

ETHERTON FARMS BULL AND FEMALE SALE

Saturday, February 16, 2013

Cori Harrison

Lot 4

Etherton Farms

Bob & Austen Etherton • Ashley & Kyle Beutke
8961 Oak Crest Road, Dawson, IL 62520
Phone 217.629.7650 • Cell 217.899.0162
Rob Bruce • 217.737.0692
Kyle Beutke • 815.674.6655
ethertonfarms@gmail.com • www.ethertonfarms.com

SELLING 67 LOTS ...

Etherton Farms is offering 67 head of Registered Limousin and Lim-Flex Seed Stock cattle - 11 Spring Breds, 8 Fall Breds, 21 Open Show Heifers, 22 Spring Yearling Bulls and 5 Fall Yearling Bulls.

TRUCKING ...

Will be available on site to haul any purchases out the day of the sale. To make prior arrangements feel free to call R & R Marketing Co. at 615.330.2735 and we will make your buying easy and accommodating.

ANNOUNCEMENTS ...

Announcements at the sale by the owners, auctioneers or sale management will take precedence over statements in the sale catalog.

SALE ORDER & SUPPLEMENTAL INFORMATION ...

Sale order is the catalog order, Supplemental information will be posted Friday, February 15, 2013 at www.RRMktg.com.

TERMS & CONDITIONS ...

Terms of the sale are cash unless satisfactory credit arrangements have been made prior to the sale. A representative will be on hand sale day if your wishes are to insure your purchases. Please note: The sale manager is only an agent for the seller and has no responsibility other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the sale manager nor Etherton Farms assume liability, legal or otherwise, for any accidents which may occur.

TESTING ...

Unless stated in the catalog none of the heifers or bulls have been homozygous polled and homozygous black tested.

EPD'S ...

All EPD's are current as of December '12. Make note that the new EPD's are subject to change as of January 01, 2013.

VIDEOS ON EACH ANIMAL ...

To watch a video on each animal be sure to log onto www.ethertonfarms.com.

INSURANCE ...

Insurance on your purchase can be provided by Mark Smith, Grassroots Genetics, Ankeny, IA 515.229.5227.

PAYMENT ...

Cattle must be paid for at the time of the sale unless prior arrangements are made with sale management at the time of the sale at 615.330.2735.

SEMEN CHECK ...

Older bulls will be semen tested and buyer will be furnished with semen test analysis. Etherton Farms asks that purchasers of younger bulls have them semen tested prior to turning out with cows. We will gladly pay for the semen check, just send us an invoice and we will get it handled. It will be the buyers responsibility to assure that their purchases will check out as producing quality semen.

FREE SEMEN ...

Etherton Farms will give 2 units of semen on either EF Xcessive Force or BC Bad Romance 612X for each female purchased. Semen will be available at Interglobe Genetics, 14814 North 1500 East Rd, Pontiac, IL 61764, 815.844.3733. Bull information and pictures can be found on page 32 and 33.

DISCOUNT ...

In an effort to show our appreciation to our loyal customers, we will be offering our VOLUME DISCOUNT!

- 2-5 head you will get a 5% discount off your purchase price
- 5 head or more you will get a 10% discount off your purchase price

PHOTOGRAPHY ...

Pictures taken by Cori Harrison

ETHERTON FARMS

Junior JACKPOT SHOW

Held in conjunction with the Illinois Limousin Field Day

Sunday,
JUNE 2, 2013

Carlinville, IL

- Any animal that carries the EF prefix, sired by or out of an EF bred animal or if the sire is owned by EF qualifies for the show.
- All exhibitors will receive money for showing their EF bred or EF influenced animal

\$10,000 JACKPOT

Visit www.ethertonfarms.com or call for complete details.

Etherton Farms

\$2,500

EF Scholarship Program

Etherton Farms is enthused to give back for the many years of support from the Limousin breed. The EF program started from a junior and family project with Austen and Ashley and has now grown to what it is today. The Etherton Family celebrates the Limousin Breed, the Junior Limousin Association and all that it offers to our youth.

\$2,500 worth of scholarship money offered!!!

