LIMOUSIN SALE

January 2, 2023 • 6 P.M CST

EMBASSY SUITES BALLROOM

Oklahoma City, Oklahoma

SALE UPDATES

Any additions and/or corrections to the sale catalog will be posted the evening prior to the sale at RRMktg.com, MCMarketingManagement.com and nalf.org.

ANNOUNCEMENTS

Announcements made sale day by the owners, auctioneer or sale management take precedence over statements in the sale catalog.

PAYMENT

Terms of the sale are cash unless satisfactory credit arrangements have been made prior to the sale. All lots must be paid for at the time of the sale unless prior arrangements have been made.

TRANSFERS

Consignors are responsible for registration and transfer of lots after settlement.

TERMS AND CONDITIONS

Cattle sell in accordance with the North American Limousin Foundation. Please note: Sale management is an agent for the seller and has no responsibility other than those involved in conducting the sale. All persons who attend the sale do so at their own risk. Neither the sale manager nor the sale consigners assume liability. Legal and/or otherwise for any accidents that may occur.

EPDs - Current as of 12/22/22

All Credit Cards Accepted (3% fee applied)

Dear Limousin Friends,

It is with much excitement and anticipation this sale team invites you to look through this impressive assimilation of genetics for the 2023 National Limousin Sale.

As you flip through this catalog you will realize exactly why we are excited. The goal of this sale was to assemble a truly unique set of elite Limousin and Lim-Flex genetics from leading producers across the continent.

We want to congratulate all those involved in this sale for their willingness to work together to make this an event where we will celebrate the many positives in and around this breed.

Thanks to the efforts of many, most especially the premier producers from across this continent, we feel this sale is a more than appropriate way to kick off the new year and usher in the 2023 sale season. As you study this sale book, it will become evident that breeder's bought into this philosophy and dug deep into their genetic arsenals to offer seedstock that are truly worthy of carrying the moniker, "Elite."

From major league herd sire prospects, to proven donors, to fancy open heifers, to embryo packages never offered before, the lots presented here are "the best of the best."

We look forward to working with both buyers and sellers to help each achieve their goals. If we can be of any assistance prior to or during the sale, please do not hesitate to contact any capable member of this marketing team.

On behalf of each and every consignor as well as the marketing team, we appreciate your interest in the offering assembled for the 2023 National Limousin Sale. We look forward to seeing you in Oklahoma City, Oklahoma.

grgenetics@aol.com
www.grassrootsgenetics.com

On behalf of each and every consignor we appreciate your interest in the offering assembled for both the National Sale & Genetic On Ice Auctions.

We could think of no more fitting venue for an event of such breed importance than the Annual Cattlemen's Congress in Oklahoma City, Oklahoma. The goal of this sale was to assemble a truly unique set of elite Limousin genetics from leading producers across the continent.

The overwhelming response received by both consignors and potential buyers has been tremendous. We would like to congratulate everyone involved in this sale for working as a team to make this a sale one we can celebrate the best the breed has to offer.

We are proud to present this offering to you and feel these sales have all the makings of a "can't miss" event for years to come. As you study this sale book, it will become evident that breeder's dug deep into their genetic arsenals to offer seedstock that are truly worthy of such a prestigious event—the 50 National Sale lots presented here are "the best of the best" in accompaniment to the leading A.I sires highlighted in the Genetics On Ice offering.

Please contact any member of the marketing team or respective consignors with any questions you may have.

We hope to see you at this "once in a year" breed spectacle!

OFFERED BY LINHART LIMOUSIN

Here is the opportunity to flush the many-time champion LLJB Absolute Style 3056A. LLJB Absolute Style 3056A has more than 70 calves on file which have generated more than \$600,000 and is known for eye-appealing progeny that excels in terms of structural integrity. There have been many extremely successful progeny, for example, CELL Fascination 8231F, was the top seller in our 2018 Fall Harvest Sale commanding \$80,000 selling to Sara Sullivan of Dunlap, IA and the high-selling bull in our 2020 Business Done Right Bull sale CELL Freedom 8208F who was purchased by Wilder Family Limousin of TX Just to name a few. Take your choosing between two of the hottest sires in the breed. Whatever paternal influence you chose, the product will be highly marketable and ultra-competitive. It gets said too often, but this is truly an opportunity with very little risk yet great rewards.

OFFERED BY K&M CATTLE CO.

Absolute highlight of this offering! CELL 1157J is a 62% Lim-Flex female sired by ELCX Kings Landing 599D, one of the most talked about purebred bulls since he hit the scene. He is a son of MAGS Xyloid and the great WLR Prada female. This female's dam, CELL Fascination 8231F, was the high-selling individual at the 2018 Linhart Limousin Fall Harvest Production Sale for \$80,000. She is a daughter of MAGS Ali and out of the great LLJB Absolute Style 3056A donor. CELL Jade 1157J demanded \$105,000 as the top-selling lot in the 2021 Linhart Limousin 12th Annual Fall Harvest Sale. The resulting embryos have a winning pedigree that you're not gonna wanna pass up. Start imagining the possibilities and make them a reality sale day!

