

# THE GOLD STANDARD SALE

WEDNESDAY, OCTOBER 26, 2022

POWERED BY W365.

MORACE  
CATTLE COMPANY

**MORACE**  
CATTLE COMPANY

Cole Morace, 281.455.9335 or 832.499.8604  
cole@wagyubeefcattle.com | cristina@wagyubeefcattle.com  
1205 FM 1725 | Cleveland, Tx. 77328

*M*orace Cattle Co. would like to sincerely thank you for being here with us today for our first annual sale.

Whether you are here to grow your herd, get started with a herd or simply improve your current herd's genetics; we invite you to our elite genetic sale.

Our proven genetics are from original Japanese imports, as well as top Australian EBV bulls.

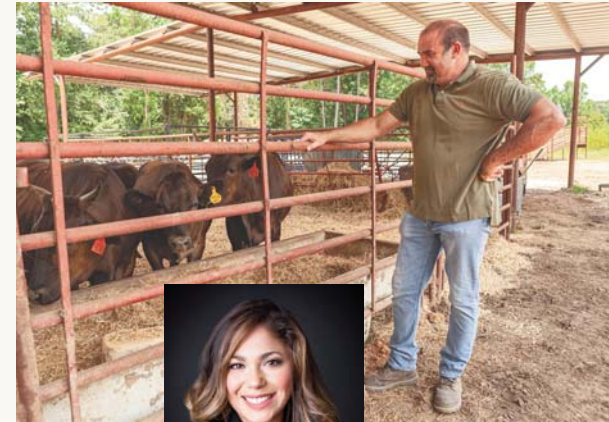

Morace Cattle Co. vision is to use technologies that are currently available as well as some we are developing on our own. To advance our elite genetics to find those breed changing outliers. By using this data we are able to make generational leaps in our program.

Our lots today include 100% Takeda Farm genetics, a very special and rare opportunity to integrate Takeda genetics into your herd. Takeda genetics are proven genetics for over seventy years, Takeda genetics are proven in Japan and around the world to produce superior quality.

You will also find top 1% and top 5% Australian EBV bulls in our sale with a rare opportunity to choose from a sexed pregnancy for the leading ribeye bull in Australia Notorious.

The most special and rare opportunity in our sale is our 146 Daughter F11 free. 146 is a son of Tanifuku Doi, who is one of the greatest marbling bulls of all time in Japan. It is estimated that over 50% of all Wagyu in Japan have Tanifuku Doi in their pedigree. She's an SCD-AA and tenderness-6, F11 free.

We truly hope that you enjoy this sale and wish each and everyone of you all the best that these amazing genetics have to offer!

# SALE TERMS

## TERMS AND CONDITIONS

Cattle will sell under standard terms and conditions of the American Wagyu Association.

## RACEHORSE ENDING

This sale will close with extended bidding, racehorse style. All lots will close at the same time. (Buy now lots do not reset the clock - only lots with live bids.) Beginning at 7 pm CST, any time a bid is received the clock will reset on all lots for 5 minutes. This will continue until there are no bids on any lot for a full 5 minutes and the clock runs down to zero to close the sale. If a bid is received very close to the clock closing, lots may say "pending" while the system registers the bid and resets the clock. Lots are not closed until they say "Ended" in red text.

## MAX BIDS

When you place a maximum bid, there is a possibility that another bidder has already placed a higher bid than you. When setting a max bid, please bid the maximum amount you are willing to pay on the lot. If another bidder has submitted a bid or max bid for the same amount, the first bid received at that amount will be the winner (until or unless it is out-bid). The lot will be sold at the lowest price possible based on the competing bids.

## REGISTRATIONS & TRANSFERS

Within 60 days of the date of the sale, the cattle sold will be transferred (registrations) to the new owners through the offices of the American Wagyu Association. The fee is paid for by the seller.

## PAYMENT

All lots must be paid for immediately following the conclusion of the Online Sale unless prior payment arrangements have been made with any representative of Wagyu365. Buyers are welcome to pay by credit card. If so, you will be charged a 3% fee on the total sum of your purchase. Wiring instructions are available, and checks are also accepted.

## LIVESTOCK MORTALITY INSURANCE

Any representative of the Wagyu365 team can assist any buyer with insurance regarding their purchases.

## DELIVERY

Any representative of the Wagyu365 team can assist any buyer with trucking or pick up schedule regarding their purchases. Buyer pays all transportation costs.

## PAYMENTS

Auction money and proceeds will be conducted under Randall O. Ratliff DBA R & R Marketing, P.O. Box 60097, Nashville, TN 37206. Bond # 7901027402 (U.S. Department of Agriculture, Grain Inspection, Packers and Stockyards Administration Packers and Stockyards Program)

## ADDITIONAL ONLINE SALE TERMS

Any person placing bids on items in this auction agrees to these terms and conditions and understands that, by placing bids, they are entering into a binding contract between themselves and the seller(s) and that they will be held financially responsible for their actions. Wagyu 365, LLC acts only as an agent between buyer and seller and may not be held responsible for any livestock or merchandise. It is to be clearly understood that Wagyu 365, LLC and representatives act only as a means between buyer and seller, and may not be held liable, financially or otherwise, for any failure on the part of the same to fulfill any obligations set forth in this sale or for the truth of any warranties expressed or implied. This catalog offering has been prepared from information provided by the seller(s) and is assumed accurate as presented to Wagyu 365, LLC. The seller (s) guarantee age, pedigree, reproductive status, and any other listed information or media of the animals or genetics selling. Wagyu 365, LLC is not to be held liable outside of the seller (s) guarantee. Any and all agreements or adjustments made are between buyer and seller.

Sanjiro is known for his ribeye size and was a first generation from Japan with the mating of Suzatani and Michifuku. 521 is a Suzutaka-2 daughter bred to Sanjiro, this mating stacks Suzutani genetics. 521 is only three generations from Suzutani, the undisputed Queen of the breed. Many of the superstar sires of the breed are her offspring such as Shigeshigetani, Sanjiro 3, Sanjiro, Suzutaka and more. Sanjiro is known for his ribeye size and was also an original Japanese import.