Five juniors will receive scholarship money to apply toward the college or technical school of their choice. Each of the five juniors will receive \$500.

Log on to www.Ethertonfarms.com to get your scholarship application.

One of the sale featured show heifers from Etherton Farms is EF Ziggy 339Z. She is a double polled, homozygous black daughter of CFLX Molly's Image. Molly's Image is the once National Junior Heifer Show champion as well as a many time champion female. She is a daughter of the once national champion bull DHVO Deuce and from the Council Family donor, JCL Peppermint. This cross has proven time and time again that it is something special. Her full brother is CFLX Wild Card, the once national sale top seller and now breed leading A.I. sire. EF Ziggy 339Z is sired by the leading Angus sire DA Traveler 004 703. Now deceased, this leading Angus sire at Etherton Farms was incorporated to create big numbered, deep bodied Lim-Flex cattle. He has really done that with this remarkable show heifer prospect from the heart of the Etherton Farms program. We admire so much about this female! She is a full sibling to the 2012 National Champion Lim-Flex sire, EF Xcessive Force, and is made nearly perfect with a breed leading set of EPD's. She posted a 113 for yearling weight, 32 for milk and .25 for marbling. Buy with confidence and enjoy the future success you will have with this future show champion and well-bred donor cow.

EF Zelda 221Z is a daughter of EF Xtraordinary which sold at \$12,500 for half interest in the 2012 Etherton Farms sale to our good friends at P Bar S Ranch, Sand Springs, OK. She is a daughter of MAGS Sheila, the Rulon x MAGS Manda daughter that was one of the premier show females in our breed for Austen Etherton.

This young 50% Lim-Flex daughter of EF Xcessive Force is one of the most exciting heifers ever offered by the EF program. She is moderate in her frame score, extremely big and sound footed and very appealing in her profile as well as deep in her flank, easy in her middle and very sound in her structure. Her number package is superb and some of the best in the breed with a 118 for yearling weight, 33 for milk and .26 for marbling. This young female represents the MAGS Sheila cow family to the highest degree!

EF Zonked 338Z is a daughter of the once NAILE champion female, EF Uptown Girl. Uptown was also the once National Junior Heifer Show reserve champion female for Austen Etherton. EF Zonked is sired by Etherton's big numbered Angus sire, DA Traveler 004 703. The show potential of this heifer is so promising! She has it all stacked in her favor. She is so long and clean up through her front end, extremely long bodied, level and square out of her hip and super sound in her structure. This near perfect heifer has created a tremendous amount of interest from the select few that have seen her. We so admire her EPD profile with her 108 for yearling weight, 34 for milk and .27 for marbling. This young 50% Lim-Flex heifer is epitome of what the EF program set out to produce and we are in hopes that on sale day you might like her as much as we do.

EF Zippy 103Z is one of those big time show females of the entire sale. She is one of those heifers that knows she is something special. We would say she is proud but not prideful! No matter whether she is standing in the pasture or in the show barn she is always set up and ready for someone to look at her. We admire her softness of her pasterns, heaviness of bone and fluid movement. This feminine fronted, long necked and stylish show heifer represents the Etherton Farms program to its fullest. She is sired by the 2012 national champion Lim-Flex, 2011 All-American Futurity and NAILE reserve grand champion bull, EF Xcessive Force, the prominent son of DA Traveler 004 703 from CFLX Molly's Image. This heifer's dam was highlighted in the Etherton Farms '12 sale and was purchased by our good friends at ATAK Limousin for \$5,750.

EF Xcessive Force, sire of Lots 5 - 7.

One of the most exciting matings that has taken place at Etherton Farms in a long time is the blending of EF Xcessive Force and Sennett Whisper 919W. These three full siblings are hard to tell apart. They are so uniform in their profile and are very appealing. We are amazed with their heaviness of bone, extreme depth of body and how square they are out of their hip. For those that are looking for a show heifer, you might have a challenging time trying to pick their favorite! Sired by the Thomas & Sons and Etherton Farms, EF Xcessive Force, are these stylish show heifer prospects. Their dam is Sennett Whisper 919W, a past show champion and now a leading donor at Etherton Farms. She is an extremely big footed and soggy middled donor cow that has proven her elite status at the EF donor pool.

