OUR COMMITMENT TO THE FUTURE ...

Moreno Ranches has been 197 years in the making and is six generations strong. We realize the value of a firm handshake, reliable word of mouth, and honest customer relations. This integrity with which we live every day is what has kept us going strong for nearly two centuries. Moreno Ranches believes the youth are the future, and we strive to build the Brahman breed one junior at a time. Through scholarships, show sponsorships, and donations to the agricultural youth organizations, support efforts for the juniors in recent years has totaled over \$100,000. Moreno Ranches believes that through strong support of the youth and their families, we can help build a stronger tomorrow for the Brahman breed.

BRAHMAN CATTLE SCHOLARSHIP PROGRAM

The Moreno Ranches Junior Scholarship Program is designed to help America's youth to continue their education by enrolling in undergraduate courses of studies at an accredited two or four-year college, university or vocational technical school.

ELIGIBILITY FOR OUR SCHOLARSHIPS

1. Animals must be purchased from Moreno Ranches at public auction or by private treaty in order to qualify for the program.
2. Qualifying animals must be bought and registered by a junior exhibitor and be in his/ her name from the time of the sale and throughout their show career.
3. Animals participating in the program are not transferable from child to child.
4. The amount of the scholarship is determined by the animal's placing at a qualifying show and by the number of calendar years in which the exhibitor has purchased an animal from Moreno Ranches. For award amounts, please refer to the Moreno Ranches Junior Scholarship Program Award Schedule at www.morenoranches.com
5. If a junior showman qualifies for more than one scholarship award, the single highest award amount will be awarded. Award levels cannot be combined.
6. The ONLY shows eligible are Junior Shows. Please refer to the "Eligible Shows" section at www.morenoranches.com.

BREED BACK PROGRAM

If a Junior exhibitor buys a Brahman heifer from Moreno Ranches, we are committed to assisting the Junior in breeding the heifer when she is of age. This is for a number of reasons. First and foremost, we want to grow interest in Brahman cattle breeding among the next generation. Knowledge is something that is not learned from books; it is experienced, especially when it comes to the cattle industry. So we are committed to helping Brahman Juniors continue, and build on the knowledge, of Brahman breeding techniques including wise husbandry of registered Brahman show heifers during their show careers. Registered Brahman show heifers purchased from us and subject to our terms and conditions, can be brought back to Moreno Ranches, and we will artificially inseminate or naturally breed the heifer to one of our quality Brahman herd sires at no cost to the Junior. Cattle must be insured in order to qualify for this program. In short, if a Junior buys a Brahman heifer from Moreno Ranches, we are committed to assisting that junior in breeding the heifer when she comes of age.

SELL BACK PROGRAM

When it comes to investing in future Brahman cattle breeders, there are few as dedicated as we are here at Moreno Ranches. Brahman Juniors are truly the future of the Brahman breed and we are committed to assisting them in any way possible. We currently have three programs in place to help Juniors to be successful in the Brahman breed. These include a junior Brahman scholarship program, a Brahman heifer breed back program, and a Registered Brahman Heifers Sell-Back Program

RANCHES

SALE TERMS & CONDITIONS ...

TERMS ... All cattle/genetics must be paid for immediately after the sale. Checks should be made payable to Moreno Ranches, Inc. Credit cards are also accepted, and a processing fee will apply. Cattle/genetics will not be released until proper settlement has been made.

SPECIAL TERMS ... (cattle/genetics for export) Lots and genetics that are sold for export must be paid for at the time of the sale. There will be a representative of a forwarding company on hand to assist in this matter. It will be the responsibility of the buyer of these cattle/genetics for export to make arrangements with the seller for the care of the lots or genetics after the sale. Buyers will be responsible for any layover costs following the sale.

EMBRYOS ... Each package of three embryos guarantees one 60-day pregnancy if transferred within 90 days of purchase. All procedures must be performed at Trans Ova Genetics, and using Trans Ova Genetic's recip's, or the guaranteed minimum will be voided.

IVF PROCEDURE ... Each IVF PROCEDURE has a guaranteed minimum of five transferable embryos. Buyer will receive all additional embryos of the procedure, should there be any. Buyer pays for all procedure costs, as well as any procedure related expenses. All procedures must be performed at Trans Ova Genetics, or the guaranteed minimum will be voided. If reverse sorted or sexed frozen semen is used to fertilize, the guaranteed minimum will be voided.

SEMEN ... The utilization of semen in reverse sorting technology needs to have a ratio of 25 to 30 oocytes when sorted per 1 unit of semen, on average and depending on the quality of the oocytes.

BREEDERS GUARANTEE ... Every lot in this sale is, to the best of the seller's knowledge, sound and free of any disease. Pregnant cows and cows with calves are considered breeders without further guarantee. Moreno Ranches will guarantee all open heifers to breed, however please keep in mind that the animals condition influences their fertility greatly. If there is a problem, we will work with you in the most professional manner. Open heifers that have been in embryo transplant/IVF are not guaranteed.

CLONES ... Moreno Ranches reserves the right to collect a tissue sample for the purpose of creating a cell line for future cloning on any live animal sold.

DISPUTES ... The auctioneer in charge will settle any bid disputes. The decision of the auctioneer on such matters is final.

HEALTH ... All necessary health papers will be provided for the purposes of shipping cattle and genetics anywhere in the U.S. **EXPORTS ...** Cattle/genetics sold for export to foreign countries must, by state law test for diseases flagged by the country receiving the animal after the sale is made. The seller will be responsible for this testing.

EXPORTS ... Cattle/genetics sold for export to foreign countries must, by state law, test for diseases flagged by the country receiving the animal after the sale is made. The seller will be responsible for this testing.

