## MORENO RANCHES PROGRAMS

### OUR COMMITMENT TO THE FUTURE ...

Moreno Ranches has been 197 in the making and is six generations strong. We realize the value of a firm handshake, reliable word of mouth, and honest customer relations. This integrity with which we live every day is what has kept us going strong for nearly two centuries. Moreno Ranches believes the youth are the future, and we strive to build the Brahman breed one junior at a time. Through scholarships, show sponsorships, and donations to the AJBA and FYBBA, support efforts for the juniors this year total over \$75,000. Moreno Ranches believes that through strong support of the youth and their families, we can help build a stronger tomorrow for the Brahman breed.

### BRAHMAN CATTLE SCHOLARSHIP PROGRAM

The Moreno Ranches Junior Scholarship Program is designed to help America's youth to continue their education by enrolling in undergraduate courses of studies at an accredited two or four year college, university or vocational-technical school.

### ELIGIBILITY FOR OUR SCHOLARSHIPS

1. Animals must be purchased from Moreno Ranches at public auction or by private treaty in order to qualify for the program.
2. Qualifying animals must be bought and registered by a junior exhibitor and be in his/ her name from the time of the sale and throughout their show career.
3. Animals participating in the program are not transferable from child to child.
4. The amount of the scholarship is determined by the animal's placing at a qualifying show and by the number of calendar years in which the exhibitor has purchased an animal from Moreno Ranches. For award amounts, please refer to the Moreno Ranches Junior Scholarship Program Award Schedule at [www.morenoranches.com](http://www.morenoranches.com)
5. If a junior showman qualifies for more than

one scholarship award, the single highest award amount will be awarded. Award levels cannot be combined.

6. The ONLY shows eligible are Junior Shows. Please refer to the "Eligible Shows" section at [www.morenoranches.com](http://www.morenoranches.com).

### BREED BACK PROGRAM

If a Junior exhibitor buys a Brahman heifer from Moreno Ranches, we are committed to assisting the Junior in breeding the heifer when she is of age. This is for a number of reasons. First and foremost, we want to grow interest in Brahman cattle breeding among the next generation. Knowledge is something that is not learned from books; it is experienced, especially when it comes to the cattle industry. So we are committed to helping Brahman Juniors continue, and build on the knowledge, of Brahman breeding techniques including wise husbandry of registered Brahman show heifers during their show careers.

Registered Brahman show heifers purchased from us and subject to our terms and conditions, can be brought back to Moreno Ranches, and we will artificially inseminate or naturally breed the heifer to one of our quality Brahman herd sires at no cost to the Junior. Cattle must be insured in order to qualify for this program. In short, if a Junior buys a Brahman heifer from Moreno Ranches, we are committed to assisting that junior in breeding the heifer when she comes of age.

### SELL BACK PROGRAM

When it comes to investing in future Brahman cattle breeders, there are few as dedicated as we are here at Moreno Ranches. Brahman Juniors are truly the future of the Brahman breed and we are committed to assisting them in any way possible. We currently have three programs in place to help Juniors to be successful in the Brahman breed. These include a junior Brahman scholarship program, a Brahman heifer breed back program, and a Registered Brahman Heifers Sell-Back Program.

Dear Friends and Fellow Brahman Breeders,

On September 3, 2016, the Moreno Family and our very able team will host the Moreno Ranches Catalyst 4 Sale at our ranch near Venus, FL. This sale will feature M check branded cattle from the heart of the extensive embryo transplant program at Moreno Ranches. We are honored and humbled by the continued demand for our product. We take much pride every day in planning, creating, and developing a Brahman product that we trust will work in any environment. Our new mantra at Moreno Ranches is WORK HARD, BE HUMBLE and LOVE BRAHMANS. We are very aware that we can't build our brand alone and would like to thank a very hard working staff for all they do every day to make things be more efficient for us. It does not go unnoticed!

We invite you and your family to join us on sale day as we showcase our very best genetics. If we can be of any assistance to secure your hotel reservation, assist with your flights, or if you would like to discuss the sale cattle, we welcome your call at anytime.

Best regards,

Kelvin Moreno

Moreno Ranches, Inc.

*Work Hard • Be Humble • Love Brahmans*  
*Trabaja duro • Se humilde • Ama Brahmans*

Queridos Amigos,

El próximo 3 de septiembre la familia Moreno junto a su muy calificado equipo serán los anfitriones de la venta The Brahman Catalyst Sale 4. El lugar escogido será la sede de Moreno Ranch, el cual está localizado en Venus, FL.

Esta venta como cada año contará con el ganado marcado con nuestra ya característica M, sinónimo de un programa de transplante de embriones de calidad elite.

