Comments From Sale Management

Cattle Enthusiasts,

It is with much excitement and anticipation that all of us at R&R Marketing Company welcome you to the Night on the Town Sale. As you flip through this catalog you will realize exactly why we are more than excited. We love and cherish this industry and wanted to create a sale that celebrated everything that is good about the business...the people and the product! When Kiley and myself started this venture, we quickly realized this sale was going to be something special not only for us, but for all involved. The overwhelming response received by our clients is beyond belief. Many clients throughout the United States and Canada were more than eager to be involved, not only to sell, but also to be in attendance at this sale.

I want to congratulate all those involved in this sale for their willingness to work together to make this a sale where we will celebrate the good in so much of what we do. As we all know, we are stronger when we work together and this event shows that more than ever.

Thanks to Kiley of MC Marketing for working together as a team with one common goal in mind...showcasing this industry the way that it should be!

Thanks in advance,

Randall O. Ratliff
R&R Marketing Company

Cattle Friends,

In the time I have spent assisting seedstock producers market the fruits of their labor, many memorable events come to mind. Each and every one of them was special in its own right, and turned out to be events the industry could and should be proud of. The goal of Randy and myself in creating "A Night On The Town" was to create just such an event. Thanks to the efforts of many, most especially the premier producers from across this continent, we feel this sale has developed into "can't miss" event.

As you study this sale book, it will become evident that breeder's bought into this philosophy and dug deep into their genetic arsenals to offer seedstock that are truly worthy of carrying the moniker, "Elite." From major league herd sire prospects, to proven donors, to fancy open heifers, to embryo packages never offered before, the lots presented here are "the best of the best."

It has been, and will continue to be, my pleasure to work with both buyers and sellers to help each achieve their goals. If we can be of any assistance prior to or during the sale, please do not hesitate to contact myself or any capable member of this marketing team.

I look forward to seeing you in Vegas!

Sincerely,

Kiley McKinna
MC Marketing Management

SALE ORDER ...

Cattle sell in catalog order. Any additions and corrections to the sale catalog will be posted the evening prior to the sale at RRMktg.com and MCMarketingManagement.com.

ANNOUNCEMENTS ...

Announcements made sale day by the owners, auctioneer or sale management take precedence over statements in the sale catalog.

PAYMENT ...

All lots must be paid for at the time of the sale unless prior arrangements have been made. Auction proceeds will be conducted under Kiley McKinna dba MC Marketing, 648 W. Sawgrass Trail, Dakota Dunes, SD 57049. Bond # 7901027402 (USDA, Grain Inspection, Packers and Stockyards Administration Packers and Stockyards Program)

TRANSFERS ...

Consignors are responsible for registration and transfer of lots after settlement.

General Sale Information

INSURANCE ...

Insurance will be available sale day.

TERMS AND CONDITIONS ...

Terms of the sale are cash unless satisfactory credit arrangements have been made prior to the sale. Please note; The sale manager is an agent for the seller and has no responsibility other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the sale manager nor the sale consigners assume liability. Legal and/ or otherwise on any accidents that may occur.

*Cattle sell in accordance with their respective breed associations.
EPDs current as of November 28, 2022.*

PLATINUM SPONSOR

WILDER FAMILY LIMOUSIN

Since 1912, the Wilder family has been farming and ranching in Snook, Texas, just outside of Bryan/College Station. Until 1982, the Wilder family primarily relied on farming as the dominant business. Fourth generation partner, Jay Wilder, expanded the horizon of the family farm by showing and investing in Limousin cattle.

Wilder Family Limousin runs approximately 100 head of purebred and Lim-Flex Cattle. They also run a large commercial cow operation in conjunction with the registered cattle. In the farming operation they grow cotton, grain sorghum, wheat and soybeans. They focus on marketing show prospects, commercial and seedstock bulls and bred heifers for their fellow seedstock producers.

Jay, the fourth generation partner in the operation today, is a 1993 graduate of Texas A&M University. In 1994, he and Molly married. In 1996, the fifth generation, Jayce, and twin brother, Spencer, were born. Molly is a 1993 graduate of Texas A&M as well. Currently she teaches 2nd grade for Bryan ISD. When she retires she will become more hands on with the day-to-day operations.

Throughout Jayce and Spencer's show career they have been very successful. They have shown on the local (Brazos Co.), state (Fort Worth, San Antonio, Houston and Texas Limousin Field Day) and national levels (National Western and National Junior Limousin Shows & Congress). The brothers graduated from Texas A&M University and returned home to the farm and ranch.

Jay has been active with the Texas Limousin Association, serving on the board of directors for many years, including a term as the organization's president. He is currently a member of the NALF Board of Directors.

Wilder lots selling include: 23, 24 & 25

PLATINUM SPONSOR

DAVIS RANCHES

Davis Ranches is led by a Texas family devoted to faith, family and Limousin cattle. Nestled in the heart of central Texas right outside the city of Brownwood, Brad, Traci and Blair Davis are the essence of true passion for the Limousin breed. Established in 1984, Davis Ranches began with three head Brad purchased with profits from his show steer. Today, they run more than 150 registered Limousin and Lim-Flex cattle.

A common denominator throughout every aspect of the Davis' lives and cattle business are the people they've surrounded themselves with. An early mentor to Brad was Jack Stepp, the manager at M&L Limousin in the 1980s. Another pivotal influence for Brad and Davis Ranches is the late Ed Pinegar, founder of Pinegar Limousin. Brad and Ed partnered on several cows together and their working relationship evolved into a phenomenal friendship.

Brad considers one of his greatest achievements in life to be the people he works with on a daily basis. Brad's daughter Blair returned to the ranch last May after graduating college and Brad believes it to be a monumental blessing. Blair grew up showing Limousin cattle on the county, state and national levels.

Another blessing for Brad and Davis Ranches is Corey Sanchez. Brad knew he had something special in Corey as a high schooler working at the ranch. Many years later, Corey became the Davis Ranch manager and together with his wife, Stefanie, moved to Brownwood in 2017. Corey is an integral force behind what Davis Ranches has become today.

Everything the ranch has done and continues to do has surpassed any goal Brad ever had. Brad loves the young people and the show ring. "It's important for me to befriend as many people as I can and have some good cattle for them to show, that's why we do what we do. If I make a difference to one kid, this is all worth it," Brad said.

Davis lots selling include:

A Night ON THE TOWN Sale v

SATURDAY,
DECEMBER 10, 2022
 DA VINCI ROOM • 1 PM PST
 BELLAGIO HOTEL & CASINO • LAS VEGAS, NV

On behalf of each and every consignor we appreciate your interest in the offering assembled for the “A Night On The Town Sale” All Breeds Sale.

We could think of no more fitting venue for an event of such industry importance than the Bellagio Hotel & Casino in Las Vegas, Nevada. The goal of this sale was to assemble a truly unique set of elite genetics from leading producers across the continent.

The overwhelming response received by both consignors and potential buyers has been tremendous. We would like to congratulate everyone involved in this sale for working as a team to make this a sale one we can celebrate the best the industry has to offer.

We are proud to present this offering to you and feel this sale has developed into a “can’t miss” event. As you study this sale book, it will become evident that breeder’s dug deep into their genetic arsenals to offer seedstock that are truly worthy of such a prestigious event—the lots presented here are “the best of the best.”

Please contact any member of the marketing team with any questions you may have.

We hope to see you in Vegas!

CELL Keystone 2221K is a full sibling to TASF Heinieken 405H, the \$44,500 top-selling lot from the 2021 Thomas & Son Farms New Years Resolution Sale. From a phenotypic standpoint, he is flawless at the ground—big-footed, relaxed in his pasterns, long-striding and one that hits you hard when in motion. Study his depth of body, square hip and natural muscle shape. Numerically, he ranks in the top half of the breed or better in some of the most relevant traits in the industry—WW, YW, MK, CW, RE, MB and \$MI. Also, worth noting—he is out of an exceptional Angus donor that we admire for her udder shape, reproductive efficiency and phenotypic design. She was Supreme Champion All Breeds Open and Junior Show at the 2015 Keystone International. What's more, he is sired by the 2017 NWSS Grand Champion Limousin Bull, TASF Crown Royal 960C. Simply stated, don't miss this well-rounded individual sale day.

Seller retains 25% interest.

This herd sire prospect is an absolute eye-catcher. Stout featured, long-bodied, wide-based and truly impressive when set into motion. He is sired by SSTO Guns N' Roses 9408G, the highly sought-after son of TASF Crown Royal and the winningest female ever in the Limousin breed, Riverstone Charmed. He is a sire of multiple champions throughout the breed and continues to sire individuals that command top dollar regardless of location. He is a son of SL Breathless Angel who needs little introduction to the Limousin community. She is the daughter of the famous Angus sire Gambles Hot Rod, and the daughter of JSTH Angels Centerfold was a many-time champion for the Straight family. This female is part of the "Cookie" legacy that is one of the most storied maternal lines in the breed's history. Don't miss out on your chance to own this remarkable individual that will predictably advance your breeding program to new heights.