EF Zumba 341Z is a remarkable show heifer from the heart of the Etherton Farms program. This purebred black and double polled heifer is sired by the Linhart service sire CJSL Windfall 9072W. He is a red and polled son of LVLS Secret Weapon from a daughter of DVFC Arrowhead that has done a top job in our breed siring the right kinds of cattle. EF Zumba is from the once NAILE grand champion female, EF Trend Setter 206T, a prominent daughter of GPFF Blaque Rulon from TUBB Black Dakota 304N.

A full sister to EF Zumba is this exciting purebred show heifer. We love and admire her soft pasterns and ease in movement. We also like her depth of flank, spring of rib and brood cow look that she has. This CJSL Windfall 9072W daughter is a top performer in the Etherton Farms 2012 calf crop and one of the very finest. This heifer is very docile, calm in her disposition and is the result of the blending of two of the finest in our breed. EF Trend Setter was the once NAILE grand champion female for Cori Harrison, Minier, IL.

EF Zizi 576Z represents one of the strongest cow families at Etherton Farms, MAGS Ruffles. She is a daughter of TNUH Blue Print from MAGS Lady Doctor and has earned her spot in the long list of premier donors in the EF program. In last years Etherton Farms sale her two daughters sold for \$13,000 to the Linhart Family and \$11,000 into the Heart Felt Farms program. EF Zizi 576Z is a true brood cow prospect. She is extreme in rib shape and her foot size. We love her softness in her pasterns and the amount of volume and capacity that she has. She is sired by the 2011 All American Futurity Supreme champion bull MAGS Xyloid, the leading sire for Edwards Land & Cattle Co., Beulaville, NC and Magness Land & Cattle Co., Platteville, CO. This purebred homozygous black and double polled heifer is a true over achiever amongst her peers and we think she can highlight any given program.

EF Zodiac 214Z is a known daughter of DHVO Deuce 132R. Deuce has made his mark in our breed as the sire for show cattle. He was a Denver Champion bull and many of his progeny have dominated shows and sales across our great breed. This young daughter is one that will be hard to compete with in the show ring. She is from one of the powerful brood cows at Etherton Farms, MAGS Snow White, a daughter of Carrouseles Pure Power x MAGS Marquee. This promising show heifer offers a 1.9 for birth, 103 for yearling weight and .77 for ribeye. If it is strength in numbers needed to make your decision on what heifer to show then consider this purebred.

EF Zaylee 573Z is a daughter of the 2006 National Junior Heifer Show grand champion and All American Futurity reserve grand champion, EXLR Molly 605R. She is a daughter of COLE Montana Sky 36M from a daughter of EXLR Dakota x EXLR Molly 343G. ATAK Limousin, Avon, IL purchased EF Yet Again 810Y, a maternal sister to EF Zaylee 573Z at \$7500 in the '12 Etherton Farms sale. This purebred show heifer is extreme in her design and we feel she will be a promising show heifer for any junior. She is extremely long bodied, square and level from her hooks to pins. She has that very appealing stance and is a young daughter of MAGS Xyloid, the 2011 All-American Futurity Champion bull and now breed leader.

Talk about a donor in the making! Here is EF Zahi 340Z, a 25% Lim-Flex homozygous polled, double black daughter of Summitcrest Complete 1P55. She is from MAGS Sandbox, the BR Midland x MAGS Lady Ace donor that is now owned by Sugar Bush Limousin, Allen, MI. This young heifer offers a 0.6 for birth, 108 for yearling, 36 for milk, .58 for marbling and 63 for MTI. We think this female has a world of potential in the marketplace. Her pedigree is top of the line, her numbers rank amongst the highest in our breed and she is just darn right pretty.

Here is the other Summitcrest Complete daughter in the sale. EF Zamir 351Z is from a daughter of the many times gold medal sire AUTO Black Dakota 129J and from a daughter of COLE First Down. This young 50% Lim-Flex heifer posts a breed leading set of EPD's with a 0.9 for birth, 97 for yearling and 34 for milk. She also posts a .30 for marbling and 53 for MTI. This double black, double polled heifer is very feminine up through her front end, sound made and very angular in her appearance.