Nos sentimos honrados por la continua demanda de nuestros animales. Nos esmeramos todos los días en trabajar en base a la planificación, creación y desarrollo del ganado Brahman, el cual confiamos se desempeñará perfectamente en cualquier ambiente adaptándose a múltiples entornos. Nuestro nuevo lema en Moreno Ranches es "Se humilde, Trabaja duro, Ama Brahmans." Estamos conscientes de que no podemos construir nuestra marca por sí sola y por ese motivo y aprovechando la ocasión, nos gustaría dar las gracias a todo nuestro equipo, el cual no pasa desapercibido y trabaja muy duro cada día para que las cosas sean eficientes. A todos ustedes Gracias, de parte de la familia Moreno.

Nuestra familia cordialmente lo invita a usted y su familia a unirse con nosotros en este día tan especial, para así mostrarle nuestro mejor trabajo genético. Si podemos ser de alguna ayuda para garantizar la reserva del hotel, asistirle con sus vuelos, o si le gustaría hablar del ganado en venta, no dude en contactarse a nuestras oficinas. Nuestro personal se complacerá en ayudarle con cualquier pregunta o inquietud.

Nuestro más sinceros saludos

Kelvin Moreno

Selling half interest.

This amazing female is sired by the leading sire JDH Sir Stratton Manso 823/ 4 and is one of his very first progeny ever sold in the United States. Stratton is currently only used by Moreno Ranches and the J.D. Hudgins-Locke Division, and our results at Moreno Ranches are highlighted here as Lot 1. She is one of the finest the Moreno team has created to date. She is the result of the blending of the outcross genetics of Stratton and from the leading donor BB LP Enchanted Moment 910. We love the soundness and the structural correctness in this amazing show female. We admire her feminine front and her prominent features. She is very big in her topline and out of her hip. For a heifer at her age to have the depth of fore rib and overall capacity is something that is hard to come by. We are certain this female will make a big impact with the new partner that joins the Moreno Ranches team.

Here is a very exciting opportunity to enhance and highlight your program! These future calves will be from BB LP Enchanted Moment 910, the '09 National Champion Female and now leading donor female who is one of the great ones in our breed. She is now one of the top-producing donors and proudly represents Moreno Ranches' long list of proven donors. Her genetics are sought after in the states and internationally around the world. This proven donor cow is simply impeccable and truly represents a Moreno donor to the fullest.

All IVF procedures must be completed between September 4 and November 1, 2016 at Trans Ova Genetics in Centerville, Texas. Contact 866.924.4586.

-JDH Impression Manso 719/ 4 is one of the greatest sires to ever exist at Moreno Ranches. He is a proven sire and one that has 11 progeny that were bred in the J.D. Hudgins program. His dam is sired by JDH Charley's Jazz 946/ 1, a big maternal and powerful, broody female. 719/ 4 is that unique sire that combines tremendous bone, extra muscle and substance, and is very calm in his disposition. This known son of +JDH Mr Elmo Manso has proven his worth and we are certain you will agree as you continue to see his progeny in the show ring and in production. He proudly represents the M check brand and this is the first time to have his semen offered in the United States. The calf champion at the recent 2015 AJBA All American Junior show was Moreno Mr. Risque Intentions 435, and a known son of 719/ 4.

Selling an IVF procedure (guaranteed minimum of five embryos).

A once in a lifetime opportunity and first ever offering to create your own animals. JDH Lady Babette Manso 486/ 4 is a true gift to the breed. Babette was the 2013 National Champion, 2014 International Champion, and 2014 Premier Gray Show Cow of the Year. Her dam is the Register of Renown +JDH Lady Murile Manso 117/ 4. Murile has garnered much fame by producing a National and International Champion Produce of Dam. Babette's sire is the great +JDH Mr. Elmo Manso 309/ 4, one of the leading sires in the Brahman breed that has made a tremendous contribution worldwide. His influence and impact in this breed is unprecedented. He sired back-to-back International Champion females in both colors: 2014 JDH Lady Babette Manso 486/ 4 (Gray) and 2015 LB Lady Violet Manso 576/ 4 (Red). This is as good as it gets.

IVF procedures must be completed between September 4 and November 1, 2016 at Trans Ova Genetics in Centerville, Texas. Contact 866.924.4586.

Six guaranteed Heifer DT-IVF embryos from the dam of 117/ 4 guaranteed to produce two (60 day) pregnancies if transfers are done by Trans Ova Genetics and placed in TOG recipients.