What a tremendous Lim-Flex bull to set your sights on! DL The King's Man 537H is sired by ELCX Kings Landing 599D who has taken the Limousin breed by storm. He was the 2018 NAILE Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. DL The King's Man 537H is out of WLR WVR Eva ET, a female sired by EXAR Blue Chip 1877B and out of the great WLR Ugly Betty 432U. When you study this bull's phenotype you'll appreciate him even more! He combines an elite pedigree with excellent phenotypic characteristics making him a high caliber herd sire prospect. From the ground up he is stout in his bone work with added angularity to his skeletal makeup. When you get him on the move, he is flexible off both ends, comfortable in his pasterns and has a tremendous length of stride.

It doesn't get any better than this! The prestigious Magness Land & Cattle program has offered up this well-known and proven AI sire! MAGS Summit has 70 Progeny registered in NALF. His first calf crop were feature bulls in the 2020 Magness Land & Cattle Spring Bull sales. He is sired by, MAGS Zappo, who is a son of the popular AI sire MAGS Xyloid. On paper, this proven sire ranks in the top 50th percentile of the breed in many areas including weaning weight, yearling weight, scrotal circumference, stayability, carcass weight, marbling, and mainstream terminal index. This homozygous polled, homozygous black herd sire is ready to go to work in your operation.

Selling 50% Interest and Fall Possession

MAGS Hard Core 1623H is a proven herd sire that is an absolute eye-catcher. Stout featured, long-bodied, wide-based and truly impressive when set into motion. He is sired by AHCC Hemi 0901E ET, a tremendous son of SAV Resource 1441 and out of the highly productive LVLS 9066U donor, he garnered a lot of interest at Hager Cattle Company's annual sale and is now siring progeny that sort to the top of any herd he is applied. His donor dam is MAGS Britani, a beautiful 6-year-old MAGS Y-Axis daughter. Numerically MAGS Hard Core 1623H ET ranks in the top 15% for both weaning weight and yearling weight. Top 10% for scrotal, top 3% for stayability and the top 15% or mainstream terminal index. His calves are real stand-outs. His combination of presence and numbers project him to be the type of herd bull that produces well-balanced, stout calves year in and year out.

Selling 50% embryo interest with option to double. Retaining show career.
Without a doubt the best Angus heifer raised at Sullivan Farms in 2022. This Silveira's Forbes daughter is complemented maternally with the great Forever Lady cow family. Her dam, WB Princess 902, was Supreme Champion Female at the 2020 Iowa Beef Expo and Champion Angus Female at the 2021 Cattlemen's Congress. She was the 2020 ROV Show Heifer of the Year for Sara Sullivan. WB Princess 902's dam is EXAR Princess 6680, a triple crown winner for Carter Ward. WB Princess 902 generated \$100,000 in progeny in her first set of ET calves in her 2022 calf crop. This female's sheer mass, overall dimension and symmetry are second-to-none. She is phenotypically flawless and has the credentials to generate high dollar show females and elite herd sires. Invest with confidence in this stunning female. Selling half ET interest with the option to double up. If only half is sold, Sullivan Farms will retain possession and show possession.

Heifer pregnancy due 02.29.23.

An incredibly rare opportunity to acquire a purebred Angus heifer pregnancy from the Gateway Follow Me x WB Princess 902 mating. Gateway Follow Me is an Angus sire that is making a huge impact across the industry. He is a son of C&C McKinley 3000 EXAR and out of Dunk-W Maxine HR 505C. He combines desirable and difficult to replicate characteristics in such a stout, bold center rib with so much look and he's excellent in motion. He stems from a royal pedigree with First Class, Hot Rod and Lutton. The donor female in this mating is WB Princess 902, which we talked about at length on page 14. Opportunities of this caliber don't hit the open market very often, so now is your chance to get your hands on some of the most winning genetics in the country. A full brother will sell this winter in Sullivan Farms Bull Sale.

Selling Full Possession and Interest

An absolute highlight of this offering! It is with high anticipation when one of the leading beef operations in America offers a female from the forefront of their breeding program. This female is ultra-complete and wicked good. She is flawless in her lines, bold through her center body, soft structured and incredibly correct in her angles. This gal is sheer cow power to the max being loaded with overall dimension and maternal presence. On the move, she handles herself elegantly with a huge, confident stride and maximum skeletal flexibility. Aside from her phenotypical advantages she has breed-leading GE EPDS highlighted by ranking in the top 1% rankings for WW, YW, TM, CW, MB and \$MTI, plus top 4% for milk and top 10% for stayability and docility. Here is a purebred that deserves some serious attention.

Selling Full Possession & Half Interest with option to double.

Here is an incredibly feminine, beauty of a female. This female will stop you dead in your tracks with just one look. She is flat-shouldered, level-topped, structurally correct in her hip and hind leg, soft on her pasterns and takes a long stride. SSUL Kristi 2422K is a 56% Lim-Flex daughter of the great RLBH Air Force One bull. To date, there have been more than 400 calves registered under his name. RLBH Air Force One is the EF Xcessive Force son out of the great EF Yaffa female. SSUL Kristi 2422K dam is the ever-popular WLR Eden female who is gaining momentum as one of the breed's best young donor females. This striking Lim-Flex female will quickly live up to the hype and elevate herself into the donor battery, and her time in the limelight is just beginning. We suggest that you take advantage of this invitation to join in the legacy this female will build. JSUL Kristi 2422K is bred for consistency and quality—don't miss this rare offering, folks!

AUTO RADB Kimber ET is sired by the ever-popular KLS SULL Charmer ET, the \$52,000 valued herd sire. He is a son of TASF Crown Royal and out of the famed Riverstone Charmed 50C female. TASF Crown Royal has taken over the breed with his powerful influence. Riverstone Charmed 50C needs no introduction—she will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and dominate any arena they walk into. This female's dam is AUTO Framer 439F ET, a young, productive female worth major attention! She stems from some of the very best, time-trusted genetics in the Pinegar Limousin program. AUTO RADB Kimber ET is following closely in her mother's footsteps as she is stylish in her pattern, angular in her build and offers a world of cow power. On paper, she ranks in the top 10% of the breed for her milk figure and in the top 30% for weaning weight and yearling weight.

Selling half interest with the option to double up.

Due 2/4/23 to SULL Specialize 0537H (Angus).

SHSK Elaine Benes ET is a 43% Lim-Flex female from the highly productive mating of Silveiras Style and the famed WLR Prada. WLR Prada has earned the reputation for being a consistent producer and continues to produce cattle that are great footed, attractive, sound and maternal. SHSK Elaine Benes ET has had a successful show career garnering the Division IV Reserve Champion title at the 2022 NJLS&C. As well, this female will be part of Sara Sullivan's showring at the 2023 Cattlemen's Congress and Sullivan Farms will be retaining show possession through the 2023 Cattlemen's Congress. If only half interest is sold, Sullivan Farms will retain possession.

Sells bred to COLE Genesis 86G. Due 3/12/23

This female is one to get excited about. Talk about an eye-catching, maternal, productively designed female. She is extended through her front one-third, clean in her lines, sound on the move and carries natural rib dimension. Her sire, MAGS Federal Reserve, is a MAGS Cable son that makes his progeny not only attractive, but functional too. This AI sire has been utilized in numerous operations for his negative birthweight figure and breed-leading marbling. Her dam is a foundation female in our program. MAGS Bertha is a 50% Lim-Flex that we purchased from Magness Land & Cattle. On paper, Misty Morning Jayla 102J ranks in the top 20% for both weaning weight and yearling weight and ranks in the top 2% for both marbling and mainstream terminal index. We are beyond happy with this female and are incredibly excited to see what she does in the future! She will be a true asset to any program. Put her on your shortlist!

Consigned by Sadler Ranches, Perkins, OK

Fresh off topping our inaugural Maternal Showcase Production Sale to Grand River Angus in Michigan at \$90,000 for half interest, we are offering pick in this phenomenal set of sisters by Coleman Glacier 041. Six maternal sisters to this mating just averaged \$25,000 in the same event. 8113 has pulled the good out of every sire she has been mated to and built a foundation in a fast-paced way here at Sadler Ranches. 8113 herself is a perfect uddered female with a perfect profile, added base width, depth of body along with a load of maternal build and eye appeal. The sire of this mating, Coleman Glacier 041, is the record selling bull in Coleman Angus history, selling this past spring to Ferree-Fitzgerald. We feel the sky is the limit for these heifer calves. There are a total of eight heifer calves in this incredible mating to choose from at weaning in March.

