Welcome again to our Annual fall sale at Mt Pleasant, Texas. Once again our consignors have stepped up to bring some great Limousin, Lim-Flex and Angus cattle. Come by sale day and evaluate what we have to offer. There will be some great herd sire prospects as well as highly productive females out of some of the top genetics in the breed.

This year's sale will feature the dispersal of the late Everett Martin of Martin Limousin of Luther, Oklahoma. Everett's herd has raised the top selling bulls at several Oklahoma Limousin bull sales for several years in a row and these are the factories and some have split off calves at their side. There are two new Angus consignors that will be bringing some great cattle as well, Green Meadows Angus of Madisonville, Texas has been consigning the top selling bulls at the Houston and San Antonio all breed bull sales for the last several years, Mike Thomson Angus of Mt. Pleasant, TX consigned a few at last years sale that I happened to purchase, I wish you could see what these two first calf heifers I bought raised, front pasture cattle for sure, great calves, and I look forward to what Thompson Angus brings this year as these cattle will work great in any purebred Angus or a Lim-Flex program as well.

Lunch will be provided sale day and cattle will be available to view Friday afternoon. Call me, or any member of the sales staff and we will answer any of your questions

Make note that a lot of the cattle did not have pictures due to the extreme rain that we have had in Texas.

See you at the sale.

Kevin Council, President