ANNOUNCEMENTS ... Any announcements from the auction block will take precedence over the printed material, this catalog and all other printed advertisements.

LIABILITIES ... All persons who attend the sale do so at their own risk. Moreno Ranches, Inc., including the sale manager, assumes no liability, legal or otherwise, for any accidents that may occur. Seller accepts no liability for the lots after they are sold. Insurance will be available at the sale for cattle/genetics upon the buyer's request.

CONTRACT ... The above terms and conditions shall constitute a contract between the buyer and the seller of each lot sold.

HANDLING ... As the sale takes effect, all lots are under the buyer's risk.

RETAINED INTEREST ... Moreno Ranches retains the right to one in-herd flush on any female sold, and a 10% interest on any bull sold.

Moreno Ms. Reba Redo is a sale feature and proudly represents some of the prominent genetics in the Brahman breed. This outstanding red show prospect combines two of the winningest red animals in recent times. To start, her sire +JDH Astro Manso, was the 2009 Reserve International Champion Red Bull, has produced a National and International Champion Get of Sire, has sired a Reserve International and National Champion Bull and his progeny accumulated the most show points of any sire in 2014 and fifth most of any red sire in 2016-2017. Her dam is the great red Brahman female, Moreno Ms. Lady Reba 112. As many know, Reba was our first major champion being the 2013 All American Grand Champion, 2013 National Champion, 2014 Fort Worth Stock Show Grand Champion and 2014 Reserve International Champion, all culminating into her being named the 2014 ABBA Show Cow of the Year. The blending of these powerful genetics has resulted in a beautiful red Brahman heifer. She is structurally sound from the ground up and is one female that will definitely get your attention on sale day. We love her heaviness of bone, foot size and balance that comes in a well-designed package. Moreno Ranches will be campaigning and promoting this female this fall and in 2018. We welcome anyone to join forces with the Moreno Ranches team and enjoy watching this young female blossom into what we think will be something special.

Moreno Ms. Lady Reba 112, dam of Lot 1 and full sib to Lot 2.

One of the sale features is this full sister to Moreno Ms. Lady Reba 112. Reba is recognized by many as one of the all-time great red Brahman show females ever to exist. Reba was crowned as the 2013 All American Grand Champion, 2013 National Grand Champion, 2014 Fort Worth Stock Show Grand Champion, 2014 Reserve International Champion, along with countless other championships, all helping her achieve the title of ABBA Red Show Cow of the Year in 2014. In addition to this female being a full sister to one of the greatest cows in the breed it is no surprise that her pedigree is equally impressive containing five National or International Champion or Reserve Champions. Her sire is the International and National Champion, Register of Renown and sire of champions globally +SRS Mr. Troubador 933. Troubador recently sired, in addition to 39 other point earners, the 2016 National Champion and 2017 ABBA Red Show Bull of the Year, DF Mr. Butterbean. +Miss MK 7/634 combines the influence of the National and International Champion +MK 349/1 and the National Champion +HV 892/8. In addition 7/634 is a proven producer having produced three point earning offspring in ABBA Open Shows. This is the very first time the Moreno Family has offered a full sister at public auction. Don't miss this opportunity to advance to the very top of the red Brahman breed as this is the type of female that will gain much exposure and should impact the breed for years to come.

Moreno Ms. Reba Dream is another daughter of Moreno Ms. Lady Reba 112. You can read the footnotes of Lots 1 and 2 to see the influence that she has played in our program and the breed. This is a very unique opportunity that you will have to invest in progeny from one of the greatest red Brahman females to ever exist and one of the hottest sires in the breed today. Reba Dream is the epitome of what a great red Brahman female should look like and has a pedigree that encompasses the most influential bloodlines in the breed. She is sired by VL Rojo Apache 1/50, the leading sire for Santa Elena Ranch. The progeny of this young sire won him the 2015 National Champion Get of Sire in their first outing. Most recently, his daughter VL 4/165 was named International Champion Red Female. This special offering makes the Moreno Ranches team very proud to be able to offer a female of this caliber in their Catalyst V Sale.

Moreno Ms. Lady Releanor is a very well made and powerful red Brahman female that just happens to represent one of the breed's strongest matings. She is a daughter of +JDH Mr. Elmo Manso the National Champion, Register of Renown and sire of champions globally. An entire book could be written on Elmo and the influence he has had in improving the Brahman breed around the world. We are very fortunate to have been able to utilize his genetics and those who follow our program will recognize his influence through such names as Violet 576/4 (2015 International Champion), Richie Rich 465, Rumbera 710 (2017 ABBA Show Cow of the Year), Rocky Elmer 391, Ritmo 712 and a number of others. The dam to this elite female is equally as impressive being the dam of Moreno Ms. Lady Reba 112 the National Champion, Reserve International Champion, Show Cow of the Year as well as a number of other titles. We have recently been campaigning a full sister to Releanor that has shown extremely well, placing at the top of her class consistently. The rare blending of these two breed greats has created a tremendous female in Moreno Ms. Lady Releanor. She sells safe in calf to JDH Mr. Manso 734/6, a young herd sire that we purchased from J.D. Hudgins-J.Forgason Division that contains some of the most performance and maternally oriented animals in the breed.

Moreno Mr. Renaldo is a breeding age red Brahman bull that offers a breed leading pedigree, performance and phenotype. Renaldo is sired by +JDH Mr. Elmo Manso 309/4 and out of the dam to Moreno Ms. Lady Reba, one of our former champions and signature donors. In addition to an incredible pedigree, his performance profile indicates that he should produce fast growing, heavy muscled offspring that are earlier maturing. Be sure to consider the unlimited possibilities that this young sire could offer to your program.

