## Welcome to Maternal Legends.

First and foremost we would like to start off by giving a big thank you to everyone for taking the time to review our program of elite genetics. Fall is fast approaching here in Southwest Iowa and that means sale season and harvest is upon us. Here at Sullivan Farms we strive to produce top end genetics with proven pedigrees. Year after year we commit to producing cattle that you can show as well as take home and implement them into your genetic pool with the expectation that they will help you produce for the long haul.

In the 2019 Maternal Legends Sale we have an elite open heifer offering in multiple breeds. As you read through this catalog you will see that our quality of show heifers runs deep. We pride ourselves in selling Quality in Volume in an affordable package. Year after year we see our customers, at all price ranges, compete in and excel in shows, at the local, state, and national levels. Check out pages 46-49 of this catalog to see the phenomenal success our customers continue to have.

In our bred heifer division, we all agree that this year is our best set yet. Many of these matings come from some of the most elite pedigrees. A large volume of these females are AI'd to some of the hottest most proven heifer bulls in their respective breeds. The genetic value of these winning pedigrees will add quality and value back into your program. Don't forget to check out our frozen embryo and semen packages. We have seen a large amount of success for other breeders who over the years have taken advantage of the opportunity to use our genetics to enhance their programs.

A special thank you to our families and our farm crew for your continued hard work and dedication you put into making this sale and every sale the best it can be. We look forward to seeing everyone October 13th and visiting with and answering any questions you might have. Please don't hesitate to give us a call so we can answer any and all your questions from open heifers, bred heifers, frozen embryos and semen. We are here for you.

## Legendary GENETICS CREATING Legendary COWS

### SULL MIRAGE FOREVER

Rocking G Land and Cattle

Possibly the highest revenue earning cow in the Shorthorn breed for Rocking G Land and Cattle. Dam of multiple national champions including SULL RGLC Legacy.

### JSUL WHO DAT LADY

Schaeffer/Tice

A national champion female for Schaeffer/Tice that is now their top donor cow. Dam of multiple champions from the famed Who Da Man x 6640 mating. She is one of the highest earning cow for the Schaeffer/Tice operation

### SULL RIGHT TAMALE "TAMMY"

Boyert-Core

A many-time champion that has established herself as a major donor for the Boyert-Core operation. Last year she produced two heifer calves that brought over \$100,000 and she has another great calf crop in 2019.

### JSUL RED THUNDER

Udell Cattle Company

One of the most phenomenal cows in the industry. The highest revenue earning cow for Udell Cattle Company. Her countless Style daughters and others have been consistent sale toppers and champions.

### SULL MISS HARLEY 322

Colyer Herefords

The Harley cow family is four generations of national champion Hereford cattle. This fourth-generation national champion daughter purchased by Colyer has been a lead donor including producing the \$92,000 heifer calf that the Caldwell family had loads of success in the 2017-2018 year.

### JSUL DREAMS COME TRUE "KELLI"

Bridwell, Reimann, Hurst

Purchased by the Bridwell family and went on to become the supreme champion female in Louisville. Now one of the most prestigious cows in the industry owned by Reimann & Clint Hurst.

- An absolute powerhouse that has future donor written all over her.
- She reminds us an awful lot of what her great dominant mother, SULL Red Rosemary, looked like at this stage.
- This is a full sister to SULL Roses are Red 3213a who has quickly become an elite donor in our Shorthorn Program. She, herself, had a very successful show career, winning Reserve Champion at the 2014 NWSS Open Show as a calf and was also selected as the Champion Bred and Owned at the 2014 National Jr. Heifer Show. She is also the mother to SULL Red Knight Rose 6452 who was the 2017 National Jr. Heifer Show Grand Champion Female and carried that success into the 2017 NAILE winning the Open and Jr. Purebred Shorthorn Show.
- Dual registered purebred Shorthorn/Maintainer.