One of the top Moreno Ranches junior gray herd sires is JDH Mr Kabram Manso 434/ 8. He was purchased as a yearling from the Bob Hudgins private herd. He is an amazing son of JDH Woodson De Manso 206/ 7 and from a Liberty bred cow. He is moderate in his design, big footed, super deep bodied, masculine in his head structure, and has proven to be a low birth weight bull that produces very feminine and correct type females. He has been mated to JDH Lady Murile Manso 117/ 4, the Register of Renown dam. Murile has garnered much fame by producing a National and International Champion Produce of Dam. She is becoming a leading donor cow at Moreno Ranches, possessing femininity and structural correctness.

What a great opportunity to be able to purchase embryos on a proven Register of Renown Dam. Her proven performance comes as no surprise being sired by the Register of Renown and proven sire, +JDH Mr. Brandon Manso 761/ 3 who is best known for producing champions like the 2006 International Champion, JDH Miss Suzanne Manso, and then 2007 Reserve National Champion, JDH Mr. Ashton Manso 193/ 4, among others. The dam to this great female has reached the status of Maternal Merit by weaning off heavy calves on a regular basis. The maternal superiority of her dam was transmitted to Murile with her calving interval over four natural calves being 352 days in addition to ranking in the top 20% of the breed for Milking Ability. This is a great opportunity to purchase embryos on a proven dam that combines all of the things required of a great donor-pedigree, eye appeal and performance.

*Lady H Lisa Manso 947/7,  
dam of Lot 7.*

Moreno Ms. Lady Clairly is one of the breed leading females from the heart of the extensive embryo transplant program at Moreno Ranches. This heifer represents all good things and we feel has a very bright future for the new owner. We love her foot size, strength of top, depth of body and femininity up through her front end. This is a true combination heifer that has an amazing pigment.

Her sire Mr CC Capital Gains 77/ 7 has proven over time to be a top performance sire and a true breeding bull that produces progeny with breed leading weights and measurements.

Lady H Lisa was sired by +Mr. H Maddox 684 out of a +JDH Karu Manso 800 daughter. She has nine Register of Renown animals in her three generation pedigree. Lisa possesses excellent depth of body and bone, is level topped and stands on very correct feet and legs. She embodies the Standard of Excellence for females in our breed. It is hard for us to imagine how amazing this female is with her unique profile, desirable conformation and solid foundation from which she stands.

Lisa produced 28 oocytes and 5 transferable embryos on her last aspiration. To date she has hit a Home Run with every bull we have bred her to. Her ET calves born this past fall and this spring are real eye catchers and generating lots of excitement. This is an excellent opportunity to add International Champion genetics into your breeding program.

Selling half embryo interest and full possession. Confirmed bred 6.23.16 and estimated due date by natural service on 2.18.17 to Moreno Mr. Ranchero 205

Her sire, HK Passport 777, is the red bull that positively influenced the Brahman industry throughout the 1990's. As described by Dinah Weil, he is "a bull of a lifetime." As with this young heifer, his genetics are still impacting the breed today through a select few of his progeny. His genetics have been a powerful influence, and the success of his progeny today has shown just how important he was to the industry and how his legacy lives on. He is the sire of the dam of Moreno Ms. Lady Ritz On, which was a top selling lot in the Moreno Ranches Catalyst 2 Sale and is now being shown by the Doucet Family in Louisiana.

HK Ms Passport 560 is a very prominent and powerful red Brahman donor cow that has created quite a path for herself at Moreno Ranches and in the breed. Moreno Ranches welcomes a new business partner to create future progeny from this female in the very near future.

Moreno Ms. Lady Rawnie is a daughter of SRS Mr Captain Redlegs 834. SRS Mr Captain Redlegs 834 is an extremely deep-bodied, dark-pigmented bull with lots of capacity. He is a super thick bull that combines mass, volume and balance. He is structurally correct and very masculine. He won 2008 World Brahman Congress Reserve Senior Champion Red Bull, 2008 International Reserve Senior Champion Red Bull, 2007 International Reserve Red Junior Champion, 2007 International Reserve Grand Champion Red Bull and 2006 Reserve National Junior Champion Red Bull.

Moreno Ms. Lady Rawnie's dam is HK Ms Passport 560, a daughter of HK Passport back to a daughter of JDH Mr. Crat Manso. This fancy made heifer is the result of the blending of two solid genetic pieces.

Moreno Ms. Polled Divia is one terrific polled Brahman heifer and future show heifer prospect. She proudly represents the long running Moreno Ranches program and is a result of the many years of breeding and propagating only the finest in the business. This young gray heifer is very long and extended up through her front end. Just take a look at her picture and then look on sale day how strong down her top and level and square out of her rump she is. We admire this heifer from her hooks to her pins and she is very straight lined and complete in her structure. To top all of this off she just happens to be smooth polled. When this heifer is done showing then she has a very bright future as a big league donor cow in the making.

Selling an IVF procedure (guaranteed minimum of five embryos).