EF Zing 215Z is a well balanced 75% Lim-Flex open that is double polled and homozygous black. She is sired by the once national champion DHVO Deuce and from a daughter of GAR Retail Product back to a daughter of KRMC Outcross. This young heifer offers a low birth of 0.8, 102 for yearling weight, .12 for marbling, .37 for ribeye and 51 for MTI. EF Zing 215Z is extremely thick made but still maintains a tremendous amount of rib shape. She is very, very clean and long up through her front end. Buy with confidence when considering this young heifer for the show ring and then the pasture, she has all the ingredients needed to create interest for the new owner.

Featuring Three Daughters of MAGS Unloosen

MAGS Unloosen, sire to Lots 19 - 21.

One of the top service sires at Etherton Farms is MAGS Unloosen 4604U. He was the 2009 All American Futurity Grand Champion Bull and has now proven his worth in the pasture. He is the \$68,000 syndicated son of GPF Blaque Rulon from MAGS Paradise Canyon, a daughter of BR Midland from Miss Wulfette 6230F. The syndicate ownership of MAGS Unloosen is Had-To-Be Farms, Richland, MO, P Bar S Ranch, Sand Springs, OK, ATAK Limousin, Avon, IL, Fosdick Cattle, Chenoa, IL and Magness Land & Cattle Co., Platteville, CO. These three daughters of MAGS Unloosen represent his genetics very well. They have his prominent profile, design and are very appealing. These daughters are from brood cows sired by MAGS Little Brother, CHAZ First Choice and RADS Black Prodigy. We think you will find these heifers well bred and will work in any program.

A highlight of the entire sire is this 2012 All American Futurity Reserve Grand Champion female, EF Your Wish 334Y. She dominated one of the breed's most competitive shows in the land. Sired by the now deceased Angus sire DA Traveler 004 703. On the bottom side of her pedigree, she represents the finest cross ever created at Etherton Farms, AUTO Black Dakota 129J with EXLR 231J. The female that started it all at Etherton Farms was EXLR 231J. She has and continues to amaze us with how well she and her daughters have continued to produce excellence.

EF Your Call 587Y could without a doubt be one of the very best females to ever carry the EF prefix.

This 37.5% Lim-Flex homozygous black, double polled daughter of MAGS Unloosen is truly something special. We are blown away by the amount of bone and foot size she has. She is so heavy boned and has so much rib and depth of flank it is scary. When we step back and look at her front end, we scratch our head and are in amazement of how one this good can have that good of front end and still maintain this much body. Well, she highlights this sale in her entirety and we are proud to showcase her. She could be one of the finest bred heifers that we will get a chance to sell all year! She posts a -1.4 for birth, 101 for yearling weight, .37 for marbling and 55 for MTI. Congratulations to the winning bidder ... this one will be fun to have highlighting any program.

 EF Y Not 317Y is a very interesting female! She is a complete outcross to most lines of cattle and has a very current and prominent pedigree being sired by the once National Champion Lim-Flex sire, Sprng Crks Urlacher 311U. This Carrouseles Peak Power son has done a top job in our breed and for P Bar S Ranch and End of the Trail Limousin. This female is from MCBN Toccara Brown 720T, a daughter of BR Midland from the dam of LVLS Secret Weapon, LVLS 408H. EF Y Not 317Y offers a breed leading set of EPD's with a 93 for yearling weight, 27 for milk and .29 for marbling.

 Here is EF Y So Lucky 819Y, an exciting purebred homozygous black and double polled spring bred heifer. Her two full sisters highlighted the 2012 Etherton Farms sale. EF Yadda Yadda 809Y sold for \$13,000 to our good friends at Linhart Limousin, Leon, IA and EF Y So Pokey 817Y sold to Heart Felt Farms for \$11,000. This young female represents the best of the best and we feel she will have a bright future in production, raising progeny with promise. This mating of Deuce back on MAGS Ruffles has proven time and time again that they are something special.

