Flashback is sired by the 2009 National Champion Lim-Flex sire, Urlacher and from a daughter of Bon View New Design 878. He is a complete outcross to most established lines of cattle and extremely big numbered ranking in the top 1% of the breed for milking ability, marbling and MTI. We love that he scanned a 14.09 for REA and 4.03 for IMF. He posted a low birth weight of 81 lbs., adjusted weaning weight of 916 lbs. and adjusted yearling weight of 1380# with a current scrotal of over 40 cm. This 25% Lim-Flex has it all going in his favor and we are certain he will bring on positive change to any level of females he's used on.

Without a doubt the most noted cow right now in the entire Limousin breed is Carrouseles Pina Colada. This \$80,000 valued past national champion donor has made quite a production record. P Bar S sold pick of the flush that was a full sib to this heifer for \$15,000 going to Magness Land and Cattle last fall. This heifer is moderate framed, heavy muscled, big ribbed, and extremely feminine fronted. Don't miss an opportunity to purchase some of the most sought after genetics in the cattle business.