Here is a wonderful buying opportunity to create your own mating from one of the top Polled Gray Brahman donors in the breed. Miss V8 564/ 6 as you see pictured here is a force to be dealt with. One of the featured lots of this sale is Lot 10, her polled daughter sired by JME Us Lexor Manso 71, Moreno Ms. Polled Divia 120/ 1. This young heifer is proof of how good of a job that Miss V8 564/ 6 can do and will continue to do in production. Lot 11 will give you the buyer the opportunity to use the bull of your choice and breed to the proven donor Miss V8 564/ 6. Buy with the utmost confidence and create your own progeny and build a foundation with proven maternal genetics.

IVF procedures must be completed between September 4 and November 1, 2016 at Trans Ova Genetics in Centerville, Texas. Contact 866.924.4586.

One of the exciting things about mating cattle is the different mating options that we all have. Moreno Ms. Lady Polled Pauline was created to be a top polled prospect for the strong list of valued clients at Moreno Ranches. She is a daughter of the performance and beef sire Mr CC Capital Gains 77/ 7. Her dam is the leading donor JME Ms REM Poncrata 474. She is a polled gray female that has created the cornerstone for the creation of future polled genetics. She is a cow that has influenced the polled Brahman movement for many years. She is sired by the Lexor 71 bull that Ray Salenas used in his program and Moreno Ranches now is pleased to offer her first ever lot to sell at public auction. We admire this heifer for her moderate frame, fleshing ability and her complete profile and balance.

Selling full possession and retaining a 10% embryo interest.

Here is a proven donor in the Moreno Ranches program, a daughter of Mr MK Vernon 350/ 1 and from the predictable Miss MK 6/ 190. She is a very upstanding individual and one of the finest red donors representing the strong pool of donors. We all appreciate her from the ground up. She is big boned, big footed, soft in her pasterns and very fluid in her movement. This brood cow has proven her worth for Moreno Ranches through the last few progeny and rightfully so.

This is an opportunity that will allow the buyer to acquire outcross genetics and join forces with the Moreno team to create more amazing progeny. To make you raise your hand on sale day, all you have to do is take a look at her two progeny selling ... absolutely amazing heifers!

Moreno Ms. Lady Raquel is one of the sale features and proudly represents the M check brand. Just take a look here at the amount of fore rib, overall capacity and the brood cow appearance that she has. This is one big time cow prospect in the making! We love and admire her strength of top, level rump, cushion in her pasterns and her calm disposition. This gorgeous heifer represents a prominent and a very well thought out mating. She is a daughter of the predictable JDH Impression Manso and from the leading donor Miss MK 4/ 512. She just happens to be a full sister to the many time show champion female Moreno Ms. Lady Rock It 752. She is a partnership heifer with Moreno Ranches and Mi Tierra Ranches. The Moreno Ranches team is ready to showcase this female to you on sale day and they are excited about showing her to you.

*Lot 15* Moreno Ms. Lady Racey 24/I

Selling half interest and full possession.

My goodness is all we have to say! Moreno Ms. Lady Racey is one amazing show heifer and future breed leader in our eyes! Just take a close look here at her picture. She is so long up through her front end, extremely level and strong down her top, and just amazing in her hind leg set. No matter where she stops, she has the poise and the presence to get anyone's attention. That is what we see but when you study her pedigree that adds an entirely new thought process into the mix. She is sired by a complete outcross sire JDH Stratton Manso whose first progeny were sold in the July '16 Moreno Ranches All American Sale where they were widely accepted. When Stratton was mated to Miss MK 4/ 512 we are certain that magic happened. A full sister to this female just happens to be the top selling lot of the recent Moreno Ranches All American II sale. She was Moreno Ms. Lady Rebella 118/ 1 and sold for \$21,500 to John Maheu of Florida.

Selling half embryo interest and full possession.

Here is a chance to acquire one of the first JDH Stratton Manso daughters to sell at auction. He is a leading sire and is a complete outcross to most established lines of genetics in the entire breed. He is not on the open market and his progeny at Moreno Ranches have just now become available. We admire this female's brood cow look and her fleshing ability. She is massive in her rib shape with a tremendous amount of fore rib and volume. It is a female of this caliber that will offer so much to a program. She easily can be the one the Red breed has been waiting on!

Six guaranteed Heifer IVF Embryos from 128/ 9 guaranteed to produce two (60 day) pregnancies if transfers are done by Trans Ova Genetics and placed in TOG recipients.

