also a representation of the people behind it.

Brands gain a life of their own. Ranches become known by their brand and the symbols become linked to the land on which the cattle are raised. Brands become ingrained in the people. People become ingrained in the ranches and in the land; they are inseparable. A brand conveys a promise.

There is sentimental attachment to the brand that a ranch decides on, and we are loyal to what it means to us. It is personal. Many stories are attached to a brand, not because of the mark itself but because of the people, land, and memories tied to it. A brand also becomes the image and personality of our product and service.

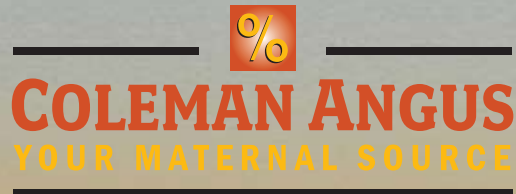

Every brand is a man’s own special mark, our identity as ranchers. Our chosen brand stamps our commitment with quality, passion, loyalty, dedication, and service. Our passion lies in making an impact and a difference, providing a stewardship, exceeding expectations, and delivering a brand that is monumental to your program as well.

## 25 YEARS OF DEDICATED FOCUS

On behalf of the entire Coleman and Haag families, we would like to extend a personal invitation to each of you to be with us for this very special event. On Tuesday, October 10, 2023, we will be offering our entire fall-calving herd, and we are extremely excited to have the opportunity to share this special set of cattle with you. This was a tough and bittersweet decision to make but we simply decided to cut back on the workload of calving, breeding, and year-round paperwork by calving only once a year, in the spring. There will be nothing changing; we will continue to sell 200 bulls a year, have an annual female sale in the fall and our monthly embryo sales.

We enjoy selling really good cattle that have the opportunity to go work for you and increase your bottom line. This sector of cows has been the focus at Coleman Angus for 25 years. We started building this set of cows from day one. Some of our very best and most productive females are in this sale offering, and this year marks our 25th year of raising Angus cattle.

As many of you know, both Dee and I were raised in different sectors of the cattle industry and realized together that there is nothing better than the Angus cow. We have tried to stay focused to what brought this breed to the forefront—maternal genetics. This has been our main focus and we think you will see that as you flip through this sale offering. We have selected for BALANCE not the extremes because we feel the basics of raising seedstock cattle start with feet, udders, production records, and longevity. These four things have been heavily selected for each and every breeding decision and on a daily basis.

We urge you all, if you can, to please be with us in October. Montana is beautiful this time of year and there are a lot of great sights around the area for families to see and activities to do together. If you would like to view the cattle prior to the sale, feel free to reach out, we would love to show you the program. Our videos and updates will be on our website at [www.colemanangus.com](http://www.colemanangus.com) prior to the sale. If you have any questions, please feel free to reach out to any of us here at Coleman Angus.

Sincerely

Larry Coleman

# % Where Maternal Still Matters %

**Coleman Donna 040** is currently the #1 Cow in the Breed that is 13 years of age or older with Pathfinder status.

**Coleman Donna 0308** is currently the #6 Cow in the Breed that is 13 years of age or older with Pathfinder status. Both of these females are full sisters to Coleman Rock 7200.

The Coleman program has been built the old-fashioned way--in the pasture where maternal is measured by production records and longevity and where Pathfinder® still means something.

As you study the AHIR data base at the American Angus Association, Coleman Angus has the #1 (Coleman Donna 040) and #6 (Coleman Donna 0308) **\$M females in the breed that are 13 years of age or older with the Pathfinder® status.** These cattle in this year's sale truly measure maternal strength!

Throughout this sale offering, you will notice that we have built this program on the best genetics we could find. As represented in this catalog, you will find an array of full and half sisters that are from our embryo transfer program. We believe in moving forward from the very best that we have built from day one. We believe in **quality** and not quantity.

\$M is the stockman's EPD and the genetic indicator that factors into real world economic production records for both seedstock and commercial cattlemen alike.

### FOR REFERENCE ONLY.

- Owned with Ferree Fitzgerald, Sullivan, IN.
- Coleman Glacier 041 was the featured Lot 1 bull of the 2022 Coleman Angus Spring Bull Sale where he sold for one-quarter interest for \$270,000 as the record-selling bull in Coleman Angus history.

- He is a herd bull phenomenon consistently siring cattle with tremendous eye appeal and balance; they are deep-bodied, muscular progeny with mass and performance in an extremely sound-structured package.
- His daughters are beautifully designed from one of the top maternal matrons in the entire Coleman program, Coleman Donna 439. His sons will highlight the 2024 spring bull sale and lead off an impressive set of high-performance, pounds-heavy bulls and will be a wonderful buying opportunity for both seedstock and commercial cattlemen.
- Glacier's dam is a model Angus female with loads of body in a beautiful, maternally designed package and is featured as our Lot 1 leadoff female of this historic event; she has generated over \$1 million on 11 females that have averaged \$43,182 and 22 bulls that have averaged \$24,205 in past Coleman Angus sales.
- Coleman Donna 046, a full sister, was the \$120,000 top-selling, two-year-old of the 2022 fall production sale for a \$240,000 valuation and a featured donor in the Coleman and Ingram Angus programs. Coleman Donna 720, another full sister, was the \$37,000 feature in the 2018 fall production sale going to Canadian Donors and KT Ranches of Canada. Other full sisters include the \$26,000 Coleman Donna 042 working in ZWT Ranch in Tennessee and the \$27,000 Coleman Donna 057 working in the Sadler Ranch program in Oklahoma.
- This elite female sale showcases 32 direct progeny of Glacier as well as his unprecedented influence.

