# DONOR FEMALE

MAGS Firestone 218F  
son of Lot 1.

**Lot 1** Selling full interest and 50% embryo interest

Leading this elite sale offering off is a lot of rarity and worthy of such an honor. The matron of the 2019 National Western Stock Show grand champion bull, MAGS Firestone, is on offer for your appreciated appraisal. This donor female not only produced the \$50,000+ national champion but, she also boasts breed leading numerics. Study her growth traits which rank in the top 1% of the entire breed coupled with a total maternal figure in the top 5%. That in mind, the combination of Daystar's phenotype, proven production record and elite numerics all but, secures this female as a leading donor that will impact the legacy of your program for years to come.

**2** Selling choice of four full sister to TMCK Earth Angel 433E. It's not everyday you have the opportunity to invest in a pick which could be your next donor dam that brings a combination of outcross genetics, huge numbers and desirable phenotype to the table. Visually stunning is term that adequately describes these females like their full sister pictured, TMCK Earth Angel 433E - they are well designed, sound footed and carry the right amount of natural stoutness even the most discriminating cattlemen can appreciate. What's more, is numerically these full siblings ranks in the top 35% or better for seven economically relevant EPD traits. The bottom-line is, this pick is one that would be an asset to your genetic arsenal for years to come.

# SEMEN OPPORTUNITIES

PBRS Roadhouse 7298E

PBRS Bunk House

**3** Selling semen packages. 15 units for \$1,000.

It with great excitement and pride we introduce PBRS Roadhouse 7298E to the Limousin marketplace! This full brother to the deceased and widely acclaimed A.I sire PBRS Bunkhouse 48B is the clear heir apparent to his brother as the double homozygous, performance oriented, high marbling Lim-Flex outcross sire of choice. Curve bender best is a term that best describes Roadhouse - he posts a user friendly 12 calving ease EPD while ranking in the top 30% or better of the entire genetic population for yearling, calving ease maternal, docility, marbling and mainstream terminal index. What's even better, visually he's sound footed, big nutted, loaded with rib shape and thick-ended. The bottom-line is, this is your opportunity to fast track your Lim-Flex program by making high quality, genetically diverse, huge numbered cattle right for today's cattle industry.

**SPECIAL NOTE:**  
all pregnancy's sell with a commercial recipient and are due Spring of 2020.

Folks, here's your chance to be the judge! Study this rare opportunity brought to us by the progressive Wilder Family Limousin program to take your pick of these big time matings. The breeding combinations at hand boasts some of the most proven and desirable genetics that have excelled both in production and in the show ring at national levels. The A.I sires featured in this lot, represent a combination of exceptional phenotype, mainstream numerics and marketability. The prolific donor dam is the many times champion, LLJB Absolute Style 3056A. Over the years she has produced more than 50 calves on file, generated north of \$500,000 in six years and is known for eye appealing progeny that excel in terms of structural integrity. October 6th don't miss your chance to take your pick of pregnancies and invest in top flight genetics from a reputation program.

LLJB Absolute Style 3056A, dam of Lot 4.

MAGS Firestone 218F, sire of Lot 4A.

MAGS Cable 517C, sire of Lot 4B.

MAGS Ali 319A, sire of Lot 4C.

Selling semen packages of 10 units for \$750 each. Contact any member of the sales team and/or owners.

Here is a truly 'royal' opportunity to tap into some of the finest genetics in the breed today. Riverstone Crown Royal is one of the most prominent and influential sires across the nation. We all know he is flawless in his phenotype, smooth in his lines and superb in motion. He is a son of TMCK Durham Wheat 6030X and from the great HSF Your Fantasy female. HSF Your Fantasy was a force to be reckoned with when she was in the ring. TMCK Durham Wheat makes show females as pretty as you can dream. This guy is sure to still be at the top and continue impressing cattlemen across the country.

Selling semen packages of 10 units for \$750 each. Contact any member of the sales team and/or owners.

# PUREBRED AT ITS FINEST

AUTO Rebeca, dam of Lot 6.

**6** AUTO Gretna 222G is about as royally bred as the come. She is a Riverstone Crown Royal daughter to pay attention to. Her dam is the great AUTO Rebeca 292S. AUTO Rebeca is one of the all-time great donor females in the entire breed. Her milk EPD ranks in the top 20% of the breed. This female is homozygous polled and homozygous black. We are certain this female will make a lasting, positive impact in the breed and be recognized as a top producer in any program

**LOT 7 ...** AUTO Grandeur 214G is homozygous black and homozygous polled. She is out of the great PVF Insight 0129 bull. Her dam is AUTO Zofia 439Z. This female ranks in the top 20% of the breed for milk. This female will stop you dead in your tracks. She's so elegantly designed, sound on her feet and legs and super feminine through her front one third. With a female like this, you can do big things for your program.

