### TRUCKING

Will be available on site to haul any purchases out the day of the sale. To make prior arrangements feel free to call R & R Marketing Co. at 615.330.2735 and we will make your buying easy and accommodating.

### PAYMENT

Cattle must be paid for at the time of the sale unless prior arrangements are made with sale management at the time of the sale at 615.330.2735.

### ANNOUNCEMENTS

Announcements at the sale by the owners, auctioneers or sale management will take precedence over statements in the sale catalog.

### SALE ORDER & SUPPLEMENTAL INFORMATION

Sale order is catalog order. A supplement sheet will be posted Friday, March 14th at [www.RRMktg.com](http://www.RRMktg.com).

### TERMS & CONDITIONS

Terms of the sale are cash unless satisfactory credit arrangements have been made prior to the sale. A representative will be on hand sale day if your wishes are to insure your purchases. Please note: The sale manager is only an agent for the seller and has no responsibility other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the sale manager nor Pinegar Limousin assume liability, legal or otherwise, for any accidents which may occur.

### INSURANCE

Insurance on your purchase can be provided by Mark Smith, Grassroots Genetics, Ankeny, IA 515.229.5227.

### DIRECTIONS

Will be found on the back cover

2013 Medal of Excellence Central Region Bronze purebred bull of the year

2013 American Royal grand champion purebred Limousin bull

AUTO Black Coffee 512A without a doubt is one of the breed's most sought after purebred bulls on the market. He has been very successful in the show ring and commended for his excellent structure and unique design. This purebred polled, homozygous black herd sire prospect has commanded much attention no matter who is looking at him. His sire MAGS Xylopolist, now deceased, has left progeny around the country that are in high demand such as this young March yearling bull.

For this purebred bull one of the very best features of this young calf is heaviness of bone and extreme foot size. He is very fluid in his movement and maintains a very prominent look to him no matter how he stops. He is extreme up through his head and neck and with his strength down his top and level rump makes him very desirable as a popular herd bull. AUTO Black Coffee 512A scanned a 15.17 for REA and still maintained a very positive IMF of 3.48.

AUTO First Class 110A is an absolutely gorgeous and a stunning specimen of a herd bull. His sire is one of the Angus Breed's most sought after sires, Dameron First Class. His progeny have been some of the finest to ever be created in the Angus Breed and now just like AUTO First Class 110A are some of the finest in the Lim-Flex breed. His dam is the \$50,000 valued Pinegar donor AUTO Lana 255L. She is a daughter of EXLR Dakota from a daughter of Harvest Olympus. This powerful herd sire prospect is massive in his foot size, soft in his pasterns and very fluid in his movement. He just has the great herd sire look to him and always seems to stand with attention and seems to be very proud of who he is. He ranks in the top 1% of the entire breed for milking ability with a 40 and top 30% of the breed for weaning weight. He is homozygous polled, represents a predictable pedigree and has top performance to back him with a 70# birth weight and 808# adjusted weaning weight.

My goodness take a look at here at the performance and power found within this herd sire. This 75% Lim-Flex polled, homozygous black herd sire prospect has so much stacked in his favor. He is massive in terms of performance and has a world of good bred into him. His sire is one of the breed's biggest numbered Lim-Flex sires, COLE Windfall 144W with a extreme numbers and his progeny around the breed are topping the market. His dam is AUTO Luckie 246W, the 2012 All American Limousin Futurity grand champion female of Cody Heavin representing the Pinegar Limousin program. To show you the consistency of that lineage her full sister AUTO Luckie Too 423Y was named the 2013 National Junior Heifer Show grand champion female for Cody Heavin as well. This young beef bull offers a 73 lb birth weight, 760 lbs. adjusted weaning weight and 1,251 lbs adjusted yearling weight. He ranks in the top 15% in the breed in most of his given traits.

AUTO Luckie 246W, dam of Lots 3 & 4.