OFFERED BY WILDER FAMILY LIMOUSIN AND LINHART LIMOUSIN

UDE Queen Ruth 9044 is a unique and powerful breeding piece that is sired by the \$450,000 Coleman Bravo 6313, one of the most phenotypically eye-appealing bulls in the Angus breed that is backed by the famed Donna cow family. Her dam is the highly productive KDJ Queen Ruth 502 donor, this daughter of the ever-popular PVF Insight 0129 was the 2021 Roll of Victory Show Dam of the year. We purchased this elite donor from the 2019 Udell Cattle Co. production sale where this female and her maternal siblings led off the prestigious event. We admired this individual for her tremendous amount of center body dimension, genuine base width and brood cow look. A female of this quality and lineage has the potential to make exceptional Lim-Flex breeding stock.

Greenwood Pld Birch combines a notable pedigree, proven resume, and eye-catching phenotype. This donor is consigned by the prestigious Greenwood Limousin. Greenwood Pld Birch is sired by the popular AI sire CJSL Windfall 9072W, whose influence has been seen across North America in multiple progressive breeding programs. Her dam is the storied HSF Tinkerbell, the popular Carrouseles Nasdaq daughter out of the well-known NP Vidalia 164H. Few donor females ever reach the elevated status of this female. On paper, Greenwood Pld Birch presents above-average growth and maternal traits. From the ground up this female is big-footed, stout in her bone work with added angularity to her skeletal design. We feel this purebred female has a lot of unique pieces, that will pair nicely with this elite roster of breed-leading sires. Whether you are striving to produce Red Lim-Flex, Black Lim-Flex, high or low-percentage purebreds, this lot has you covered.

OFFERED BY WILDER FAMILY LIMOUSIN AND EDWARDS LAND & CATTLE CO.

ELCX Extra Special 701E is a 25% Lim-Flex female sired by PVF Insight 0129. Her dam is AUTO Poem 273Y, the SAV Bismarck 5682 daughter that's out of the one and only MAGS Phantoms Prize female. This female ranks in the 15th percentile for both her weaning weight and yearling weight figures. We are proud to offer this designer flush and it goes without saying that our confidence is incredibly high for what this female can do in your program and take you to the next level in the blink of an eye! The breeding versatility that this female possesses is quite exciting- the possibilities are nearly endless. ELCX Extra Special 701E will bring genetic superiority to your operation and you'll be on cloud nine.

OFFERED BY SENNETT CATTLE CO.

Auto Hipe was the top-selling lot in the 27th Annual Pinegar Limousin Herdbuilder Sale. This female went on to have a successful show career with the Sennett Family. Auto Hipe was selected as the champion division II Lim-Flex Female at this year's Junior Nationals. This female has a pedigree proven many times over, her sire is the great Silveiras Style 9303 who has produced too many champions to count. Her dam is Auto Luckie 246W, this elite donor needs no introduction in the Limousin circle. Don't miss the opportunity to flush this female to one of these popular sires, the result will be an ultra-competitive heifer waiting to fill the history books.

OFFERED BY PENDLETON

ELCX Hollywood 410H was selected Reserve Champion Female at the ultra-competitive 2021 National Junior Limousin Show & Congress for Brynlee Wilkerson. Purchased from Edwards Land & Cattle, this female was a stand-out since birth. Daughter of ELCX E-Town 436E, a son of the well-known MAGS Aviator. Her dam is out of the popular Angus Ai sire PVF Insight 0129. We feel this Champion Homo Polled Homo Black female has all the pieces to do big things. Take your choosing between three sires that are at the pinnacle of the show cattle scene.

What a rare and exciting opportunity consigned by KLS Farms of Chatham, LA and Sullivan Farms of Dunlap, IA. The opportunity is yours to flush the legendary J6 Advance E501 donor to the bull of your choice. Simply put- the opportunities are endless! The donor female is the one and only J6 Advance E501, a daughter of the foundation donor, JKC Berry Advance 36W. Unsurpassed is how many describe the pedigree behind the daughters of JKC Berry Advance 36W. J6 Advance E501 is sired by Six Mile Taurus 519A, a son of the great Six Mile Game Face 164Y. Six Mile Taurus 519A was the 2014 National Western Stock Show Champion bull. A son of J6 Advance E501 sold for \$13,000 in the 2022 Lonely Valley Seedstock Sale to Davis Ranches. P Bar S has a daughter of hers in their program that was the 2021 Champion Red Angus Influence Heifer at the Tulsa State Fair. Phenotypically, when it comes to elite donor females, J6 Advance E501 is at the forefront of many cattlemen's minds. She is absolutely stunning on the profile, she's angular in her design, ultra-attractive in her look and wide at the base of her skeleton. J6 Advance E501 has already begun writing her own chapter in the breed history book and now is your chance to have a unique influence in a flush to the bull of your choice. We could write paragraphs describing the caliber of this donor female, but her high quality look will speak for itself. These future calves are sure to be a major force to be reckoned with. You'll want to buy into these genetics and catapult your program to the next level.