Moreno Ranches was extremely honored to have been the breeder of the 2017 International Champion Red Bull and Reserve Champion Bull and Female. We are offering you the opportunity to purchase these same winning genetics. This elite female combines the genetics of +SRS Captain Red Legs, the 2006 Reserve International Champion who sired the 2014 International Champion Red Bull, 2015 National Champion and the 2014 and 2016 ABBA Red Show Bulls of the Year. The dam to this outstanding female is even more impressive having recently produced the 2017 International Champion Red Bull (LB Myles) and the 2017 ABBA Red Show Cow of the Year (Rumbera 710). We are certain this heifer will be a big hit on sale day. If you are in need of one that will highlight your program with a desirable conformation and prominent genetics then consider this unique heifer.

Moreno Ms. Lady Rafi is the natural calf that showed at the side of Moreno Ms. Lady Rumbera 710 as she made her run for the title of 2017 ABBA Show Cow of the Year. Rafi is sired by +SRS Mr. Troubador 933 the International and National Champion, Register of Renown and sire of champions globally. Troubador recently sired, in addition to 39 other point earners, the 2016 National Champion and 2017 ABBA Red Show Bull of the Year, DF Mr. Butterbean. We think Rafi will capture your attention on sale day as she stands out amongst others in her contemporary group. She is very proud and upright in her stance. She is very appealing from the side angle and has plenty of rib shape and dimension for her frame size. It is females of this breeding caliber and conformation that will add value to your program for many years to come. This paternal sister to Moreno Ms. Lady Reba will make a huge impact in any program that happens to make the winning bid.

Guarantee a minimum of (1) 60-day female pregnancy. Must be transferred within 60 days of the sale by Trans Ova Genetics and using TOG recipis.

The thought of what the results of this mating will look like is insane to even think about. They will be the blending of two of the top Moreno Ranches show animals to ever exist. Their sire is Mr. Fontenot 333 "Rufus," the 2016 ABBA International Champion Red Bull and Moreno Ms. Lady Rumbera 710, the 2017 ABBA Red Show Cow of the Year. Both the sire and dam of these future calves are the epitome of greatness in terms of structure, heaviness of bone, ease of flesh, extremely deep in their flank while still maintaining plenty of power and muscle. Buy with the utmost confidence when raising your hand on sale day as you will be investing in an unprecedented genetic package.

Moreno Ms. Lady Royal Eleanor is a full sister to the ever-popular flush mates Moreno Ms. Lady Rumbera, the 2017 ABBA Show Cow of the Year and LB Sir Myles, the 2017 International Champion Red Bull. The genetics found within this mating of +JDH Mr Elmo Manso and +HK Ms. Passport 557 have proven their worth over the last few years with this mating producing four offspring that have accumulated 34 division wins and 17 championships in ABBA Shows. It should also be noted that the great +HK 557 donor not only produces winners but is extremely fertile producing an average of 5.4 registered calves on five different flushes. The power and presence behind this female and all her siblings are very overpowering. This red female sells bred to the 2016 ABBA International Champion Red Bull Mr. Fontenot 333 'Rufus.'

What a great opportunity to be able to purchase two daughters of the amazing donor, +JDH Lady Murile Manso 117/4. Murile is a Register of Renown dam and has garnered much fame by producing a National and International Champion Produce of Dam as well as a National and International Champion daughter, JDH Lady Babette Manso. The sire to these two top females is the imported sire from Mexico, +#JADL Rey TE 110 that has done a tremendous job here in the US. Most recently he sired Mr. RB 354/4 "Ring King" the 2016 National Champion, 2017 Reserve International Champion and 2017 ABBA Show Bull of the Year in addition to many other champions placing him in the coveted ABBA Register of Renown. Although these genetics combined have produced 52 point earners in ABBA Open Shows, the pedigree of these two top females consists of some of the breed's leaders including two Vanguard Sires, five Register of Renowns and two Maternal Merit Dams. To complete the package both heifers chart positive for seven traits.

+JDH Lady Murile Manso 117/4, dam of Lot 11 & 12.

Moreno Ms. Polled Penel is a beautiful made polled gray female from the heart of the Moreno program. She is sired by JDH Mr. Manso 734/6 a young herd sire that we purchased from J.D. Hudgins-J.Forgason Division as an outcross. His pedigree contains some of the most performance and maternally oriented animals in the breed with (=)JDH Westin, JDH Bertram and two of J.D. Hudgins top donors: JDH Miss Clova Manso (dam of JDH Dixon) and JDH Lady Manso 376/9 (dam of JDH Sterling). The dam to Penel is our polled donor, Moreno Ms. Polled Paulina 758. Paulina is sired by JME US Lexor Manso 71, the polled sire who won numerous titles before his accidental death. On the maternal side of her pedigree, she goes back to +Maddox 684 and a Sagrera bred female that was sold in the 2007 International Sale and has the influence of the JDH 181/1 cow, the grand dam to the CF 230 and SS 230 females that were both Reserve International Champions. In addition to her proven pedigree and outstanding eye appeal she offers a performance aspect that is second to none ranking in the top 20% of the breed for seven traits including the valuable growth and carcass traits. The genetics found within Moreno Ms. Polled Penel are astounding and if she can do anything but grow up and look like her momma, it would be nothing but fabulous.