- A major sale attraction is this powerhouse female that is certainly a visitor favorite to many as this breathtaking female is loaded with performance, added mass, and power.
- She is a direct daughter of the Pathfinder® Sire, Connealy Thunder, back to the \$290,000 Coleman Donna 714, who has produced over \$3 million in progeny sales at Coleman Angus.

- This jaw-dropping female has a progeny production record of BR 3@92, WR 3@109, YR 2@110.
- In the 2022 Coleman Angus Your Maternal Source Sale, we offered a flush on this great donor female which sold for \$50,000 to ZWT Ranch of Tennessee.
- Coleman Donna 4203, a full sister, has been a cornerstone donor in the program producing \$281,750 in revenue on 15 head where she has averaged \$18,281 on eight bulls and \$19,357 on seven females.
- Coleman Banker 9215, produced from a full sister, was the \$75,000 one-half interest for \$150,000 valuation feature through the 2021 fall production sale going to Voss Angus of Iowa. Other features produced by this full sister include the \$45,000 one-half interest for a \$90,000 valuation, Coleman Donna 9220, who was the featured Lot 1 female of the fall 2021 production sale going to Richburg Angus of Texas; through that same event, she produced the \$22,500 Coleman Donna 0178 going to the Kelly family of Michigan and the \$22,000 Coleman Donna 0121 going to Antczak Angus of Wisconsin; she also produced through the fall 2020 production sale, Coleman Donna 9309, the \$20,000 full sister to Banker going to Sadler Ranch of Oklahoma.
- Coleman Donna 8147, a full sister, went on to produce the top-selling bull of the 2023 spring production sale, Coleman Below Zero, who sold for \$150,000 for one-half interest for a \$300,000 valuation to GENEX Beef AI stud, Janssen Angus of Iowa, and Marshall & Fenner Farms of Missouri.

- **SELLING ONE-HALF INTEREST.**
- Owned with K&M Cattle Co., Coal City, Indiana.
- Coleman World Wide 2562 is one of the greatest breeding accomplishments in the history of Coleman Angus. He has a

spectacular look with added length of body and tremendous rib shape in a smooth, attractive package—combine this with the calving ease of -2.2 and +13 CED into a high-performance combo with an outcross pedigree and this bull has every opportunity to sell as much semen as any bull in America.

- Coleman Donna 7221, his dam, was the \$140,000 one-half interest for a \$280,000 valuation, top-selling fall pair of the 2022 fall production sale going to K & M Cattle of Indiana. Through the same event, she produced the \$51,000 top-selling bred heifer going to Stacey Roberts of North Dakota, Coleman Donna 1156.
- His mother has generated \$202,000 on five progeny for an average of \$40,400 in past Coleman sales. Her first natural calf was Coleman Poncho 9426, who was the top-selling bull of the 2022 fall production sale at \$110,000 for one-half interest to Sandford Ranches of Texas. Her second calf was the top-selling bred heifer of last year's sale, and this is her third natural calf. She has a progeny production record of BR 3@90, WR 3@112, and YR 2@111.

- Owned with Sandford Ranches, LLC, Greenwood, TX; Ingram Angus, Pulaski, TN.
- Coleman Rock 7200 is one of the special individuals ever produced at Coleman Angus. He was the \$240,000 one-half interest for a

\$480,000 valuation top-selling bull of the 2022 Your Maternal Source Sale going to Sandford Ranches of Texas and Ingram Angus of Tennessee.

- Rock has a timeline pedigree from a very consistent lineage of great producers. He is a son of the Pathfinder® Sire, OCC Juneau 807J, back to the \$3 million-producing Coleman Donna 714, who has a progeny production record of BR 4@89, WR 4@115, YR 3@112, %IMF 11@101 with 182 daughters in production with an average nursing ratio of 102.
- Rock combines a tremendous physical physique in terms of added muscle, depth of body, and power in a high-performance package with tremendous foot and outstanding structure. He is a negative birth, double-digit, calving-ease direct bull that ranks in the Top 25% for weaning, Top 30% for yearling, and in the Top 5% for \$M.
- Coleman Donna 063, a full sister, was the featured and top-selling Lot 1 cow of the 2016 fall female sale for \$80,000 to Lawson Angus of Virginia. Other full sisters include Coleman Donna 769, who sold for one-half interest at \$34,000 for a \$68,000 valuation through the 2022 Your Maternal Source Sale to Ingram Angus of Tennessee and Coleman Donna 756, sold for \$20,000 to Nolin Cash of Canada.
- Rock is a heavily used sire throughout our program and will continue to have an impact for years to come. This year's sale features 40 progeny and two full sisters of Coleman Rock 7200.