**LOT 8 ...** AUTO Guess Work 215G is a full sib to AUTO Grandeur 214G and just as impressive. She's long and level in her spine, deep and soggy middled and smooth in her design. This female will take the 'guesswork' out of creating highly functional and stylish individuals in your herd. Don't miss this unique opportunity to take a female home with you that is backed by some of the most proven genetics in the breed today.

AUTO Zofia 439Z, the dam of Lot 8 & 9, sold for 50,000 to J6 Farms, Gibbon, NE

# FULLBLOOD ELITE

Full Sib to Lot 9, AUTO Redbird 421D.

9

Polled Fullblood at its finest is AUTO Rather Nice 434F! She is a daughter of SVL Polled Impact 516U from the elite Pinegar brood matron, AUTO Red Pepper 216X. She is a daughter of the once All American Futurity champion bull, AUTO Cliff Hanger 194D from Laura's Echelon. She is a daughter of WRC Punch from Soules Queen. This female is rich in premier Fullblood genetics and has tremendous predictability bred into her. She is made as nice as you could ever find in a polled Fullblood female. If you appreciate the Fullblood females in this breed then please consider this open heifer. Her full sister sold in the 2018 Summit Sale for \$17,000 to Wulf Cattle, Morris, MN.

# PICK OF FLUSH

**10** Buyer gets their choice of one heifer from a total of four.

Buyer has the opportunity to select their favorite from four heifer calves. This is another super exciting mating in this offering. Riverstone Crown Royal is the premier sire of elite cattle that have the look and that can be turned out in production taking the world by storm. PBRS 5136C is one of our leading donors that never fails to impress us. She is a daughter of MAGS Anchor and from the great P Bar S Angus donor female, BUFF Eppionia 7307. She is made just like they should be- flexible in her movement, smooth in her lines and powerfully constructed. Buy with confidence in this elite blending of winning genetics.

*Sire, Riverstone Crown Royal*

## PICK OF 2019 HEIFER CALVES

**11** This pick of the entire 2019 born open heifers is coming from the heart of the robust Hunt Limousin spring calving program which, is one of the largest in the business today. The list of breed impacting genetics Hunt Limousin has infused into their program is many because of their industry first approach and it's with confidence that a matron worthy of the 'donor' moniker exists in this very group. Found specifically in the 2019 Spring born open heifer pen is approximately 150+ females by many of the breed's most elite A.I sires. Worth noting, this marks the first time ever in the existence of the Hunt program which spans across five decades that an exclusive pick of the herd is being placed on offer for your appraisal. That said, the combination of this group's genetic diversity and high quality all but, secures your chance of finding numerous prospect donor females to sort through. Bid with confidence. For more detailed information please contact Hunt Limousin direct.

# HEIFER PREGNANCY

Sire, RLBH Air Force One

Dam, AUTO Poem 273Y

ELCX Bullet Proof 438B, maternal sib to Lot 12.

ELCX Englishman 769E, maternal sib to Lot 12.

**Lot 12** Selling full possession. Davis Limousin maintains 50% embryo interest only (embryo interest will be that Davis has the rights to 50% of embryo production and they will pay 50% of the transplant production). If the female is sold in the future the new buyer from this sale will get 100% of the money and Davis will retain a minimum of 10 embryos in the future with whomever owns the female.

Talk about a unique blend of elite genetics! Here is a guaranteed heifer mating that represents some of the best in the business. This future calf will be a daughter of the great RLBH Air Force One. He is a crowd favorite son of EF Xcessive Force known for his calving ease and tremendous style and balance. The influence of this future calf's dam will be second to none. AUTO Poem 273Y sets the standard for what donor females should be. She is a daughter of SAV Bismarck 5682 and from the great MAGS Phantom Prize female. Her maternal siblings are ELCX Bullet Proof 438B, the proven son of Ypsilanti and ELCX Englishman 769E, the impressive son of MAGS Winston. This heifer calf will be 56% Lim-Flex and double polled and double black. This female has so much stacked in her favor already, it's almost a no-brainer to have this one marked down for sale day!

# EMBRYOS BY BULL OF CHOICE

*PBRS 7193E, daughter of donor dam  
CRS Red Misty*

**13** Selling five embryos sired by the bull of the buyer's choice!

Here is a donor that so many are talking about. CRS Red Misty is a PZC TMAS Firestorm 1800 daughter from the CRSL Miss Alexa female. We just love this one from the ground up. This cow is great in her shoulder, flexible in her movement and tremendously balanced. We are confident in her offspring and were super impressed with her daughter, PBRS 7193E that was a top highlight of our spring sale. This donor will continue to bring excellence and versatility to any stockman.

PBRS 7193E sold for \$14,000 to Davis Limousin of Brownwood, Texas.

