Selling full possession and 50% Semen Interest

Explosive rib shape is this one's strong suit. J6 Nexus 131F is packed full of muscle expression and has such a commanding presence. We love the head and neck on this one and his strong, level top. We are selling full possession and 50% semen interest in this Silveiras Mission Nexus 1378 son. His sire has been the top semen selling Red Angus bull in the Origen lineup for four consecutive years and has produced numerous national champions. This bull is out of the legendary Damar Mimi W085 donor. She is known as the female who produces progeny with extraordinary breed merit and super style. Breeding value will be high in this young herd sire prospect with such maternal greatness in his pedigree.

Bull &

Here is a value package from phenotype to genetic makeup. This young bull is one that we admire for his durable build and structural integrity. He is out of the high performing Red Soo Line Power Eye 161X bull. J6 Power Eye 259F comes from the highly coveted Peek A Boo cow family. His dam, Majestic Peek A Boo X24 produces cattle that always work their way to the top. Be assured that this guy will be sound in production and sire cattle that are complete, well-designed and structurally correct.

Here is a moderately designed individual that is super clean in his front one third. He tracks with such a long, comfortable stride. This bull's dam is the TC Ellie 32Z female that highlighted our 2015 Legacy Collection sale when half interest sold for \$30,000. She was a part of the cow calf pair that won the North American Red Angus show. She is a daughter of Three Aces Sideways that continues to produce high caliber individuals. This is such a unique opportunity to have quality genetic influence from two premier individuals within the breed in your operation.

J6 Maxed Out 289F is from a series of stacked performance and maternal greats. We love the way this bull orchestrates structural soundness and style into a moderately framed, functional package. This young herd sire prospect is from one of the top females in the breed, WR Porche 0030 who we are always proud to have right here in our program. She is a daughter of the famous GT Cita 4060 female who proves her worth year after year.

The two-time Denver National Western Stock Show Grand Champion Red Angus Bull Six Mile Taurus has been said by many noted cattlemen around the country that he is one of the finest purebred Red Angus bulls in the breed. It does help that he won the Denver show as a calf in year and then again in year 2016 but simply said he is flat amazing! Sound and big footed, full of middle with a ton of rib, eye appealing from every angle and so cool in his presence. This bull has it all and to top it all off, his first calves are making many stand up and pay attention. We will let his progeny speak volumes on what kind of breeding bull he is and hope you can come take a look at them for yourselves on sale day.

Bull &

Here is a powerfully constructed bull that comes from influential genetics. We love the way this one's swooping middle ties into a sleek front end. On the move this one is about as flawless as they come. He's soft in his pasterns and tracks with a long, confident stride. His dam, Red JSTN Elora 0495, is from some of the most impressive Canadian performance lines and is a daughter of the impressive Red Fine Mulberry 26P donor. This bull is rugged in his design and we know he'll be an impressive producer for years to come.

A combination bull in terms of stoutness, royal genetics and potential. We admire his powerful muscle expression and his rugged design. This bull's dam is the great Red Six Mile Ms Extra 201T, a premier dam within the CAA registry. Six Mile has numerous maternal sisters to her in production - talk about cow power! J6 Taurus 103F is a maternal sib to J6 Mr Omaha D646, whom we sold for \$12,000 (half-interest) to Jared Zeer in our 2017 NWSS Online sale. With genetics from Six Mile Taurus and Ms Extra, this one is sure to keep making the kind of individuals you see in the headlines.

This one is sound to the ground. We love his depth of body, spring of rib and his powerful design. This is one to study and put on your list for sale day. This Jagger son is out of the 2007 NAILE Grand Champion Female, WEBR MS Sue Ellen 18S. Backed by some pretty elite genetics, this is a bull you can take home and build a cow herd around!

Bull &

Here is a bull with plenty of horsepower and a super stout hip. He has a tremendous look and is super deep sided with a great build. He is incredibly sure footed and tracks ever-so comfortably. This bull's dam, Riggins Anne 903, has produced some of the most highlighted individuals to date from the Shuter Family Cattle Company. She is the dam of two Grand Champion Females at the NAJRAE. He is the right size and has the soundness to work well in any scenario you put in front of him.

Style and tons of power in this one! He's got one big belly in him, a great front one third and he's super sound on his feet and legs. This J6 John Hancock 104F is a son of WR MS Porche 0030. This guy is hard to miss with the amount of power he's packing. He's just a chunk of a bull and one that you'll want to have in your pastures.

If you look just at this one's pedigree, you'll fall in love. Winning is at the top in this female's pedigree. Her dam, WR MS Betty 9035 is a past national champion for us and continues to be a leading donor in our program. Her sire, Majestic Lionheart A25 is also a past NAILE champion bull. She has a tremendous amount of body and rib shape.

Talk about an elite pedigree! J6RA Evening Tinge 206F is a daughter of MR TR Hammer, the revenue sharing \$200,000 top-seller for Hartmans. She is from the royally bred GF Evening Tinge 1X female. A daughter of hers, J6RA MS Rachel 712B sold for \$120,000. This female also has a great set of numbers behind her. Her yearling weight and milk EPDs rank in the top 15% of the breed. She is soggy made and thick from end to end. One that you'll want grazing in your pastures year after year and producing sound, functional individuals.