A nighttime photograph of the Flamingo Las Vegas. The central focus is the Flamingo Tower, a tall, ornate structure with a clock tower at the top. The tower is illuminated with warm yellow lights. Below the tower, there are several large digital screens displaying various images. In the foreground, there are several palm trees and other tropical plants, also illuminated. The background shows the main Flamingo building, a large, multi-story structure with many windows, some of which are lit up. The sky is dark, and the overall scene is vibrant and festive.

Due spring 2023

Here is your opportunity to procure genetics from a donor that in the last four years has consistently raised as many high-dollar show steer and heifer prospects as ANY female industry-wide. Hara's Miss Heartbreak 422B is one of the highest dollar-generating females in the business and has proven to raise high-dollar prospects. In 2021, a flush of heifers took the business by storm as folks from across the country began to make their annual stop at RJ Cattle Co. W/C Style 69E, affectionally known as "Family Tradition," the Style x 8543 half-blood stud, sired a set of heifers that commanded \$109,000; \$33,000; \$20,500; \$15,000 and \$8,000. This heifer will be a full sibling to the extremely successful flush. The most notable flush sister is the RJ Horny 112J female who was campaigned by Sara Sullivan this summer to many victories. Most notably, this heifer was selected Champion Owned Percentage Female at this year's AJSA National Classic. To date, Hara's Miss Heartbreaker 422B has a known average of more than \$26,000 per head on more than 20 head sold over the last few years. Count this as your opportunity to dig deep into RJ's embryo inventory with a mating from one of RJ Cattle Co's most prolific females!

Due 8/1/23

Here is a pregnancy you won't want to miss! ELCX Kings Landing 599D is the MAGS Xyloid x WLR Prada son that has taken the Limousin breed by storm. He was the 2018 NAILE Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high selling lots of numerous offerings. To name a few, his daughter, ELCX Gracious 951G, sold for \$30,000 and ELCX G Mail 950G for \$15,000 in 2020. In 2021, his daughter DL Heaven Can Wait 550H sold for \$15,000 and he sired the \$105,000 high-selling female at the 2021 Linhart Limousin Fall Harvest Sale, CELL Jade 1157J. DL Hosanna 526H is a purebred daughter of TASF Crown Royal 960C and from the one and only Riverstone Charmed female. TASF Crown Royal 960C is one of the most popular Limousin bulls in the breed. He is making huge waves with his calves as represented by his banner winning progeny. The breed-leading and popular female, Riverstone Charmed was champion at nearly every show she attended and was the first Limousin female to win Supreme at the NAILE. Now is the time to buy in to some of the winningest genetics in the history of the Limousin breed and far beyond!

Selling Three Heifer Pregnancies

Due by Sale Day

What a truly unique genetic opportunity that combines one of the Limousin breed's most prolific individuals with three of the hottest Angus sires in the business! HSF Your Fantasy progeny have dominated the show ring and far beyond. She is the dam of the famed 'Ratliff heifer', Riverstone Charmed, known as Larissa who set the show ring on fire in 2016. She is also the dam of the great Riverstone Crown Royal bull. HSF Your Fantasy has become known as one of the breed's most notable purebred donors. Her granddaughter, Ratliff Howboutit 008H, was crowned the 2021 North American International Livestock Exposition Supreme Champion Female, exhibited by Sara Sullivan. Most recently, HSF Your Fantasy daughters swept the 2022 Pembroke Cattle Co. Annual Fall Production Sale as a trio of high-selling females. PCC JKSM Fantasy 506K sold for \$45,000, PCC JKSM Fantasy 511K sold for \$25,000 and PCC JKSM Fantasy 508K sold for \$18,000.

Conley No Limit is one of the most popular Angus bulls on the market today. Conley No Limit has an elite pedigree, incredible build, with added foot, body and muscle all pieced together with an absolute killer look and design. Pair Conley No Limit with HSF Your Fantasy and the results are sure to be killer!

BNWZ Dignity 8017 has catapulted himself to the top as one of the most dominant sons PVF Insight 0129. BNWZ Dignity 8017 was the 2020 Roll of Victory Shows Show Bull of the Year and is continuing to sire high-selling progeny. We are excited to see what this combination is capable of! TGM Compton 1738 is a son of Silveiras Style 9303 and out of a full sister to Dameron First Class, Dameron Northern Miss 3198. He is a superior Angus sire known for his thickness, tone, mobility and overall look. This combination of elite genetics is sure to turn some heads.

Ratliff Google 911G had an extremely successful show career highlighted by being selected champion female at the extremely competitive 2021 inaugural Cattlemen's Congress. The Charmed Style mating dominated the Cattlemen's Congress, along with every other major American show in the past year! Collectively there are too many banners won to report on a single page from these full siblings. Ratliff Google 911G ET is a direct descendant from the Limousin show female matriarch Rivestone Charmed 50C who needs no introduction. Larissa, the Ratliff show heifer, will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and dominate any arena they walk into. FWLY Can Do is the sire of Ratliff Howaboutit 008H, the 2021 NALIE Supreme Champion Junior Female. This Can Do pregnancy is a three quarter sibling to this exceptional female.

CELL Cardi 1403J had a successful summer being campaigned by Kyle Linhart. This female is a product of one of the most sought-after and successful matings in the industry, with too many banners to report on one page. Silveiras Style 9303 has dominated the show world in such a prestigious way across numerous breeds. Style's progeny have claimed more champion titles over a nine-year period than any other bull out there. He is a son of Gambles Hot Rod and the great Silveiras Elba 2520 female. Bred to the one and only Riverstone Charmed. She is the undefeated national champion show heifer known as "Larissa." She is sired by TMCK Durham Wheat 6030X and out of the HSF Your Fantasy female. There are many cattlemen in line for these unsurpassable genetics and we are honored to have Linhart Limousin consigning this genetic opportunity out of a Style x Riverstone Charmed 50C daughter. The paternal influence of this mating is the proven PVF Blacklist 7077, a young AI sire out of PVF Insight 0129 who has made his mark in the Angus herdbook for his ability to produce progeny that are respected by cattlemen across North America. This mating is a full sib in blood to the 2022 Junior Nationals Grand Champion Owned Lim-Flex Female MKLN 1105J shown by Sara Sullivan.

Due February 2023, Sells with recip.

AUTO Fedora is a TMCK Durham Wheat daughter from the famed WLR Prada female. This female has a world of producing potential and is an elite donor for Pinegar Limousin and KLS Limousin. She is big-footed, soft in her pasterns, and fluid in her movement. We love her depth of flank, fore and rear rib shape and overall mass. She is a product of blending the best with the best! ATNF Higher Revenue JCLC 013H is a purebred that checks all the boxes. He is stylish, perfectly structured, and is a son of the 2017 NWSS Grand Champion Limousin Bull, TASF Crown Royal 960C. We feel he will mate nicely with this elite donor. This breeding piece will be a true asset to anyone's program. You'll want to have this lot on your shortlist when the sale begins!

Selling an embryo flush guaranteeing 6 grade 1 embryos (IVF).

Pay close attention to this elite embryo flush to the remarkable HSF Your Fantasy donor! It's no secret what the HSF Your Fantasy cow family has done over the past few years for numerous programs. HSF Your Fantasy progeny and grand progeny have dominated the show ring and far beyond. She is the dam of the famed Riverstone Charmed who set the show ring on fire in 2016. She is also the dam of the great Riverstone Crown Royal bull. HSF Your Fantasy has become known as one of the breed's most notable purebred donors. Most recently, HSF Your Fantasy daughters swept the 2022 Pembroke Cattle Co. Annual Fall Production Sale as a trio of high-selling females. Folks, it's not just any day that an opportunity of this magnitude hits the open market.

Consigned by Royal Beef Genetics, Starbuck, MN

Selling a conventional embryo flush guaranteeing a min. of 6 embryos, max. of 10.

Here is a unique opportunity to purchase a conventional flush on Boss Lake Ms Molly 812F. She is the dam of Royal Jester 103J, the \$64,000 2021 North America record high-selling bull that was the lead lot at the 2021 Night on the Town Sale in Las Vegas, NV. This female had a successful show career, most notably claiming the title of 2019 Canadian National Champion Limousin Female. We retained her first calf, Royal Holly 005H, in our herd and recently sold Holly 005H's heifer calf, Royal Kolly RBGL 205K, as a featured lot in the 2022 Solid Gold Limousin Sale. Molly 812F's second calf, Royal Jester 103J, a full sib to Royal Holly 005H, is a highly anticipated herd sire waiting to fill the history books. Proven to transmit greatness, Boss Lake Ms Molly 812F is capable of producing calves that will excel in a variety of mating decisions. It is spoken too often, but this is truly an opportunity with very little risk, yet great rewards.