AUTO King John 154Z is a polled, homozygous black 75% Lim-Flex herd sire prospect. He represents the strength of genetics and a lineage of cattle that have been tried and proven over the years. He is sired by the yearling weight trait leader COLE Windfall 144W. His calves are commanding top prices around the breed for their extreme numbers and the amount of performance that he possesses. His dam AUTO Luckie 246W was named the 2012 All American Futurity Limousin show grand champion female for Cody Heavin working with Pinegar Limousin. This young bull is massive from the ground up. We admire is massive foot size, softness of pasterns and his ease in movement. This beef bull is super thick made down his top line and very square and level out of his rump. He ranks in the top 15% in the breed in most given traits which assures you the buyer that he will be very predictable.

AUTO Dark Knight 100A is a very well made and stout herd sire prospect that proudly represents the Pinegar Limousin program. He is sired by the popular A.I. sire MAGS The General and is packed full of muscle and performance. His dam is BOHI Sunset 6156S, the \$20,000 donor for Stowers Limousin, Bridgeport, TX and Sugar Bush Cattle, Inc., Allen, MI. She is a daughter of BR Midland from the big league Pinegar donor Carrouseles Peaches. This homozygous polled 75% Lim-Flex herd sire prospect is made just as smooth and perfect as you would ever want. He is super sound in his structure, flawless in his design and has that appealing look to him. His performance numbers are terrific with a 66 pound birth weight, 812 pound adjust weaning weight and 1,362 pound adjust yearling weight. He scanned a breed leading 18.82 REA and ranks in the top 15% of the breed for yearling weight projects he will add pounds and muscle to his future calf crop.

AUTO Crossover 504A is one of the big time herd sire prospects of the entire sale. He is sired by the big numbered and powerful made MAGS Winston. He is now deceased but his premier genetics and lineage lives on through his progeny. This young January yearling herd sire prospect is black and homozygous polled. His dam is a daughter of GAR Predestined and back to the national champion female MAGS Marquee. We love his EPD profile in which he ranks in the top 2% of the breed in marbling and 2% for MTI. He scanned a 3.72 for IMF and has an adjusted yearling weight of 1310#. This young beef bull has a flawless profile, extreme thickness and so much rib shape and volume. If you want to keep a set of replacements and create a uniform calf crop then consider this homozygous polled herd sire prospect.

AUTO April 202A is a featured lot of the sale and is one of the very best females to ever carry the AUTO prefix. She is a 50% Lim-Flex polled, homozygous black female that will make you stop in your tracks when you see her on sale day. Her sire SAV Brave, is the SAV Mandan 5664 son that has worked extremely well on purebred Limousin females in creating 50% Lim-Flex progeny. This young female just happens to be a daughter from one of the breed's greatest donors for Sugar Bush Cattle, Inc., MAGS Manuela 662M. Her progeny have dominated the show ring and the market place in the last year and rightfully so. This young female is so beautifully made and well designed. Just look at her picture and when you see her on sale day you will realize that we could type positive descriptions of this female on the entire page but instead we are just going to let you view her for yourselves.

MAGS Manuela,

Here is a full sister to the lot 2 bull of this sale. She is a very well made and exciting 50% Lim-Flex heifer that is black and homozygous polled. She is a daughter of the great Angus sire Dameron First Class bull and from the \$50,000 valued Pinegar donor AUTO Lana 255L. We admire her massive foot size, softness of pasterns and that powerful donor cow look that she possesses. She ranks in the top 1% of the breed for yield grade and top 3% of the breed for milking ability. This young Lim-Flex female is very feminine up through her head and neck and very strong down her topline and square out of her rump. She is extremely deep in her flank and stands very upright and proud of her lineage.

AUTO Abianne 215A represents a lineage of cattle that has proven over time that they will work and work very well. This young polled, homozygous black female is a full sister in blood to the breed's first grand champion Lim-Flex female, BOHI Red Robin. Red Robin the \$60,000 valued donor that is owned by Council Family Limousin, Madisonville, TX and Stowers Limousin, Bridgeport, TX and she continues to produce excellence for both firms and her progeny have been very well accepted in the market place. One of her daughters sold in the Council Family sale at \$32,000 to DeMar Farms, Canton, TN. AUTO Abianne 215A has as much future in production as any female in this prestigious sale. She is clean up through her head and neck, straight in her lines and very sound from her knee to the ground.