- A tremendous opportunity to get in on the ground floor of our newest acquisition at Coleman Angus. Bar-E-L Bride 28C was the featured Lot 1 female of the 2022 Open Book Invitational at Brooking Angus Ranch in Canada. She headlined this event and became the top-selling female.
- This outstanding donor dam is a daughter of Bar-E-L Natural Law 52Y and is considered one of the very best ever produced by this Canadian sire. She stems back to a daughter of HF Alaskan 94T and the Bride family.
- This female reads with exquisite phenotype, beautiful udder, massive rib shape, and a beautiful, elegant front-end extension in a very complete, fault-free, high-quality package.
- She fits the mold and style that we look for here at Coleman Angus, and we were extremely excited about the future of this great, young female to build a new family to fit into our program.
- This is a great opportunity to acquire some of the very first genetics out of this great, young donor.

### • SELLING ONE-HALF INTEREST.

- Owned with Voss Angus, Dexter, IA.
- Coleman Platinum 2622 is one of the greatest breeding accomplishments in the history of Coleman Angus. He has been a standout since day one and proudly represents as his mother's second natural calf. He is a son of the \$480,000 Coleman Rock 7200 back to the all-time, record-selling Coleman Chloe 9275.
- He presents tremendous depth of body with loads of muscle and masculinity in an extremely sound-structured, herd bull package.
- He had an individual birth ratio of 95, weaning ratio of 123, and stems from a dam that records BR 2@90, WR 2@117, YR 1@121. Not only does he have an impressive phenotype but reads in the Top 1% for both weaning and yearling, Top 2% for claw, Top 5% for angle and this, combined with his maternal lineage on his bottom side, makes him an absolute tremendous breeding piece.

Commercial Heifers – Sell as Lot 301A – 310J.

## 100 Spring-Calving Commercial Heifers Sell

These tremendous spring-calving commercial heifers from Flying M Livestock were artificially inseminated July 16, 2023 to COLEMAN EASY DECISION. Cleanup bulls were turned in 36 hours later for a 30-day cleanup period. All bulls used for cleanup were purchased from Coleman Angus and selected for calving ease.

These heifers are 100% Coleman Angus genetics. Flying M Livestock has been buying bulls from our annual spring sale for around 15 years.

These heifers are out of cows that have been culled extensively for feet, udder, fleshing ability, reproduction, moderate size and easy handling. They will be ultrasounded on September 5, 2023 and will then be sorted into two calving windows: AI bred and bull bred.

Typically they start calving March 15th, give or take a few days.

**Available for delivery October 25-November 1.**

- Owned by Gauglers Angus Ranch, Judith Gap, MT.
- Coleman Resource 708 is the newest addition to our herd sire battery. He is a bull that has proven himself the old-fashioned way and has been a visitor favorite by many.
- He has done a tremendous job in the Gaugler Angus Ranch program in Montana. His daughters at Gaugler have beautiful udders, are easy fleshing with perfect structure and feet coupled with excellent calving ease, extra muscle shape, and wonderful maternal strengths. This bull exemplifies the days when a bull did it the old-fashioned way and was recognized by just his tattoo number, so we call him 708.
- 708 is a son of Resource 1441 and brings the best of the 707 lineage to the front of the pedigree. His dam is a direct daughter of Coleman Manning 0299 back to the \$93,000 record-selling Coleman Donna 005, who is a daughter of the outcross sire, N Bar Shadow X4124, and the \$200,000 Coleman Donna 386.

- He is a direct son of SAV Renown 3439 back to the featured Coleman Donna 439, a Pathfinder® dam and full sister to the GENEX Beef AI sire, Coleman Playmaker 427.
- Ranger is a heavy-muscled, long, attractive bull with tremendous front-end extension in a calving-ease package. He ranks in the Top 10% for yearling weight EPD and in the Top 25% of the breed for \$M.

**• FOR REFERENCE ONLY.**

- Owned with Little Goose Ranch, Big Horn, WY.
- Coleman Sheridan 9295 was the \$35,000 selection of Little Goose Ranch of Wyoming through the 2021 Coleman Angus Spring Bull Sale as the second top seller of that event.
- He is a son of Coleman Charlo 0256 back to the featured Coleman Donna 504 and the \$3 million-producing Coleman Donna 714.
- Sheridan is a calving-ease sire that reads in the Top 30% for both weaning and yearling EPDs and in the Top 4% for \$M.
- His dam has an array of full sisters that have done a wonderful job in the program including Coleman Donna 7100 and the featured herd sire in the Little Goose Ranch program, Coleman Logo 947. Other full sisters to the dam include Coleman Donna 7232 as well as Coleman Donna 7231, who sells as Lot 18 in this year's sale.
- A full sister to Sheridan will be offered as Lot 24 through this same event.
- Sheridan will also highlight our 2023 bull sale with an array of wonderful sons for both seedstock and commercial cattlemen.