A high caliber genetic offering that will garner the attention of cattlemen across the entire country. A heifer pregnancy from the TGM Compton 1738 x HSF Your Fantasy mating. TGM Compton 1738 is a son of Silveiras Style 9303 and out of a full sister to Dameron First Class, Dameron Northern Miss 3198. He is a superior Angus sire known for his thickness, tone, mobility and overall look. This combination of elite genetics is sure to turn some heads. HSF Your Fantasy progeny have completely dominated the show ring and far beyond. She is the dam of the famed 'Ratliff heifer', Riverstone Charmed, known as Larissa who set the show ring on fire in 2016. She is also the dam of the great Riverstone Crown Royal bull. HSF Your Fantasy has become known as one of the breed's most notable purebred donors. Her granddaughter, Ratliff Howboutit 008H, was crowned the 2021 North American International Livestock Exposition Supreme Champion Female, exhibited by Sara Sullivan. Most recently, HSF Your Fantasy daughters swept the 2022 Pembroke Cattle Co. Annual Fall Production Sale as a trio of high-selling females. PCC JKSM Fantasy 506K sold for \$45,000, PCC JKSM Fantasy 511K sold for \$25,000 and PCC JKSM Fantasy 508K sold for \$18,000. It goes without saying that the level of consistency and marketability of these two individuals is astonishing and we're anticipating this heifer to do big things in her lifetime. This heifer pregnancy will be 44.5% Lim-Flex, double black and double polled and due by the date of sale.

She is a female that originates from one of the most prestigious programs in the country that raises Limousin Show females, Thomas and Son Farms. TASF Fallon 190F was a calf champion at the 2019 NWSS for Sara Sullivan. She is a female of added eye appeal, structural correctness, and muscle shape in a very smooth maternal design. TASF Fallon 190F is one of the best Lim-Flex female shown by Sara Sullivan in recent years. With her genetic makeup and build this young female is sure to produce future show heifers at the highest level.

It doesn't get any better than this! The prestigious Magness Land & Cattle, and Buck Ridge program has offered up this well-known and proven AI sire! Gateway is bringing a powerful new pedigree and an outstanding look to the LimFlex business and this tremendous son of EXAR Monumental is the kind that can change an industry. Out of a tremendous Buck Ridge donor, Gateway is low in birth and great in marbling, giving him a great combination of growth, carcass, and phenotype.

PBRS 5136C has a maternal pattern that is hard to beat, this female is one of the leading Lim-Flex donors for KLS Farms. She is a 31% Lim-Flex daughter of MAGS Anchor and from the elite P Bar S purebred Angus donor, BUFF Eppionia 7307. She was a top selection from the long-running and prominent P Bar S Ranch program. PBRS 5136C is made as nice as you would want one. She is solid in her stance, fluid in her movement, and has a powerful yet feminine look. She has the perfect amount of thickness blended with the perfect amount of rib shape and volume. This pregnancy is out of the great COLE Genesis. He was the top-selling lot in the Coleman Limousin Ranch 42nd Annual Bull Sale where he was appraised for a staggering \$80,000 valuation and was a member of the 2020 National Western Stock Show Grand Champion Limousin Pen of Three Bulls. He is the homozygous polled, purebred son of HUNT Credentials 37C out of COLE Miss X-Rated 354A.

If you're in the market for purebred embryos- look no further! Here are three IVF embryos from the CELL Envision 7023E x CELL Miss Responder 6078D mating. These purebred embryos will be full siblings to the \$37,500 CELL History Maker 0256E bull that swept the industry in 2021. CELL Envision 7023E is the purebred son of AHCC Barn Burner B907 that's made a huge splash in the breed and for great reason. His dam is the impressive PBRS Zsa Zsa 246Z donor, a daughter of TW Fire N' Ice. On paper, CELL Envision ranks in the number one percentile for both his weaning weight and yearling weight figures and in the fifth percentile for his marbling figure. Talk about an impressive set of numbers! CELL Miss Responder 6078D is the COLE Absolute 05A daughter and out of a DHVO Deuce 132R female, MAGS Yodh. On paper, CELL Miss Responder 6078D ranks in the number one percentile for both her weaning weight and yearling weight figures. These embryos are sure to have excellent growth figures with such a strong backing from both sire and dam. These purebred embryos will be homozygous black and homozygous polled.

Extremely exciting opportunity to purchase some of the freshest and most valuable genetics that the prestigious Wulf Cattle operation has to offer. Wulfs Edwinna 7056E has made herself a very impressive resume for her age, producing a feature lot in the 2020 Wulf Cattle Opportunity with her first calf, Wulfs Gallagher 7056G, who was a top seller bringing \$17,000 selling to Wieczorek Limousin. History repeated itself with her second calf, Wulfs Hickok 7056H, who was the lead bull in the Reserve Champion Lim-Flex Pen of three at the Cattlemen's Congress, then commanded top dollar at the 2021 Wulf Cattle Opportunity sale for \$22,500 selling to Running Creek Limousin and Peterson L7 Bar Limousin. Producing two top-cut bulls in Wulf Cattle's vast population is no coincidence and made herself a strong bid for a donor career in the program. Phenotypically this young female has a beautiful pattern and exceptional udder conformation. Numerically she has breed-leading EPDS highlighted by a massive birth-to-yearling spread ranking in the top 10% birth weight, top 10% weaning weight and top 5% yearling weight. What's more, she ranks in the top 1% for milk, top 2% scrotal circumference, top 1% docility, top 10% ribeye area, top 20% marbling, and top 10% mainstream terminal index. Don't miss these elite embryos sale day!

WULFS HARD CIDER 0028H

Wulfs Hard Cider 0028H is an exceptional young female that was procured from the 2020 Night on the Town Sale. This female was consigned by Wulf Cattle, and was a highlight of the event, since then this 50% Lim-Flex has been an interracal part of the Misty Morning Limousin breeding foundation. It is with great excitement that we offer the right to flush this breed leading female to the bull of your choosing. Both of these elite genetic opportunities are sired by elite Red Angus bulls that both steam from the Beiber Laura 158W female, these genetics have a record of producing exceptional Lim-flex cattle such as the well-known Wulfs Emprize, Wulfs Eastern, Wulfs Envoy and many other reputable individuals. There is proof of these very genetics outperforming all others in one of North America's most reputable programs, imagine how these same genetics will work for you!