- Full sister to 8d that was raised by Mark Gordon of Rockin G Shorthorns.
- This is one of the most massive and powerfully constructed females yet still has the looseness of skeleton in structural correctness and eye appeal to be a very competitive Shorthorn at any level. She will be turning heads on sale day for sure
- Her dam, Cherri 205, was a National Champion as one of the most popular cows in the Shorthorn breed. She is the dam of the 2013 and 2014 National Jr. Heifer Show Grand Champion Females as well as the dam of SULL Wild Cherri, which was the 2014 NAILE Jr. and Open Show Champion Female. Not only has she been dominant in producing National Champion Purebred Shorthorn Females, she is also the dam of Jake Brandt's many-time Champion, SULL Black Cherri, that was the 4th Overall Shorthorn Plus Female at the National Jr. Heifer Show that went on to be selected Champion Shorthorn Plus at the American Royal, NAILE and 2019 NWSS.

- Another very striking show heifer that is the youngest of our purebred offering in this year's Maternal Legends sale. For a purebred Shorthorn it's hard to put this kind of front end on a female that still maintains the kind of body shape that you see from Lot 8e.

- A full sister to Lot 9b, 9c and 9e that is maybe of the most fault-free of all of her sisters. She is perfect at the ground and yet still has plenty of mass and substance in a very feminine, striking show heifer package. A full sister to Lot 9a from our 2018 fall heifer calf crop was recently selected as a Supreme Champion Female Overall Breeds in the Open Show at the Minnesota State Fair.
- Her dam, JBSF Proud Mary 317c, was the 2016 Supreme Champion Female at the Iowa State Fair 4-H Show as well as the 2016 National Jr. Heifer Show Grand Champion Female. She carried that success into the fall of 2016 as the Champion Female at the NAILE Open and Jr. Show. In her first set of ET calves she is quickly surpassing our expectations of her show ring success carrying that success into her progeny. Retaining 50% Embryo Intrest.

- Bred to SULL Brilliance 9515; Due 3/29/2020.
- If you are looking to add high quality, future donor cows backed by proven genetics this female is as good as they come. She has a little extra color but this one has an incredible build. She is bred to our Angus bull that was raised in farm, and is not just your typical clean-up bull. He has been extremely predictable with true calving ease yet still producing high-end females that have been very marketable and valuable to put back into the herd as replacement future cows. This should make for a no brainer investment on Lot 11e.
- Her dam, SVJ She's the Dream B796, was a calf champion at the NAILE and is now a lead donor in our Simmental program that we will continue to use very heavily for years to come. Lots 11e, 11f and 11g are maternal sisters to the popular NWSS and FWSS Reserve Champion % Female, JSUL Dream Big 8992F.

- As you can see, SVJ She's the Dream B796, is a very versatile female that worked extremely well for us the last two years mating her to multiple different sires. She is proof of what predictability means when you use elite genetics in donor cows in your program. Lot 11f is another successful result from this great female. It should be noted that this would be a no brainer for a quick profitable investment being bred to WLE UNO MAS X549 (sexed semen).

- Lot 11h is, in our opinion, the most phenotypically flawless of her sisters. She has the most extension and cleanness up through her front one-third still maintaining the length and body shape of her full sisters. Note that she is bred to FHEN HALFTIME A127 (sexed female) that we think will be an excellent mating on this Silveiras Style daughter to make a potential half-blood show heifer.

## GENERAL SALE INFORMATION

**Terms:** The terms of the sale are cash or check payable to Sullivan Farms. Payment to be made to the clerk immediately following the sale and before the cattle are removed from Sullivan Farms. Purchasers or their representative must sign the bill of sale prior to leaving the sale site.

**Insurance** will be available for your purchase at the sale through Stuart Wilson or Sheila Jensen. Contact either their representative or the clerk at the settlement desk.

**Health:** Each animal will be represented by a state approved health certificate for interstate shipment. Buyers should make themselves aware of the health requirements for their respective states. All vaccinations are up-to-date, and cattle born at Sullivan Farms have been vaccinated.

**Semen Rights:** We are retaining an in-herd semen use on all bulls selling in the Maternal Legends Sale.

**Genetic Conditions:** All Purebred Shorthorns have been tested or are free by pedigree. All genetic conditions that Sullivan Farms has received results on will be on a supplement sheet sale day.