This is the very first opportunity to invest in genetics sired by the reigning International Champion Red Brahman bull, "Rufus." He is said by many to be one of the truly great Red Brahman bulls to come around in a long time. We firmly believe he can make a huge impact with the flawless traits that he has. He very confidently walked into the prestigious 2016 ABBA International Show and dominated as well as captivated the audience and the three judges. He is massive in his foot size, soft in his pasterns and very fluid in his movement. This stout made and heavily muscled beef bull is extremely level and strong down his top and out through his hooks to pins. We appreciate his depth of flank, volume and capacity. Only one bull of this level comes along in a lifetime and we are more than excited to see the uniformity of his calf crop as time goes on.

He has been mated to TJF Ms Francene 128/ 9 where we think the results are going to be spectacular.

*Sire* Mr. Fontenot 333 "Rufus"

*Let 21* Moreno Ms. Lady Rebonita 38/I

Selling half embryo interest and full possession

Take a close look here in what could easily be one of the very best M check open heifers offered for sale. She is absolutely stunning from every angle that you may take a look. She is sound in her structure and has way more rib and volume than what a young female should have at her age. She is what we call an overachiever and we kind of think she may have already figured it out.

Moreno Ms. Lady Ramona is one terrific red Brahman heifer that comes from the heart of the sale pen. This October coming yearling heifer is sired by SRS Mr Captain Red Legs and from the elite donor Miss V8 756/ 6. This heifer has met all the M check requirements in being halter broke, calm in her disposition and very appealing in her pedigree.

Selling half embryo interest and full possession

Moreno Ms. Lady Sterling stands upright and is very prominent in her look and her presence. This gray heifer is so long bodied and is very striking in her profile from the side. She is incredibly fluid in her movement and has the elegance and poise needed to get anyone to notice. We can't say enough good things about the future of this show heifer prospect. She is massive in her foot size, soft in her pasterns and is built right from the ground up. This full sister to 80/ 1 is a daughter of JDH Sir Stratton Manso, the closed bull owned with the J.D. Hudgins Locke Division. This is an opportunity to invest in fresh and vibrant genetics that will have tremendous value as she continues in production through the years. She is one that brings a world of hybrid vigor to the table.

LOT 23 - The phrase that behind every good bull there is an amazing female couldn't be more true. Moreno Mr. Perry is a very appealing and masculine son of Mr. V8 777/ 4. His dam is the leading Moreno donor Miss B-F 48/ 6. She is a granddaughter of JDH Bross Manso, from a daughter of JDH Datapack Manso. She could be one of the finest and most impressive gray Brahman females you will ever see.

LOT 24 - Mass, performance, extra pounds and docility are a few ways to describe this young herd sire prospect. Moreno Mr. Power Honk is a big, masculine and rugged herd sire prospect sired by Mr. V8 777/ 4 and from the leading donor Miss B-F 48/ 6. Mr. V8 777/ 4, "Powerstroke," undoubtedly ranks as one of the all time great sires at V8 Ranch. Born in 1994, this bull is sired by +Mr. V8 702/ 3 and out of the Reserve National Champion Cow +Miss V8 666/ 3. His influence on Brahman herds worldwide includes producing 7 Register of Renown progeny. He sired the 2001 International Champion Get-of-Sire, the 2002 International Champion Female, and over 20 donor females on the ranch. But without a doubt, Powerstroke will go down in Brahman history as the sire of +Mr. V8 287/ 5 "Superstroke," who in some minds is the greatest Brahman bull ever raised at V8 Ranch. Powerstroke is also the #1 ranked carcass trait leader in the ABBA sire summary for Carcass Weight and the #2 bull for REA. He sired the World Congress Champion Bull when the show was held in Colombia. The semen is difficult to get and has always been in high demand.

We are certain this young bull that represents the M check brand will make a positive impact in any program. He is the product of a mating that was well thought out and strategically planned.

Selling an IVF embryo procedure (guaranteed minimum of five embryos).

The good Lord doesn't make Brahman females like this every day. This gray female has the pigment you will appreciate and the structural correctness we all so desire in our females. She is massive in her foot size, heaviness of bone, and so fluid in her movement. We admire her depth of body, spring of rib, and her brood cow look. She is so bold sprung, long and level down her top, and very prominent in her stance. She is sired by a son of JDH Bross Manso and from a daughter of JDH Datapack Manso. She is a game changer that is proven by her progeny. She has been a remarkable donor in the Moreno Ranches program and based on her progeny she is very deserving of a prominent title.

All IVF procedures must be completed between September 4 and November 1, 2016 at Trans Ova Genetics in Centerville, Texas. Contact 866.924.4586.

6 Guaranteed Female Sexed IVF embryos from 139/ 9 guaranteed to produce two (60 day) pregnancies if transfers are done by Trans Ova Genetics and placed in TOG recipients.