Selling an embryo flush guaranteeing a minimum of 6 embryos, maximum of 10.
Dieckmann Lady 1117 has been successfully shown by Finley Yocham. She was selected as Reserve Division VI Champion in the Junior Show at the 2022 American Royal and Reserve Division V Champion at the 2022 American Royal. Champion Hill Lady 4128 has been a very instrumental donor in the Dieckmann program. This female consistently produced progeny that have look, power, volume and style. A maternal sibling to this female is the popular ST Genetics AI Sire, Conley Dieckmann Prowess. Lady 1117 is sired by the well-known Conley No Limit, a sire with an elite pedigree, incredible build, added foot, body, and muscle all pieced together with an absolutely killer look and design. Genetics from a female of this caliber are sure to have a lasting impact on your breeding program.

Angus-Sexed Designer IVF Flush guaranteeing a min. of 5 with a max. of 10.

Sim Solution, Lim-Flex-Designer IVF Flush guaranteeing a min. of 5 with a max. of 10.

Recently the \$90,000 top-selling donor at the Conley Cattle Fall Production sale, Conley Sandy 7350 created a lot of buzz with her flawless lines, natural shape and dimension. These matings are a special—Angus, Sim Solution and Lim-Flex—sale attraction. She is a daughter of E&B Confederate 507 back to Conley S Sis Sandy 4350 who sold for one-half interest at \$25,000 for a \$50,000 valuation through the 2019 Conley Cattle Fall Production Sale. Conley Cattle exhibited the Grand Champion Pen of Three Bulls at the 2022 Cattleman's Congress, Conley Sandy 7350 was the dam of two of those members—Conley Cornerstone & Conley Constitution, who were featured in the 2022 Conley Bull Sale. Here is a powerful donor that offers unlimited genetic potential and has the ability to produce competitive show heifers of multiple breeds. Opportunity abounds for this unique consignment by Wilder Family Limousin.

Sexed Designer IVF Flush guaranteeing a minimum of 5 embryos with a maximum of 10. UDE Queen Ruth 9044 is a unique and powerful breeding piece that is sired by the \$450,000 Coleman Bravo 6313, one of the most phenotypically eye-appealing bulls in the Angus breed that is backed by the famed Donna cow family. Her dam is the highly productive KDJ Queen Ruth 502 donor. This daughter of the ever-popular PVF Insight 0129 was the 2021 Roll of Victory Show Dam of the year. We purchased this elite donor from the 2019 Udell Cattle Co. Production Sale where this female and her maternal siblings lead off the prestigious event. We admire this individual for her tremendous amount of center body dimension, genuine base width and brood cow look. A female of this quality and lineage has the potential to make exceptional Lim-Flex and Angus breeding stock.

Sexed Designer IVF Flush guaranteeing a minimum of 5 embryos with a maximum of 10.

This unique consignment epitomizes the crossroads of where phenotypic quality and genetic diversity meet. These embryos offer you the opportunity to invest in a top-of-the-line donor and some of the breed's freshest and best genetics. The diverse sires featured in this designer mating present a unique opportunity for success. TASF Fallon 190F was the top-selling female commanding \$65,000 at the 2018 Divas and Donors sale, consigned by Thomas and Sons Farms and purchased by Sullivan Farms. TASF Fallon 190F has been admired by many for her flawless structural makeup, body depth, and impeccable structural integrity. We feel this package speaks for itself and represents the progressive direction of the Wilder program.

Consigned by Sennett Cattle Co., Waynestown, IN

Designer Flush guaranteeing a minimum of 5 embryos with a maximum of 10.

LFCC It's My Birthright was successfully campaigned by the Sennett family in 2021. This female claimed many banners during her career, including the 2021 NALIE Grand Champion Female and 4th Overall Lim-Flex Female at the 2021 NJLSC. She is a daughter of PVF Blacklist 7077, a young AI sire out of PVF Insight 0129 who has made his mark in the Angus herdbook for his ability to produce progeny that are respected by cattlemen across North America. Her donor dam, TASF Dignity 035D, was the 2018 NWSS Reserve Grand Champion Limousin Female. We feel these chosen sires have show ring appeal that will pair nicely with LFCC It's My Birthright and produce offspring that are nationally competitive.

Consigned by Shelby Skinner Cattle, Bolivar, MO, and Willow Springs, Prairie Grove, AR

Sexed Designer Flush guaranteeing a minimum of 5 embryos with a maximum of 10.

During the 2015-2016 show season, Mason Walker campaigned SHSK Barbara to countless victories. She was named the 2015 American Royal Grand Champion Female, 2015 NAILE, 2016 NWSS and 2016 FWSS Reserve Grand Champion Limousin Female. A daughter of the popular Limousin show sire EF Xcessive Force, her dam is WLR Prada, a female that needs absolutely no introduction, but we'll proceed regardless. She is the impressive daughter of MAGSWL Usual Suspect 538U and the one and only AUTO Rebeca 292S female that has produced numerous National Champions. SHSK Barbara has proven herself many times over. She is the dam of SHSK Mercedes 802F who had a successful show career and is now an elite donor female for Becky Craig Cattle Co. These matings offer a ton of versatility that you won't want to miss.

ELCX Highness 056H was the top-selling lot in the 2021 Edwards Land and Cattle Co. Show Heifer Online Sale. She is a beautiful patterned, homozygous polled and homozygous black daughter of ELCX King's Landing. King's Landing just happens to be one of the breed's hottest go-to sires in the business and rightfully so. This young female is out of the elite partnership donor for ELCX and Cross Creek Farm, ELCX Elevate 646E. She is a daughter of EF Xcessive Force and from the predictable ELCX donor, DFCL HBHPC 1S. We feel this elite roster of cutting-edge bulls offer a ton of versatility for your choosing.

Coleman Donna 5247 was the featured lot of the 2022 record setting Your Maternal Source female sale for Coleman Angus where half interest sold for \$200,000 to Kelly Farms of Michigan. This model Angus cow has become a top income producer, her first six daughters averaged \$33,583. This cow has tremendous three-dimensional shape, volume, muscle and mass. These embryos are by the featured Lot 1 bull of the 2022 spring bull sale at Coleman Angus and are full sibs to the top selling fall heifer calf of the 2022 Your Maternal Source sale, Coleman Donna 2464, who sold for one-half interest for \$27,000 to K&M Cattle of Indiana.

Coleman Chloe 975 was \$60,000 one-half interest for a \$120,000 valuation top-selling heifer calf of our 2020 Maternal Source Sale going to Jocko Valley of Montana. Daughter of proven Angus females in the entire business, Lawsons Chloe C815. Sired by Coleman Bravo 6313 is a genetic masterpiece, he is one of the absolute hottest sires industry-wide and was the \$450,000 top seller in the 2018 Coleman Angus Sale. This elite donor is a full sister to Coleman Chloe 9275, Coleman Chloe 034, and Coleman Triumph 9145, the high-selling lot in the 2020 Coleman Angus Female sale where he sold for \$225,000 to Rust Mountain View Ranch. Coleman Glacier 041 was the featured Lot 1 bull of the 2022 Coleman Spring Bull Sale where he sold for one-quarter interest for \$270,000 as the record-selling bull in Coleman Angus history. Glacier will have a huge impact on what we do moving forward in our program. Folks, these lots not only epitomize genetic predictability but the stature and prowess of the Coleman Angus program! This mating indicates proven consistency and sheer quality.

This donor is loaded with power, rib shape and an incredible udder. Her genetic profile includes being sired by SAV Resource and by Coleman Abigale 0277, the full sister to the pathfinder sire Coleman Charlo 0256. Hummel South America was the \$180,000 half interest top-selling bull of the 2021 A Night At Remington Park held in conjunction with the 2021 Cattleman's Congress. He and his brothers were the most talked about bulls at this event. South America is a very special individual, his first progeny were the talk of the 2022 Coleman Angus Production Sale. A featured daughter of this outcross sire was Sadler Chloe 2020, who was a featured lot in our inaugural 2022 The Maternal Showcase Sale.

Mill Brae Iden Georgina 4086 was a special sale attraction at the 2022 Coleman Angus Production sale where half of this female sold for \$210,000 to Jocko Valley Cattle of Montana. This donor has breed leading numerics paired with a proven track record. When you combine Calving Ease, Growth, Marbling and \$Values, she is the #1 cow in AHIR her age or older. This female has done it the old fashioned way, with a progeny production record of WR 6@103, YR 4@104, U%IMF 4@109 and a calving interval of 6 head at +359. She is lined with proven and predictable genetics from generations of highly proven bulls and the famed Georgina family. This donor is the mother of Trademark 1037, a featured herd sire in the Coleman Angus and Conley Cattle programs and the \$165,000 top-selling bull of the Cattleman's Cut Bull Sale in Nebraska and one of the most sought after bulls this spring.