*PBRs 79E full sib to  
Lot 14 embryos.*

**14** These two conventional embryos are definitely a highlight of this offering. They are homozygous black and homozygous polled and 60% Lim-Flex. These embryos are sired by the top herd sire in 2017, MAGS Aviator. He is known and trusted to produce cattle that are moderate made, structurally sound and smooth in their design. ADLL 5125C is quite the impressive DHVO Deuce daughter. Her dam is MAGS Unseat the Winner, an MYTTY In Focus female. You really don't have to analyze this lot very long because the quality of this mating is second to none. Be sure to have this one marked down for sale day! These embryos are full siblings to the top selling lot in the P Bar S April 2019 sale at \$12,500 selling to J6 Farms of Gibbon, Nebraska.

# EMBRYOS

Sire, Barstow Cash

Donor, MAGS With Class

**15** This marks a great opportunity to invest in both an amazing donor and sire. First the donor, MAGS With Class, that produced numerous national champions like the 2019 Grand Champion Lim-Flex and 2018 Rs. Grand Champion Lim-Flex at both National Junior Shows respectively. Visually she comes to us in a sound footed, square hiped, big bodied, attractive patterned package. On the sire's side of the equation, here's an opportunity to invest in a widely popular Angus bull that's impressed many with his shear mass and structural integrity, Barstow Cash. With out question, this high power mating promises to hit a home-run! Bid with confidence.

Sire, Colburn Primo 5153

Dam,  
WLR Prada

**16** This elite consignment is just plain exciting in our minds and should send chills down your spine. Colburn Primo 5153 is the simply amazing son of Dameron First Class and from an extremely decorated Silveiras Style daughter, Silveiras Saras Dream. Primo sires cattle that are deep bodied, big boned and flawlessly designed. WLR Prada is the premier, two-time National Gold Medal M.O.E. dam. She is one of the finest females to carry the WLR prefix and is such a standout even in production. This genetic combination has everything stacked in its favor and we couldn't be more excited to see the outcome. These three embryos are 50% Lim-Flex, homozygous polled and double black. They are IVF reverse sort heifer embryos.

Embryos are located at Trans Ova, Chillicothe, MO

# EMBRYOS BY BULL OF BUYERS CHOICE

*Donor,  
J6 Advance E501*

**20** Five embryos sired by the bull of the buyer's choice!

Lonely Valley Seedstock is one of the largest sources of Registered Limousin and Lim-Flex in the entire breed. They also have a select few of the finest purebred Red Angus females in their program. One of those top donors is J6 Advance E501. She is a daughter of Six Mile Taurus 519A, the two-time Denver National Red Angus Champion bull. She is big footed, soft in her pasterns and very broody in her make-up. She is one big league donor cow that has all the right traits needed to make purebred Red Angus or elite Lim-Flex cattle.

Selling three IVF reverse sort heifer embryos. This elite mating will be the talk of the town for so many years down the road. We don't really have to introduce the great himself, Riverstone Crown Royal. He is the elite sire that has been sweeping show rings across the nation and paired with AUTO Casper 241C, we are anticipating some great individuals. AUTO Casper 241C is a homozygous black, homozygous polled daughter of EXAR Classen, the \$150,000 half-interest top-selling bull from Express Ranches. He is a son of the now deceased Dameron's First Class. AUTO Casper 241C is from the great AUTO Rebeca 292S female. Matings like this one aren't available just every day, so be sure to have it on your shortlist come sale day.

# CHOICE OF TANK

## DIAMOND HILL CATTLE COMPANY

**Oct 24** Selling six embryos.

It's not everyday you have the opportunity to invest in choice of embryos in an entire inventory from a progressive firm like Diamond Hill Cattle Co. Found in the 'tank' is a combination of both proven genetics and fresh pedigree twists all in the same breath. Just to name a few, cow families represented in the Diamond Hill embryo battery would feature the likes of PBRs Touch Me Gently, AUTO Bliss and EXLR Luvly. What's more, majority of the created embryos will come to us in some of the breed's most numerically impressive packages. The bottom-line is, this is a lot that projects to produce breed standouts that would be an asset to your genetic arsenal for years to come. For further details on inventory contact Diamond Hill Cattle Co. direct.

One of the featured donor cows for Stowers Limousin and KLS Farms is SBLX Xtra Special 214X. She is the once \$52,000 valued female and many times show champion. She is proven daughter of the National Champion sire DHVO Deuce 132R and from the elite and now deceased MAGS Manuela. 214X has been a leading donor for both of these leading programs. Her mating to the purebred Angus sire, HA Cowboy Up has worked extremely well. The Cowboy Up x 214X progeny have been very sound structured, moderate framed and easy in their condition.

Selling choice of a right to flush. Seller guarantees a minimum of six embryos and maximum of 10. Buyers pays flush expenditure.