WULFS GAMEBOY C911G ET

WULFS CARRIEANN 5201C

This elite Homo Polled Homo Black Purebred female comes from the heart of the Wulf Cattle ET Program, this elite member of their donor battery has produced embryos that have been shipped internationally. She is the dam of WULFS Future 5201F, a sire that has been heavily utilized with the Wulf program due to his ability to transmit many industry-relevant traits, such as growth, carcass merit, and feed efficiency. This summer a daughter of WULFS Future 5201F sold as the top-selling live lot in the 2022 Sale of Sales. WULFS Carrieann 5201C is a daughter of the heavily used WULFS Willard, making this donor a paternal sister the \$70,000 WULFS Compliant K687C. On paper, this donor is a breed leader. She ranks in the top 2% for weaning weight, top 3% for yearling weight, top 15% for stayability, top 20% for docility, and top 25% for mainstream terminal index. If you're in the market to produce black purebred Limousin seedstock that is phenotypically elite, and industry relevant, make sure to have this lot on your shortlist sale day!

Lenape Limousin of Telford, PA has consigned four IVF heifer embryos from the Greenwood Commitment 705K x Carver's Red Alert 263E mating. These four IVF heifer embryos will be purebred, red and homozygous polled. Greenwood Commitment 705K was the high-selling lot in the 2022 Western Select Limousin Sale. He is a son of TREF Hardcore 204H and out of the great Greenwood PLD Zoom Bloom donor female. The donor female in this mating is Carver's Red Alert 263E, a daughter of FL Polled Touchable 311A and out of a great female, J Bar J JDEG Alert 1. These four IVF heifer embryos stem from some of the greatest purebred genetics in the industry today. You'll want to capitalize on this elite opportunity to further the success of your operation. This will be an investment that will pay for itself time and time again!

What a tremendously powerful offering! Four IVF heifer embryos from the Wulf's John Wayne H915J x Gbbl Royal Debonnaire 208D mating. Wulf's John Wayne H915J is sired by Wulfs Command K136C, a top-selling bull in a previous Wulf Cattle Opportunity Sale going to Pinnacle View Limousin then being named Reserve National Champion in 2017. His dam is a beautiful patterned Wulfs Warbonnet 6254W daughter. From the ground up, he is massive footed with perfect toe conformation. When set in motion he covers his tracks effortlessly, taking an extended stride. His silhouette will catch your eye with his dimension, muscle expression, capacity and growth. His actual performance is truly impressive, weighing heavy at weaning and yearling, measuring a large scrotal circumference and scanning exceptionally well. The donor female in this mating is Gbbl Royal Debonnaire 208D, a daughter of Baccarat and out of the great donor, FL Old 166Y Unicorn Crown. She is a top donor for the Lenape Limousin program and for great reason. These purebred IVF heifer embryos will be in the top spot of numerous lists on sale day, so grab them while you can!

All the ingredients are here to be top-notch, high performing individuals when these embryos hit the ground! Offering four conventional embryos to the HWCB Eye of the Storm x AUTO Poem 273Y mating. HWCB Eye of the Storm 406E was the Grand Champion Limousin Bull at the 2017 North American International Livestock Exposition. He is sired by ELCX Caesar 331C, a son of RLBH Air Force One. His dam, FBFL Princess Kate 406C is a daughter of MAGS Xyloid. The donor female in this embryo offering is the one and only AUTO Poem 273Y female, the SAV Bismarck 5682 daughter out of the legendary MAGS Phantoms Prize female. AUTO Poem 273Y is the solid producing dam of ELCX Bulletproof 438B ET and ELCX Cabin Fever 273C. The quality runs generations deep in this pedigree and now is your opportunity to further the reputation of these prolific cow families with these conventional embryos. These embryos will be full siblings to the 2022 North American International Livestock Exposition Division I Champion female, Legacy's Kinslee, exhibited by Jemma Dorsey of Moro, IL. These future calves will be symmetrical in their patterns, powerful in their rib shape and depth of body. They will be good featured, neat necked and will exhibit the longevity present in their pedigree. A special genetic opportunity in our eyes!

You'll want to be focused on this genetic offering! Four IVF embryos from the ELCX Kings Landing 599D x AUTO Poem 273Y mating. ELCX Kings Landing 599D is the MAGS Xyloid x WLR Prada son that has taken the whole Limousin breed by storm. He was the 2018 North American International Livestock Exposition Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. To name a few, his daughter ELCX Gracious 951G sold for \$30,000 and ELCX G Mail 950G for \$15,000 in 2020, in 2021, his daughter, DL Heaven Can Wait 550H sold for \$15,000 and he sired the \$105,000 high-selling female at the 2021 Linhart Limousin Fall Harvest Sale, CELL Jade 1157J. He has garnered the attention of numerous producers across the country for his impeccable ability of siring individuals with look, power and substance. Don't miss this rare opportunity to get your hands on elite genetics. The donor female in this embryo offering is the one and only AUTO Poem 273Y female, the SAV Bismarck 5682 daughter out of the legendary MAGS Phantoms Prize female. AUTO Poem 273Y is the solid producing dam of ELCX Bulletproof 438B ET and ELCX Cabin Fever 273C. Genetics that have withstood the true test of time that are still rising to the top of every platform. These four IVF embryos will be 65.5% Lim-Flex, homozygous polled and double black. The caliber of this offering has the potential to create exciting individuals with added marketability and phenotypic excellence.