**Liability:** Each animal will be at the buyer's risk as soon as sold, but will be cared for by the seller for a reasonable amount of time. Neither the owners, employees, auctioneer, sale manager or other affiliated personnel can be responsible for any accidents, but they will make every effort to provide for the safety and comfort of those attending.

**Announcements** made sale day will take precedence over printed material in this catalog.

**Breeding Update/Calving Information:** There will be added information available at the sale site that will list any additions to the catalog information as to new calves born and new breeding information that will occur after the printing of this catalog.

**Breeding Guarantee:** All animals sell guaranteed to be fertile. Exceptions 1) Disease, or injury occurring after purchase; 2) Bulls being run with the herd prior to 14 months of age. 3) Gross negligence, willful misconduct, and obesity. Please keep in mind that animal conditions influence fertility greatly. If there is a problem, Sullivan Farms will request that the animal is returned to us for a period of 12 months in an attempt to breed animal. Open heifers that have been transplanted are not guaranteed. In the event that an animal will not settle with the efforts of the buyer and seller, a sale credit in the amount of the purchase price will be issued to the buyer that can be used at any time on any animal, flush, semen or embryos sold by Sullivan Farms.

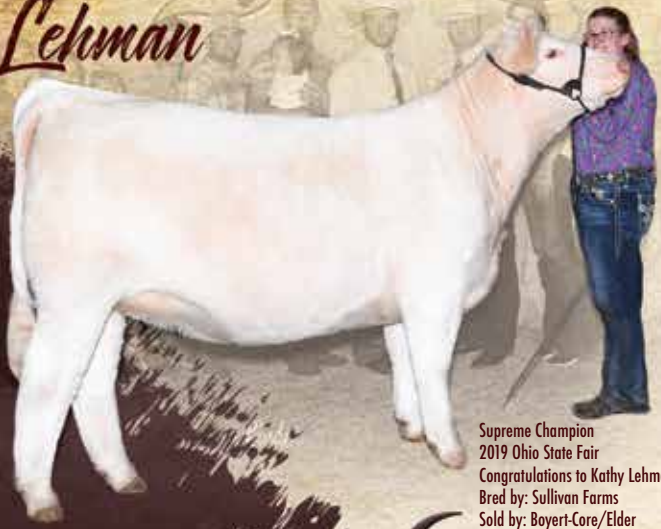

**Flushes & DNA:** Sullivan Farms reserves one flush of eight or more grade 1 or 2 embryos at our expense on all females selling. Flushes to take place at the convenience of the buyer at a location of their choice. We will pay all normal costs associated with the flush. Animals may be returned here for transplant if buyer desires at no cost. Sullivan Farms retains at our expense the opportunity to obtain a DNA cell line for cloning purposes on all cattle selling in this sale.

**Embryos:** On each embryo package purchased if a pregnancy is not achieved, ONE additional embryo will be supplied. All frozen genetics are stored at Trans Ova Genetics. Buyer assumes all shipping expense upon purchase.

**Sexed Semen:** You will note many live animals and frozen genetic packages utilizing SEXED semen technology. While the accuracy of this technology is nearly 90%, Sullivan Farms does NOT guarantee any SEXED semen to result in a calf of listed sex. All frozen genetics are stored at Trans Ova Genetics. Buyer assumes all shipping expense upon purchase.

- Here is a Who Da Man daughter to start off our Chianina Division with, that not only brings you some of the most valuable and most successful genetics in the country. . . she is just flat out good! Lot 20 has that unique look and design that we have come to expect from the Who Da Man progeny that combines ultra-smoothness and structural correctness that will make this one a sale feature and, in the right hands, a force in the show ring.
- The Who Da Man/Sultry 6640 mating has been one of the most proven and valuable matings at Sullivan Farms throughout the past decade. This mating has seen success in the show ring at every level and has made some of the highest generating donor cows in the business. JSUL Who Dat Raptor was the 2017 NAILE Supreme Champion Female as well as JSUL Who Dat 1602y was the 2012 American Royal and NAILE Supreme Champion Female.