Here are two full sisters that are absolutely terrific in any way that you look at them. They are sired by the double homozygous \$35,000 valued half interest sire AUTO Cruze 132X, owned by Sugar Bush Cattle, Inc., Allen, MI and Pinegar Limousin. He is a son of MAGS The General from the famed Pinegar donor AUTO Rebeca 292S. These two heifers will be some of the very first calves to be sold in the market place and are for sure some of the finest ever created at Pinegar Limousin. They are like their sire, they are big footed, sound in their structure and very appealing from the side profile. These heifers have that prominent show look to them and for the only one that has been shown, AUTO Amerie 228A was named the 2014 Denver National Limousin show division 1 champion female. She scanned a 3.54 for IMF and her sister scanned a 3.84 and 16.51 for REA. Buy with confidence in this mating they are from the elite Pinegar donor Carrousel's Peaches 4330P. She is the red, polled sister in blood to the once national champion Carrousel's Pina Colada with possession being owned by Roy and Michelle Godfrey of Godfrey Cattle Co., Madill, OK and in partnership with Edwards Limousin, Higginsville, MO. In the '12 Pinegar sale maternal sisters to these two selling here brought \$31,000, 20,000 and \$20,000. In the Pinegar '13 sale AUTO Parade 217Y sold for \$14,000 to Belle Shoals Limousin, Pickens, SC. The acceptance of these Carrousel's Peaches progeny have really been something and we have no doubt these two will be no exception.

AUTO Adele 213A is a result of the blending to two of the strongest cow families in the entire breed with AUTO Rebeca 292S and MAGS Manuela. This young February yearling heifer is a 68.8% Lim-Flex and sired by the \$37,500 half interest sire AUTO Will Power 160X. He was selected by our good friends at Edwards Land & Cattle Co., Beulaville, NC. 160X is a son of GAR Predestined and from AUTO Rebeca 292S. The blending of the AUTO Will Power 160X with that of the premier donor MAGS Manuela has resulting into something really special with this young heifer. She scanned a 14.9 for REA and 3.67 for IMF. She ranks well in terms of percentages in our breed and we think she has a bright future in the show ring and then in production.

MAGS Manuela, dam of Lot 40.

AUTO Aries 247A is very well bred and represents a pedigree that has proven itself very well in the business thus far. A full sister was named the 2013 American Royal reserve grand champion Lim-Flex female and then later topped the 2014 National Limousin Sale at \$20,000 selling to Lauren Stowers, Bridgeport, TX. AUTO Aries 247A is sired by the once All American Futurity Supreme Champion bull MAGS Xyloid. His progeny have commanded attention everywhere they are discovered and just happens to be one of the hottest bulls in the breed right now. Her is dam SBLX Unknown 104U is the \$35,000 valued donor for Pinegar Limousin and Edwards Land & Cattle Co., Beulaville, NC. She is a daughter of MYTTY In Focus and is from the great MAGS Manuela. This young show heifer has it all stacked in her favor with the hard part being with you as to trying to get her bought on sale day.

Here is one of our favorites of the entire sale and we are certain you will agree. There is nothing any better in our breed then a dark red pretty colored female and this is sure one that you will appreciate for so many things on sale day. She is a March yearling heifer and 68.5% Lim-Flex. She is sired by EXLR Review 7153R, the leading red and homozygous polled son of AUTO Black Dakota 129J and from the \$50,000 donor EXLR 199H. This young show heifer is from the \$35,000 valued donor SBLX Unknown 104U that is such a prominent donor for Pinegar and Edwards Land & Cattle Co., Beulaville, NC. This young female is flawless in her design and just has air about her in which she knows she is something special.

AUTO Akili 262A is a 50% Lim-Flex homozygous polled, homozygous open heifer that has created a lot of interest from the select few that have seen her. She is sired by the once national champion Lim-Flex sire Sprng Crks Urlacher 311U and from the now deceased Logan's 903R. This young female scanned a 12.57 for REA and 4.23 for IMF. We really appreciate the powerful stance, overpowering profile and then superb design that she has.