A genetic offering that is sure to be the talk of the town! Four IVF embryos to the Ratliff Jump Start 340J x AUTO Poem 273Y mating. Ratliff Jump Start 340J is an impact sire out of FWLY Can Do and from the influential Riverstone Charmed donor female. FWLY Can Do is the RLBH Air Force One son from a great female, CLLL Crystal 334W. The breed has tremendous momentum and attention due in large part from Jump Start's legendary dam "Riverstone Charmed," who won Supreme Female at the 2016 North American International Livestock Exposition. Jump Start's full sister won Supreme Junior Female in 2021 for Sara Sullivan. They are the only mother/daughter duo to win the Supreme Junior female title at the North American International Livestock Exposition in Louisville. Ratliff Jumpstart 340J was selected Grand Champion Limousin bull at the 2022 Cattleman's Congress. The dam in this mating, AUTO Poem 273Y needs no introduction. She is the daughter of SAV Bismarck 5682 and the legendary MAGS Phantoms Prize donor. These four IVF embryos will be 54.5% Lim-Flex, double black and double polled. The list of accomplishments on both sides of this pedigree are difficult to list to its entirety, but we know you'll understand the immense worth of these four IVF embryos.

A special genetic opportunity right here, folks! Four conventional embryos from the TASF Heineken 405H ET x ELCX Extra Shot 702E mating. TASF Heineken 405H ET was the top-selling \$44,500 lot in the 2021 Thomas & Son Farms New Year's Resolution Online Bull Sale. He is a double homozygous son of TASF Crown Royal 960C and out of Pleasant Valley Elsa 1439. TASF Crown Royal 960C is the highly renowned son of DHVO Deuce 132R and TASF Whiskey Lullaby 357W. TASF Heineken 405H ET's dam is a daughter of EXAR Classen 1422B. From a phenotypic standpoint he is big footed, relaxed in his pasterns and excellent when you set him in motion. Numerically, he ranks in the top half of the breed or better in some of the most relevant traits in the industry today- weaning weight, yearling weight, carcass weight, ribeye, marbling and mainstream terminal index. The donor female in this mating is ELCX Extra Shot 702E. ELCX Extra Shot 702E is a 25% Lim-Flex female sired by PVF Insight 0129. Her dam is AUTO Poem 273Y, the SAV Bismarck 5682 daughter that's out of the one and only MAGS Phantoms Prize female. This female ranks in the 15th percentile for both her weaning weight and yearling weight figures. We are proud to offer embryos from this female and it goes without saying that our confidence is incredibly high for what this female can do in your program and take you to the next level in the blink of an eye! These four conventional embryos will be 37.5% Lim-Flex, homozygous polled and homozygous black. You'll want to buy into this phenomenal offering, it'll be high on the radar of many astute cattlemen!

Few females in the Limousin breed have achieved the notoriety or status of 104Y. Phenotypically, talk about an eye-catching, maternal, productively designed female. She is clean in her lines, sound on the move, and carries the natural rib dimension and broodiness you've come to expect from Coleman Limousin. On paper, this donor ranks in the top 1% for both marbling and mainstream terminal index. She has the phenotype, pedigree, and numerics to stack the odds in your favor. COLE Genesis 89G was the top-selling lot in the Coleman Limousin Ranch 42nd Annual Bull Sale where he was appraised for a staggering \$80,000 valuation and was a member of the 2020 National Western Stock Show Grand Champion Limousin Pen of Three Bulls. He is the homozygous polled, purebred son of HUNT Credentials 37C out of COLE Miss X-Rated 354A. If you're in search of highly marketable genetics that could steer your program to new heights, look no further.

This young donor female is smooth and elegant in her design, tremendous on her feet and legs, and full of ample muscle shape. The added dimension this female offers is impressive when coupled with flawless structure and attractive angles. Daughter of MAGS Constance, this donor stems from the prestigious Magness Land & Cattle breeding program. This high-quality female has multiple registered progeny in NALF, notably, she was the dam to the high-selling lot in the 2022 Magness Mile High Elite Female sale. MAGS Constance is sired by the popular Angus AI sire EXAR Denver 200B, his influence has been seen across North America in multiple breeds. Her dam is the storied MAGS Win Place Or Show, the popular DHVO Deuce 132R daughter out of the well-known MAGS Strawberry. Few donor females ever reach the elevated status of this female. She is sired by the proven PBRB Bunk House 48B, this AI transmits breed-leading growth and eye appeal. Invest early into this young donor female, she has big things up ahead.

What a tremendously unique offering here, folks! Davis Ranches of Brownwood, TX have consigned four IVF heifer embryos to the MRRC Legal 441E x CELL 5065C mating. These IVF heifer embryos will be 75% Lim-Flex, double black and double polled. MRRC Legal 441E is sired by Colburn Primo 5153, the highly renowned son of Dameron First Class and his dam is none other than the prestigious Riverstone

Charmed donor. The Riverstone Charmed "Larissa" name quickly became a household name within the Limousin breed and far beyond. The donor female in this mating is CELL 5065C, she is the flawless purebred daughter of DHVO Deuce and MAGS Wrigley. She is a donor for the White Valley Ranch breeding program that is the blend of winning genetics on both sides of her pedigree. You won't want to miss these four IVF heifer embryos! They'll catapult your program to the next level in the blink of an eye.