ZE Lady Maddox Copano 21 is a proven and prominent donor in the Moreno Ranches extensive list of donors. Moreno Ranches ranks as the 4th largest breeder of Brahman cattle and is rapidly growing. This top donor is the anchor of the Moreno polled program and the dam of their very finest polled donor, Moreno Ms. Polled Paulina. She has proven her worth over and over again. She is sired by +Mr. H Maddox Manso 684 that has been one of the most proven herd sires in the US and abroad. Her dam was a consignment to the 2007 International Sale by Shawn Sagrera and is a half sister to the great +SS 144 "Bobtail" cow that is the dam to the +SS 230 and CF 230 who were both International Reserve Champion Females. In addition to her proven pedigree and outstanding eye appeal she ranks in the top of the breed for Hot Carcass Weight, Ribeye Area and Marbling Ability all further adding to her value. She sells bred to calve this fall to JDH Mr. Manso 734/6, a young herd sire that we purchased from J.D. Hudgins-J.Forgason Division that contains some of the most performance and maternally oriented animals in the breed.

Here is a unique opportunity to buy a proven donor! JME Ms. Rem Poncrata 474/6 is the dam of JME US Lexor 71 the young polled sire that had a successful show career before an untimely death, but more importantly has gone on to become a proven sire. Based on her production we purchased this top donor from The Edwards Family and she has been one of the influential donors in our program. Not only is she proven but she boasts a pedigree that is an outcross to many of today's popular bloodlines both horned and polled. In addition, she charts positive for EVERY carcass trait. This top donor is going to be a positive addition to the new buyer. She is bred and will have a late November/Early December calf by our leading herd sire JDH Kabram Manso 434/8 a top +JDH Woodson son.

Selling 50 units of Moreno Mr. Reality 537.

bw: **2.3** yw: **35.9**
ww: **21.8** milk: **2.1**

Don't miss out on this exclusive offer to purchase a semen package on one of the winningest bulls of the past year and one that offers a fresh but outcross pedigree to many of today's popular bloodlines. Moreno Mr. Reality 537 has accumulated 10 division and two championship titles over the past year including a division win at both the National and International Shows. Most that follow our program know the importance that we place on show ring wins, but as progressive breeders we also know it is our responsibility to stay ahead of the curve and keep introducing new genetics to the industry. Mr. Reality offers an outcross to many of today's bloodlines but incorporates some of the most proven genetics being sired by +JDH Astro Manso and out of LB Lady Violet Manso. Astro was the 2009 Reserve International Champion, has produced a National and International Champion Get of Sire as well as a son that was Reserve Champion at both the National and International Shows. Violet was the 2015 International Champion and also the dam to Moreno Reina Bonita 892, the 2017 Reserve International Champion. Due to the high demand on the semen of Moreno Mr. Reality 537, Moreno Ranches will not show the bull this fall. The genetics found with this herd sire are as prominent as you can ever ask for in a service sire. Only in special occasions such as this sale will this type of opportunity be offered. Additional certificates will be available for \$100 each; no limits.

Moreno Ms. Lady Riala is one terrific red Brahman female. She is from the elite donor Moreno Ms. LB Lady Violet Manso 576/4, the proven and powerful daughter of +JDH Mr Elmo Manso and from LB Lady Virginia Manso. Violet won numerous championships during her show career with the biggest being named the 2015 International Champion. It should also be noted that she wasn't just a champion but a producer of champions, as her first natural calf was recently named Reserve International Champion. This Lot 20 is sired by BB Special Effort 666, a leading sire of show champions for Moreno Ranches and one of the more predictable sires in the breed. Study this pedigree carefully as it contains all of the leading genetics of the past 20 years. Buy with knowledge knowing that you are investing wisely.

Moreno Ms. Lady Relo 518/1
2017 Kickoff Classic Open Show
Reserve Calf Champion and maternal sib to Lot 20.

Moreno Ms. Lady Presumida 376

This is the very first opportunity to invest in genetics sired by the 2016 International Champion Red Brahman bull, "Rufus." He is said by many to be one of the truly great Red Brahman bulls to come around in a long time. We firmly believe he can make a huge impact with the flawless traits that he has. He very confidently walked into the prestigious 2016 ABBA International Show and dominated as well as captivated the audience and the three judges. He is massive in his foot size and very fluid in his movement. This stout made and heavily muscled beef bull is extremely level and strong down his top and out through his hooks to pins. We appreciate his depth of flank, volume and capacity. Only one bull of this level comes along in a lifetime and we are more than excited to see the uniformity of his calf crop as time goes on.

To compliment the proven sire side of this pedigree is Moreno Ms. Lady Presumida 376 a former show heifer for us that won her class 9 times and her division 3 times in ABBA Approved Shows. Presumida combines the proven genetics of the Reserve International Champion +Mr. V8 777/4 "Powerstroke" and one of our top donors +B-F 201/9 that represents our matriarch + -GS 314 cow line. The offspring of 376 were the highlight of our recent All American III Sale, with six daughters selling for an average of \$7,333, grossing \$44,000. If you are looking for a female that can win in the show ring and produce in the pasture, pay attention to these. They are big boned, deep ribbed, thick ended, super gentle and have an outcross but breed leading pedigree combining the top genetics of some of the breeds leading producers.

P.E. 6.15.17 to 9.01.17 to TTT Suva Bob Manso
786/3 (B 925611).

This gray female has the pigment you will appreciate and the structural correctness we all so desire in our females. She is massive in her foot size, heavy in her bone, and so fluid in her movement. We admire her depth of body, spring of rib, and her brood cow look. She is so bold sprung, long and level down her top, and very prominent in her stance. Her pedigree combines three of the breeds icons in JDH Bross Manso, (+) JDH Datapack Manso and (+)JDH Copano Manso. She is a game changer that is proven by her progeny. She has been a remarkable donor in the Moreno Ranches program having produced six offspring that have accumulated points in ABBA Shows and a herd sire retained by Moreno Ranches. We are also headlining this sale with the selling of full interest and full possession on her. Moreno Ranches will remain as a multiple owner to be able to register calves resulting from prior made embryos.