This donor female is one of our most prestigious donors and a fault-free female that we have utilized in our program. Rose 1019 is ideal in her phenotype, level, broad-hipped, clean-fronted, carries an attractive front-end, great udder, and is massive in her body shape. This female is the dam of many high sellers, including Brooking Major 7103 selling to ZWT Ranch for \$70,000 and Brooking Real Estate 6072 who commanded \$47,500. Her mother, EA Rose 918, is considered one of the ideal females in the entire Angus breed— most noted as the dam of the \$125,000 Brooking Bank Note 4040. The sire of these embryos, SAV Panther 1906, is a son of the popular S A V Quarterback 7933. His dam is flush sister to the world-record-selling flush of bulls – President, Raindance, Rainfall, Reign & Rainmaker & Governor. These elite Angus genetics are as predictable as they come.

Offering four IVF heifer embryos to the Silveira's Forbes x Colburn Saras Dream 6758 mating. Silveira's Forbes is a son of Silveiras Style and complemented maternally with the great Forever Lady cow family going back to EXAR Lutton and Roth Forever Lady 2706. He has a pedigree that is built to win and has done that as the 2020 Grand Champion Angus Bull at Fort Worth and Houston and he was the Reserve Grand Champion Angus Bull at the 2019 ROV American Royal Angus Show. The donor female in this mating is Colburn Saras Dream 6758, a top-selling individual for Colburn Cattle Co. She had eight 24 Karat daughters that averaged \$22,000 this past spring. Colburn Saras Dream 6758 has another 2021 fall born 24 Karat daughter that will be part of the Sullivan Farms' 2022 show string. A full sibling to these embryos topped the Pembroke Cattle Fall Sale at \$100,000. Truly a one-of-a-kind opportunity to acquire highly renowned genetics that are proven, predictable and marketable. Don't miss this one!

Conley WCC Frontier Gal 7776 was \$160,000 one-half interest for a \$320,000 valuation top-selling female of our 2021 Dieckmann Cattle Production Sale and is a featured donor female of the Conley Cattle program. She is a daughter of WCC Frontier Gal 893, who was the 2009 American Royal Sr. Champion Female and stems back to the National Western Stock Show Champion, WCC Frontier Gal 39. Daughters of this elite donor include the \$100,000 Conley PR Frontier Gal 541, the \$50,000 Conley PR Gal 5159, and Wallace Frontier Gal 49, the 2015 National Junior Angus Show Junior Champion Division IV. All we can say is you better be prepared to have your hand in the air or have one of our sale consultants on speed dial when these sell!

Conley Sandy 8522 was the \$130,000 top-selling heifer from our 2018 Conley Cattle Fall Production Sale going to Dieckmann Cattle Co. of Indiana and was later named the 2018 North American Spring Heifer Calf Champion. She is a daughter of the great Silveriras S Sis Sandy, who has left such a mark on the Angus breed. Maternal sisters to this donor include the 2018 American Royal Late Junior Heifer Calf Champion, the 2019 Grand Champion Female of the Arizona National, 2018 Reserve Grand Champion Female of the North American, and Reserve Early Junior Champion Heifer Calf of the 2019 National Western. Now is your opportunity to cultivate your program with highly predictable and proven genetics from some of the all-stars within the Angus breed.

The dam of these embryos is the \$100,000 valued Silveiras Saras Dream 6322. She is sired by Silveiras S Sis GQ 2325, a son of Silveiras Style 9303. Her dam, EXG Saras Dream S609, is a daughter of BR Midland. Saras Dream 6322 was the Division III Champion Female at the 2017 National Junior Angus Show. She is a maternal sister to Sara's Dream 1339 who is the dam of Colburn Primo 5153; the 2016 National Junior Angus Show Grand Champion Female, Colburn Saras Dream 5116; and Guyer's 2017 Angus heifer that had one of the best show records in recent history. Other maternal sisters include, Saras Dream 6318, a \$126,000 valued female at Pollard Farms and Saras Dream 3345, the 2015 Reserve Grand Champion Female at the National Western Stock Show. Success is at the heart of these embryos.

Conley Express 7211 is an impressive Angus bull owned by Express Angus Ranches and Conley Cattle. He is sired by SMA Watchout, a bull that goes back to the great SAV Brilliance 8077 bull. His dam is DPL Sandy 3040, a Silveiras Style 9303 daughter that goes back to the great BC Lookout 7024 bull.

Conley Ransom 1810 is the \$70,000 top-selling bull in the 2022 Conley-Penner Angus Bull Sale. He is sired by Conley No Limit, an EXAR Blue Chip 1877B son and his dam is Conley Sandy 8104, an E&B Confederate 507 daughter. He is a combination of power and style displaying tremendous shape, bone and balance from every angle.

Conley No Limit is one of the most popular Angus bulls on the market today. He has an elite pedigree, incredible build, with added foot, body and muscle with an absolute killer look and design. He is sired by EXAR Blue Chip 1877B, the Dameron First Class son and out of the Silveiras S Sis Sandy 2355 donor.

Check out this fancy pairing. It's hard to know where to start when describing the Donna cow family's lasting impact upon the Angus breed and scores of breeding programs across North America. Her influence will generate predictable greatness and this genetic pairing is no exception. Duff Napoleon 232 was utilized in our program, like many others, to add an outcross pedigree in a moderately made package. He exhibits massive muscle definition and has an impeccable foot. If you tour our herd, you will love the Napoleon daughters and you will especially love their udders. Make sure these elite Angus genetics are on your radar on sale day!

The Lady Lawn cow family has been featured at Peak Dot for years. She goes back to the Remington Lady Lawn 144R donor. 551B is a daughter of Peak Dot herd sire SAV Eliminator 9105 that has left some of the best udders in the Angus breed with his progeny. With Eliminator on the top side and outcross Canadian genetics on the bottom, there is unlimited mating flexibility with this proven donor and her progeny. When you think about what an ideal Angus female should look like, this second generation donor comes to mind. She is one of the easiest cows to mate because she works on about any bull. Her combination of softness, depth, udder quality and productivity is impressive. 551B raised the top-selling flush of Roughrider brothers in the 2020 spring Peak Dot sale and in the spring of 2021 she did it again raising the lead off \$24,000 Roughrider son and one the top Colossal sons. All of her daughters have been retained by Peak Dot and are some of the most cherished females on the ranch.

Peak Dot Mia 247C is the ideal donor and one that needs to be invested in with confidence as she is extremely fertile and can raise big time progeny. The Unanimous cattle flat our produce and 247C is among the very best donors at Peak Dot. She raised a personal favorite bull to sell in 2021, the \$35,000 Peak Dot Newfound 83H. He is extremely stout, hairy, big hipped, good looking, strong footed and he would've got many of those qualities from his dam. Fertility runs deep in the genetics as 247C is one of the top embryo producing donors we flushed this summer with Canadian Donors and we did just shy of averaging 30 in total per flush.

Royal genetics that are winning on the national level! Offering three IVF heifer embryos from the THSF Lover Boy B33 x RJ PF Rita 8288F mating. THSF Lover Boy B33 is the famed Simmental sire that was the 2016 National Western Stock Show Champion Simmental Bull. He is sired by HTP/SVF Duracell T52 and out of RP/MP Right To Love 015U. He is a full brother to Quantum Leap and his dam was Champion Simmental Female at the 2009 American Royal. THSF Lover Boy B33 has sired numerous champions including the Champion Open and Junior Female at the 2021 Cattlemen's Congress in Oklahoma City, OK, for Sara Sullivan of Dunlap, IA. The donor female in this mating is the highly coveted RJ PF Rita 8288F. RJ PF Rita 8288F is sired by W/C Bankroll 811D and out of the great EXAR Rita 5406 donor. She was recently selected as the Supreme Junior Female at the 2022 North American International Livestock Exposition exhibited by Sara Sullivan of Dunlap, IA. It goes without saying that these genetics are the hottest in the country right now and now is your rare opportunity to acquire some of her first progeny!

SVJ She's the Dream B796 has become one of the most valuable donors for Sullivan Farms in their Simmental program. This female was a calf champion at NAILE and has produced multiple champions at Sullivan Farms. Her Silveiras Style daughter, JSUL Dream Big 8992F, was Calf Champion at the 2018 NAILE, Grand Champion Percentage Female in the Junior Show at the 2019 NWSS, Reserve Grand Champion Female at the 2019 FWSS Open Show, and most recently was selected as the 2019 NAILE Grand Champion Female in Open Percentage Simmental Show. Year-after-year this great female produces elite show females and future donors.

