Safe, due 9/25/15  
Sale highlight, words fitting of this exceptionally well-designed, double homozygous, huge-numbered female who comes from the heart of the Magness breeding program. Phenotypically, this own daughter of the deceased MAGS Winston AI sire possess a combination of structural integrity, body depth and fleshing ability even the most discriminating cattlemen would appreciate. Numerically, she's in a league of her own. Notice she ranks in the top 15% or better for CE, WW, YW and CM. She also charts a breed-leading .84 MS EPD and \$MI

LOT 1

figure in the top 1%. As a bonus, she's carrying service by the syndicated MAGS Argo who appraised for \$48,000. Assess the true value in this amazing breeding piece sale day.

My goodness, if you can't get excited about the regal pedigree represented in this genetic standout, we aren't sure what will. 481B is sired by one of the most talked-about Angus bulls, EXAR Denver. The lead bull in Express' 2013 NWSS Champion Carload later commanded \$340,000 for a one-third semen share. To top off this incredible concoction, she is a direct daughter of the world famous Carrousel Piña Colada, making her a maternal sister to breed legends like BOHI Titlelist, BOHI Top Dollar and SSTO Watercolors, to name a few.

This tremendous breeding package comes in a flawless profile. She is long-bodied, level-spined and beautifully designed through her front end. A daughter of the performance and phenotype AI phenomenon, MAGS Yip, 486B has growth and will pass on the low birth weight her sire has become famous for. Her dam's first large crop of ET calves hit the ground last fall at Magness and P Bar S, and will certainly have the industry talking as they enter the marketplace. PBRS 011X is sure to become a household name in years to come.

For those who seek the most desirable of replacement females and are willing to invest in the top Angus genetics from the historic Oak Hill program in Virginia, research this option. She is by the P Bar S resident AI and natural service sire, MAGS Zamindar. He is the Dollar General/Deuce purebred sire who commanded top dollar in the 2013 Magness bull sale. His daughters are stout, deep-middled and are going to make tremendous brood cows. This mating has future donor written all over it. Her full sister sells at Lot 6.

CONSIGED BY: BAKER LIMOUSIN FARM, FULTON, MO

Selling the rights to a flush to the bull of buyer's choice. This marks the first opportunity to invest in this amazing female who was recently purchased for \$27,500 as a feature in the 2015 Pinegar Limousin sale. Dimension is the first word that comes to mind when asked to describe Adorie, she is big-topped, square-hipped, capacious and wide-based. Here pedigree is stacked-she is by the famed MAGS Xukalani AI sire and from a female who has made an indescribable impact on the Limousin breed, AUTO Rebeca 292S. Her stats are equally as impressive. She posts a great

LOT 12

set of EPDs with a -0.3 for BW, 73 for WW, 106 for YW and 72 for \$MI. Invest with confidence sale day. Guaranteed 6 embryos, a maximum of 12. Buyer pays flush cost and shipping.

## YOU PICK 'EM FLUSH OPPORTUNITY

If you like having options and breeding flexibility, this lot is for you. If you have a hard time making tough decisions, stop reading now. With Peyton headed to college, it only seemed fitting to offer genetics out of her favorite show heifers, both past and present.

The winning bidder may choose to flush any one of the three females listed below (Lots 13A, 13B and 13C). The buyer is guaranteed six embryos with a maximum of 12 by the bull of the buyer's choice. Buyer pays for the flush and the semen. Transplant will be under the direction of Kim Harsh at Cross Country Genetics.

Show heifers are supposed to make cows and Wooden Nickel has done just that. After paying her dues as Peyton's first show heifer, she has adjusted to production nicely. Take a look at her yearling daughter (pictured) who Peyton currently campaigns as a bred-and-owned. The mating options for this double homozygous purebred female are many as evidenced her yearling daughter (pictured) and attractive Silveiras Style heifer currently at side. Intentionally left open and ready for immediate transplant.

We can only offer a flush on "Z" because Peyton will never sell her. The 2014 Oklahoma Youth Expo Champion and Reserve Grand Champion at the Magness Junior Jackpot is as stout and attractive as you can make a Lim-Flex female. Young in her production career, she has formed a near-perfect udder and is doing a great job with the Lodestar bull at her side. Take note of her 1% EPD ranking for Marbling and \$MI, and her homozygous black status. Intentionally left open and ready for immediate transplant.