We really admire the feet and legs in this female. She tracks so sound and with such a long stride. She's got a great look about her and smooth in her front one third. J6RA Tridge is a daughter of the outstanding numbered TJ High Caliber 556B. This female is sure to make any cattleman happy when she goes into production, one might even want her to have a forever home in their front pastures.

This female is fresh and feminine in her makeup and built to produce some great individuals. She is a purebred Simmental female from a MR TR Hammer 308A daughter. She is also out of KMJ Revenue. J6RA Forever Lady 208F is good bodied, long in her skeleton and she's got a great hip in her. We are confident this female will be a true performer in production and will put that added zap of style into her offspring.

| Weights Available on Sale Day |

We can't wait to see the future this one has ahead of her. She is good hipped and has great width and substance of bone to stand on. J6RA Sarabelle 133F is out of TMAS MR Upgrade 6519D. He is a full sib to TR Bottoms Up, the high selling bull in the 2017 Thomas Ranch Bull Sale.

| Weights Available on Sale Day |

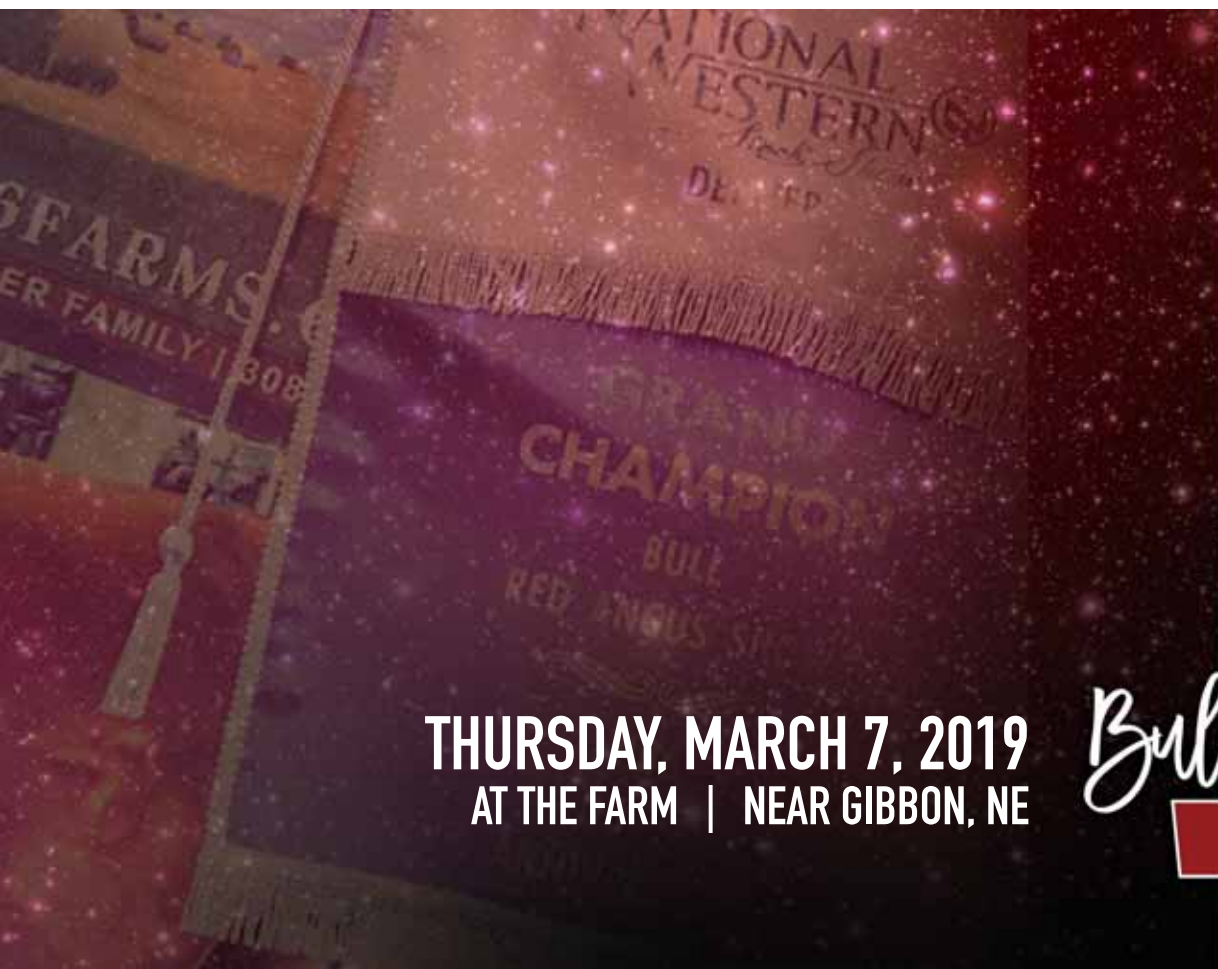

When we think of a functionally made female, this is the one that comes to mind. She is smooth in her lines, deep bodied and tracks with great confidence on the move. J6RA Ellie 183F is a KMJ Revenue daughter. We are excited for a cattleman to get this one into production to see the kind of cattle she produces.