Designer Flush guaranteeing a minimum of 5 embryos with a maximum of 10.

The donor female in this mating is J6 Advance E501, a daughter of the foundation donor, JKC Berry Advance 36W. Unsurpassed is how many describe the pedigree behind the daughters of JKC Berry Advance 36W. J6 Advance E501 is sired by Six Mile Taurus 519A, a son of the great Six Mile Game Face 164Y. Six Mile Taurus 519A was the 2014 National Western Stock Show Champion bull. These future calves are sure to be a major force to be reckoned with. You'll want to buy into these genetics and catapult your program to the next level.

W/C Bet On Red is a Simmental sire that is going to make a huge impact in any program. He has generated a ton of excitement and is definitely one to have on your list of must use bulls. He has four shots of the famous 8543U cow in his pedigree. Bet On Red is wicked looking with a sleek neck and sweeps back into a big bold rib and gives you a visual of a big, expressive hip.

Truly a phenomenal Red Angus sire, DUFF Red Wood 19541 will blow you away in terms of depth of rib, fleshing ability and overall dimension in a moderate frame. He will undoubtedly leave deep roots in the beef industry! He is sired by DUFF Cornerstone 16136 and out of DUFF Dixie Erica 144. DUFF HD 2046 was the high-selling bull at the record-setting 2022 Power Plus Bull and Female Sale for \$150,000 for semen interest to Bar 64 Ranch. DUFF Cita 4060 15522, HD's dam, is just as unique. Quality and style run deep in this family tree, and many believe HD will have a lasting impact in the Red Angus breed and several others.

DUFF Red Wine 19540 is the most ideal 'Cowboy Kind' of bull you will find. He combines body mass and smoothness along with extra bone and foot size. He offers a monster hip loaded with muscle that carries through his lower stifle. His foundation dam, Priscilla 136X, is an absolute beast, as she is huge bodied, long, and has the most perfect udder you will find—a true maternal-powered machine.

WCR Kuruba 2084Z was easily our pick from the entire Wildcat Creek Ranch dispersal. She has done nothing but impress us since the day we bought her and we were sad to see her sell in the group that went to Urban Cattle Co. Redbox 55C is currently one of the most talked about Red Angus bulls in the breed. His calves display tremendous quality and style. His demand and inquiries stretch across the US, Canada and South America. Red Box displays unmatched phenotypic quality and possesses many needed traits to inject into the Red Angus breed. His body, volume, fleshing ease, soundness and style are simply hard to find. Look for these genetics to have a lasting impact on your program.

Cora has become a name in the Red Angus breed that conjures up thoughts of excellence. WCR Miss Cora De 867Z is a leading Red Angus donor in our program for her maternal qualities paired with growth and do-ability. Multiple sons of this elite donor were featured lots in our past bull sale. Tommy Jack has excellent calving ease and we are very pleased with the performance in his calves. Tommy Jack is the "keep every female" kind of sire.

What an exceptional opportunity to buy into some high quality Red Angus genetics! These embryos will be from the MANN Ms Wideload 800 355 donor female. She is smooth and elegant in her design, tremendous on her feet and legs and full of muscle shape. The added dimension this female offers is impressive when coupled with her flawless structure and attractive angles. What's more, she is a full sib in blood to the renowned Red Angus AI sire MANN Red Box 55C. Pay special attention to these special Red Angus genetics.

Here is a unique Charolais consignment from Bradley Cattle Co. Miss Kay 30A is a proven female in the breed and needs little introduction. This donor female is owned in partnership with Thomas Ranch of South Dakota and she has blessed both our programs with success. Recently, a son of Miss Kay 30A was selected as Champion Charolais Bull at the 2022 American Royal— TR Legacy 1707J is owned in partnership with Aces Wild Ranch & Thomas Ranch. The paternal influence of these embryos is the one and only M&M Outsider. Few sires of any breed have reached the elevated status like Outsider has. These progeny are predictably great. Bid with confidence.

Get on the map with this offering! The very first embryos to come from the highly anticipated Colburn Primo 5153 x WLR Eden ET mating. Offering three IVF heifer embryos that will be 25% Lim-Flex. Colburn Primo 5153 is siring progeny that command absolute top dollar, no matter what program they originate from. He is a son of the great Dameron First Class bull and out of the highly prolific donor, Silveiras Saras Dream. His dam, Silveiras Saras Dream, is a Silveiras Style female who is one of the most decorated females industry-wide. The donor female in this mating is WLR Eden ET. Elite cow families line this female's pedigree top and bottom. WLR Eden was the 2019 National Western Stock Show Grand Champion Limousin Female exhibited by Sara Sullivan. She is the Silveiras Style 9303 daughter that is quite possibly one of the best cows in the breed today. She is out of the renowned MAGS Phantoms Prize donor. The influence of this superior female will be everlasting within the Limousin breed and far beyond. WLR Eden's unparalleled look of quality, design and genuine power makes her a versatile producer of both bull and heifer progeny that are capable of producing at the highest level. Folks, this mating is bred in the purple, so don't miss this rare opportunity to obtain these elite genetics.

What a tremendously exciting genetic offering from the TASF Heineken 405H ET x KLS SULL Gucci 205G mating. Offering three IVF heifer embryos that will be 68.5% Lim-Flex. TASF Heineken 405H ET was the top-selling \$44,500 lot in the 2021 Thomas & Son Farms New Year's Resolution Online Bull Sale. He is a double homozygous son of TASF Crown Royal 960C and out of Pleasant Valley Elsa 1439. TASF Crown Royal 960C is the highly renowned son of DHVO Deuce 132R and TASF Whiskey Lullaby 357W. TASF Heineken 405H ET's dam is a daughter of EXAR Classen 1422B. From a phenotypic standpoint he is big footed, relaxed in his pasterns and excellent when you set him in motion. Numerically, he ranks in the top half of the breed or better in some of the most relevant traits in the industry today—weaning weight, yearling weight, carcass weight, ribeye, marbling and mainstream terminal index. The donor in this mating is KLS SULL Gucci 205G, a full sister to the legendary WLR Prada donor. She is sired by MAGSWL Usual Suspect 538U and out of the famed AUTO Rebeca 292S female. WLR Prada is one of the absolute hottest Limousin females in the breed—she has generated numerous national champions across the country. The level of anticipation is high with this genetic combination and for great reason. Genetics of this caliber will catapult any program to the next level in a flash.

EF Xpect The Best is as proven of a donor female as it gets. She was bred by Etherton Farms and Council Family Limousin and has been on the bottom side of many champion pedigrees during her donor career. EF Xpect The Best currently has 65 total progeny registered in the NALF herd book. She is a daughter of DHVO Trey 133R out of the well-known VVLC Black Lucy 416R. TASF Heineken 405H was the \$44,500 top-selling lot from the 2021 Thomas & Son Farms New Year Resolution Online Bull Sale. The first calf reports from TASF Heineken 405H are very promising and we can't wait to see them further. Imagine their possibilities and make them a reality come sale day!

This young donor female is smooth and elegant in her design, tremendous on her feet and legs, and full of ample muscle shape. The added dimension this female offers is impressive when coupled with flawless structure and attractive angles. MAGS Hemera is sired by the proven PBRs Bunk House 48B who transmits breed-leading growth and eye appeal. Her dam, MAGS Constance, stems from the prestigious Magness Land & Cattle breeding program. This high-quality female has multiple registered progeny in NALF, notably, and she is the dam to the high-selling lot in the 2022 Magness Mile High Elite Female Sale. MAGS Constance is sired by the popular Angus AI sire EXAR Denver 200B, his influence has been seen across north America in multiple breeds, and her dam is the storied MAGS Win Place Or Show, the popular DHVO Deuce 132R daughter out of the well-known MAGS Strawberry. Few donor females ever reach the elevated status of this female. Invest early into this young donor female, she has big things up ahead.

Selling three IVF heifer embryos to the Conley Express 7211 x AUTO Solo 419E mating. These embryos will be full siblings to the heifer that recently topped the open heifer portion at Pinegar Limousin's sale for \$21,000, AUTO Jelly 223J! The sire of these embryos is Conley Express 7211, an impressive Angus bull owned by Express Angus Ranches and Conley Cattle. Conley Express 7211 is sired by SMA Watchout, a bull that goes back to the great SAV Brilliance 8077 bull. His dam is DPL Sandy 3040, a Silveiras Style 9303 daughter that goes back to the great BC Lookout 7024 bull. The donor in this mating is AUTO Solo 419E, a 75% Lim-Flex daughter of the one and only Riverstone Crown Royal. Her dam is AUTO April 202A, a remarkable product of the legendary MAGS Manuela x SAV Brave 8320 mating. AUTO Solo 419E is almost as maternal as they come, ranking in the 15th percentile for her milk figure. It goes without saying the pedigree backing these embryos is second-to-none.

