# BAR V WAGYU

A photograph of a herd of brown Wagyu cattle grazing in a field. The cattle are seen from behind, walking away from the camera. The field is dry and yellowish-brown. In the background, there is a white fence and a building with a green roof.

Laurita and I got into Amway at 20 years old and started Flying Eagles Network. We worked very consistently at Amway, and within two years we were independent from our jobs. We went Diamond Direct in 10 years and helped 10 other couples reach that level of success. In 20 years we reached the top 1% of all distributors in the world of Amway. I served on Amway's Board of Directors for three years in the early 2000's, and we are still semi-active today 44 years later.

In 1986 we got involved in the greyhound racing business as Flying Eagles Kennel. In five years we were in the top 1% of all Greyhound farms in America. After 20 years we were the top racing kennel in America and remain at that level today. We have had 14 dogs reach All- American, the highest level of success. I have had three Greyhounds inducted into the Greyhound Hall Of Fame, and in 2010 I became the youngest inductee into the Greyhound Hall of Fame. That, and a dollar, will get you a good cup of coffee in Abilene.

Laurita and I have five children, 15 grandchildren and have been happily married 45 years. We live on dreams! I expect Laurita and I to be successful in the Wagyu cattle business in the next five years. This auction is our new beginning!

Vince and Laurita Berland

**LOTS 1-5**

These lots are sired by MICHİYOSHI who has double copies of the Stearoyl Co A Desaturase gene, SCD AA. He also possesses seven of the eight Pfizer high marbling genes, five of the six tenderness genes, and seven of the eight feed efficiency genes. MICHİYOSHI is the number 5 marbling and who's ribeye EPD is +.58. His sir, SANJIROU, is linebred YASUMI DOI J10328 bull. YASUMI DOI J10328 sired YASUTANI DOI J472, and grandsired both FUKUTSURU 068, and YASUFUKU 930. SANJIROU is also out of a prominent Japanese cow SUZUTANI, who represents one of the most predominate Japanese bloodlines. The dame of this lot is MFC MS MITSUHIKOKURA 2-4. She was a class winner at the NWSS in 2013. This dam is currently one of the leading donor cows in the MUDDY FLATS breeding program. The dame is sired by MITSUHIKOKURA who has been known to add both growth and milk in his progeny. This mating should add to both carcass quality and phenotype.

**LOTS 11 - 16**

The grand sire of these lots is World K'S YASUFUKU JR., who traces YASUMI DOI J10328 in this pedigree three times. His maternal grandsire was MONJIRO 11550, also sired by YASUMI DOI J10328. Progeny of YASUFUKU JR., perform well. In an Australian study, 1,200 F1 calves fed 540 days (ADG = 1.94 lbs). 78% graded 9+ on the Australian scale, which is three full grades above the Highest USDA grade of PRIME. The dame of this lot has unique pedigree. She is sired by a son of WORLD K'S KITAGUNI JR. out of the CHR program. Her grand dame is sired by JVP FUKUTSURU 068, with a SUZUTAKA 1, a SUZUTANI daughter on the bottom. SUZUTANI, represents one of the most predominate Japanese bloodlines, arguably one the best Japanese cow ever imported into the USA.

The grand sire of this lot is WORLD K'S MICHIFUKU. Michifuku's thought by some to produce some of the best carcasses outside of Japan. Even with smaller framed offspring, his progeny's carcass characteristics are much sought after. Michifuku was formerly the number one marbling bull in the U.S. Wagyu Sire Summary, and consistently ranks second in Ribeye area (REA), and fourth in backfat thickness. The dame of this lot is sired by TF ITOMICHI 1/2, who's progeny will add great phenotype, along with exceptional maternal characteristics. Her dame is a JVP KIKUYASU 400 daughter, who happens to be the largest Tajima bull ever to be imported into the U.S. He will add considerable length to the rib area, and frame height.

## Lot 19

**BAR V 624D (FB24443)**

Bar V Shigefuku 51C is a son of Shigefuku J1822 and from a daughter of World K's Michifuku from a daughter of TF Kikuhana. This bull is bred to be a sire of excellence and we think you will be very pleased with him when you view his picture and watch his video. He is very structurally sound and straight in his lines. We are pleased to offer him as a highlight of this 1st ever Bar V online sale.