Miss B-F 48/6, dam of Lots 26 - 29.

Mr. Fontenot 333 'Rufus',
sire of Lots 26 - 29.

The opportunities are endless when you consider the blending of two of the most influential animals at Moreno Ranches. The 2016 ABBA International Champion Red Bull Mr. Fontenot 333 "Rufus" blended with the premier donor Miss B-F 48/6 has created 4 superb heifers to highlight this sale.

Mr. Fontenot 333 "Rufus," the 2016 International Champion not only offers an outcross pedigree to many of today's popular bloodlines but also has an outstanding phenotype being massive in his foot size and bone, very fluid in his movement, heavily muscled, extremely level, and strong down his top and out of his hip. We appreciate his depth of flank, volume and capacity. Only one bull of this caliber comes along in a lifetime and we are more than excited to see the uniformity of his calf crop as time goes on. We are excited to see what kind of interest there will be with these young calves.

{ Moreno Ms. Aspe cow family }

Moreno Ms. Aspe is one of our young proven donors that we have high expectations for. She produced Moreno Mr. Rock Star the Reserve Calf Champion bull at the 2017 International Brahman Show and the 2017 All American. In our spring sale her offspring averaged \$11,000. This donor cow has earned her spot as a featured and prominent donor at Moreno Ranches. Her progeny speak for themselves and we think you will be pleased when you view them in this catalog and on sale day.

Moreno Ms. Lady Versace is a gray female that is sired by +JDH Impression Manso and from Miss LA Preciosa 206/1. JDH Impression Manso 719/4 is one of the greatest sires to ever exist at Moreno Ranches. He is a proven sire, whose dam has 11 progeny that are working in the JD Hudgins program. His dam is a big maternal and powerful broody female, sired by +JDH Charley's Jazz 946/1. 719/4 is that unique sire that combines tremendous bone, extra muscle and substance, and is very calm in his disposition. This known son of +JDH Mr Elmo Manso has proven his worth and was recently recognized as being the fourth overall ranking gray sire for points received in ABBA Approved Shows. La Preciosa 206/1 is a known daughter of JDH Mr. Manso 991/4 the high selling bull at the J.D. Hudgins-Forgason Cattle Company Herd Reduction Sale and who has produced show ring winners and top producers alike. This is a well bred female that has been exposed to the two time ABBA Show Bull of the Year, TTT Suva Bob Manso 786/3; pregnancy information will be available sale day.

JDH Impression Manso 719/4, sire of Lot 33 & 34. 719/4 is the first and only known Elmo son currently in the Register of Renown, with his progeny accumulating the third most points in ABBA approved shows this past year.

Here is a past Moreno Ranches show heifer that comes from the heart of the program. She has been a proven class winner and division winner when she was shown. She is sired by JDH Sir Stratton Manso that is used exclusively by Moreno Ranches and J.D. Hudgins-Locke Division. This young son of the national champion and internationally proven +JDH Elmo Manso has produced extremely well for Moreno Ranches and others resulting in winners and top sellers both in the U.S. and Australia. The dam to 16/1 is the Moreno elite donor Miss V8 765/6. She is a former show cow for V8 Ranch and was the high selling lot in the 2009 International Sale and has produced a number of winners that are both red and gray. This top female boasts one of the top pedigrees in the sale with every animal being proven both in the show ring and in the pasture.

Moreno Ms. Lady Randi Barb comes from our show barn and is a top daughter of BB Bronson 299/3 and our donor Ms. SS 164. Randi Barb won her class twice and division once in ABBA Open Shows. Randi Barb offers a unique pedigree being sired by the 7 time division champion, sire of both the Grand and Reserve Champion Red Bulls at the 2012 World Brahman Congress and is the Highest Selling Brahman Bull ever sold in the International Brahman Sale, BB Bronson 299/3. Her dam is a proven donor having produced 13 offspring for us and a herd sire that we are currently using. In addition, 164 was a former show winner and a flush mate to the SS 149 female of Shawn Sagrera that won her Division at the National, International and World Brahman Congress Shows. Not only are her parents influential in the breed but she boasts a pedigree that is second to none with seven Register of Renowns and the same number of top producers. Don't miss the opportunity to purchase this female that offers some of the biggest potential to be had in the red Brahman breed.

Moreno Ms. Lady Ren is a red daughter of +JDH Mr Elmo Manso out of HK Judy's 418. Ren is a full sister to Moreno Ms. Lady Redi 902 who was named the 2017 ABBA International Reserve Junior Champion Red Female. Study these genetics hard and you will see the crossing of the globally influential +JDH Elmo Manso with one of the foundation bloodlines of the Red Brahman Breed. The dam to this top female is an own daughter of HK 986 that was sold at an early age to Colombia and has very few progeny here in the US and out of a +Passport x +Bravo cross dam. Moreno Ms. Ren provides a pedigree that is very influential but is open to be able cross with many of today's popular sires.

Pay attention to this genetic masterpiece! Not only is he a beefy red bull, but packs a genetic punch that is matched by very few. In addition to him being a son of the National Champion and producer of champions +JDH Mr. Elmo Manso his dam, Miss JS/21st Miss Rouge 589/6, is also the dam of Moreno Mr. Roman, the 2017 Reserve International Champion Red Bull. The team at Moreno Ranches is very pleased with the way this bull has grown. He is thick down his top and very wide standing from behind. We love his structural correctness, spring of rib and overall mass that he possesses.

