We couldn't think of a better way to begin the Road To Grand Island than with this pair of full sisters. By the hot young sire, MAGS Aviator, and out of possibly the greatest Lim-Flex female in breed history AUTO Rebeca 292S, these sharp show-heifer prospects flawlessly combine new genetics with proven production. A pattern you will see repeat itself throughout this special offering.

# Pick of the December Heifers

Once again this year, we have decided to sort up a select group of December babies for your appraisal. As you study these heifers, their pedigrees and their EPDs, you will notice they are very similar to the older Road To Grand Island heifers cataloged in front of them. The only difference is their age, and we guarantee, in time, they will grow out of that.

All of the vet work is in order on these heifers and they can be taken home the day of the sale. However, given their age, if you wish to leave them here at the farm for another month or so, please visit with Ty or James prior to the sale.

Here is a sure-fire way to get into the business in a big-time way. These three full sisters are not only phenotypically right, they have the EPD profile to allow a variety of mating options. Their sire, MAGS Anchor is behind many recent top sellers and their dam is a can't miss purebred Angus donor. The icing on the cake is the fact each of these exceptional females are bred to three of the hottest young sires in the business. Here is a unique opportunity for both established and new breeders. **OFFERED BY** FREEBIRD FARMS

Due 8/6/17 to ELCX Tweeting 801B.  
Freebird Farms has dug deep into the heart of their program to bring you one of their top replacement females. Being a direct daughter of the \$40,000-valued SBLX Unknown, makes 400C a maternal sister to AUTO New Edition, the successfully campaigned bull on the Limousin MOE circuit for Pinegar and Thomas & Son. From a production standpoint, her sire is a trait leader for Milk and she too ranks in the top 2% of the Lim-Flex population for the same trait. When you study her data, it's evident she is going to transmit low birth, high maternal and high mabling genetics to her highly marketable progeny. You'll admire her for her big top, level and square hip, and sound structure. Don't miss this unique opportunity to invest in one of the finest Review daughters to be offered at public auction.

**OFFERED BY** STONE VALLEY LIMOUSIN FARM

Due 9/22/17 to SVL Polled Norman 217B

Wynona is an eye-appealing, homozygous polled SVL Exclusive daughter. She is long bodied, deep in her rib and flank with a beautiful front end. She comes from a foolproof cow family that consistently produces the good ones. She sells bred for a September homozygous polled calf by SVL Polled Norman, a homozygous polled outcross son of 1-Way Just Gorgeous. This heifer is an excellent donor prospect with an exciting future. The front-pasture kind and one of the finest to leave Stone Valley.

Here is an exciting opportunity to acquire genetics out of one of the most popular lots at the Pinegar Herdbuilder sale this past March. Sugar Bush Cattle won the bidding war on AUTO Rhonda 225C, a direct daughter of MAGS Manuela, and has now decided to offer sexed heifer embryos out of her and by two of the breed's most exciting sires. With the death of MAGS Manuela, acquiring her genetics is becoming more difficult as time passes. This is your opportunity to own a piece of this legendary cow family.