 Some of the most exciting females in production in our breed right now are daughters of LH Rodemaster 338R. He is a proven son of the now deceased multiple trait leading sire, JCL Lodestar 27L. His daughters are moderate framed, easy middled and very complete. This heifer is a prime example of that statement! She offers a low birth of -0.7, 102 for yearling weight and .22 for marbling. She is homozygous polled, double black and one really nice 75% Lim-Flex heifer.

 This bob tailed heifer offers an exciting and powerful pedigree. She is sired by Wulf's Urban Cowboy and is from a daughter of the many time national gold medal sire, AUTO Black Dakota 129J. She is a purebred spring bred heifer that is very, very deep bodied with a ton of volume. She has brood cow written all over her and we are excited for the new owner to see what kind of job she will do with her future calf either sired by the 2012 National champion Lim-Flex sire EF Xcessive Force or the Angus sire DA Traveler 004 703.

 EF Yippie 412Y is a purebred daughter of DVFC Blaque Cookie 101R, the son of GPF Blaque Rulon from the once national champion female, SLVL Sable Cookie 381E. The genetics found with Blaque Cookie are some of the finest in our breed for show cattle. This young spring bred heifer is from a daughter of JCL Lodestar 27L and a granddaughter to all-time matriarch donor MAGS Manuela that is working for Sugar Bush Limousin, Allen, MI. EF Yippie 412Y has genetics like no other lined up. She is result of the blending of the best with the best and we are excited to see the kind of job she will do in production.

EF Yara 665Y is sired by one of the breed's biggest numbered purebred bulls in the business, LVLS Secret Weapon. His daughters have been solid producers in our breed and true brood cows. We assume this young LVLS Secret Weapon daughter will be no exception. She is from EF Sumatra 990P, a daughter of GPF Blaque Rulon back to a daughter of SLVL Black Oxen. She offers a low birth of 1.8, yearling weight of 100 and milk of 26.

Here is a full sister to Lot 37. This daughter of LVLS Secret Weapon is extremely long and feminine up through her front end. She is extremely long down her topline and very well structured. This purebred heifer is from the Etherton Farms brood cow, EF Sumatra 990P, a proven and very predictable daughter of GPF Blaque Rulon. We admire her 102 for yearling weight and her 26 for milk. She will make a very nice addition to any program.

These two full sisters represent two lineages of cattle that have worked very well at Etherton Farms. They are sired by the once highly syndicated 75% Lim-Flex sire MAGS Unloosen. He is the heavy muscled and stout made son of GPF BLAQUE RULON that was the 2009 All American Futurity Supreme Champion bull for Etherton Farms, Magness, Had-To-Be, Fosdick, P Bar S and ATAK Limousin. The dam of these full sisters is EXLR Molly 605R, the 2006 National Junior Heifer show grand champion and the All American Futurity reserve grand champion. The blending of these two greats has created individuals that we think anyone would be happy to invest in.

These three full brothers made the trip to Denver to compete in the ever-competitive Pen of Three show. They represent a mating that may be one of the best ever at Etherton Farms. They are sired by the 2012 Denver National Lim-Flex Show grand champion bull, 2011 All American Futurity and NAILE reserve grand champion bull, EF Xcessive Force. He is the son of DA Traveler 004 703 back to the National Junior Heifer Show grand champion female, CFLX Molly's Image. Thomas & Sons Farm, Boonsboro, MA own the possession of him with Etherton Farms. The dam of these three full brothers is Sennett Whisper 919W. She is a once top show female in her own right. She is huge footed and very broody in her appearance. We love the profile, balance and femininity from this donor. These brothers are huge numbered with yearling weight of 107, milk of 30, marbling of .23, MTI of 53 and low birth of 1.4. They are super sound in their movement, complete in their design and very appealing from whatever angle you look at them. Here are three remarkable herd sire prospects.

