*“ In matters of style... move with the current
In matters of integrity... stand like a rock ”*

Welcome...

I would like to welcome you to the 2019 Riverstone Bull Sale. As I sit here and write my letter I glanced at what I said last year and I see that I wrote that the weather challenged all of us with the extreme cold in the early going, well once again, mother nature continues to throw curve balls at us again this year. Many of my non-cattle friends complained about how hard it is, but we as cattle producers, grain farmers and generally any one in the agriculture sector know how really hard it is. We may complain a bit but... we push on no matter what! I'm not trying to sound negative, quite the contrary, I applaud everyone in this business. It is a never quit industry and we wouldn't change a thing.

As for this years offering you can see that we are continuing to pursue the best breeding AI sires in the business along with using our best home raised herdsires. I am always excited about producing great cattle. We have many parental brothers on the Angus, Limousin and Simmental sectors. We feel that we have selected the right mix of AI and herdsires to go out and produce the "right kind" of cattle that will benefit all of us in the industry.

Once again we have spring yearlings for the Angus, Limousin and Simmental groups, along with Angus extra age yearling bulls. The spring calves were born in January, February and March and the long yearlings generally calve in September and October. The fall calves are weaned in May and put back on grass. They are brought back in to be put on feed in September when the spring calves are weaned. This is strictly a management decision that allows us to utilize our pen space properly while still offering over age bulls. The bulls are fed a free choice pelleted ration from Masterfeeds along with our home raised silage.

We are once again hosting our sale at the Olds Regional Exhibition Cow Palace in Olds and we hope you can join us on sale day. As always if you are unable to attend the sale, please feel free to give me or one of the sale representatives a call and we would be happy to assist you in choosing a bull that fits your needs in the utmost professional way to make sure you are satisfied with your purchase.

Sincerely,

Tim Matthews
