I have been so proud to watch how this show has positively affected the culture of our Miami-Dade County over the last 8 years, aiding in our ability to remain at the top of the economic system of counties all over Florida. With representatives from over twenty countries and fifteen different states, your attendance and participation in the "Magic City Sale" helps maintain the high expectations we have come to place on the growth and initiatives of the agriculture industry as a whole in our state.

I take great pride in inviting you to view the exceptional offering in this year's fifth annual "Magic City Sale" catalog. Our standards are set high in quality genetics and superior animals. I am confident this will be our best South Florida auction to date.

The jobs and revenue that are created by the support of our agricultural community provide even more opportunities for us to excel in giving back to, and cultivating greatness in our growing county. As always, the proceeds from the Miami International Agriculture, Horse and Cattle Show, go to the South Florida Autism Charter School, which provides free, one-on-one education to children with this disorder.

On behalf of everyone here in Miami-Dade, thank you for your continued support, and I look forward to seeing you at the sale.

Sincerely,

A tremendous young herd sire that combines genetics and performance in one package with the rare added bonus of breeding gray on gray and cherry red on red, 991/4 is very dark pigmented that stands on very correct feet and legs. He is table top level from his hump to his tail setting with more than adequate muscling. His calves are extremely thick with lots of bone and very clean in their makeup. When bred to red cows he is consistently producing dark cherry red calves. Whether you breed red or gray, this bull has exactly what you need.
