S: MAGSWL Usual Suspect 538U :: D: NSFR MTX W38

PBRS Excalibur 714E is one of the finest young red Lim-Flex bulls ever created at P Bar S Ranch. He is a 50% Lim-Flex son of MAGS WLR Usual Suspect 538U and from a prominent purebred Red Angus female sired by Red Six Mile Sakic 832S. This red and homozygous bull is sired by the once Triple Crown winning bull for Wies Limousin and Magness Land & Cattle Co. He follows his same footsteps as he is extremely big footed, soft in his pasterns and very sound made. This beef bull is very thick made and is a powerhouse of a bull. He is long and extended up through his head and neck and is very straight in his lines. If you want to consider a herd sire prospect that has the eye appeal and very desirable conformation then consider this herd sire prospect. He comes from the heart of the long-running P Bar S Ranch near Sand Springs, OK.
