Equestrian Center, Miami, Florida

**This sale will be broadcast live at ...
CATTLEINMOTION.COM**

To view and bid on this sale live, simply log on to Cattleinmotion.com and click on the sale that will be listed on the right hand side of the screen. If you have never been to the CIM site, you must first create an account (24 hours in advance) to view and bid on a sale. Then pay your \$1 lifetime verification if you wish to bid.

Sale Terms & Conditions

TERMS: All cattle/genetics must be paid for immediately after the sale. Checks should be made payable to Moreno Firms, Inc. Cattle/genetics will not be released until proper settlement has been made.

SPECIAL TERMS: (cattle/genetics for export) Lots and genetics that are sold for export must be paid for at the time of the sale. There will be a representative of a forwarding company on hand to assist in this matter. It will be the responsibility of the buyer of these cattle/genetics for export to make arrangements with the seller for the care of the lots or genetics after the sale. Buyers will be responsible for any layover costs following the sale.

EMBRYOS ... Each package of three embryos guarantees one 60-day pregnancy if transferred within 90 days of purchase. All procedures must be performed at Trans Ova Genetics, and using Trans Ova Genetic's recips, or the guaranteed minimum will be voided.

IVF PROCEDURE ... Each IVF PROCEDURE has a guaranteed minimum of five transferable embryos. Buyer will receive all additional embryos of the procedure, should there be any. Buyer pays for all flushing costs, as well as any procedure related expenses. All procedures must be performed at Trans Ova Genetics, or the guaranteed minimum will be voided. If reverse sorted or sexed frozen semen is used to fertilize, the guaranteed minimum will be voided.

SEMEN ... The utilization of semen in reverse sorting technology needs to have a ratio of 25 to 30 oocytes when sorted per 1 unit of semen, on average and depending on the quality of the oocytes.

EXPORTS: Cattle/genetics sold for export to foreign countries must, by state law test for diseases flagged by the country receiving the animal after the sale is made. The buyer will be responsible for this testing.

BREEDERS GUARANTEE: Every lot in this sale is, to the best of the seller's knowledge, sound and free of any disease. Pregnant cows and cows with calves are considered breeders without further guarantee.

HEALTH: All necessary health papers will be provided for the purposes of shipping cattle and genetics anywhere in the U.S.

HANDLING: As the sale takes effect, all lots are under the buyer's risk.

LIABILITIES: All persons who attend the sale do so at their own risk. Miami-Dade County, Moreno Firms, Inc. and MIACS, including the sale manager, assume no liability, legal or otherwise, for any accidents that may occur. Seller accepts no liability for the lots after they are sold. Insurance will be available at the sale for cattle/genetics upon the buyer's request.

ANNOUNCEMENTS: Any announcements from the auction block will take precedence over the printed material, this catalog, and all other printed advertisements.

DISPUTES: The auctioneer in charge will settle any bid disputes. The decision of the auctioneer on such matters is final.

CONTRACT: The above terms and conditions shall constitute a contract between the buyer and the seller of each lot sold.

TRANSPORTATION: Free transportation of sale heifers to central locations in Texas, Louisiana, Mississippi, and North Florida.

SEMEN RELEASE: Upon payment, semen lots will be released from their respective storage facilities, and must be claimed within 30 days of the sale. Sale management is not responsible for semen lots not claimed within the designated time.

Dear Friends,

Welcome to the Miami International Agriculture, Horse and Cattle Show and welcome to Miami-Dade County, the "Capital-of-the Americas", where people meet, enjoy and do business, in a beautiful, safe and friendly city, the place where everyone feels "at home". With representatives from over twenty countries and fifteen states, your attendance to the Show and the Magic City Sale will add luster and importance to these great events.

We take great pride in inviting you to view the exceptional offerings in our seventh annual Magic City Sale catalogue. Our standards are very high. The quality of the genetic materials and live animals presented is extraordinary. I believe this will be our best auction to date.

As always, the proceeds from the Miami International Agriculture, Horse and Cattle Show go to the South Florida Autism Charter School, a school for 189 boys and girls affected by this terrible disorder located in Miami-Dade County. This is a high quality "open school" for children of all creeds and colors. To this date, MIAHCS has given SFACS over half-a-million dollars. This has been the difference between keeping this excellent school open or having to close it.