Are we saving the best for last? You be the judge. In the realm of purebred females, this girl has bone, power and middle to burn. If you want to raise show cattle with hair, guts and rib, here you go-she should produce Lim-Flex with power and Purebreds with depth and softness. Truly a unique homozygous polled breeding piece. Oops. Almost forgot to mention, she was named Third Best Supreme Heifer over all breeds at the 2014 Tulsa State Fair representing 16 breeds and nearly 1,000 junior heifers. Al'd safe to calve as a true two-

CONSIGNED BY: **STOWERS LIMOUSIN, BRIDGEPORT, TX & SUGAR BUSH CATTLE, ALLEN, MI**

This beautiful female is a past Houston open and junior show champion, as well as San Antonio open show. Her perfectly engineered skeleton and stunning maternal profile made her not only a can't-miss female in the show ring, it also has made her one of the highest valued young donors in the breed at \$106,000. The DHVO Deuce/MAGS Manuela mating has produced some the elite cattle to set foot on ground, and SBLX Xtra Special is no exception. She has recorded an impressive WW ratio of 107 and YW ratio of 108 on 15 progeny. EXAR Classen was the NWSS Champion Carload lead bull for Express Ranches and is not only a son of a Denver Champion (Dameron First Class), his sister is a Denver Reserve Champion and his maternal grandam is a Denver Champion as well!

**R B TOUR OF DUTY 177** - Sire of Lot 30

**CONSIGED BY: GATES LIMOUSIN, ABSAROKEE, MT**

If you are searching high and low for a record-breaking numeric profile, the search ends here. AHCC Miss Deuce X078 is in the top 1% for WW and YW. She is on top of the NALF Trait Leaders list for WW, YW and CW, as well as being recognized as a 2015 Focus Dam. Not only does she record an impressive genetic profile, she is by one of the most recognized phenotype sires in the breed, DHVO Deuce. The sire of these embryos, R B Tour of Duty 177, blasted on the scene with his performance and exceptional conformation. With a spread from -0.4 for BW to 163 YW, his semen consistently sold out this past spring. He has had a record number of producers stop to look as him, all of which are not disappointed by his strength of lines, soundness of structure and overall mass and substance.

**MAGS ANCHOR**  
Sire of Lot 31

**AUTO BETTE 266Y**  
Dam of Lot 31

**CONSIGED BY: ADAM GRIFFITH, BOONSBORO, MD**

WLR Ugly Betty and her exclusive progeny have become synonymous with success. AUTO Bette 266Y is the stunning female Adam Griffith led to the winner's circle at the National Junior Show. Her combination of style and mass is captivating. Her young production record is as impressive as her trophy collection. 266Y is a flushmate to the \$30,000 AUTO Bliss, a big-league donor in the Stowers program. The other half of this genetic masterpiece is the service of the \$48,000 syndicated MAGS Anchor. Anchor was a sale feature in the 2014 Magness bull sale with his phenotypic power and impressive data; he recorded a 903 WW and posted a 121 WW ratio and ranks in the top 3% for both WW and YW.

**TMCK HYDRAULIC 17Y**  
Sire of Lot 32

**EF ALL IN FUN 851A**  
Dam of Lot 32

CONSIGNEE BY: MASSEY LIMOUSIN, LONDON, KY

Predictability at its finest. EF All In Fun is the 2014 NWSS Champion Limousin Female and TMCK Hydraulic is the homozygous polled, big-numbered sire of several of the top cattle to sell recently. All In Fun is a daughter of the exceptional female Austen Etherton showed successfully on the junior and open circuits, MAGS Wrigley. TMCK Hydraulic does so many things right. His growth profile is exceptional, he ranks in the top 2% for WW and top 1% for YW. He transmits this tremendous amount of growth in an eye-appealing, easy-fleshing package. The resulting progeny of this mating will be the best of both worlds in terms of show-ring appeal and performance-based foundation cattle.

# HEIFER RAFFLE

Welcome to the Heifer Raffle held in conjunction with the 2015 National Junior Limousin Show & Congress and All-American Limousin Futurity in Tulsa, Oklahoma.

A total of 500 raffle tickets were sold giving buyers the opportunity to own or auction one of the 11 Limousin and Lim-Flex bred and open heifers listed here as lots A-K. The heifers will be displayed at P Bar S Ranch in Sand Springs, Oklahoma, a half-hour away from the Tulsa State Fairgrounds.

Drawings will be held throughout the week of the show. Tickets will be drawn down during the week until only 20 tickets remain. Holders of the final 20 tickets will be given the opportunity to sell their ticket at auction at 7 p.m. Wednesday evening at the P Bar S Ranch. Tickets sold at

auction will have 10% deducted with proceeds going to OLBA and the balance to the seller.

*(Ticket holders must indicate at time of purchase if they wish to sell their ticket at auction if they are in the final 20, or be present to make that decision.)*

The final 20 tickets, following the auction, will be drawn down to 10 tickets. The next ticket drawn will get 11th pick, followed by 10th, 9th, 8th, 7th, 6th, 5th, 4th, 3rd, with the final ticket holder to get 1st and 2nd pick of the heifers.

Once each of the 11 heifers have been selected by the winning ticket holders, the individuals holding the winning ticket for each of the females has the option to either keep the female or auction her off Wednesday evening.

For more information, contact: Ronn Cunningham at 918.629.9382; Ken Holloway at 580.581.7652; or Jim Bob Hendrickson at 918.521.9031.