PBRS 5136C ET

What a prolific opportunity here, folks! KLS Farms of Chatham, LA is offering three IVF heifer embryos from the KLS SULL Charmer x PBRS 5136C mating. KLS SULL Charmer is the \$52,000 valued herd sire prospect who sold in the 2020 Night on the Town III Sale where full possession and half semen interest was purchased by Ridgeland Cattle Co. This bull is wicked good gigantic boned, impeccable in his structure and build, flawless fronted and insanely powerful in his design. He is a son of TASF Crown Royal and out of the famed Riverstone Charmed 50C female. KLS SULL Charmer is a PUREBRED Limousin bull that has all the potential in the world to be at the top of the Limousin breed and far beyond! You'll want to be a part of this phenomenal offering- this is the opportunity of a lifetime to have KLS SULL Charmer influencing your program. The donor dam in this mating is PBRS 5136C, a 31% Lim-Flex female sired by MAGS Anchor. MAGS Anchor is the LH War Hero 195W son and out of the MAGS Xiphopagous female. PBRS 5136C's dam is BUF Eppionia 7307, a daughter of SAV 8180 Traveler 004. PBRS 5136C ranks in the top 5% of the breed for marbling with a .49. These IVF heifer embryos will be 65.5% Lim-Flex, homozygous black and homozygous polled. What a tremendous opportunity to get your hands on some of the most elite genetics there are!

Another excellent investment opportunity! KLS Farms of Chatham, LA is offering three IVF heifer embryos from the TASF Crown Royal x PBRS 5136C mating. TASF Crown Royal is the impressive DHVO Deuce son out of a great female, TASF Whiskey Lullaby 357W. CrownRoyal was the 2017 National Western Stock Show Grand Champion bull raised by Thomas & Son Farms. Most notably, Crown Royal sired the 2018 North American International Livestock Exposition Grand Champion Open Limousin female shown by Kinnick Paulsen. The donor dam in this mating is PBRS 5136C, a 31% Lim-Flex female sired by MAGS Anchor. MAGS Anchor is the LH War Hero 195W son and out of the MAGS Xiphopagous female. PBRS 5136C's dam is BUF Eppionia 7307, a daughter of SAV 8180 Traveler 004. PBRS 5136C ranks in the top 5% of the breed for marbling with a .49. These IVF heifer embryos will be 65.5% Lim-Flex, homozygous black and hozygous polled. You absolutely cannot go wrong with investing in superior genetics like these, so act fast!

Don't miss the opportunity to procure embryos from the well-known \$30,000 AUTO Bliss 265Y. This female is a flush mate sister to AUTO Bette 266Y the Grand Champion Lim-Flex Female at the 2012 National Junior Heifer Show. This donor produced one of the best females our program has ever produced, LFL Eleanor 7103E, who is also a leading donor in our program. Daughter of the heavily used LH U Haul 135U sire, out of the famous WLR Ugly Betty 432U, whose legacy is weaved into the Limousin herd book. AUTO Bliss 265Y has accomplished so much, we are excited to see the result of matting her to this exciting herd sire.

Offering embryos from one of the lead donors in our program. LFL Eleanor 7103E has been on the bottom side of some of the best individuals we have produced in recent years. Most notably she is the dam to LFL Gavin 9137G the 2020 All-American-Futurity Champion Bull. This donor is bred for greatness, daughter of the great MAGS Zodiac, out of our popular AUTO Bliss 265Y donor who never misses. On paper, this donor has a set of breed-leading EPDS, she ranks in the top 1% for both weaning weight, yearling weight, and carcass weight, also take note of her exceptional marbling the ranks in the top 15% and \$MTI that ranks in the top 4%. It was an easy decision to mate this exceptional donor to the numerically elite purebred COLE Genesis 86G. Don't miss these breed-leading genetics consigned by Lawrence Family Limousin!

This donor female is one of our most prestigious donors and a fault-free female that we have utilized in our program. This unique consignment epitomizes the crossroads of where phenotypic quality and genetic diversity meet. These embryos offer you the opportunity to invest in producing progeny that are phenotypically elite and numerically superior. MAGS American Beauty was procured from the elite Magness Land & Cattle program. She is the daughter of the popular MAGS Winston. DEBV Gladiator 917G is a son of the extremely popular CELL Envision 7023E. These elite Lim-Flex genetics are as predictable as they come. Start imagining the possibilities and make them a reality sale day!

