- This 50% Lim-Flex female is so neatly balanced across her growth, maternal and carcass traits; she truly is a statistical gem.
- When studying this female's pedigree, you will notice four of the beef industry's great in the first two generations back, SAV Mandan 5564, SAV May 2397, AUTO Dollar General 122R and JCL Mayberry 62S. All of which have made significant contributions to the Limousin and Angus breeds.
- MCBN Coppertone 566C dam, LVLS Mayberry 8954X, is one of the AUTO Dollar General 122R females that keeps advancement possible every year in the MCBN herd.
- In terms of specific data numbers, MCBN Coppertone 566C is in the top 20% for MK, TM, CW, MB; top 15% for \$MTI and top 10% for REA.

- 572C is a granddaughter of LVLS Farmer John and LH Rodemaster, both of which were sires that were ahead of their time in terms of performance and chart topping growth.
- Brown Land & Cattle Co. is a performance-mined herd and LVLS 8105T offspring have taken her to the top of our females. That growth is likewise instilled in MCBN Charismatic 572C.
- This homozygous black, MAGS UR A Robin daughter has milk, marbling and \$MTI; consequently, she will offer many positive traits to many different scenarios.
- She records a 30 MK EPD, .38 MB EPD and 62.30 \$MTI.

- When this female's performance report came across our desk, we had to do a double take! Her data is absolutely insane. She just may be one of the best numbered females to be offered for public auction this fall. We challenge you to find one that is this good, yet still is in the top 1% for TM and \$MTI, top 2% for YW, CW, MB and top 5% for REA and WW.
- PA Full Power may not be a household name ... yet. He will definitely be one that we hear a lot about in the future. His daughters are beautifully uttered and great footed in addition to having a tremendous amount of statistical spread and carcass value.
- MCBN Centerfold 575C's maternal side sports one of the most recognized cow families in the Limousin breed, AUTO Rebeca 292S.

- Safe bred. A.I. 4.15.16 to MAGS Aviator; due 01.25.17; P.E. 4.24.16 to 8.17.16 to MCBN Classified 528C
- When evaluating the Angus population for potential sires to incorporate into our Lim-Flex program, SAV Brave was an intriguing one for us to explore. He has a tremendous amount of product in him and is particularly heavy structured; however, his female progeny still look like females should.
- The maternal power in the pedigree of MCBN Cassidy 507C consists of the AUTO Dollar General 122R daughter, MCBN Turned Out Perfect 774T who, with every calf, fulfills her name; and, her grandmother, MCBN Razzle Dazzle, a popular donor who served for both the Magness and Brown programs. SAV Brave's dam is maternal sister to Density & Providence and is the grand-dam of Heritage.
- Speaking of maternal, MCBN Cassidy excels on paper for milk with an EPD of 33. On the other side of the equation, 507C is in the top 20% for both marbling and ribeye, which is very rare.

- Safe bred. A.I. 5.31.16 MAGS Aviator; due 03.10.17; P.E. 6.5.16 to 8.17.16 to MCBN Classified 528C
- Keeping suit with the breeding principals here at Brown Land & Cattle is MCBN Call Girl 538C. 538C carries the MCBN prefix on both sides of her pedigree and represents so much of what we strive to accomplish
- This 50% Lim-Flex heifer offers exception growth and carcass strength, consequently tabulating a \$MTI that places her in the top 10% of the non-parent Lim-Flex females. Brown/Lonely Valley donor LVLS Miss Blackbird 111U and EXLR Rebecca 1019P are both represented in the lineage of this exclusive female. She certainly has the exclusive and proven bloodlines to make a solid foundation female.
- Combining two of our exciting young stars. MCBN Brave Eagle 214Z's progeny are being recognized as standouts by our visitors to the ranch. MCBN Zamora Brown 24Z with her first two calves showing the explosive growth of her pedigree.

- Safe bred. P.E. 12.3.15 to 4.1.16 to MCBN Armored 307A
- Study this lot very, very carefully. You will notice that MCBN Addisyn 385A, her dam AND her sire are all in the top 1% of the breed for \$MTI.
- Connealy Consensus 7229 is beyond predictable, and has continued to shine on through his progeny. Both his male and female offspring are the highlights of many Angus and hybrid operations across the country.
- SBLX Uniform Design 5243U is one of those special females in our breed that ties together phenotypic quality and breed topping marbling. MCBN Addisyn 385A, like her mother, will be a delight to mate to a variety of different type bulls.
- Homozygous polled / homozygous black

- 453B is a December baby who is getting better and better by the day. Her exceptional performance profile makes her one that you can't overlook in this offering.
- A direct daughter of MCBN Yasir 125Y who is a son of the \$50,000 valued donor EXLR Rebecca 1019P. His superb style and rib shape make him a standout here at the ranch.
- MCBN Whisper side of MCBN 453B goes back generations in our herd as one of the top revenue producing families.
- Statistically speaking, this bred heifer sits at a 77 for WW and excels up to a 117 YW EPD. Furthermore, this homozygous polled, black female is in the top 20% of the breed for MB EPD and top 15% for \$MTI.

- Growth, marbling and \$MTI! — all traits that both the commercial cattleman and the seedstock producers alike can appreciate. All three are direct indicators of how your bottom line is going to turn out.
- This long-spined, deep-sided herd sire gets out and moves as well as any that we are offering.
- A direct son of LH Rodemaster X EXLR Rebeca 1019P; MCBN Yasir 125Y is responsible for keeping the calf crop a constant here at MCBN. On the maternal side, ranch favorite, SBLX Utopian Queen 1305U, doing what she does time after time.
- Double black and double polled

- Actual BW: 78 lbs.; WW: 705 lbs.; YW: 1,090 lbs.; SC: 42 cm
- Many of us find this bull's pedigree quite intriguing. Within the first few generations you will find several known individuals who have produced show greats and pasture matrons like LH Rode-master, LVLS Farmer John, Bon View New Design 878 and EXLR Rebeca 1019P.
- 42 CM SC is certainly admirable and noteworthy on this April yearling bull. You will notice that we select heavily for SC and it is paying dividends for us and it will for you too.
- 75 WW EPD and 118 YW EPD rank 540C in the top 15 and 10% of the breed respectively. Furthermore, he is in the top 10% for MB and \$MTI.
- This bull has everything in place to have you grinning ear to ear when checking his calves next year.
