Here is a big footed and super sound structured open heifer that represents the LVLS brand to the highest degree. She is a daughter of the big numbered Angus sire EXAR Upshot 0562B. He is the ever-popular son of SITZ Upward back to the EXAR Barbara T020 donor. Her dam is LVLS 2615S a proven daughter of BR Midland. We admire this heifer for her extreme foot size, heaviness of bone and softness in her pasterns. She is massive in her rib shape and volume. Even though she is so deep bodied and massive she still maintains a gorgeous front end and that femininity that we so appreciate.