Selling an IVF embryo procedure (guaranteed minimum of five embryos)

Miss B-F 139/ 9 is a daughter of +Mr. H Red Rhino 765 and a full sister to the two-time National Champion and two-time International Champion female +CT Lady Rhineaux Ray 8/ 9 for Circle T Cattle. This big time Moreno Ranches donor continues to amaze everyone at the ranch with her producing ability. Miss B-F 139/ 9 has surfaced as the leading donor who continues to impresses us with her progeny time and time again. She herself is as good skeletally as any female on our place. She is big ribbed and has a look from the side that is second to none. There were a total of 12 daughters of 139/ 9 that highlighted the Moreno Ranches All American II Sale and sold for an average of \$8,308. If you want to create show females that will capture the attention of any cattleman and then create value down the road with their prominent pedigree, then look no further.

All IVF procedures must be completed between September 4 and November 1, 2016 at Trans Ova Genetics in Centerville, Texas. Contact 866.924.4586.

Moreno Ms. Lady Wanda Mae is an amazing female and just happens to be a full sister to the 2011-2012 ABBA Gray Show Female of the Year, Lady H Mae Manso 66/ 9. She was the 2012 Houston Livestock Show reserve grand champion and the grand champion at the 2012 Fort Worth Stock Show, along with many more. Moreno Ms. Lady Wanda Mae represents a lineage that is something special. She has the bloodline and the promotion behind her to be a headlining donor for the new owner. She has the desirable conformation and the performance behind her to earn the right as a "great one."

Selling full semen interest and full possession

Mr. B-F 255/1 is one of the most sought after sons of +Mr KC Justice Manso 847 and from the leading donor at Broadhead Farms, Ms Lady H Ella Manso 876/6. Moreno Ranches showed and campaigned him throughout the country. In the Moreno Ranches '13 Catalyst Sale his semen was the top lot during a special offering, which Bob and June White of RW Ranch and Junior Lanier of Lanier Brahmans purchased. This time we are offering you an opportunity to acquire five units on this up and coming herd sire that is now being used in the Lanier, RW and Moreno programs.

Moreno Ms. Lady Babylon 26/1 represents a very strong and proven pedigree! She is sired by Mr. B-F 255/1, the powerful son of Mr KC Justice Manso 847 and from a direct daughter of Mr. 3H X-Ray 825. Just like her sire, this young heifer is big footed from the ground up, soft in her pasterns and very appealing in her stance and movement. We so admire her depth of flank, ease of condition and added performance compared to others of her same age. When you consider the purchase of this young Gray Brahman heifer, we hope you realize she will make a top show heifer and in turn just as good of a brood cow in the future.

LOT 44 - Moreno Ms. Lady Rebel is a daughter of Mr 3X-HK Oro Rojo and is from HK Ms Passport 559. This young show heifer is feminine up through her head and neck and from the side is very appealing. We appreciate so many good qualities about this heifer. This M check branded heifer combines performance with style into a complete package that we have all come to appreciate after viewing the sale offering. This is an M check special for the lovers of 100%Red Brahman breeding as she combines Passport and 3X-HK Oro Rojo in her pedigree.

LOT 45 - One of the cattlemen's favorites of the sale offering! Moreno Ms. Lady OMG is some kind of unreal. She is a crowd favorite of those that have viewed the sale offering. She is so massive in her rib shape, capacious in her volume and very maternal in her look. This deluxe brood cow prospect speaks volumes for the strides that the Morenos have made in the creation of M check branded cattle that will perform efficiently in any environment. This phenomenal female offers a calm disposition and tremendous breed character.

JDH ALICE MANSO (282/ 3) C 778661

LOT 46 - This young female represents a very prominent pedigree and has the unique profile and balance to make her the complete package for any program at any level. She is sired by JDH Goudeau Manso 174/ 0, the complete outcross sire to most established bloodlines. He is a performance bull that has created top progeny for weaning and yearling weight performance. This young heifer is very cute and stylish in her appearance and we think will make a great addition to any program. Don't miss this opportunity to acquire a 'baby doll' show prospect that is sure to captivate those that see her.

LOT 47 - Here is an exciting herd sire prospect that is just now coming into his own and becoming a young man. This herd sire prospect is a son of JDH Goudeau Manso 174/ 0 and from the donor Miss B-F 42/ 7, a proven daughter of JDH Mr. Manso 258/ 4 who continues to produce excellence. Her daughter, Moreno Ms. Lady Shakira 254, sold for \$18,500 to Finca Maria Olga of Guatemala in the '14 Moreno Ranches Viva La Brahman Fiesta sale. Four of her progeny averaged \$8,875 in the sale as well. A maternal sibling, Moreno Mr. Sir Maverick 211, sold to Schneider Brahmans and is now one of their herd sires. The genetics of this young bull and his sister are proven and are in demand.