From all of us here in Miami-Dade County, thank you, thank you very much for your continued support.

I look forward to seeing you at the Show and the Sale.

Sincerely,

Sen. Javier D. Souto

County Commissioner, Miami-Dade County, Florida
Chairman of the Event

Welcome ...
to our 10th Anniversary!

Greetings from the Magic City,

Miami is truly a "Beta World City" functioning as one of the world's most important centers of commerce, finance, and corporate headquarters. Its opportune, geographical location allows it to strongly sustain a viable international business community. Miami-Dade County, Florida is, after all, the Gateway to the Americas, and therefore, the most appropriate to host an international event designed to advocate and promote Florida's second largest industry, agriculture.

The Magic City Sale has become an integral part of the Miami International Agriculture & Cattle Show (MIACS). In its seventh year of being highlighted, the sale features superior cattle, exclusive semen and elite genetics from the most progressive and reputable cattle programs in the United States. Whether you are a novice agribusiness entrepreneur or are deeply established in the field, this is an opportunity to enhance your program with the highest quality selections chosen by a detailed set of criteria.

We encourage you to invest in the future pioneers of MIACS. These offerings are truly impressive and can help instantly expand your business. We invite you to review our 2017 Magic City Sale Catalog, and guarantee you will love what you see!

For more information related to MIACS, please visit our website at www.MiamiCattleShow.org or email us at Show@MorenoFirms.com. For buyer registration or inquiries related to the Magic City Sale, please e-mail us at Sales@MorenoFirms.com or call us directly at 305.218.1238.

We look forward to seeing you in the Magic City on sale day!

At your service,

Kelvin Moreno

This outstanding Red Brahman Female is the produce of two International Champion & Register of Renown parents. SRS Troubadour certainly needs no introduction as he was a many times winner and producer of champions around the world. Lady Violet is the 2015 International Champion Red Female but more importantly being a producer of champions such as the 2016 International Reserve Calf Champion Red Female and two division winners at the 2016 National Show. We are extremely proud to be able to offer our best and know that Moreno Ms. Lady Rowling has the pedigree, phenotype and marketability to be a household name for years to come.

JDH Sir Stratton Manso 823/4, a powerful son of Elmo that has created quite a stir in the Brahman breed with his first progeny making such a big impact in the U.S. and worldwide. He is a top performance sire ranking in the top 10% of the breed in weaning weight and yearling weight. His calves have made a statement in the breed and are very much in demand around the country.

His first progeny were sold in Australia at the 2016 World Brahman Congress Sale, where they were one of the highlights of the show and sale, commanding top selling prices of \$18,000, \$17,000, \$16,000, \$14,000 and \$8,000

+Miss B-F 42/7, a proven daughter of JDH Mr. Manso 258/4, continues to produce excellence. Her daughter, Moreno MS. Lady Shakira 254, sold for \$18,500 to Finca Maria Olga of Guatamala in the '14 Moreno Ranches Viva La Brahman Fiesta Sale. Four of her progeny averaged \$8,875 in that sale as well.

Consignor ... Arrow B Cattle Co.

JDH Mr. Manso 734/6: A young beautifully pigmented son of the JDH Mr Todd Manso 555/1 bull, 734/6 is a very lengthy, moderate, and stout bull with a lot of potential. With a 38cm scrotal circumference and having passed a BSE at 17 months, there is obviously plenty of fertility in 734's genetics. Having breed greats in his pedigree such as Madison, Westin, Elliott, and Liberty is an added bonus and will certainly pay huge dividends to the breeders that influence their herds with JDH Mr Manso 734/6.

This mating really worked well as this female is one of the top lots of the sale. She is the result of the blending of JDH Mr Manso 734/6 with Miss La Preciosa 206/1. Two superb lines of cattle have come together to create a tremendous young heifer calf.

X-Ray is a bull that has been used successfully around the world in addition to making his impact in the United States. X-Ray represents a proven lineage with sires included in his pedigree, +HK Mr America 61/9 (The Millionaire) and +HK Mr. America 435 (Magnum). X-Ray's dam +Miss 3H 290 (Miss Ray) was Sam Harris' 3H Ranch favorite cow. Past lineage he is structurally sound from the ground up and a dream come true for Lanier Brahmans. We love his prominent stance, his muscle pattern, clean sheath, fluidity of movement and flawless design.

