

DEER VALLEY FARM
**Limousin Complete
& Total Dispersal** SALE

SEPTEMBER 27, 2014 | 12:00 P.M. CST

Deer Valley Farm represents one of the longest running and most established seedstock operations in all the land. Owners Fred and Rinda Clark have decided to disperse their entire Limousin cowherd and graciously welcome everyone to attend. They along with Kim Clark and Jonathon Perry have been deeply involved in the Limousin business and all have decided for this chapter in their lives to come to an end. Please make plans to come early and enjoy the wonderful hospitality of the south

MAGS Shamble is the leading donor that has proudly represented the prominent Deer Valley Farm program over the last several years. She is homozygous polled, homozygous black and is one of the best purebred Limousin females to ever exist. At the time of her purchase as a top lot in a past Magness sale she has always been known as one of the very best daughters of the big league donor MAGS Manda. She is extreme in her foot size, extremely big boned and very sound in her movement. She has been labeled by the many that know of her and that have seen her as one of the very best purebred Limousin females ever! She is sired by the tried and proven purebred sire GPFF Blaque Rulon and represents a lineage that has worked well in production and in the market place. MAGS Shamble has earned a breed leading set of EPD's with a 1.9 for birth, 27 for milk and a breed leader in ribeye with a .76. She also scanned a 15 for REA and 4.29 for IMF. She sells bred to the big numbered Angus sire JMB Traction 292 and her bull calf that will sell split off sired by GAR Ingenuity. He is double black (Not tested) and homozygous polled. He offers a -0.5 for birth, 55 for weaning weight, 104 for yearling weight and 35 for milk. Co-owned with Magness Land & Cattle Co., Platteville, CO

LOT 1A - Bull calf, born 8.25.14, sired by JMB Traction 292.

MAGS Sinister is one of the big league and big time purebred Limousin females to ever exist. From the moment that she was recognized as one of the great ones as a coming 2 year old in the past Magness sale, she has always been a favorite by the many that have seen her. She is a daughter of TNUH Blue Print 245H and from the breed's all-time great donor MAGS Fruitful 487M. Fruitful was a two time national champion female and is responsible for producing some of the very finest progeny to ever hit our breed. She has earned over the years a 0.0 for birth, 25 for milk and .53 for ribeye. She also scanned a 12.7 for REA and 4.97 for IMF.

A.I. 7.15.14 to Sandpoint Butkus

MAGS Rags To Riches is a full sister to Lot 2, MAGS Sinister. She too is one of the very finest purebred females that have been the cornerstone donor in the Deer Valley Farm program. The lineage that she represents is like no other. She is sired by the outcross sire TNUH Blue Print and from the two time national champion female MAGS Fruitful 487M. We love and have always admired her from the ground up. She is extremely big footed, sound made and very broody in her appearance. Highlighting this sale will be her young 50% Lim-Flex heifer sired by Plattermere Weigh Up K360. She offers a breed leading set of EPD's with a 0.1 for birth, 111 for yearling weight and 32 for milk. Also selling will be two MAGS Rags To Riches daughters sired by the past national champion and breed leading sire DHVO Deuce.

AI'd 5.16.14 to JMB Traction 292

One of the most successful and prominent cow families to ever exist in the entire Limousin business is that of EAFM Cookie. She herself was a national champion and along with SLVL Angel Cookie 140D. The Cookie family and the rich heritage behind them is some of the most prolific and prominent that we have to date in the purebred segment of the Limousin business. DVFC Angel 302X is a 50% Lim-Flex daughter of N Bar Emulation EXT. She is a black and polled female that is certain to make you pay attention on sale day. She has earned a 0.2 for birth, 25 for milk and .22 for marbling. Her bull calf will sell split off on sale day. He is a 25% Lim-Flex double polled, double black son of Plattermere Weigh Up K360, a proven and progressive son of AITZ Upward 307R back to a daughter of GAR Retail Product. He offers a -1.1 for birth, 58 for weaning weight, 117 for yearling weight, 33 for milk and .30 for marbling.

Due 11.16.14 to MAGS Choctaw

Here is an opportunity to invest in one of the finest purebred Red Angus females. This first calf heifer is sired by the big time A.I. sire Red Global Trust 21T that has made such a positive influence in the Red Angus breed. She is from the prominent and big league producing donor 3R Ms Touch 51H 21M. This young female is made as perfect as you would ever want. She is so clean up through her front end, strong and level down her top line. She is complete in her design and has the striking profile needed to create great ones like her down the road. She sells bred to the red, homozygous polled purebred Limousin bull owned by Thomas & Son Farms. He is a son of LH U Haul 135U from WLR Ugly Betty 432U.

A.I.'d 12/08/13 to EBFL Ypsilanti 420Y; P.E.'d 12/26/13 - 3/06/14 to AUTO Longdrive 111X

We appreciate the amount of thickness, the stylish profile and balance found in this daughter of DHVO Deuce 132R. She is from a 50% Lim-Flex daughter of N bar Emulation EXT from the famed DBRO Gone Fishing 415B. This female sells either bred to the double homozygous Ypsilanti or AUTO Long Drive 111X.