Wow! Moreno Ms. Lady Rebekah is a very feminine and long bodied heifer that comes from the heart of the Moreno embryo calf transplant keeper pen. She is a daughter of JDH Impression Manso and from the TJF Mr. Smokin Gun daughter TJF Miss Stunner 284/ 0. This heifer is very calm as you would expect and just take a look at her length of body and levelness from her hooks to pins. We appreciate her sound structure and above breed average performance. She is full of red beef!

Selling an IVF embryo procedure (guaranteed minimum of five embryos)

TJF Miss Stunner 284/ 0 is a known daughter of the legendary TJF Mr. Smokin Gun sire. She is an elite red donor that has earned her right to be listed as one of the finest donors in the strong line up at Moreno Ranches. Just a quick look at her picture and you realize she is really something special. To find a red Brahman donor cow that has so much rib shape, volume, capacity and performance is hard to find. She is so big footed, sound and soft in her pasterns and very structurally correct. Buy with the utmost confidence and use the sire of your choice and create your own genetics with your prefix. A true beef machine!

All IVF procedures must be completed between September 4 and November 1, 2016 at Trans Ova Genetics in Centerville, Texas. Contact 866.924.4586.

Moreno Mr. Resistant is a known son of TJF Miss Red Velvet and sired by the outcross sire JDH Sir Stratton Manso, the leading closed bull that has made such a strong impact with his first calves. The breed's very first Stratton calves were top sellers and very well accepted at the recent Moreno Ranches All American II sale. This young bull has the predictable and up to date pedigree along with a very desirable profile. This is the type of bull that can add attention to any program.

JDH Impression Manso 719/4 is one of the greatest sires to ever exist at Moreno Ranches. He is a proven sire and one that has many progeny that are working in the J.D. Hudgins program. His dam is a big maternal and powerful broody female, sired by +JDH Charley's Jazz 946/1. 719/4 is that unique sire that combines tremendous bone, extra muscle and substance and is very calm in his disposition. Here are two daughters and two sons of JDH Impression Manso. His progeny have been sought after over the last couple of years and we think for good reason. Take a look here at these four progeny and we think you will understand why.

Selling an IVF embryo procedure (guaranteed minimum of five embryos)

Here is a half sister to the 2009 National Champion female, BB LP Enchanted Moment 910. She was unbeatable when she was being shown and was recognized as one of the greatest show females to ever exist. BB LP Wham Bam 913 is extreme in her heaviness of bone, foot size and has a world of rib shape and capacity. She is extremely big footed, soft in her pasterns and very sound in her structure. Her daughter was a top seller in the '15 Moreno Ranches Catalyst 3 sale and was purchased by Double A Ranch in Texas. Other progeny are highlighted in elite programs throughout Mexico, Guatemala, Panama, Nicaragua and Ecuador.

All IVF procedures must be completed between September 4 and November 1, 2016 at Trans Ova Genetics in Centerville, Texas. Contact 866.924.4586.

These females are sired by JDH Goudeau Manso 174/0. He offers a complete outcross pedigree to most established lines and stems from a maternal line of cow families. He is a true performance sire with his progeny at the top in terms of weaning weights and performance. He has progeny that are now found in the U.S., Australia, Panama, Cost Rica, Colombia, Venezuela, Nicaragua and now his influence is in Guatemala. +Miss B-F 201/9, one of the finest daughters of +GS Ms Mulhim Manso 314, was a private treaty purchase from Bennett Farms in Louisiana and Broadhead Farms in Mississippi. 201/9 is a prolific donor that continues to amaze us with her producing ability. She is a very fertile female and has the brood cow look to her with the femininity we all can appreciate. She has 26 progeny registered in the ABBA, Colombia and Venezuela. She is one of the lead donors in the aggressive transplant program at Moreno Ranches. Her first natural calf is Moreno Ms. Spanish Olive 116, one of the most prominent Gray show heifers for Moreno Ranches. She has won multiple junior championship divisions and continues to impress the many that have seen her. Her latest accomplishment was producing the top herd sire, Moreno Mr. The Profit 265. He was a top seller and is owned in partnership with Schneider Brahmans of Boerne, Texas. Her Powerstroke daughters were a highlight in the '14 Moreno Viva La Brahman Fiesta sale. RB Ranch bought three at \$10,000, \$7500, \$7500, Finca Maria Olga at \$7,000 and \$5,000, Emma Martin at \$7,000 and Lanier Brahmans at \$7,750. Another 201/9 daughter, Moreno Ms. Lady Ritzy Look, sold to Sorrel Panaro for \$11,500 in the Magic City Sale, Miami, FL. Also selling at \$17,000 was another 201/9 daughter to Ganaderia Rosa Del Alba from Mexico.