BB LP Wham Bam 913,
dam of Lots 39 - 41.

Mr Fontenot 333 'Rufus',
sire of Lots 39 - 41.

A former show winner being named Grand Champion at the 2010 Miami International Show, Reserve Division Champion at the 2008 and 2009 National Shows as well as a number of other class and division titles. In addition to her storied show career, she has been an outstanding producer, averaging five live calves per flush. Many will recognize her as a half sister to the 2009 National Champion female, BB LP Enchanted Moment 910 and a $\frac{3}{4}$ sister to the breed great +SRS Troubador 933. BB LP Wham Bam 913 is very extreme in her heaviness of bone and foot size and still maintains a world of rib shape and volume. The blending of the genetics of 913 with the 2016 ABBA International Champion Red Bull Mr. Fontenot 333 "Rufus" has resulted in three exceptional heifers in 594/1, 616/1 and 620/1. Moreno Ranches is sure excited to show you the results of the blending of these two prominent animals.

This young red Brahman female combines some of the most proven genetics in the Brahman breed. Her sire is the legendary +Mr. 3X He's Got The Look 40/2, the 1995 National Champion and producer of countless champions and 4 Register of Renown progeny. Her dam, JDH Lady Brenna Manso, is one of the leading Moreno donors both in our red and gray programs due to her proven production. Lady Brenna has produced 20 offspring with more coming this fall. Her offspring consists of three donors and two herd sires with some of these being in the J.D. Hudgins herd. Those that have seen Lady Brenna have been amazed with her mass and overall capacity. She is extra long bodied and very maternal in her appearance. Moreno Ms. Lady Reagan Look 926, as you can tell by her picture, is very appealing from the side shot. She is extreme up through her head and neck and blends smoothly into her shoulder. She is very youthful in her appearance with a super disposition.

Lot 43 - JDH Lady Brenna Manso 444/3.

JDH Lady Brenna Manso has without a doubt been one of the foundation donors of our program. Due to her dark pigmentation, she has worked extremely well producing both red and gray Brahman offspring. When we purchased this proven female from J.D. Hudgins-Locke Division she had already produced JDH Lady Bird Manso (the dam of JDH Vanicek), Elmo's Fire and JDH Geronimo (JDH Herd Sire). In addition to her proven production, she offered a breed leading pedigree combining the Vanguard Sire JDH Datapack and Maternal Performance Sire JDH Sarasota in the first two generations of her pedigree. Those who have seen Brenna rave about her phenotypic combination of rib shape, length of body, structure, eye appeal and femininity. We simply could not be happier with this top donor that encompasses the total package. Due to her superior production, having retained some of her offspring and her not getting any younger we have opted to offer her for sale and share our genetics. Don't miss this opportunity!

bw: 0.5 yw: 4.7
 ww: 5.2 milk: 5.7

This proven donor in the Moreno Ranches program is a daughter of Mr. MK Vernon 350/1 who is a full brother to +MK 349/1, the International and National Champion. In addition she is a proven producer having produced three offspring that have been shown successfully. We all appreciate her from the ground up. She is big boned, big footed and very fluid in her movement. This is an opportunity that will allow the buyer to acquire outcross genetics and join forces with the Moreno team to create more amazing progeny. To make you raise your hand on sale day, all you have to do is take a look at her two progeny selling ... absolutely amazing!

This young gorgeous former show heifer is a tremendous sale feature. She is a picture perfect daughter of the breed popular sire, JDH Impression Manso 719/4. Impression has been the cornerstone of much of our recent success. Just this past year his progeny accumulated the third most points in ABBA Approved Shows. Her dam is Miss MK 4/512, a daughter of Mr. MK Vernon 350/1 who is a flush mate brother to the breed icon +MK 349/1. Her full sister is Moreno Ms. Lady Rock It 752 who was a successful show heifer for us winning her division five times. As you can tell by her picture she is massive from every angle and one amazing future donor.

{ Miss V8 652/6 cow family }

Miss V8 652/6 is a full sister to the breed icon +Mr. V8 380/6 who has sired more champions than any other sire over the past 6 years. Much like her brother, 652/6 has been a producer with 4 heifers making the show ring and a son that was our consignment to the 2016 ABBA Performance Test Bull Sale. Due to her breed leading pedigree, outstanding performance, proven production and the versatility to be mated to both red and gray sires, her offspring are some of the highlights of The Brahman Catalyst V Sale. One thing we have realized is that the great ones seem to always leave too early. This tremendous female is recently deceased, but her legacy continues through her extensive embryo production. In this sale, you have the opportunity to invest in two daughters. They are sired one of the most proven and popular red sires in the breed, +TJF Mr. Smokin Gun.

Miss V8 652/6,
dam of Lot 46 & 47.

+TJF Mr. Smokin
Gun 109/7, sire of

BB LP Sweetness 912 is a former show heifer that consistently placed at the top of her class and picked up three division titles and championships at the State Fair of Texas and Hunt County Fair. She, along with her flush mate BB LP Wham Bam 913, won the 2009 National Champion Embryo Produce of Dam. Studying her pedigree you will find that nine of the animals were former show winners while nine achieved Register of Renown status. This is a great opportunity to purchase a successful daughter of the breed icon +Mr. Winchester Magnum 999, making her a half sister to many influential animals and a 3/4 sister to the former champion and proven sire +SRS Troubador 933. She has been exposed to the 2016 International Champion Mr. Fontenot 333 'Rufus.' The resulting offspring will be genetic mates to Lots 39, 40 and 41. Breeding information will be available on sale day.

