

JCL Red Angus
SPRING ONLINE SALE

APRIL 20, 2021 | CCI.LIVE

Extended bidding begins at 7:00 PM CDT

Welcome

We have a long history in the cattle business. We made a landmark change to breed Red Angus in 2017.

We are very impressed with calm disposition, and good mothering abilities of our Red Angus. We strive to build a small herd that is structurally sound (especially feet and udder) and performance oriented. We want all this, and enjoy competing at the highest levels in the show ring.

We are still growing. In August of 2020, we were fortunate to have Drew Wright join us as herdsman. Also in 2020, we hit our goal of 50 Red Angus calves.

In 2020, and early 2021, we were honored to be both premier breeder and premier exhibitor at the 2020 American Royal, and the 2021 National Red Angus Show.

We plan to stay small – breeding about 50 head per year. We strive for continuous quality improvement. We live to help young people, and established breeders, find their next good one!

Want a HOT show heifer with a sound look and pedigree?

She's your girl. Have a run with us in the next year or two, then work with us to build your own cow family.

Sired by Mann Red Box 55C, Cinnamon's mother was barely 3 when she was born, and had already produced JCL Hoss (sold in our Fall 2020 sale). The cow is big, deep-sided, Tommy Jack daughter that we now consider to be one of our top young donors.
