Dear Limousin Enthusiasts,

It is with great anticipation that Kiley McKinna of MC Marketing Management and myself and my team at R&R Marketing Co., join together to bring this sale offering to the public. The Eastern Select Sale is being brought to you by some of the finest cattlemen throughout the United States for your appraisal.

As you flip through this sale catalog you will see top quality genetics from numerous breeders representing several states. I commend them for taking the time, energy and commitment to do all they could to bring us the very best for your consideration.

It is with great pride that MC Marketing Management and R&R Marketing Co. join their efforts for one common goal and that is to host a sale that will be appealing for any "lover" of Limousin cattle to appreciate and consider on December 15.

As we continue to experience the many great things happening in our Limousin breed, we would like to cordially invite you to join us in attendance for this sale.

Thanks in advance,

Randall O. Ratliff
R&R Marketing Co.

Limousin Friends,

Welcome to the inaugural Eastern Select Sale December 15 at the Chenault Agricultural Center in Mount Sterling, Kentucky.

It is my pleasure to be associated with R&R Marketing Co. on this new endeavor, as we work with this fine group of Limousin seedstock producers east of the Mississippi. This portion of the eastern United States has long been a focal point for outstanding Limousin genetics, and we feel this offering represents the dedication of breeders in this area to propagate exceptional Limousin cattle.

As a team, we have worked hard to assemble an outstanding assortment of Purebred and Lim-Flex genetics for the most discerning cattleman. As you study this catalog, you will find some of the most unique and diverse genetics available within the breed.

If we can be of any assistance, please don't hesitate to contact any member of the sale team.

Sincerely,
Kiley McKinna
MC Marketing Management

SPRING BRED FEMALES

LOTS 1-39

What an impressive way to begin the sale than with a truly outstanding set of spring bred females. Breeders from Kentucky and surrounding states have assembled an extremely well-bred, functional group of spring bred females for your appraisal. Not only do their pedigrees represent the most popular sires and dams in the industry, the sires these females are bred to are among the freshest in the business. The females contained in this portion of the sale can take your program to the next level.

LOT 1

AI'd 4/12/18 to MAGS Aviator;
PE'd 5/3/18 to 6/29/18 to SKLS 395E.

Talk about a true sale feature! Here's a rare buying opportunity to purchase an elite homozygous polled daughter of the widely popular, huge numbered, syndicated TMCK Hydraulic AI sire. The descending matron represented in this lot is a maternal giant from the heart of the progressive Logan Hills breeding program. Individually, here's one that's flawless at the ground—she's big footed, relaxed in her pasterns, long striding and one that hits you hard when she's in motion. Aside from that, admire her front end design, depth of body, square hip and natural muscle shape. Numerically, she is among the breed's best, ranking in the top 25% or better for six industry relevant traits—WW, YW, CM, CW, MB & \$MTI. Bid with confidence.

This exceptionally well designed, huge numbered Lim-Flex female is a truly unique buying opportunity. Visually flawless best describes this big footed, free moving, sleek fronted, big bodied, square hipped female. On paper, take note of her top 10% weaning and yearling figures plus, she ranks in the top 2% for both marbling and mainstream terminal index. Simply stated, this is a can't miss homozygous polled female that's sure to be an asset to your genetic arsenal.

FALL PAIRS

LOTS 40-59

This is one impressive set of fall pairs when you study them from top to bottom. Many of these prolific producers have several years of production records behind them, yet remain youthful enough to be productive members of your program for years to come. In this group is also a set of heifers bred for their first calves. Their pedigrees are fresh and the service sires are among the best in the business.

This Lodestar grandson is sure good! Double polled, long patterned, deep sided and one that strikes you with an easy fleshing look. The combination of Responder, Lodestar and Wulfs XM Radio found in his pedigree add predictability to the equation. There's no doubt this beef bull should have plenty of friends sale day.

Here is a featured lot from new purebred Limousin donor, WLR Zasha. She is a full sib in blood to WLR Ugly Betty, the leading donor for Wies Limousin and the dam of two of the finest females in our breed who in turn are full sibs in blood to the embryos offered here. AUTO Bette 266Y was a past National Junior Show Grand Champion Female. AUTO Bliss is the \$31,000-valued female who sold to Lawrence, Hall, Coyote Hills and Diamond Hill. The genetics behind this mating are like no other.

Selling the right to flush to the bull of the buyers choice! We guarantee 5 embryos with a maximum of 10. Seller pays flush costs and buyer supplies semen.

The donor female is simply one of the most phenotypically complete donor cows to walk the pastures of the venerable Circle L program. She's moderate made, big bodied, boasts a perfectly constructed udder and as a bonus, packs a punch numerically by ranking among the breed's very best EPD-wise. Don't overlook this buying opportunity sale day.
