One of the elite Fullblood females to ever sell at auction is DIAR Eminence of Africa ET. She is a daughter of LA Rhone Legacy, the leading African sire and son of LA Rhone Humbug. She represents complete outcross genetics to any Fullblood cattle in the U.S. There is tremendous value here with this polled female. She is flawless in her design, complete in her structure and very fluid in her movement. This clean fronted and feminine female is so strong down her top line and very square and level out of her hooks to her pens. If you are just starting a polled Fullblood herd and/or looking for a new donor then here is a once in a life time opportunity. Invest wisely and remember it is better to invest in the best from the start and build from within that investment.

A premier herd sire in the making! This extremely heavy muscled, sound made and very appealing beef bull represents the best ever created at Diamond R Cattle Co. He is a result of the blending of the LA Rhone Legacy bull with the LA Rhone Justine female. They are two of the finest Fullblood cattle in South Africa and this herd sire is the result of the blending of these two great specimens. If you are looking for a herd sire that can add value to a calf crop overnight and bring attention to any cowherd in the country then here he is. Buy with the utmost confidence as this bull will create progeny that are not related to anything in the U.S.

DIAR Ejaaz of Africa 381E, service sire.

AUTO Alin 618A is an SVL Polled Impact 516U daughter. She ranks in the top 20% of the breed for weaning weight and the top 25% for milk. Her dam is AUTO Queen 630W. We admire this female for her heaviness of bone and softness of pasterns. She is massive in her volume and rib shape, but still maintains and gorgeous profile. We know you'll appreciate this one's presence on sale day just as much as we do.

Here is a heifer calf that just keeps getting better day after day. She has such a desirable conformation and a prominent design and profile already for such a young female that she captures the attention of anyone that sets foot in our pastures. She's bred to be a great one and we think she'll more than live up to that.

P.E. 06.24.19 to 9.29.19 to DIAR Doozy 58E (NPM2137975)

Here is quite the impressive double black, double polled female. HUTR Baby Jay 4 is a daughter of KRVN Pablo 011P. Her dam is HUTR Baby Jay. We just can't say enough about this female. She's super soggy in her design, near flawlessly structured and tremendously deep bodied. This female tracks with so much confidence and flexibility that we know she'll remain a surefire producer for many years ahead.

%Rank	90	>95	80	90	35	85	95	95	70	15	70	45	95	10	95

This is a homozygous polled son of CF Polled Mesquite 268W. AR Zillion 226Z is from the AR Southern Cherry 611S female. We admire this bull for his length, smoothness of shoulder and his flexibility on the move. He'll stay sound for many years down the road and will inject power and efficiency into his calf crop.

This is one of the strongest sets of horned Fullblood, homozygous polled and polled Fullblood cattle to ever sell in one offering!

%Rank	70	85	50	80	75	45	65	85	85	90	45	90	40	80	50

Looking for a maternally oriented young herd sire prospect? This one's for you and deserves your full attention. Here is a purebred son of DL Tabitha's Westwind 649. He is double polled and double black. He ranks in the top 35% of the breed for marbling. His dam is DL Yalli 58Y. This bull has such a great look about him and captures the attention of anyone that views him.