If you are looking for a female that has the JDH brand, is super fertile and backed by a pedigree with some of the breed greats then pay attention to JDH Ms Tamme Manso. This young cow calved as a two year old which is no surprise with her pedigree consisting of 4 Vanguard Sires or Dams and 2 Maternal Merit Dams. She is sired by JDH Matt that has been used successfully by J.D. Hudgins-Locke Division and is out of one of their top donors that recently achieved the status of Vanguard, recognizing her as reaching both Register of Renown and Maternal Merit status. JDH Tamme brings a lot of value to the table not to mention the possibility of having her bred to the two-time ABBA Show Bull of the Year, TTT Suva Bob 786/3. Mark this one as a must have!

Miss MK 402/1 combines the freshest genetics of the legendary McKenney Farms Brahman Herd with Mr. MK Jackpot and Mr. HVR Xceptional 3/755. Jackpot was a four time division winner and two time International Show Class Winner, but even more importantly has produced winners such as the TTT 789 that was division champion 10 times and champion four times. Her maternal grand sire, 3/755, is represented in this sale with offspring and again brings a championship pedigree that will be an outcross to many of today's popular bloodlines only strengthening this opportunity. Her calf at side will be sired by the ever-popular BB Special Effort 666/6, the leading Moreno sire that has done such a great job producing show champions with tons of performance.

Where **TWO** Become **ONE.**

Tic Tac Toe Ranch has a storied past. Back in 1960, Max Watts had the opportunity to own and run what we all know now as Tic Tac Toe Ranch. In November 1963, Max, Shirley, Stephanie, Debra, and Tammie Watts became a family. From 1963 to 1975, the ranch saw many different breeds of cattle. They started out with Herfords, then went on to purchase a few Brahman bulls from J.D. Hudgins, Inc. to make the F-1 cross, from there they went on to Chianina, Limousin, and finally in 1975 came the Brahmans. But that was only after the three girls purchased their first Brahman heifers from Bob Massey of Koontz Ranch in 1972. From that came (+) Mr. Suva 203 in 1977. Little did they know then that Suva would be the bull to become #1 of all time and change the Brahman breed forever. And most importantly, Suva formed the entire Tic Tac Toe herd that we know today. Tic Tac Toe Ranch has gone on to produce some of the most famous bulls, including +TTT Rambo, +TTT 450, and TTT Suva Bob Manso.

Max and Shirley have the “cow sense” that everyone talks about! They knew and know how to breed certain cows to the right bulls, and could tell you how to halter break, show, and feed any one calf. In 2003 Max and Shirley were recognized at the State Fair of Texas for their continuous participation of 55 years. In 2005 Max was inducted into the Brahman Hall of Fame. And in 2008 Max was unanimously elected Director Emeritus of ABBA. He became a member in 1978 and was a director for 20 years. After the passing of Max Watts in 2008, Shirley went on to keep producing and showing the Brahman Cattle that we all know and love today.

We wish Mrs. Shirley much happiness and joy as she can continue to see her genetics flourish and now propagate in the Moreno program.

Tammie Watts of Frost, Texas is no stranger to the cattle industry. With a passion for agriculture, Tammie is a registered Brahman breeder and has a reputation for breeding and fitting some of the world's leading Brahman Cattle. For the past 8 years, Tammie has been showing and exhibiting many of the leading M check branded National and International champions. With the addition of the Moreno Ranches Texas Division, we are excited to announce Tammie Watts as the Director of Cattle Operations, North America.

Tammie was born and raised on the famous Tic Tac Toe and Watts Ranches. Her parents,

Max and Shirley Watts, instilled in their three daughters a love for all livestock and strong principles of hard work and dedication. Tammie served on the Junior Brahman Breeders Association board for many years. She was the Texas Junior Brahman Association Queen and also competed in many of the association's contests throughout the junior program.

Tammie and the Watts family are known for producing the #1 herd sire in the history of the American Brahman Breeders Association, +WR Mr. Suva 203. For decades, the Tic Tac Toe and Watts brands have been synonymous with exceptional quality and genetics that lead the Brahman breed in productivity and performance. In 2008, Tammie returned to the family ranches. Since that time, she has devoted her expertise and extensive knowledge to managing the Tic Tac Toe cow herd and overseeing the ranch's show cattle fitting operation.

Tammie has prepared show cattle for clients across the United States and Latin America. Her expertise is not just limited to registered Brahman cattle; Tammie has represented clients in multiple breeds of cattle and the championships awarded at various levels of livestock competitions nationwide are limitless. If not at the ranch, Tammie can be found in the show ring; her love for exhibiting cattle defines a large part of her lifestyle and career. Tammie has a strong passion and calling for sharing her knowledge with cattle enthusiasts. She has consulted numerous ranches on topics ranging from herd management to show ring preparation and exhibition.

Tammie's two children, James Tolliver "Tol" and Jacquelyn Cawley, were brought up in the cattle industry and have continued their involvement with the family ranches, something she considers a blessing and achievement. In Tammie's spare time, she enjoys hunting, riding horses, and raising and showing her Miniature Australian Shepherds.

We are excited for what the future holds at Moreno Ranches with Tammie Watts as Director of Cattle Operations, North America!

Jacquelyn Cawley of Frost, Texas has followed in her mother's, Tammie Watts', footsteps. She has the same passion and dedication for agriculture. Jacquelyn is a registered Beefmaster breeder and has gone on to raise and show some of today's top Beefmaster cattle. Jacquelyn remains very active in the Beefmaster Association, but was raised in the Brahman world and has a special place in her heart for them as well. We are excited to welcome her to the Moreno Ranches team as the Show/Sale Cattle Coordinator.