- A real showstopper here in Lot 23! This Who Da Man daughter has a little softer look to her at an early stage and a more moderate frame, yet still maintaining that unique front one-third that we have come to expect from the Who Da Man progeny. This heifer will be a big time show heifer at any level and will also be an incredible looking donor cow.
- Her dam, JSUL Total Girl 41, has been a very consistent and proven donor working very well for us when mated with Who Da Man and SULL Right Direction in our Shorthorn Plus program. - We stacked up our quality with added depth in the Chianina division for the 2019 Maternal Legends sale. We have gone back and forth, in the recent weeks, on which Chianina female that we think will be the top one of the sale, and to be honest, the verdict is still out. Lot 26 is definitely one of those to be considered as one of the best in the offering. - This has been one of our standouts since this Spring and she has done nothing but turn out to be a big-time national level competitive show heifer. She is so fault free that it is hard to say what you would change about this female. She presents a unique attractive profile, plenty of body depth and she's extremely sound when you set her into motion.
- A full sister to Lot 38, JSUL Who Dat Cat, had a very decorative show career. It started at the 2018 Iowa Beef Expo where she was the Supreme Champion Female and then went on to be selected the Champion Female at the 2018 National Chianina Jr. Heifer Show as well as Reserve Supreme at the 2018 Iowa State Fair. She ended her show career as being Grand Champion Chianina Female in the Jr. Show at the 2018 NAILE. Their dam, SSUL Who Dat Darlin 4303b, is another result from the ever consistent Who Da Man/Sultry 6640 mating that she, herself, was the Supreme Grand Champion Female at the 2015 Iowa State Fair as well as Aksarben.

- Another uniquely designed national level Maintainer female with a hint of blue roan color. We think she is a unique combo of extra femininity with true base width, dimension and power yet still has an excellent set of running gears under her.
- Lot 40 most closely resembles the build and makeup of her successful full sister that was 5th Overall at the 2016 National Jr. Heifer Show.
- Her dam, SULL Pure Hottie 7033, was a past Denver, NAILE and Jr. National Champion Shorthorn Plus Female. She stems from the popular Vegas/Stockman 898 mating that produced all of the blue roan females that dominated the Shorthorn Plus division throughout the country for over a decade. A full sister to Lot 35, 37 and 40 saw a ton of success in the 2016 show season for the Skile's family, being selected as the 5th Overall Female at the National Jr. Heifer Show and was also Champion AOB at the NAILE.

- Her sire, SULL Brilliance 9515, is our Angus herd bull that we use to clean up with on a lot of our natural calves and some of the replacement females. As you can see from the quality in lot 43, he is not just another typical clean up bull. He has been very consistent in producing high quality females and very trustworthy with calving ease.

- Bred to WLE Copesetic E02; Due 4/18/2020.
- Fresh young future donor cow that has never been IVF'd or flushed.
- A full sister to the 2014 NAILE Supreme Champion Female Overall Breeds, shown by Kennedy Core, that is now a top donor for Boyert/Core Cattle Company.
- We think very highly of Lot 82 and we know that we will be hearing a lot of success from her in the near future, at her new program. She is an absolute beast that comes in a very sound structured package with a proven genetic profile.
- Note, she is dual registered half-blood Simmental and half-blood Maintainer. This will certainly add value to her endless breeding options.

- Bred to SCC Tradition of 24; Due 12/18/2019.
- She has been IVF'd multiple times over the years averaging 6 freezable or transferable embryos, along with 10 flushes for an average of 5 embryos.
- GCC All Right All Ready is one of the most successful and talked about Irish Whiskey daughters to ever walk into a show ring. She was a past American Royal and NAILE Supreme Champion Female.
- This impressive beast still looks as good as ever. She truly is the definition of longevity and durability. Now is your opportunity to mate her to the bull of your choice. If you are a club calf producer be sure to take a good look at this legendary female.

- She was IVF'd 12 times for an average of 5 freezable or transferable embryos.
- A direct daughter of the many time Champion Charolais Female, Ivory Angel 0711.
- We have had a ton of success from the full sisters to Lot 84 and yet we think she is the best one to have ever been born at Sullivan Farms. Though she never saw the show ring she is one impressive beast that we think could be very versatile in her mating options and could work extremely well mated for show steers.
- After seeing the success of our calves this year from BMW Onset, we absolutely love the fact that she is bred to this popular new AI sire that is producing some of the most elite females in the country.

