This young herd sire prospect is double polled (never tested) and homozygous black. He is extremely big footed, super soft in his pasterns and moves very fluid. This big middle 37.5% Lim-Flex herd sire prospect proudly represents the MCC program to the fullest. 311A will be a yearling in April and he already has a tremendous amount of mass and performance to him. This herd bull prospect is perfect from the ground up and when viewed from behind and down his top he is extremely thick made and powerful in his stance. This homozygous black beef bull has the mass and power to him that any program would want to create a calf crop that will create instant value in the market place. Buy with confidence here with this young bull if you want to add pounds and performance to your future calf crop.

308A is sired by the \$20,000 valued and top selling bull of the '12 Lonely Valley Bull sale and is now the leading sire for Milam Cattle Co., LVLS Yukon 798Y. Yukon is a son of MAGS Unhooks from a daughter of Bon View New Design 1407. He has earned a -2.5 for birth, 40 for milk and .30 for marbling. His first calves are highlighted in this sale and this young herd sire prospect is one of his finest. 308A is from the past show champion female for Zachary Milam, MAGS X-Files. She is a black and homozygous polled daughter of DHVO Trey back to the Bon View New Design 878 daughter MAGS Reba. This young herd sire is made nearly perfect and has a unique and very appealing design to him. He is big footed, super sound and very docile. If you are interested in one of the best ever created at Milam Cattle Co. then take a look here.

What a gorgeous heifer and one of the top ones ever created at Milam Cattle Co. She is a 37.5% Lim-Flex heifer that is homozygous black and double polled. Her sire LVLS Yukon 798Y has definitely proven his worth at Milam Cattle Co. and this young female is an exceptional example of his work. Her dam is MAGS Rockcross, the proven donor for Milam and Magness. She is the polled, homozygous black daughter of EXAR New Design 2997 from a daughter of MAGS Jumanji back to a daughter of COLE First Down. She scanned a 7.01 for marbling and has earned a breed leading set of EPD's with a 43 for milk and .59 for marbling. This young heifer 304A is absolutely perfect in her design and make up. She is super sound, docile and very striking in her profile.

Black and homozygous polled is this young open heifer named MCC Angel 697A. She is a daughter of the prominent herd sire RVDR The Winner 934W now working for Milam and Massey Limousin. He is a son of EXLR Review 7153R back to the now deceased EXLR Perfect Margarita, a daughter of JCL Lodestar 27L. This young female is very sound in her structure, strong down her top line and very straight lined. She has the femininity, prominent look and the predictable pedigree backing her to assure you the potential buyer that she will work in production. We appreciate her strength in numbers with a 56 for weaning weight, 93 for yearling weight and 27 for milk.

Here is a very well made purebred open heifer that just happens to be homozygous black and double polled (never tested). She is a daughter of BOHI Titlelist 7050T, the proven son of AUTO Dollar General 122R that goes back to the once national champion female Carrouseles Pina Colada. He is a senior herd sire at Massey Limousin and his calves have proven their worth in the market place. Her dam is a AUTO Miss Missouri 640S, a proven Massey Limousin donor and daughter of AUTO Black Cross 133P. Etherton Farms purchased embryos from this donor in the last Massey sale and we are excited to see how well they will grow in their program.

GPFX Black Destiny 199T is one of the breed's most noted donors. Her progeny have topped the market place for her owners Milam, Jepson and Heart Felt Farms. Black Destiny made her mark after she topped the first ever Edwards Land & Cattle Co. sale in North Carolina. She was incorporated into the Milam and Heart Felt programs. Half interest later sold for \$17,500 to Jepson Limousin, Franklin, KY. Her progeny no matter the sire have been leaders in the any marketing venue they have been highlighted. She is a complete out-cross to most established lines of black and polled cattle being sired by B/R New Design 323. She is extremely moderate in her frame score and has maintained her body condition and has been very easy to keep in shape. She has earned a low birth of -2.1 along with a 28 for milk and .45 for marbling.

JCL LODESTAR 27L
50% LIM-FLEX DAUGHTERS

Highlighting this sale are these four paternal sisters that are from the heart of the Milam Cattle Co. program. They are all sired by the now deceased JCL Lodestar 27L. Lodestar is multiple trait leading sire and is responsible for leaving our breed with some of the best females ever created. They are all homozygous polled, homozygous black and are just getting into the prime years of the careers in production. They are extreme in their EPD's that they have earned and rightfully so. Take a close look at these brood cows and we think you will be pleased with their look when you see them on sale day.

 One of my favorite females in the sale is CMIL Winnie 952W. We love the conformation, the bone and foot size and her easy going personality. 952W has a 56 weaning and 97 yearling EPD respectively complemented by a 26 milk EPD. She is double black and double polled and hasn't been tested for either trait. Her dam is a very productive AUTO Taylor Made daughter who is still working in our herd.

Here is one of the features of the entire sale! She is a 50% Lim-Flex double polled, double black daughter of the deceased MAGS Winston. His daughters are doing a tremendous job in production and have proving their worth in the pasture. They are highly respected in the business and rightfully so. Her dam goes back to JCL Lodestar 27L and back to Bon View New Design 878. This 11 model female has a breed leading set of EPD's and are some of the finest in the entire sale. She posts a 0.7 for birth, 105 for yearling weight, 26 for milk and .52 for marbling. After saying all that we haven't even bragged on how well she looks. She is so complete in her design, fancy in her make-up and very appealing no matter when you take a look at her.

Take a close look here at one of the very finest first calf heifers in the sale. This 50% Lim-Flex heifer is homozygous polled and homozygous black. But she is so much more than that. She is extremely big numbered with a 0.2 for birth, 101 for yearling weight, 28 for milk and .35 for marbling. This young female is sired by MAGS Universe 135U, a son of LH Rodemaster 338R that has been a top sire for Hall Cattle Co. This powerful female combines the great numbers along with a broody look to her. She is very moderate in her frame, easy in her condition and is one of the top young females in the sale.

MAGS UNPARALLELED

MAGS Unparalleled made a tremendous impact on our herd and is now working in the Massey Limousin program. MAGS Unparalleled is a past National Champion Lim-Flex bull and a Gold Medal bull of the year. He is homozygous black and homozygous polled and out of one of our leading donors, MAGS Rockcross 301R. The following set of females sired by Unparalleled are all sound structured, have good dispositions and have that feminine look we like to see in females. These all are pasture exposed the our calving ease herd sired LVLS Yukon 798Y.

RVDR WINNER 934W

We couldn't be more satisfied with the RVDR Winner 934W calves and we hope you will agree when you see them. Winner is making his progeny big footed, soft pasterned and stout. In addition they have plenty of performance and eye appeal. RVDR Winner 934W is a red and Homozygous polled herd sire that we continue to use heavily as we advance our operation.

MAGS UNPARALLELED

The MAGS Unparalleled daughters are great in production and make tremendous cows. This set of opens could be the best yet. They are a fancy set, some are good enough to make junior shows and they all have really nice numbers.