Study this amazing genetic feature! This is your opportunity to attain genetics by this exceptional 50% Lim-Flex female that's presented by Red Rock Limousin and comes straight from the heart of the long running P Bar S Ranch. She was recently one of the top sellers at the 11th annual P Bar S production sale where her combination of quality, rib shape, muscle pattern, udder conformation and structural integrity sent the buying crowd into a frenzy. She is a daughter of the ever-popular highly syndicated sire, Cottage Lake Border Agent. Now deceased, he has left some amazing progeny to say the least. This daughter is homozygous polled and made as good as you can imagine. This female is the result of blending the best purebred Angus with the best of purebred Limousin. On the paternal side of this genetic offering, we have elected to offer you three options that we think are some of finest and freshest A.I sires in the business! Bid with confidence October 6th.

Selling choice of a right to flush. Seller guarantees a minimum of six embryos and maximum of 10. Buyers pays flush expenditure.

The dam of these embryos is a first rate donor by Power Plus out of the great Rebeca 292S. Callie was also the 2018 All-American Futurity Champion female for Ellie Dill. Stack that with the "in demand" genetics of CJSL Creed, Crown Royal and Cable on the top side, and you have an opportunity to be control of Homozygous polled progeny capable of writing their own ticket.

# CHOICE OF EMBRYOS

Donor, MAGS Calico 504C

Sire, MAGS Firestone 218F

Sire, CJSL Creed 5042C

Selling choice of three embryos.

The choice of these elite embryos are by two of the breed's hottest sires, the 2019 National Western Stock Show grand champion, MAGS Firestone and the highly popular CJSL Creed A.I sire that needs little introduction! If you're looking for a genetic opportunity that promises to produce double homozygous, functionally sound bulls and tremendous cow prospects then here's the mating for you! The donor female, MAGS Calico, is simply one of the most phenotypically complete donor cows ever to impact the historied Glendenning program - she's moderate made, big bodied, boasts a perfectly constructed udder and as a bonus packs a punch numerically by ranking among the breed's very best EPD-wise. Don't overlook this buying opportunity sale day.

Genetics of this caliber and quality are rarely offered to the buying public but, the 2019 Summit Sale, is your opportunity to invest in some of our breed's very finest and this lot is no exception. Study the unique genetic combination of HEIFER embryos placed on offer. On the top side of both sets found are industry relevant and breeding leading A.I sires in MAGS Cable and TMCK Cash Flow. The donors in play are none other than M&R's lead foundation females, MAGS Xosa (a high quality, structurally sound female that boasts the rare combination of perfectly portioned rib and muscle relative to frame) and LFL Zamora 2069Z (a full sister to the legendary 'Peaches' cow family that has produced hundreds of thousand in progeny). No doubt, the ensuing heifer offspring of this genetic lot will impress and be breed leading in terms of numerics.

Folks, here is a true sale highlight and chance to invest in fresh genetics! The donor dam, MAGS Xosa, a full sibling to the ever popular Xyloid sire is a stout featured, high performance, sound structured female that carries and abundance of rib shape. What's more the sire represented in this mating, Musgrave Headway, is a fresh pedigreed numerical giant! The bottom-line is, the result of this designer mating promises to produce top flight progeny.

# HEIFER EMBRYOS

Folks, here is a true sale highlight to invest in sexed heifer fullblood genetics! The donor dam, AUTO Strawberry is a sound structured, bold ribbed, muscular, attractive patterned female that caught the attention of many breeders in the 2018 Heart Of Missouri Sale where she was a sale topper. The sire in this designer mating, Posthaven P Zansibar, is known for producing progeny with supreme style, muscle and length of body. The bottom-line is, this elite mating promises to produce phenotypically exceptional heifer calves that project to be some of the top fullblood cattle in the country. Invest today.

# EMBRYOS

Donor, AUTO Christy 8889R

Sire, MAGS Winston

AUTO Christy 8889R, the breed leading ELCX donor and highly recognized female in the breed. Her first major accomplishment was Andrew Milam's heifer, a daughter of Christy, AUTO Mornin to win reserve grand champion female of the 2012 National Junior Heifer show. Another daughter ELCX Christy, the leading donor for Wies and Edwards Land & Cattle Co dominated the shows in '14 and '15 by winning the following ...

- 2014 Southeast Summer Classic Grand Champion Female
- 2014 All-American Futurity Division IV Champion Female
- 2014 American Royal Show Division Champion Female
- 2014 NAILE Division Champion Female
- 2015 All-American Futurity Grand Champion Cow-Calf Pair

These embryos are sired by the breed-leading and ever popular sire, MAGS Winston. He is now deceased but still remains as one of the most respected bulls in the business. His semen is nearly gone, if even limited in supply.