### MAINTAINER

- Sells open and ready for buyer to flush or do as they choose.
- She has been IVF'd 10 times for an average of 5 freezable or transferable embryos.
- This is truly one of our favorite Irish Whiskey cows. She has the overall added mass that we have come expect from these females and yet she's still very sound structured with a maternal look. If you are a club calf producer, you should be drooling over the opportunity to get your hands on this female.
- We purchased this female from Adam Pryor off of his bred heifer sale and she still looks as good as the day we purchased her. She is one of those very low maintenance kind of cows that you can just look at every day. We must note, she has had a very good set of high-quality Daddy's Money calves over the past few years.

- A beautifully designed Broker/Hairietta daughter that has a little added performance. As we looked around the country this spring and summer, we found that the Broker daughters are backing a lot of the best heifers in the country. Now, add the Broker/Hairietta cows in that mix and there are a lot of high dollar heifers that are being traced back to these elite females.
- The Hairietta cow family has become one of the most consistent and proven cow families in the country. Multiple full sisters to Lot 89 have won some of the biggest shows, at every level, throughout the country. This includes the Champion Percentage Female in the Open Show at the 2018 NAILE for the Greenhorn family and another at the 2017 NAILE in the Jr. Show for the Skiles family. ## 94 FOUR Sexed HEIFER - IVF Embryos SULL Red Knight 2030 x SULL Crystal's Lucy 0686-1

We have seen a lot of success, in limited progeny, from this mating. SULL Crystal's Lucy 0686 was the 2012 NWSS Grand Champion Shorthorn Female and went on to be selected the Grand Champion Female at the 2012 NJHS as well. SULL Crystal's Lucy 8202f is a full sister to these embryos and was a division winner at the 2019 Jr. Nationals. She was also a Calf Champion at the 2019 NWSS Open and Jr. Show and was recently selected Reserve Champion Female at the 2019 Iowa State Shorthorn Field Day. Another full sister to this mating was selected as the Reserve Grand Champion Female at the 2017 Iowa State Show for the Berg family. We look forward to seeing more come from this mating.

## 95 FOUR Sexed HEIFER - IVF Embryos SULL Red Knight 2030 x SULL Bo's Traveling

SULL Bo's Traveling was the 2014 NWSS Jr. Show Grand Champion Female and was also selected as the 3rd Overall Grand Champion Female at the 2013 National Jr. Heifer Show. This mating has been very successful, in limited progeny, producing SULL Bo's Knight 5904 that was the 3rd Overall Female at the 2017 National Jr. Heifer Show. She was also the Grand Champion Female at the 2017 Iowa State Fair Open Shorthorn Show as well as the 4th Overall Female at the 2017 Iowa State Fair 4-H Show. We expect a lot more success in the near future from this proven mating.

## 96 FOUR Sexed HEIFER - IVF Embryos Colburn Primo x SULL Lady Crystal 434P

This was one of our most consistent Shorthorn Plus matings in our 2017 and 2018 calf crops. This mating dominated the 2018 National Jr. Heifer Show by producing the Reserve and 3rd Overall Grand Champion Shorthorn Plus Females. Then, at the 2019 Jr Nationals, full sisters were selected Grand and Reserve Champion Shorthorn Plus Females. In our 2018 Maternal Legends Sale this mating produced a \$97,000 sale topper that has went on to be Reserve Grand Champion Shorthorn Plus in the Open and Jr. Show at the 2019 NWSS. This female, shown by Abby Burkhart, was also selected as 5th Overall Female at the 2019 Iowa Beef Expo and was recently selected as the Champion Shorthorn Plus at the 2019 Shorthorn Jr. Nationals. SULL Crystals Prime 8050f was also selected as the Reserve Grand Champion Shorthorn Plus at the 2019 Jr. Nationals. Nine full sisters to these embryos sold through the 2018 Maternal Legends sale and averaged \$19,000!!

