These embryos are sired by the Denver National Champion Sale bull and great young Lim-Flex sire JCL Flashback. He is a Lim-Flex son of Spring Creeks Urlacher and from a superb daughter of WRC Punch. Some of the finest cattle in our breed have come from matings of Lim-Flex back on Fullbloods. We are confident that these future calves will be a big hit for the new owner.

When Lim-Flex sires are mated to big time Fullbloods the results seem to be amazing! We firmly believe these future calves sired by the popular Denver National Sale champion bull, JCL Flashback will have a bright future. Their dam is a prominent daughter of a full sibling to the All American Futurity Champion bull AUTO Cliff Hanger. These future calves will have the rib from the Lim-Flex and the power and muscle from the Fullblood cow.