This young 50% Lim-Flex black and polled open heifer represents a very prominent pedigree and one that you can build a program around. She is sired by the prominent Angus sire SAV Bismarck 5682 and is from the famed \$40,000 donor AUTO Elite 270F. This female is massive in her rib shape and has a tremendous amount of volume and capacity to her. The pedigree is proven and with her powerful cow look to her we think you will admire her as much as we do.

AUTO Swifty 452Z is a polled, homozygous black purebred heifer that is bred in the purple and represents a pedigree that speaks volumes. Her sire is BOHI Top Dollar 7144T, the purebred son of AUTO Dollar General from the once national champion Carrousel's Pina Colada. His first daughters are just now in production and represent his lineage very well. This November yearling heifers dam is the famed MAGS Manuela that has taken the word "production" to an entirely new level.

AUTO Amaris 220A is the only open fullblood female in the entire sale. Pinegar Limousin for the last 20 years has been a huge supporter and breeder of the elite Fullblood cattle. This heifer's dam STBR Demetria 669D was one of the first big time Fullblood females ever purchased in their program. She is now a proven donor and daughter of WRC Punch and from a daughter of Orion. This heifer's sire is the very first Fullblood bull to ever win the All American Futurity and was bred by Pinegar, AUTO Cliff Hanger 194D. This heifer has rich heritage and is one of the top Fullblood lots of the sale.

Due 9.12.14 to AUTO Cruze 132X (H/H)

AUTO Zoey 280Z is one the nicest females to ever represent the AUTO prefix in the last 21 years of being a seed stock producer. This polled, homozygous black daughter of Connealy Consensus 7229 has so much to offer in the way of EPD's, prominent pedigree with a design like no other. She is a known daughter of MAGS Manuela and is enough to make her stand out in a herd of cattle. This young female scanned a 14.18 for REA and a breed leading 6.1 for IMF. She just happens to be a full sister to AUTO Mabelline 267Z, the 2014 National Limousin Show grand champion Lim-Flex female for Mikah Erin Edwards, New Bloomfield, MO. When selecting your next donor consider this well bred heifer and with her promotion behind her she can easily take your program to a new level or maintain your status where you are.

Due 9.12.14 to AUTO Cruze 132X (H/H)

Sometimes if not most of the times it is nice to be born into the right family! In this instance with this young 50% Lim-Flex polled and homozygous black female I would say this is correct. Her full sister AUTO Zoey 280Z also sells and both just happen to be full siblings to the 2014 Denver National Champion Lim-Flex female for Mikah Erin Edwards, New Bloomfield, MO. AUTO Zia 264Z is one of the highlights of the sale and one of the best to sell anywhere in the country. There is absolutely nothing wrong with her and she stems from the right family tree.....all is good and the next step is yours to make the investment.

AUTO Mabelline 267Z, Denver 2014 Champion Lim-Flex Female, full sister to Lots 47 & 48.

Due 8.20.14 to EXAR Classen (Angus)

Great things happen when you stay focused and make a plan. That is exactly what happened when this mating was created at Pinegar Limousin. This young female is just so well made and seems to have all the positive traits stacked in her favor. This daughter of AUTO Cruze 132Z is from the elite breed-leading donor MAGS Manuela. The blending of these two giants has created a young female that will take your breath away. This coming two-year-old in September will calve early fall to the big numbered Angus sire EXAR Classen. She scanned a 12.75 for REA and 4.02 for IMF.

Due 9.20.14 to SAV Brand Name (Angus)

AUTO Carefree 271Z is a full sister in blood to the \$35,000 half interest sire AUTO Cruze 132Z. He is the leading sire for Sugar Bush Cattle, Inc, Allen, MI and Pinegar Limousin. The AUTO Cruze 132Z progeny are highlighted throughout this sale catalog and are some of the featured lots of this sale. This full sister to him is double black, homozygous polled and very big in her EPD profile. For a purebred female and as a potential donor cow after this first calf she ranks in the top 5% of the breed for marbling and top 5% for MTI. Just like her brother she is extreme up through her head and neck and has that poise about her that will get any good cattleman's attention. Her mating and future calf sired by the popular Angus sire SAV Brand Name is sure to be a exciting. We think that moderation of frame and extreme depth of body for the Angus bull bred to the gorgeous look and profile of this purebred female will create a calf that is sure to be a hit.

