Saturday,  
September 12, 2015  
at 1:00 pm

Titus County Fair Arena  
1800 North Jefferson Ave.,  
Mount Pleasant, TX 75455

Welcome again to our Fourth Annual fall sale at Mount Pleasant, Texas. High cattle and great rains this Spring have made for continued prosperous times to be in the cattle business. Once again our consignors have stepped up to bring some great cattle, Limousin and Limflex cattle are great cattle. Come by sale day and evaluate what we have to offer. There will be some great herd sire prospects as well as highly productive females out of some of the top genetics in the breed.

We will once again be offering some fancy show heifers that will work great for those 4-H and FFA members that will place you at the backdrop. Several heifers from last year's sale went on to be named champions as well. They are Run for the Roses Futurity eligible at the Tyler Fair next September and a \$2,000 purse.

Lunch will be provided sale day and cattle will be available to view Friday afternoon. Call me or any member of the sales staff if we can answer any of your questions

See you at the sale.

Kevin Council, President

- Homozygous polled and homozygous black
- One of the very finest 50% Lim-Flex heifers ever created by Pinegar Limousin
- Sired by the big time Angus sire EXAR Classen 1422B, the Dameron First Class son that has made such a big impact in the Angus breed
- Her dam is a GPF Blaque Rulon daughter from the famed MAGS Manuela 662M
- This tremendous show female posts a 0.3 for birth, 70 for weaning weight, 113 for yearling weight and 28 for milk
- We so admire her tremendous rib shape, extra depth, heaviness of bone and fluidity in movement
- Buy with confidence when you consider this young show female as she is in a league of her own

- What a tremendous show female found here in AUTO Cocoa 209C
- Sired by one of the breed's most popular sires EF Xcessive Force, the son of DA Traveler 004 703 and from the ever popular national champion female CFLX Molly's Image
- She is from AUTO Manuela 298S, the leading donor for the strong partnership of Counsel Family Limousin and Pinegar Limousin. She is a daughter of the multiple trait leader JCL Lodestar 27L and the all time great donor MAGS Manuela 662M
- We so admire the flawless conformation, extreme length of front end, strong top and excellent structure
- This 75% Lim-Flex heifer is going to make some young junior very happy
- The EPD profile of this heifer is sold as well with a 0.6 for birth, 70 for weaning, 113 for yearling with a 28 for milk

- What a feature of this sale and one of the top lots to be offered for sale at auction by the prominent Pinegar program
- AUTO Photo Copy 411B is a 37% Lim• Flex double homozygous female that has a world of potential not only in the show ring but also in production
- She just happens to be the result of one of the most progressive matings ever established by the Pinegar program
- Sired by the leading Angus sire EXAR Classen 1422B and from the once national gold medal dam and leading Pinegar donor, AUTO Rebeca 292S. Her progeny have dominated the show ring the past few years and rightfully so. This heifer proudly represents a lineage that speaks volume for success in the business
- We admire the heaviness of bone, extremely big footsize and extra body and capacity. She has all that and so much more, she is very clean up through her front end, smooth at her shoulder junction and very long and level down her topline

- Homozygous polled and homozygous black
- For those in need a purebred Limousin show heifer then take a look here
- This heifer is long and clean up through her head and neck, has that extra length of body from the side and is very complete in her design
- We appreciate so much about this heifer and all she stands for. To find a purebred show heifer that is so stylish, clean made and has that striking show look to her is a rarity
- She is sired by one of the breed's hottest bulls in the breed at the moment, AUTO Cruze 132X. His semen is not on the open market and is only sold when Mr. Pinegar feels generous. When it has been offered it has fetched very prominent figures and rightfully so. He is a son of MAGS The General and from the famed and national gold medal dam AUTO Rebeca 292S.
- Her dam is KRVN Spritzer 243S, a proven and solid producing Pinegar donor sired by GPFF Blaque Rulon from Wulf's Lemonade 1182L