Three conventional embryos to the highly successful ELCX Kings Landing 599D x ELCX Elevate 684E mating. ELCX Kings Landing 599D is the MAGS Xyloid x WLR Prada son that has taken the whole Limousin breed by storm. He was the 2018 North American International Livestock Exposition Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. To name a few, his daughter ELCX Gracious 951G sold for \$30,000 and ELCX G Mail 950G for \$15,000 in 2020, in 2021, his daughter, DL Heaven Can Wait 550H sold for \$15,000 and he sired the \$105,000 high-selling female at the 2021 Linhart Limousin Fall Harvest Sale, CELL Jade 1157J. He has garnered the attention of numerous producers across the country for his impeccable ability of siring individuals with look, power and substance. The donor female in this mating is ELCX Elevate 684E, an impressive female straight from the heart of the Edwards Limousin program. She is sired by the many time champion bull, EF Xcessive Force and from the legendary DFCL HBHPC 1S donor. ELCX Elevate 684E is the dam of the 2022 National Western Stock Show Grand Champion Limousin/Lim-Flex Bull, ELCX High Time 065H. ELCX High Time 065H was also just recently selected as the 2022 North American International Livestock Exposition Grand Champion Limousin Bull. ELCX Elevate 684E is also the dam of the \$17,500 high-selling lot in the 2021 Edwards Land & Cattle Co. Show Heifer Online Sale, ELCX Highness 056H. She is also the dam of the \$30,000 female, ELCX Harmony 062H female. All three of these individuals will be full siblings to these three conventional embryos. If success is high on your radar, you'll want to take possession of these embryos fast!

Selling three IVF heifer embryos to the ELCX Kings Landing 599D x AUTO Solo 419E mating. These IVF heifer embryos will be 78% Limousin, homozygous black and homozygous polled. ELCX Kings Landing 599D is the MAGS Xyloid x WLR Prada son that has taken the whole Limousin breed by storm. He was the 2018 North American International Livestock Exposition Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. To name a few, his daughter ELCX Gracious 951G sold for \$30,000 and ELCX G Mail 950G for \$15,000 in 2020, in 2021, his daughter, DL Heaven Can Wait 550H sold for \$15,000 and he sired the \$105,000 high-selling female at the 2021 Linhart Limousin Fall Harvest Sale, CELL Jade 1157J. He has garnered the attention of numerous producers across the country for his impeccable ability of siring individuals with look, power and substance. Don't miss this rare opportunity to get your hands on elite genetics. The donor female in this mating is AUTO Solo 419E, a 75% Lim-Flex daughter of the one and only Riverstone Crown Royal. Her dam is AUTO April 202A, a remarkable product of the legendary MAGS Manuela x SAV Brave 8320 mating. AUTO Solo 419E is almost as maternal as they come, ranking in the 15th percentile for her milk figure. It goes without saying the pedigree backing these embryos is second to none.

WULFS Ablaze 3012A is a female that we think highly of. Procured from the heart of the Elite Wulf Cattle program this female is one to get excited about. Talk about an eye-catching, maternal, productive designed female. She is extended through her front one-third, clean in her lines, sound on the move, and carries natural rib dimension. Her sire is the great S A V Final Answer 0035, who transmits standout phenotypes consistently. Her dam is the great WULFS Your friend 1436Y. She currently has 25 progeny recorded in NALF. CELL Envision 7023E has proven to transmit progeny that pair big data with stand-out phenotypes. CELL Envision 7023E is deceased, but his legacy continues siring calves that sort to the top of many astute breeding programs across the country and have captured the attention of the best cattlemen.

You won't want to miss this embryo offering! KLS SULL Charmer is the \$52,000 valued herd sire prospect who sold in the 2020 Night on the Town III Sale where full possession and half semen interest was purchased by Ridgeland Cattle Co. This bull is wicked good—gigantic boned, impeccable in his structure and build, flawless fronted and insanely powerful in his design. He is a son of TASF Crown Royal and out of the famed Riverstone Charmed 50C female. KLS SULL Charmer is a PUREBRED Limousin bull that has all the potential in the world to be at the top of the Limousin breed and far beyond! You'll want to be a part of this phenomenal offering- this is the opportunity of a lifetime to have KLS SULL Charmer influencing your program. The donor in this mating is AUTO Harbor ET, an eye-appealing Colburn Primo 5153 daughter. AUTO Harbor is attractively patterned, neat and extended through her front one third and powerfully constructed through her center body. Colburn Primo 5153 is siring progeny that command absolute top dollar no matter what program they originate from. Her dam is the noteworthy donor, AUTO Rebeca 292S who is responsible for producing more top individuals than almost any other female to come from our program. This genetic combination will have a strong influence in this exciting offering.

What a tremendous genetic opportunity right here! Ridgeland Cattle Co. of WV is offering three IVF heifer embryos from the Silveiras Style 9303 x RCC Jesslyn 2150J mating. Silveiras Style 9303 has dominated the show world in such a prestigious way across numerous breeds. His progeny have claimed more champion titles over a nine year period than any other bull. Silveiras Style 9303 is a son of Gambles Hot Rod and the great Silveiras Elba 2520 female. Numerous pages of history have already been written on Style progeny and will continue for many generations to come. The donor female in this mating is RCC Jesslyn 2150J ET, a daughter of TMCK Durham Wheat 6030X and out of the famed HSF Your Fantasy female. The pedigree of this female needs absolutely no introduction, but RCC Jesslyn 2150J ET is a full sibling to the great Riverstone Charmed "Larissa", known as the Ratliff heifer, that is still setting the entire world on fire with her accolades over recent years. Riverstone Charmed, "Larissa" is the undisputed National Champion female etched flawlessly in the minds of every cattleman across the nation and far beyond. On top of her more than impressive show career for Ratliff's Cherry Creek Farms of Westphalia, KS, she produced \$137,500 in her first five offspring to sell that averaged \$27,500. Her very first set of offspring included "Ratliff Majority Rules ET," the \$75,000 half interest bull calf and a \$40,000 daughter sired by MAGS Aviator, SSTO Maximilian 743E ET. These IVF heifer embryos will be 47.5% Lim-Flex, homozygous black and double polled.