Jacquelyn has always had a very strong livestock background, with her parents and grandparents- Tammie Watts, Bill Cawley, Max and Shirley Watts- showing her the path to exceptional and functional cattle. She showed Brahman cattle until she was 16 years old. In 2009, Tammie started halter-breaking some Beefmaster calves for the Emmons Ranch, and Jacquelyn started to see where her passion was. Since then, she has been a big part of the Beefmaster Family. Jacquelyn was very strong in her junior activities and served on the Junior Beefmaster Breeders Association Board for 3 years. She also competed in public speaking, judging, and the sale contest. She has won multiple scholarships showing and exhibiting cattle, with her greatest win to date at the 2010 San Antonino Junior Heifer Show, winning the Grand Champion Beefmaster Heifer Show and scholarship.

About 2 years ago, Moreno Ranches began working on a small, but high-quality Beefmaster program. With the launch of the new M check Beefmaster herd, Jacquelyn will help oversee the launch and development as it becomes a larger component of our breeding program. In her new role at Moreno Ranches, Jacquelyn will also coordinate the Brahman show/sale cattle, marketing, and junior program. Jacquelyn aims to help grow the junior program by making the younger generation more knowledgeable and more involved in today's beef cattle industry.

In Jacquelyn's spare time, you can find her riding horses, hunting, or even showing her Miniature Australian Shepherds. Jacquelyn and her mother started raising and showing Miniature Australian Shepherds in 2014, many of which can now be found in the Brahman barns.

We are happy to have Jacquelyn on our team and are looking forward to all she will accomplish as Show/Sale Cattle Coordinator!

In the following lots, you will find pedigrees tracing back to the very foundation of Tic Tac Toe Ranch. We invite you to join us as we share exclusive access to some of the breed's most historic genetics.

TTT Mr. Madford Suva 881/6 has become a household name over the past year after picking up division wins at Fort Worth, Ark-La-Miss, Washington County and the Miami International Shows. This offering is an opportunity for us to offer our freshest genetics from the historic Tic Tac Toe herd. There is no question that this young bull will have a successful show career and will be one that we will use extensively. Not only has he already proven himself in the show ring and will continue his winning ways, but he is the result of some of the leading genetics in the Brahman breed. He is sired by a top son of +JDH Sir Lawford who has produced 20 of the leading herdsires at J.D. Hudgins. In addition, the bottom side of his pedigree combines the proven genetics of JDH Echo's Lair with the foundation and most fertile line of females for Tic Tac Toe being sired by the #1 Register of Renown Sire, (+)WR Suva 203. To complete this package, Madford offers the ideal performance profile by siring low birthweight, fast growing, heavy muscled offspring. Don't miss the opportunity to purchase the freshest genetics of the Brahman breed!

KJN Ms Katy Manso offers one of the most proven pedigrees in the breed with balanced performance. Tic Tac Toe purchased this female back from one of their junior clients. She is out of a former show heifer and the WR 305 bull that has been used extensively by a number of breeders producing numerous champions, a Register of Renown daughter and a Maternal Merit Dam. Anytime that you can combine +V8 901/4, +TTT Sydney, +V8 287/5 "Superstroke" and +JDH Martin all into one pedigree, it makes it special no matter whose brand it's wearing. She sells exposed to the two-time ABBA Show Bull of the Year TTT Suva Bob 786/3. Pregnancy status will be available sale day.

When we put this offering together we knew that there would be a lot of interest in the Tic Tac Toe genetics. Although we have offered you several unique and proven genetics, we feel TTT Ms Suvette Marti 661 encompasses the entire Tic Tac Toe Program and what has made them so successful. She is a daughter of +JDH Martin Manso but is crossed with a +TTT 450 on a +TTT Rambo daughter, making her the true "Golden Cross". In addition to this proven pedigree she is outstanding in her performance numbers combining a moderate birthweight with above average growth. To prove her productivity she calved before her third birthday and each year since. This female is very deep sided, sound made in her stance and structure and has been a very easy calver. She will be a favorite on sale day! She sells exposed to our premier herd sire, JDH Kabram Manso 434/8. Pregnancy status will be available on sale day.

What a way to end this sale! TTT Starlett Manso 248 is sired by the 2001 National Calf Champion Sanders Superstar and out of the foundation cross of Tic Tac Toe with +TTT 450 crossed on a +Suva Jr. 315 daughter. There are a lot of elite genetics in this pedigree and certainly some that have been hand crafted for a lifetime by the Watts Family. In addition to her signature pedigree she has an outstanding calving interval, further adding to her value in any program. She is very moderate in her frame, very thick made and extremely deep bodied. Due to her superiority she has produced many top selling sons and her influence will remain in the Tic Tac Toe herd through her daughters that have been retained as replacements.

M CHECK VERIFICATION PROGRAM

With the increase in demand for the M Check branded product, Moreno Ranches has significantly expanded their embryo transplant program. Moreno Ranches takes pride in remaining at the forefront of technology, while also adding value for the customer. In an effort to provide the utmost level of product integrity, Moreno Ranches is pleased to announce its new "M Check" verification program. The M Check verification certifies that the animal's sire and dam have been confirmed, using the latest DNA technology. Animals bearing the M Check verification stamp are 100% guaranteed in that their bloodline is precisely known. A final bonus is that any Brahman cattle that have an M Check verification stamp will qualify for all of the standard Moreno Ranches Junior programs, such as the Scholarship Program, the Breed Back Program, and the Sell Back Program. All M Check branded cattle selling in the Brahman Catalyst 5 Sale will be sold with the M check verification guarantee.