- BW: 70 lbs.; WW: 762 lbs.; YW: 1,098 lbs.
- Anchor has been a standout since he hit the ground, he has had breeding bull written all over him since the word go. At weaning he adjusted to a profitable 767 lbs.
- This homozygous polled purebred son of breed leader, AUTO Black Dakota out of a powerful Blaque Rulon daughter, SSCL Tara. 51A will certainly add performance and functionality to any cowherd. We particularly admire his efficient growth pattern and the amount of muscle that he brings to the equation.
- We hate to see this one go, but are confident in the genetics he will produce for generations to come.
- 51A's dam was the 2008 National Junior Heifer Show Owned, and Bred and Owned, grand champion, as well as the 2008 Houston Stock Show Reserve Grand Champion

- BW: 69 lbs.; WW: 689 lbs.; YW: 1,266 lbs.
- Homozygous polled, homozygous black and high marbling. Sounds like a cattleman's dream wrapped up in an impressive phenotypic package.
- A direct son of the renown Angus sire, Connealy Final Product who was the high selling bull of the 2008 record setting Connealy Sale. He is moderate framed sire with exceptional structure, conformation and performance.
- All-American's balanced performance profile and his desirable polled/black status give you the peace of mind and mating flexibility that you deserve as a progressive cattle producer.
- Solid footed and easy fleshing, he recorded an adjusted yearling weight of 1,285 lbs.
- 53A's dam is a flush mate to SSCL 16W, our leading herd sire from MAGS Sasquatch out of the predictable Tara cow

- BW: 62 lbs.; WW: 685 lbs.; YW: 1,015 lbs.
- Like many of the great CL Burbank progeny that have made impacts in breeding programs across the county to date, 201B excels in terms of actual WDA and docility compared to his contemporaries.
- Being homozygous polled and a homozygous black 75% Limousin herd sire, the mating opportunities are endless with this high quality individual.
- Currently 201B sits in the top 10% of the breed for WW, top 20% for YW and has a 62 MTI, his statistical performance is right in line with how he has performed within in our herd.

- Due 9.23.15 to MAGS Ali (HP/HB)
- Here is one of the big time bred females to EVER be offered by the prominent Pinegar program. She is a daughter of MAGS Y-Axis, the leading Magness and Englewood Farm herd sire and son of TC Aberdeen. Her dam is the once valued \$20,000 donor AUTO Pia 245X, one of the breed's most recognized young donors and now leading female in the Nathan Hunt's 4H Limousin herd. Her full brother is the ever-popular AUTO Cruze. They are sired by MAGS The General and from the national gold medal donor AUTO Rebeca 292S.
- This well constructed female ranks in the top 15% of the breed for YW, top 10% of the breed for TM, CW and REA and top 20% of the breed for WW
- Her resulting calf will be double homozygous and sired by the leading Connealy Consensus son, MAGS Ali

- A.I. 5.29.15 to COLE Zone 89Z (PB)
- From the same cow family as past National Junior Show Reserve Champion female for Blane Council, CFLX Keiko 066T, comes this exceptional bred heifer by CFLX Wild Card. On the top side of her pedigree she stems back to the legendary DHVO Deuce.
- CFLX Keiko 362A is a double polled, double black purebred female who excels in terms of actual performance. She posted a WW ratio of 104.
- This exceptional young females currently ranks in the top 20% of the breed for REA.

- A.I. 5.01.15 to RLBH Air Force One 821A (DP/HB).
- Sennett Wonderful 857U is continuously proving himself over and over again in the Council breeding program. We can't say enough good about his progeny.
- After 20 years in the Limousin breed, the Council Family program can easily recognize the type of cattle that will succeed, CFLX Trick Pony 332A has productivity written all over her.
- Homozygous polled and homozygous black and ranks in the top 20% of the breed for marbling.