Check this embryo offering out! Three IVF heifer embryos to the TASF Crown Royal x RCC Jesslyn 2150J mating. TASF Crown Royal is the impressive DHVO Deuce son out of a great female, TASF Whiskey Lullaby 357W. Crown Royal was the 2017 National Western Stock Show Grand Champion bull raised by Thomas & Son Farms. Most notably, Crown Royal sired the 2018 North American International Livestock Exposition Grand Champion Open Limousin female shown by Kinnick Paulsen. The donor female in this mating is RCC Jesslyn 2150J ET, a daughter of TMCK Durham Wheat 6030X and out of the famed HSF Your Fantasy female. The pedigree of this female needs absolutely no introduction, but RCC Jesslyn 2150J ET is a full sibling to the great Riverstone Charmed "Larissa", known as the Ratliff heifer, that is still setting the entire world on fire with her accolades over recent years. Riverstone Charmed, "Larissa" is the undisputed National Champion female etched flawlessly in the minds of every cattleman across the nation and far beyond. Pay close attention to this special genetic consignment! These embryos will be full siblings to RESH Scotch Cap 133J, the Champion Bred & Owned Limousin Female at the 2022 National Junior Limousin Show & Congress for Riley Smith. This exceptional female was admired by many in Amarillo for her flawless silhouette, ample muscle shape, and dimension coupled with flawless structure, and attractive angles. LMCC Scotch Cap 168F was procured from Malone Cattle of IL. Daughter of the well-known MAGS Aviator out of the EXLR Scotch Cap 191S donor female. These embryos are sired by the 2017 NWSS Grand Champion Limousin Bull, TASF Crown Royal 960C, who has made his mark siring competitive cattle across the country that don't sacrifice real word values. Bid with confidence on this elite mating brought to you by an exceptional young Limousin breeder. The resulting progeny will be homozygous polled homozygous black, phenotypically elite, and highly marketable.

LDIL JUKEBOX 105J ET

AUTO CALLIE 403D

2 IN 1 PACKAGE - 15 UNITS FOR \$1,000

Offering two high-quality Maternal brothers that come from the heart of the Boyce-Dill program. LDIL Just Right 128J is sired by SSTO Guns N Roses 9408G, the TASF Crown Royal 960C son out of the popular Riverstone Charmed female. His dam is the founding donor of our program, AUTO Callie 403D ET, who was selected Grand Champion Limousin Female at the 2018 All-American Limousin Futurity. This female is an AUTO Power Plus 133B daughter out of the famous AUTO Rebeca 292S donor. LDIL Just Right 128J is hard to find a hole in. LDIL Jukebox 105J is an absolute eye-catcher. Stout featured, long-bodied, wide-based, and truly impressive when set into motion. He is sired by the proven CJSL Creed 5042C who has 577 total progeny registered in NALF. This sire is a full sib to LDIL Jovie 103J who was selected Champion of the inaugural Neogen Ultimate Show, held at this year's Junior Nationals. This combination of presence and numbers projects him to be the type of herd bull that produces well-balanced, stout calves year in and year out.

SELLING 10 SEMEN PACKS OF 10 UNITS @1,000

It is not every day that you can incorporate a fresh young sire into your breeding program that has been proven in three of the most prestigious Limousin seedstock operations in the country. WULFS Hickok was a member of the 2021 Reserve Champion Lim-Flex Pen in Oklahoma City. Later that year he was a featured lot in the Wulf Cattle Opportunity Sale, selling to Running Creek Ranch and Peterson L7 Bar Limousin. His dam Wulfs Edwinna 7056E has made herself a very impressive resume for her age, producing a feature lot in the 2020 Wulf Cattle Opportunity with her first calf, Wulfs Gallagher 7056G, who was a top seller bringing \$17,000 selling to Wieczorek Limousin. History repeated itself with her second calf, Wulfs Hickok 7056H. Producing two top-cut bulls in Wulf Cattle's vast population is no coincidence and made herself a strong bid for a donor career in the program. Phenotypically this young female has a beautiful pattern and exceptional udder conformation. His sire WULFS Defend K909 was the top-selling lot in the 2017 Wulf Cattle Opportunity Sale. The two firms that purchased this bull decided to keep semen strictly off the market. His first calves are standouts of their contemporaries within these three programs. We have decided to sell a limited amount of semen to the public, this is not the last time you will hear of Hickok.

MAYC GOLD BUCKLE

MAYC Gold Buckle 624G was crowned Champion Bull at the 2020 North American International Livestock Exposition and Reserve Champion Bull at the 2020 American Royal. Admire him for his eye-catching rib dimension, bone, and structural correctness. This phenotypic comes from his winning lineage sired by MRRC Legal 441E, a son of Colburn Primo 5153 out of the one and only Riverstone Charmed 50C needs no introduction- she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females of all time. Not only did she make her mark during her storied show career, she is now generating progeny that command top dollar and completely dominate any arena they walk into. MAYC Gold Buckle 624G dam is the great FWLY Purple Ribbon who had an outstanding show career racking up banners everywhere she went. Don't miss this exclusive opportunity to breed greatness with MAYC Gold Buckle!