Treinta: Here is one of the most proven and predictable donors to represent our program. She is a daughter of Mr Rexcrata 30 and from Mr Miss Remington 12. This proven donor raised Moreno Ms. Lady Rambie Jo 410, a daughter of +TTT Mr. Texas Lotto 670. She was a top purchase by Lindsey Wilder and later was a class winner at the competitive 2014 AJBA All American Junior Show. Another daughter, Moreno Ms. Lady Rosalie 444 sold to Sorrel Panaro. She was named the Reserve Calf Champion at the 2014 Bluebonnett "Kick-Off Classics". These two females are just a prime example of the producing ability found within this great donor and her heritage.

Royal K is one of the heaviest muscled, widest based, easiest fleshing bulls we have ever seen. Sound in his structure and design, he is a real beef bull with an abundance of ribspring and natural muscle. This bull excels in every area that is a true indicator of muscle and width; muzzle, forearm, right in behind his hump, hip, stifle and base width.

Miss B-F 292/2, who just happens to be a full sister to the ever-popular donor, Miss B-F 201/9, who in turn is a daughter of the great +GS Ms. Mulhim Manso 314. 314 is a landmark donor from the Bennett Farms program in Choudrant, LA. She has produced 14 females and two bulls in their program and has entered Register of Renown status in the ABBA registry. Some of her recent progeny that have been campaigned in the show ring include Moreno Ms. Lady Ritz On 544 and Moreno Ms. Lady Fair Play 434.

Here is a half-sister to the 2009 National Champion female, BB LP Enchanted Moment 910. She was unbeatable when she was being shown and was recognized as one of the greatest show females to ever exist. BB LP Wham Bam 913 is extreme in her heaviness of bone, foot size and has a world of rib shape and capacity. She is extremely big footed, soft in her pasterns and very sound in her structure. Her daughter was a top seller in the '15 Moreno Ranches Catalyst 3 sale and was purchased by Double A Ranch in Texas. Other progeny are highlighted in elite programs throughout Mexico, Guatemala, Panama, Nicaragua and Ecuador.

"Rufus" is said by many to be one of the truly great Red Brahman bulls to come around in a long time. We firmly believe he can make a huge impact with the flawless traits that he has. He very confidently walked into the prestigious 2016 ABBA International Show and dominated as well as captivated the audience and the three judges. He is massive in his foot size, soft in his pasterns and very fluid in his movement. This stout made and heavily muscled beef bull is extremely level and strong down his top and out through his hooks to pins. We appreciate his depth of flank, volume and capacity. Only one bull of this level comes along in a lifetime and we are more than excited to see the uniformity of his calf crop as time goes on.

	HK MS. AMERICA 901 (901)			

Consignor ... Chasey McCrimmon

"Rufus" is said by many to be one of the truly great Red Brahman bulls to come around in a long time. We firmly believe he can make a huge impact with the flawless traits that he has. He very confidently walked into the prestigious 2016 ABBA International Show and dominated as well as captivated the audience and the three judges. He is massive in his foot size, soft in his pasterns and very fluid in his movement. This stout made and heavily muscled beef bull is extremely level and strong down his top and out through his hooks to pins. We appreciate his depth of flank, volume and capacity. Only one bull of this level comes along in a lifetime and we are more than excited to see the uniformity of his calf crop as time goes on.

Mr. 'Rufus' Fontenot 333

Moreno Ms Lady Elsa 814

JDH Goudeau Manso 174/0: He is a sire with a complete outcross pedigree to most established lines that stem from a very maternal line of cow families. He is a powerful performance bull and his progeny are at the top in terms of weaning and performance. He is massive in terms of performance, super sound in his structure and very prominent in his stance. JDH Lady Brenna Manso, is one of the leading Moreno donors; an own daughter of the famed register renown JDH Data Pack Manson and from a JDH Sarasota Manso daughter. Those that have seen her have been amazed with her mass and overall capacity. She is extra-long bodied and very maternal in her appearance. She continues to amaze us in her production.
