## Welcome!

Our 9th Anniversary!

Dear Friends,

Welcome to the Miami International Agriculture, Horse and Cattle Show and welcome to Miami-Dade County, the "Capital-of-the Americas", where people meet, enjoy and do business, in a beautiful, safe and friendly city, the place where everyone feels "at home". With representatives from over twenty countries and fifteen states, your attendance to the Show and the Magic City Sale will add luster and importance to these great events.

We take great pride in inviting you to view the exceptional offerings in our sixth annual Magic City Sale catalogue. Our standards are very high. The quality of the genetic materials and live animals presented is extraordinary. I believe this will be our best auction to date.

As always, the proceeds from the Miami International Agriculture, Horse and Cattle Show go to the South Florida Autism Charter School, a school for 189 boys and girls affected by this terrible disorder located in Miami-Dade County. This is a high quality "open school" for children of all creeds and colors. To this date, MI-AHCS has given SFACS over half-a-million dollars. This has been the difference between keeping this excellent school open or having to close it.

From all of us here in Miami-Dade County, thank you, thank you very much for your continued support.

I look forward to seeing you at the Show and the Sale.

Sincerely,

*Sen. Javier D. Sento*

County Commissioner, Miami-Dade County, Florida  
Chairman of the Event

Sells bred safe in calf to JDH Mr Manso 734/6

You will truly appreciate this moderate framed replacement heifer's structure and thickness. Her deep cherry red color, gentle disposition, soundness, and easy movement are attributes you simply cannot overlook. Additionally, this heifer's pedigree will be a wonderful addition to your herd. Her dam is a KC Apache daughter and her sire is from the renowned Mr. 3H X-Ray. While this heifer's show career has come to a successful end, her future calves' careers are just beginning. With an excellent pedigree, she is sure to produce and strong replacements and excellent show prospects. This is a total package.

TTT LADY SUVA'S ECHO 851 comes straight from our show string and represents our signature "Tic Tac Toe" cow look. 851 is one of our highest performing spring 2015 females and you'll be hard pressed to find a female that combines the quality and powerhouse pedigree found in this offering. She is extremely elegant in design but powerful in her muscle pattern. She consistently catches the attention of cattlemen that have visited the ranch and leaves a lasting impression.

The 851 female is sired by JDH Echo's Lair, a senior herd sire at Tic Tac Toe Ranch and producer of numerous show champions and top progeny. You'll find breed greats like JDH Echo, +JDH Liberty and =JDH Sir Marri Manso on the topside of this female's pedigree. 851 is out of a +JDH Martin Manso daughter that combines a unique blend of JDH, Diamond T and Tic Tac Toe genetics. This is the type of pedigree that any breeder can build a herd around.

Not many females of this caliber leave Tic Tac Toe Ranch. Don't miss your chance to incorporate TTT LADY SUVA'S ECHO 851 into your breeding program. Tic Tac Toe Ranch reserves the right to two IVF aspirations after the first calf or show career if the female remains in the USA.