The beautiful SBLX Xtra Special is a former San Antonio Supreme Champion Overall Breeds Female. Her perfectly engineered skeleton and stunning maternal profile made her not only a "can't miss me" female in the show ring, but also has made her one of the highest valued young donors in the breed at \$106,000. The DHVO Deuce x MAGS Manuela mating has produced some of the finest cattle to set foot on ground, and SBLX Xtra Special is no exception. Don't pass on these elite and proven genetics come sale day.

This genetic offering will heat things up! TASF Heineken 405H ET was the top-selling \$44,500 lot in the 2021 Thomas & Son Farms New Year's Resolution Online Bull Sale. He is a double homozygous son of TASF Crown Royal 960C and out of Pleasant Valley Elsa 1439. TASF Heineken 405H ET's dam is a daughter of EXAR Classen 1422B. From a phenotypic standpoint he is big footed, relaxed in his pasterns and excellent when you set him in motion. Numerically, he ranks in the top half of the breed or better in some of the most relevant traits in the industry today— weaning weight, yearling weight, carcass weight, ribeye, marbling and mainstream terminal index. The donor dam of these embryos is WFL Jordan 010J, a daughter of MAGS Cable, a powerful MAGS Appleseed son who has produced numerous top sellers in a variety of programs. Her dam is the great LLJB Absolute Style 3056A, a Silverias Style daughter that Shelby Hennessy of North Dakota campaigned in 2014 with major success. Among many other achievements, she was the 2014 Grand Champion Female at the North American International Livestock Exposition Level 1 MOE Open Show. If you are looking for individuals that will compete at any level and become top producers in your herd— look no further.

A genetic offering that is sure to gain major traction! SSTO Guns N Roses 9408G is a son of TASF Crown Royal, the sire of multiple champions, including the 2020 National Junior Limousin Show and Congress Grand Champion Female, TASF Guardian Angel 300G. His dam, Riverstone Charmed, is the most accomplished show female in history and now her daughters are dominating the show road. The demand for Riverstone Charmed influence is at a fever pitch as evidenced by one of the most prolific to sell, her daughter, Ratliff Howaboutit 008H, commanding a staggering \$201,500 who went on to garner the 2021 NAILE Supreme Champion Female honors for Sara Sullivan of Dunlap, IA. The donor in this mating is DL Hoity Toity 546H, a daughter of ELCX Kings Landing 599D and out of KRVN Trace 132T. She is a tremendous quality female with cow power and massive overall dimension. DL Hoity Toity 546H is robust through her center body, unbelievably strong in her top and flat good from all angles. They don't make 'em like this often. A huge bellied, expressively muscled female with a captivating design and overall presence. She is fault-free on the move, flexible in her pasterns and strides with incredible confidence and poise. She will be a powerful mainstay in any program with a background and design like this.

The donor female in this mating is RCC Jesslyn 2150J ET, a daughter of TMCK Durham Wheat 6030X and out of the famed HSF Your Fantasy female. The pedigree of this female needs absolutely no introduction, but RCC Jesslyn 2150J ET is a full sibling to the great Riverstone Charmed that is setting the world on fire with her accolades over recent years. Charmed is the undisputed National Champion female etched flawlessly in the minds of every cattleman across the nation. On top of her more than impressive show career for the Ratliff family, she is producing at the highest level to every single bull she has been mated to. What a tremendous genetic opportunity right here!

Silveiras Style 9303 has dominated the show world in such a prestigious way across numerous breeds. His progeny have claimed more champion titles over a nine year period than any other bull. Numerous pages of history have already been written on Style progeny and will continue for many generations to come.

TASF Crown Royal is the impressive DHVO Deuce son out of a great female, TASF Whiskey Lullaby 357W. Crown Royal was the 2017 NWSS Grand Champion bull raised by Thomas & Son Farms. Most notably, Crown Royal sired the 2018 NAILE Grand Champion Open Limousin female shown by Kinnick Paulsen.

Show heifer genetic opportunity here. SHSK Mercedes 802F is a daughter of the heavily used MAGS Aviator out of the one and only SHSK Barbara. From the ground up, this female is big-footed and stout in her bone work with added angularity to her skeletal design. She is genuine in her muscle shape and dimension with a practical build. The top side of these various matings are some of the best show sires in the industry. Don't sleep on this opportunity.

All the ingredients are here to be top-notch, high performing individuals when these embryos hit the ground! The donor in this embryo offering is the one and only AUTO Poem 273Y female, the SAV Bismarck 5682 daughter out of the legendary MAGS Phantoms Prize female. She is the dam of ELCX Bulletproof 438B ET and ELCX Cabin Fever 273C.

HWCB Eye of the Storm 406E was the Grand Champion Limousin Bull at the 2017 NAILE. These embryos will be full siblings to the 2022 NAILE Division I Champion female, Legacy's Kinslee, exhibited by Jemma Dorsey of Moro, IL. These future calves will be symmetrical in their patterns, powerful in their rib shape and depth of body.

ELCX Kings Landing 599D has taken the Limousin breed by storm. He was the 2018 NAILE MOE Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. To name a few, ELCX Gracious 951G sold for \$30,000 and ELCX G Mail 950G for \$15,000 in 2020, in 2021, his daughter, DL Heaven Can Wait 550H sold for \$15,000 and he sired the \$105,000 high-selling female at the 2021 Linhart Limousin Fall Harvest Sale, CELL Jade 1157J. Ratliff Jump Start 340J is an impact sire out of FWLY Can Do and from the influential Riverstone Charmed donor. The breed has tremendous momentum and attention due in large part from Jump Start's legendary dam "Riverstone Charmed," who won Supreme Female at the 2016 NAILE. Jump Start's full sister won Supreme Junior Female in 2021 for Sara Sullivan. They are the only mother/daughter duo to win the Supreme Junior female title at the North American International Livestock Exposition in Louisville. Ratliff Jumpstart 340J was selected Grand Champion Limousin bull at the 2022 Cattleman's Congress.

A special genetic opportunity right here, folks! TASF Heineken 405H ET was the top-selling \$44,500 lot in the 2021 Thomas & Son Farms New Year's Resolution Online Bull Sale. He is a son of TASF Crown Royal 960C and out of Pleasant Valley Elsa 1439. TASF Crown Royal 960C is the highly renowned son of DHVO Deuce 132R and TASF Whiskey Lullaby 357W. TASF Heineken 405H ET's dam is a daughter of EXAR Classen 1422B. From a phenotypic standpoint he is big footed, relaxed in his pasterns and excellent when you set him in motion. Numerically, he ranks in the top half of the breed or better in some of the most relevant traits in the industry today— weaning weight, yearling weight, carcass weight, ribeye, marbling and mainstream terminal index. The donor in this mating is ELCX Extra Shot 702E, a 25% Lim-Flex female sired by PVF Insight 0129. Her dam is AUTO Poem 273Y, the SAV Bismarck 5682 daughter that's out of the one and only MAGS Phantoms Prize female. This female ranks in the 15th percentile for both her weaning weight and yearling weight figures. We are proud to offer embryos from this female and it goes without saying that our confidence is incredibly high for what this female can do in your program and take you to the next level in the blink of an eye!

The donor in this mating is ELCX Elevate 684E, an impressive female straight from the heart of the Edwards Limousin program. She is sired by the many time champion bull, EF Xcessive Force and from the legendary DFLC HBHPC 1S donor. ELCX Elevate 684E is the dam of the 2022 NWSS Grand Champion Bull, ELCX High Time 065H who was also selected as the 2022 NAILE Grand Champion Limousin Bull. ELCX Elevate 684E is also the dam of the \$17,500 high-selling lot in the 2021 Edwards Land & Cattle Co. Show Heifer Online Sale, ELCX Highness 056H. She is also the dam of the \$30,000 female, ELCX Harmony 062H female. All three of these individuals will be full siblings to these three conventional embryos. If success is high on your radar, you'll want to take possession of these embryos fast!