When we think of ways to describe this female, we think "maternal." She is so wide up through her chest floor, thick down her top line and very bold in her rib shape. She is one female that has already stood out in her contemporary groups and rightfully so.

This female comes from the middle of the replacement pen of heifers at Moreno Ranches. She is very long and extended from the side profile and up through her front end. This is one female that has the growth, power and pounds above others in the sale. All those traits make her stand out and get a lot of attention.

- Moreno Mr. Istefann is sired by JDH Impression Manso 719/ 4, one of the greatest sires to ever exist at Moreno Ranches. He is a proven sire and one that has 11 progeny that are working in the J.D. Hudgins program. H is dam is a big maternal and powerful broody female, sired by +JDH Charley's Jazz 946/ 1. 719/ 4 is that unique sire that combines tremendous bone, extra muscle and substance and is very calm in his disposition.  
- This beef bull will make a difference to your calf crop and especially when they are taken to the stockyards ... it will be more pounds for you.

## Building the Brahman Breed One Junior at a Time.

### SALE TERMS & CONDITIONS

**TERMS ...** All cattle/ genetics must be paid for immediately after the sale. Checks should be made payable to Moreno Ranches, Inc. Credit cards are also accepted, and a processing fee will apply. Cattle/ genetics will not be released until proper settlement has been made.

**SPECIAL TERMS ...** (cattle/ genetics for export) Lots and genetics that are sold for export must be paid for at the time of the sale. There will be a representative of a forwarding company on hand to assist in this matter. It will be the responsibility of the buyer of these cattle/ genetics for export to make arrangements with the seller for the care of the lots or genetics after the sale. Buyers will be responsible for any layover costs following the sale.

**EMBRYOS ...** Each package of three embryos guarantees one pregnancy. All procedures must be performed at Trans Ova Genetics, and using Trans Ova Genetic's recips, or the guaranteed minimum will be voided.

**IVF PROCEDURE ...** Each IVF PROCEDURE has a guaranteed minimum of five transferable embryos. Buyer will receive all additional embryos of the procedure, should there be any. Buyer pays for all flushing costs, as well as

any procedure related expenses. All procedures must be performed at Trans Ova Genetics, or the guaranteed minimum will be voided. If reverse sorted or sexed frozen semen is used to fertilize, the guaranteed minimum will be voided.

**BREEDERS GUARANTEE ...** Every lot in this sale is, to the best of the seller's knowledge, sound and free of any disease. Pregnant cows and cows with calves are considered breeders without further guarantee. Moreno Ranches will guarantee all open heifers to breed, however please keep in mind that the animals condition influences their fertility greatly. If there is a problem, we will work with you in the most professional manner. Open heifers that have been in embryo transplant/ IVF are not guaranteed.

**DISPUTES ...** The auctioneer in charge will settle any bid disputes. The decision of the auctioneer on such matters is final.

**HEALTH ...** All necessary health papers will be provided for the purposes of shipping cattle and genetics anywhere in the U.S.

**EXPORTS ...** Cattle/ genetics sold for export to foreign

countries must, by state law test for diseases flagged by the country receiving the animal after the sale is made. The seller will be responsible for this testing.

**ANNOUNCEMENTS ...** Any announcements from the auction block will take precedence over the printed material, this catalog and all other printed advertisements.

**LIABILITIES ...** All persons who attend the sale do so at their own risk. Moreno Firms, Inc. and Moreno Ranches, including the sale manager, assume no liability, legal or otherwise, for any accidents that may occur. Seller accepts no liability for the lots after they are sold. Insurance will be available at the sale for cattle/ genetics upon the buyer's request.

**CONTRACT ...** The above terms and conditions shall constitute a contract between the buyer and the seller of each lot sold.

**HANDLING ...** As the sale takes effect, all lots are under the buyer's risk.

**RETAINED INTEREST ...** Moreno Ranches retains the right to one in-herd flush on any female sold, and a 10% semen interest on any bull sold.

### M CHECK Verification Program

With the increase in demand for the M Check branded product, Moreno Ranches has significantly expanded their embryo transplant program. Moreno Ranches takes pride in remaining at the forefront of technology, while also adding value for the customer. In an effort to provide the utmost level of product integrity, Moreno Ranches is pleased to announce its new "M Check" verification program.

The M Check verification certifies that the animal's sire and dam have been confirmed, using the latest DNA technology. Animals bearing the M Check verification stamp are 100% guaranteed in that their bloodline is precisely known. A final bonus is that any Brahman cattle that have an M Check verification stamp will qualify for all of the standard Moreno Ranches Junior programs, such as the Scholarship Program, the Breed Back Program, and the Sell Back Program. All M Check branded cattle selling in the Brahman Catalyst 4 Sale will be sold with the M check verification guarantee.
