“ *In matters of style... move with the current*
In matters of integrity... stand like a rock ”

Welcome...

I would like to welcome you all to the 2018 Riverstone Bull Sale. To say that 2018 has started off challenging would be an understatement! The extreme cold that we have faced through the past two months we have definitely been keeping everyone on their toes. With the shortage of straw in some places combined with these frigid temperatures I am sure this will have an effect on everyone's current herdsire battery and good herdsire prospects will be in demand.

In this year's offering you will notice we have really pushed hard to include some top A I sires in the business to expand our genetic spread. We are really pleased with the outcome and we think you will be to.

This year we are featuring three paternal bothers on the Angus side that are sired by SAV Resource. These three brothers all exhibit mass, power and performance that is sure to turn heads on sale day. On the Limousin side of the sale offering we are excited to offer two full brothers to Riverstone Charmed and Riverstone Crown Royal. HSF Your Fantasy is a never miss dam that has had a dramatic impact in the Limousin herdbook across North America. This genetic powerhouse combined with the ever popular Durham Wheat has been unstoppable State side and have proven time and time again to cattlemen of all breeds that Limousin cattle can have top quality phenotype, a massive amount of hair as well as the best docility of any breed.

We have spring born yearlings and fall born yearlings for your appraisal. The spring born yearlings calved in January, February and March where as the fall born yearlings are calved in September and October. The fall calves are weaned in May and turned back out on grass for the summer and then brought back in September when we wean the spring yearlings so that we can manage them together. This group of bulls are put on a free choice pelleted ration through Masterfeeds along with home raised silage as roughage. We are always short of pen space so this management allows us to use one large pen for all the yearlings.

The bulls are available for viewing at the farm anytime prior to sale day and encourage you to take advantage of your chance to win \$1000 off your 2018 purchase (see below for details). We are once again hosting our sale at the Olds Regional Exhibition Cow Palace in Olds, I hope you can join us. As always if you are unable to attend the sale please feel free to give me or one of the sale representatives a call and we would be happy to assist you in choosing a bull that fits your needs in the utmost professional way to make sure you are satisfied with your purchase.

Sincerely,

Tim Matthews

These full brothers are also full sibs to the ever popular and successful Riverstone Charmed and Riverstone Crown Royal. Another calendar year full sister was sold last fall to the Ratliff Family of KS who will be showing and campaigning her in 2018. This is an excellent opportunity to get in on all the excitement of this powerhouse of genetics. Lot 30, Riverstone Exodus 32E is an embryo calf and Lot 31, Riverstone Empire 20E is HSF Your Fantasy's 2017 natural calf. These are two peas in a pod with tremendous hair coats and docility that is second to none.