EF Zoom Zoom 471Z is a top herd sire prospect that made the trip to Denver at the National Western and was a part of the Pen Show. He is 50% Lim-Flex son of DA Traveler 004 703. We love this bull's heaviness of muscle and extra thickness. He is big footed, strong in his stance and very appealing from the side profile. He offers a 110 for yearling weight, 35 for milk, .27 for marbling and 56 for MTI. This young herd sire prospect is from MAGS Sheila, one of the only females in our breed that won the National Junior Heifer Show and the All American Futurity in the same year. Her daughter and maternal sibling to EF Zoom Zoom 471Z sold in the 2012 Ethern Farm's sale at \$18,000 to Lauren Stowers of Stowers Land & Cattle Co., Bridgeport, TX. A full sister to this bull selling was the top bred female at \$12,500 for half interest selling to P Bar S Ranch, Sand Springs, OK. A story can be written about the success of the genetics found within this herd sire prospect.

Young Herd Sire Prospects

If you are looking for herd sires to add pounds of muscle and performance to your herd then look no further than these two beef bulls. They are sired by CJSJL Windfall 9072W, the popular Linhart herd sire and son of LVLS Secret Weapon from a daughter of DVFC Arrowhead. They are from the 2008 NAILE grand champion female shown by Cori Harrison, Minier, IL. She is a daughter of GPFF Blaque Rulon from a daughter of AUTO Black Dakota 129J. These bulls have two full sisters also selling as lots 8 and 9. These pure-bred bulls are thick topped, extra heavy muscled and full of performance. They are strong in their yearling weight numbers, milk and ribeye. These are the type beef bulls that will work in the real world.

EF Uptown Girl, is the EF Main Stay 541M daughter out of MAGS Sheila that was a many time show champion and is now a leading donor at Etherton Farms. She represents the MAGS Sheila lineage of cattle that continue to excel to the highest levels in the EF program. Of course we all remember MAGS Sheila, one of the only females in the same year won the National Junior Heifer show and the next day won the All American Futurity show. Two of these bulls are sired by Wulf's Urban Cowboy 2149U, the red and polled bull that is a top sire of true beef cattle and one is sired by the All American Futurity Supreme Champion bull MAGS Unloosen. These three sons of EF Uptown Girl will be fun to select from for any program that is at any level.

This 75% Lim-Flex bull is double polled, double black and one superb herd sire prospect. He is sired by the 2012 National Champion Lim-Flex sire EF Xcessive Force. His dam is EF Blue J 354R, a daughter of TNUH Blue Print from the matriarch donor, EXLR 231J. This young bull is the result of the blending of two of the strongest lines of cattle ever created at Etherton Farms. EF Zillion 223Z posts a low birth of 0.2, yearling of 96, milk of 31 and strong across the board with his carcass numbers. He appears to be a calving ease bull with a low birth weight of 78 lbs.

The results of this mating represent the very finest ever to come from the EF program. Sired by the once All-American Futurity Supreme champion bull, MAGS Xyloid, the leading sire for Edwards Land & Cattle Co. and Magness Land & Cattle Co. EF Zealous 580Z is from the leading Etherton donor, MAGS Ruffles, a daughter of TNUH Blue Print from MAGS Lady Doctor. This beef bull is big footed, super sound and very thick made. He has the foundation perfected from the ground up and the remarkable look and profile needed to positively influence any herd of cattle.

BW: 93 lbs.; WW: 712 lbs.

This 75% Lim-Flex bull is double polled, double black and one terrific herd sire prospect. He is sired by the National Champion bull CALO Brickyard 902W and from the Etherton donor EF Uptown Girl. This well made herd sire prospect is strong down his top line and very square and level out of his hip. He is big boned and very eye appealing. It is bulls of this breeding caliber that can enhance your cow herd.

BW: 80 lbs.; WW: 672 lbs.

EF Zippo 227Z is an 87.5% double polled and double black herd bull prospect. He is sired by MAGS Xyloid and from the EF brood matron EXLR Rebeca 717P. This young herd sire from MAGS Xyloid is thick made with a ton of muscle. He stands and moves correctly with the desirable conformation needed to create a uniform calf crop. He posts a low birth EPD of 1.4 and weight of 80 lbs. This calving ease sire we feel will positively influence any program that he goes into.