Due 8.20.14 to EXAR Classen (Angus)

AUTO Zelma 443Z is a polled, homozygous black purebred heifer from the heart of the progressive embryo transplant program at Pinegar Limousin. This young female represents a lineage that does not come by very easy. She is sired by the now deceased, MAGS Xylopolist. He is a son of the national champion DHVO Deuce back to the elite donor MAGS Strawberry. This October coming 2 year old first calf heifer is a known daughter of MAGS Manuela, the breed's elite donor cow that proudly represents Sugar Bush Cattle, Inc., Allen, MI. This is mated to the big numbered EXAR Classen for a future 50% Lim-Flex calf that will be extreme in its number package and we honestly feel will be really good.

Due 9.11.14 to SAV Brand Name (Angus)

AUTO Zappa is a big time donor prospect based on pedigree. She is sired by MAGS Xyloid out of the great MAGS Manuela donor. This female is homozygous black and polled, has a 28 milk EPD and is long and powerful. The Manuela daughters continue to top sales and win shows and continue on to be great producing cows. A full sister was named as the 2014 Fort Worth Stock Show reserve grand champion for Lauren Stowers, Bridgeport, TX and numerous honors have been won by Cody Heavin with his full sister.

MAGS Manuela, dam of Lot 55.

**Hybrid Vigor Made Easy with**

**Progressive producers recognize the advantages of hybrid vigor**

- 20% more pounds of calf per cow exposed (due to hybrid advantages in age at puberty, conception rate, survival to weaning, milk production, and weaning weight)
- 1.3 years of additional cow longevity
- 30% greater lifetime production
- Increased fertility and decreased gestation length with hybrid bulls

*"Not only do Lim-Flex females offer unprecedented longevity, but they are extremely fertile and maternally inclined."*

~ Andy Bailey,  
Star Valley Ranch, Hiko, NV

*"Our cattle have to be stout, easy fleshing, maternal, and able to fend for themselves. Lim-Flex do this better than any other type of cattle we've ran."*

Due 8.20.14 to AUTO Will Power 160X

This young female could easily grace the cover of this elite sale catalog! AUTO Mercedes 249Z is a 50% Lim-Flex heifer and is one of the finest created at the 21 year running program, Pinegar Limousin. Take a close look at the mass and overall volume and capacity that this female has. She is a true brood cow and has a world of potential as a big league donor with her first calf by AUTO Will Power 160X. A full sister to this heifer just sold for \$10,000 in the Texas Tradition Stowers Limousin sale going to P Bar S Ranch, Sand Springs, OK. AUTO Mercedes has so much good stacked in her favor. She is a daughter of SAV Brilliance 8077 and is from the famed MAGS Manuela. She ranks in the top percentages in most given traits and scanned an 11.34 for REA and 3.76 for IMF.

Due 9.15.14 to EBFL Ypsilanti 420Y

Polled, homozygous black and one amazing brood cow in the making is AUTO Zandra 447Z. She is a 50% Lim-Flex daughter of SAV Brand Name 9115 and is from the consistent producing donor MAGS Manuela. There has been something magical when MAGS Manuela has been mated back to Angus sires and this heifer is a prime example of that statement. She is very moderate in her frame score, easy in her condition and has the brood cow look to her. Her future 50% Lim-Flex calf sired by the complete outcross and ever popular EBFL Ypsilanti 420Y is sure to be a hit for the new buyer.

Due 8.20.14 to SAV Brand Name (Angus)

Homozygous black and double polled is AUTO Salty 270Z, a daughter of KRVN Spritzer 243S, a proven donor cow now working for the Ochsner family of Kersey, CO. This female is moderate and soggy middled, easy in her condition and powerful in her stance. Salty's full sister, AUTO Spritz, owned by Abby Kautsch of Russellville, MO, was Reserve Champion in the junior purebred show at the 2014 National Western Stock Show. We love what this female offers in terms of phenotype and production. Her EPD'S are really good and compliment a terrific female.