Here's a genetic opportunity you'll want to keep your hand on the buyer number for. Back in the spring, we decided to offer eggs of this same mating in the National Limousin Sale that demanded \$1,000 an egg and sold to J6 Farms, and our partners on the great Ester donor decided to offer three more. Ester's second calf in production was COBN Hennessy 022H, which held the accolades of Champion Bred and Owned female at Junior Nationals, as well as Champion Junior Purebred Female and Reserve Champion Open Female at Cattlemen's Congress. She also garnered the title of National Gold MOE Female of the year. Hennessy's first natural calf sold for \$14,000 in our online sale and we have her and Ester both being utilized heavily in our ET program. The eggs selling here are three-quarter siblings to the up-and-coming Hennessy donor. As we are trying to write our own history book with the pair, we feel that buying these eggs would be a great way to start your own for your program.

Here is the opportunity to purchase three embryos that are maternal siblings to J6 We The People 411J, one of the most talked about sires at the 2022 Cattlemen's Congress. This young sire was the lead lot at the 2022 OKC Embryos on Snow event where he was the high-selling individual. MJ MS Dolly 17D E is a lead donor in our program. She is the daughter of the popular Cottage Lake Border Agent, out of the many-time champion female SBLX True Love 918T. WZRK Game Changer 4015G was the top-selling lot in the 2020 Wiczorek Limousin Bull Sale. This son of HUNT Credentials 37C was appropriately named. It's not every day you get an opportunity like this. Imagine the possibilities here and make them a reality on sale day.

LFCC It's My Birthright was successfully campaigned by the Sennett family in 2021. This female claimed many banners during her career, including the 2021 NALIE Grand Champion Female and 4th Overall Lim-Flex Female at the 2021 NJLSC. She is a daughter of PVF Blacklist 7077, a young AI sire out of PVF Insight 0129 who has made his mark in the Angus herdbook for his ability to produce progeny that are respected by cattlemen across North America. Her donor dam, TASF Dignity 035D, was the 2018 NWSS Reserve Grand Champion Limousin Female. The paternal influence of these four embryos is the 2022 National Champion Limousin Bull, Ratliff Jumpstart. This young sire is a full sibling to the 2021 NAILE Supreme Champion Jr Female, Ratliff Howaboutit 008H.

You won't want to miss this embryo offering! KLS SULL Charmer is the \$52,000 valued herd sire prospect who sold in the 2020 Night on the Town III Sale where full possession and half semen interest was purchased by Ridgeland Cattle Co. This bull is wicked good—gigantic boned, impeccable in his structure and build, flawless fronted and insanely powerful in his design. He is a son of TASF Crown Royal and out of the famed Riverstone Charmed 50C female. KLS SULL Charmer is a PUREBRED Limousin bull that has all the potential in the world to be at the top of the Limousin breed and far beyond! You'll want to be a part of this phenomenal offering- this is the opportunity of a lifetime to have KLS SULL Charmer influencing your program. The donor in this mating is AUTO Harbor ET, an eye-appealing Colburn Primo 5153 daughter. AUTO Harbor is attractively patterned, neat and extended through her front one third and powerfully constructed through her center body. Colburn Primo 5153 is siring progeny that command absolute top dollar no matter what program they originate from. Her dam is the noteworthy donor, AUTO Rebeca 292S who is responsible for producing more top individuals than almost any other female to come from our program. This genetic combination will have a strong influence in this exciting offering.

Few females in the Limousin breed have achieved the status of 5110C. This female earned her reputation the old-fashioned way; "proof through progeny". This donor comes from the heart of the elite Coleman Limousin program, an operation rooted in exceptional cow families. COLE Miss Zone 5110C was recently valued at \$60,000, this is the type of female that you can't go wrong incorporating into your breeding program. She is the daughter of the popular COLE Miss Windfall 257Z donor. We feel that when mated to either of these two breed-leading sires the result will be off the charts. Have confidence the resulting progeny will be big-numbered, phenotypically correct, and on the cutting-edge of genetic advancement.

Here is a unique pairing with a female that stems from the prestigious Pinegar Limousin program. AUTO Usually Yours 290A is a daughter of MAGSWL Usual Suspect 538U out of AUTO Rebeca 292S. Both her sire and dam have written pages of Limousin history and Usually Yours is well on her way to doing the same. Gateway Follow Me F163 is one of the most popular Angus show sires in the breed right now and for good reason. This son of C&C McKinley has produced many champions, not only in the Angus breed but a variety of other breeds as well. This mating has the potential to be extraordinary!

MAGS Heiress 1607H is an eye-catching, maternal, and productively designed female. She is extended through her front one-third, clean in her lines, sound on the move, and carries natural rib dimension. She is the daughter of the great MAGS Ali, the ever-popular son of Connealy Consensus 7229. Heiress' dam is out of the extremely successful LLJB Absolute Style 3056A female. The results of the Ali x Absolute Style mating will live in the Limousin history books for a long time, with many other notable progeny that are a product of this great pairing. Examples include the high-selling bull in the 2020 Business Done Right Bull Sale, CELL Freedom 8208F; and CELL Fascination 8231F, the dam to CELL Jade 1157J and the top seller in the 2018 Fall Harvest Sale commanding \$80,000 from Sara Sullivan of Dunlap, IA. This stacked pedigree has generated an unbelievable amount of revenue for others, now it is your turn!

DL Holy Cow 22H was successfully campaigned by Emma Anderson in the 2021-2022 show season. Most notably, this female was selected as the 2022 NWSS Reserve Grand Champion Limousin Female. Here is a tremendous quality female with such cow power and massive overall dimension. She is robust through her center body, unbelievably strong in her top, and just flat-good from all angles. They don't make 'em like this anymore, folks. Daughter of RLBH Air Force One out of SSTO Round Robin 3805A, who stems from the legendary BOHI Red Robin 282R. Bid with absolute confidence.

Embryos are Grade 2

Big-time mating here. Pairing these two breed-leading individuals together is something to get excited about! The result will be something to talk about, not only in the flesh but also on paper. CJSL 4357B is one of the most elite Lim-Flex donors in the breed. This female produced the \$28,000 MAGS Federal Reserve 1014F, who is currently one of the most popular bulls in the industry. COLE Genesis was the top-selling lot in the 42nd Annual Coleman Limousin Ranch Bull Sale where he was appraised for a staggering \$80,000 valuation and was a member of the 2020 National Western Stock Show Grand Champion Limousin Pen of Three Bulls. He is the homozygous polled, purebred son of HUNT Credentials 37C out of COLE Miss X-Rated 354A.

Well, today is your lucky day! You have the opportunity to get some of the best proven genetics around from this amazing Limousin donor, CJLM Zonked 338B, and one of the most intriguing up-and-coming sires in the Limousin breed. CJLM Zonked 338B, daughter of EF Zonked 338Z, was named the Reserve Grand Champion Female at the 2013 North American International Livestock Exposition. Schilling Halas was one of the most talked about bulls at the 2021 Cattlemen's Congress. This son of ROMN Floyd Mudhenkey 101F has tremendous eye appeal. Don't miss out on these genetics.

EF Zonked 338Z was selected as the Division V Reserve Champion Female at the 2013 All American Limousin Futurity and was the Reserve Grand Champion Female at the 2013 North American International Livestock Exposition. EF Zonked 338Z stems from a line of champions who produce other champions. She's a tremendous female who is sound as a cat, has overall depth and thickness, and a style cattlemen desire. The best part of this deal is these embryos are out of the wildly popular Angus show sire Colburn Primo. Bid with confidence.

ELCX Kings Landing 599D is the MAGS Xyloid x WLR Prada son that has taken the Limousin breed by storm. He was the 2018 North American International Livestock Exposition Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. To name a few, his daughter, ELCX Gracious 951G, sold for \$30,000 and ELCX G Mail 950G for \$15,000 in 2020. In 2021, his daughter, DL Heaven Can Wait 550H, sold for \$15,000 and he sired the \$105,000 high-selling female at the 2021 Linhart Limousin Fall Harvest Sale, CELL Jade 1157J. He has garnered the attention of numerous producers across the country for his impeccable ability of siring individuals with look, power and substance. Don't miss this rare opportunity to get your hands on elite genetics.

KLS SULL Charmer is the \$52,000 valued herd sire prospect that sold in the 2020 Night on the Town III Sale where full possession and half semen interest was purchased by Ridgeland Cattle Co.. This bull is wicked good. He is gigantic boned, impeccable in his structure and build, flawless fronted and insanely powerful in his design. He is a son of TASF Crown Royal and out of the famed Riverstone Charmed 50C female. TASF Crown Royal is the DHVO Deuce x TASF Whiskey Lullaby 357W son that has taken over the breed with his powerful influence. Riverstone Charmed 50C needs no introduction as she will go down in history as one of the greatest show females of all time. KLS SULL Charmer is a PUREBRED Limousin bull that has all the potential in the world to be at the top of the Limousin breed and far beyond! You'll want to be a part of this phenomenal offering—this is the opportunity of a lifetime.