- A.I. 5.26.15 to COLE Zone 89Z (PB/B/P)
- With the cattle market in the rebuilding phase, it is important to take advantage of every opportunity that you can to acquire the very best young cattle available. This offering is loaded with young cattle that are will take the Limousin breed into the future. CFLX Silhouette 369A is a fine example of one of the very good ones.
- In addition to the power that Sennett Wonderful brings to this pedigree, the maternal aspect is intriguing as well with the Canadian genetic influence.
- Service sire, COLE Zone was the top-selling bull in the 2013 Coleman Sale after he recorded an impressive 1,500 pound YW.

# RUN for the ROSES

All September or younger heifers are "Run for the Roses" Futurity eligible to show at the East Texas State Fair Open Limousin Show. It will be held in September of 2016. There will be a \$2,000 purse with a \$1,000 payout to the Grand Champion Heifer and \$500 to the Reserve Grand Champion Heifer. The remainder of the money will be divided among the remaining females at show. Heifers must selling the ring to the buyer listed as the owner at the show in September. This is an open futurity for juniors and adults.

- A.I. 5.26.15 to MAGS Y-So Tangled 415Y (H/H)
- What a neat performance profile on this particular individual, it is eloquently aligned all the way from birthweight all the way through SMTI. No holes at all in this female's pedigree and or data set.
- Milk and maternal is a highlight in this bred heifer package, she will certainly be a front pasture female who will raise incredible replacements. The type that you can build a herd around.
- This Carrouseles Pina Colada granddaughter ranks in the top 10% of the population for MK epd and top 15% for CEM.

- Due 10.31.15 to EF Xcessive Force (P/HB)
- You don't have to study this listing very long to realize how exceptional this female is destined to be. Negative birthweight EPD, over 100 for YW EPD and in the top 10% of the breed for CEM, MB and SMTI makes her appealing from a numeric perspective.
- In terms of her prestigious pedigree, she is a daughter of the low birthweight, high marbling SAV Brilliance who combines muscle, balance and performance in a low birthweight option. Maternally speaking she is carrying on the famous MAGS Manuela cow family tradition of greatness.
- Pinegar Limousin has high expectations of this females and her EF Excessive Force calf that she is carrying.

- Observed bred 3.10.15 to Sennett Wonderful ESNT 857U (H/H)
- Tried and true genetics represented throughout this special female's pedigree both on the top and bottom side. AUTO Dollar General has set the precedence for purebred sires over the years. He consistently ranks among the top 1% of the breed for Milk, TM and CEM.
- JCL Mandy is a matriarch amongst the foundation donors females in the breed.

- A.I. 4.29.15 to MAGS Zodiac; P.E. from 5.01.15 to sale to MCBN Zadok 226Z
- MAGS Utley may not be a household name, but he should be! In service for going on 6 years at Hayhook, with over 100 recorded calves by him in the registry, he is one of the more predictable sires in our system. He is negative for birthweight, nearly all of his calves ratio over 100% for adjusted WW and YW, and he has a remarkable 82 SMTI. HAHK Bambi, is perfect proof of his influence.
- A superb replacement female that will add lbs of production.

MAGS Utley, sire of Lot 42.

SPRING BREDS

MAGS Uteley, sire of Lot 43.

- This Black, Homozygous polled cow out of KRVN Naskar sells exposed to a double homozygous Lim-Flex bull out of MAGS Stockman. She is moderate framed, has a beautiful/functional udder with a million dollar disposition.
- LOT 58A - EDKY Calzone 899C** - Lim-Flex (68) Bull, Homo Polled/Double Black, 05.22.15, EDKY 899C, LFM 2075557. Sired by ELCX Cezar 140Y. BW: 56 lbs. This MAGS Winston grandson is homozygous polled and double black. If you are looking for a future herd sire, he could be it. The pedigree on this bull says he was bred for the show ring, but he will be equally as good for production females commercial producers desire. *Homo Black Test Pending*