Due 3.28.14 to MAGS Y-Axis (H/H)

AUTO Happy 276Y is a homozygous polled, homozygous black 75% Lim-Flex brood cow in the making. This first calf heifer is sired by DHVO Trey and is from PBRs Pina Marie 811U, the leading donor for Edwards Land & Cattle Co. and Pinegar Limousin. She is a daughter of Basin Franchise from the once national champion Carrouseles Pina Colada. This young double homozygous heifer is super big boned, extreme up through her head and neck and very deep in her flank. Her mating to the big numbered MAGS Y-Axis will result in a 62.5% Lim-Flex double homozygous calf.

Due 3.28.14 to MAGS Xyloid (P/HB)

AUTO Sunny 298Y is one female that is sure to be a crowd favorite for the many that will see her on March 15th. This 50% Lim-Flex heifer is homozygous polled, homozygous black and sired by the big numbered MAGS Twain. He is the 50% Lim-Flex son of AUTO Dollar General 122R that is working for Gary O'Neal, Branch, Arkansas, Hayhook Limousin, Lexington, OK., and Magness Land & Cattle Co., Platteville, CO. Her dam is one of the big league Pinegar donors that sold in the '13 Pinegar sale to Jamie Elkins, Gurley, AL. This young female is well made and has all the characteristics needed to work in any program at any level.

Due 3.28.14 to MAGS Y-Axis (H/H)

AUTO Zurina 623Z is a red and homozygous polled 68.5% Lim-Flex heifer that will make you stand up and be proud of red and polled Lim-Flex cattle. This heifer is just amazing and when you see her dam also selling in this sale you will get even more excited. We love the amount of muscle, thickness and over all balance that this young female has. She is long up through her neck, blends in nice through her shoulder and is very big numbered compared to the breed average. Her future calf will be black, homozygous polled and will have added value once it hits the ground.

Due 5.08.14 to LH U Haul 135U (HP)

Here is one of the features of the entire sale without a doubt. Just look at how great this female really is. She represents a pedigree that has been proven time and time again at Pinegar Limousin. She is a daughter of the multiple trait leading sire AUTO Dollar General 122R and from the elite donor KRVN Progeny 175P. This female is right in the prime years of her producing career and has earned a solid set of numbers and scanned an 11.16 for REA and 3.74 for IMF. AUTO Wind 270W is as near of a perfect specimen of a Lim-Flex female as God has ever created ... with that said we don't need to say anymore. We can't wait to lean over the fence on sale day with a fresh cup of coffee in our hands and enjoy the view and this great one!

## The Ideal Complement to British Based Cows

### Maternal Efficiency, Limousin's Best Kept Secret

- Leading major continental breeds in Calving Ease, Calf Vigor, and Calves Weaned per Cow Exposed
- Low maintenance requirements and high efficiency over wide range of feed resources
- Unrivalled Longevity

### <sup>1</sup>Breed Differences for Maternal Efficiency

Breed	<sup>2</sup> Biological Efficiency Rank			First Calf Heifers (2 years old)		Mature Cows (5 years old)	
	Low Feed	High Feed	Composite Rank	Birth Wt. (lbs)	Weaned %	Born %	Wean %
Limousin	2	2	1	80.1	73	95	91
Hereford	3	6	5	81.4	70	94	91
Angus	1	5	2	79.6	76	95	89
Gelbvieh	4	4	4	83.4	68	90	86
Simmental	6	2	5	79.4	69	90	87
Charolais	5	1	3	81.4	73	90	86

<sup>1</sup>Germplasm Progress Reports, ARS-USDA Meat Animal Research Center

<sup>2</sup>Ranked by grams of calf weaned per kilogram of dry matter intake per cow. Composite rank across high and low feed compiled by NALF

*"A carefully constructed British X Continental can come a lot closer to hitting most of the targets for reproduction, production and end-product than any straightbred I'm aware of."*

~ Dr. Jim Gosey,  
University of Nebraska  
Beef Specialist
