HSF Your Fantasy is a female that needs no introduction as one of the industry's top Purebred Limousin donors.

This female is the best individual we have ever raised. She started her show career as a calf along side her dam as my daughter Cassie's 4-H project and from that point on she has been unstoppable. The power and style that she exhibits is second to none and her progeny are no exception.

As a yearling she was awarded the title of National Champion Limousin Female in Brandon, Manitoba and carried on that winning streak at Canadian Western Agribition. What an exciting week that was.... HSF Your Fantasy was the overall winner of the CWA First Lady Classic, the most prestigious title in Canada as a multi breed bred heifer award. She not only was the first but the only Limousin female to ever be awarded this title. During the Limousin breed show she was named the Grand Champion Limousin Female and she rounded out the week of Championships with the Grand Champion Female at the Canadian Junior Beef Extreme.

Your Fantasy has not only a stellar record in the show ring but in the donor pen as well. Her 2015 born progeny alone produced in excess for \$70,000. Her most celebrated daughter is Riverstone Charmed also known as "The Ratliff" heifer that set the show world on fire in 2016. It has been said that "This is a female that will put the Limousin breed on the map." Fantasy is also the dam Riverstone Crown Royal who was the high selling bull at the 2016 Riverstone Bull Sale and now resides at Stowers Limousin.

This tremendous female is currently in embryo production at Trans-Ova in South Dakota where she has been known to turn the heads of many astute cattlemen of all breeds. You won't want to miss this opportunity to purchase genetics out of this elite female before she heads home back to Canadian soil.

If you have any questions or require any additional information, please feel free to give Randy or myself a call and we would be happy to help out.

Thank you for your interest!