## 97 FOUR Sexed HEIFER - IVF Embryos Conley No Limit 8188 x SULL Lady Crystal 434P

SULL Lady Crystal 434P dominated the 2018 National Jr. Heifer Show by producing the Grand Champion Shorthorn Plus Female along with Reserve and 3rd Overall Grand Champion Shorthorn Plus Females. In our 2018 Maternal Legends Sale she produced a \$97,000 sale topper that has went on to be Reserve Grand Champion Shorthorn Plus in the Open and Jr. Show at the 2019 NWSS. This female, shown by Abby Burkhart, was recently selected as the 2019 NJSS Grand Champion Shorthorn Plus Female and was also selected as 5th Overall Female at the 2019 Iowa Beef Expo. The great Lady Crystal 434p is extremely versatile and works to a wide variety of bulls. Her eleven Shorthorn Plus daughters in our 2018 Maternal Legends sale, sired by Primo and Style, averaged an impressive \$18,000. We have had great success when mating SULL Lady Crystal 434P to Angus bulls and Conley No Limit 8188, who was the most talked about bull at the 2019 Denver Stock Show. We have great confidence in the great things that will come from this new mating.

## 98 FOUR Sexed HEIFER - IVF Embryos SULL RGLC Red Ransom x SULL Blooded Ruby 3278

A fresh new mating that we have confidence in to produce elite show heifers. SULL Red Ransom is the syndicated full brother to SULL RGLC Legacy. SULL Blooded Ruby had two Red Knight daughters in the 2018 Maternal Legends Sale that averaged \$20,000. In the 2019 Maternal Legends sale she will have another set of Red Knight daughters that are even better than last year and we can't wait to see where they end up and what the future holds for them after the sale. SULL Blooded Ruby is quickly becoming one of the most consistent donor cows in the shorthorn breed.

## 99 FOUR Sexed HEIFER - IVF Embryos CF Solution x SULL Tamale 588

This mating has seen plenty of success over the past decade with multiple champions and sale toppers. This mating has produced two Maternal Legend sale toppers at \$100,000 and has averaged well over \$10,000 per calf. Success from this mating in the show ring comes in year after year and started in 2010 with SULL Tamale being selected Supreme Champion Female at the NAILE and was also selected Champion Shorthorn Plus at the NJHS. Most recent champion was SULL Tamale Too 6000d that was the 2017 Grand Champion Shorthorn Plus at the NJHS and 3rd Overall Female at the 2017 National Jr. Chianina Show. Another recent champion was the 2018 FWSS Champion Chianina Female in the Open Show, shown by Abby Bell. Other champions include Kane Aegerter's Supreme Female at the Nebraska State Fair and many other Champion Shorthorn Plus Females at the Jr. Nationals, American Royal and NAILE. Note, this mating is dual registered 9.1% Chianina and Shorthorn Plus.

The Profit/Proud Mary mating was extremely popular and consistent in our 2018 fall calf crop. We had four full sibs to this mating. One sib sold through the 2019 Schaeffer/Tice fall heifer sale for \$19,000 that was recently selected as a Division Winner and 11th Overall at the 2019 Simmental Jr. National Heifer Show. Another full sister sold through our spring/fall heifer online sale for \$6,000 to Schaeffer/Tice for a future donor. We also will be campaigning two full sisters throughout the next year in our show string. It seems like no matter what bull we use on Proud Mary, it just clicks.

**107 FOUR Sexed HEIFER - IVF Embryos**  
**2 - THSF Lover Boy B33 x Bailey's Profit's Dream**  
**2 - WLE Copacetic E02 x Bailey's Profit's Dream**

This lot offers you the option of two popular sires mated to the 2018 Simmental Jr. National Grand Champion Purebred Female Bailey's Profit's Dream 706e. THSF Lover Boy B33 was the past NWSS Grand Champion Purebred Simmental bull and is a full brother to another popular NWSS Champion and AI sire, HPF QUANTUM LEAP Z952. WLE COPACETIC E02 is one of the hottest new bulls in the Simmental breed as he was selected as the 2018 American Royal, NAILE, and 2019 FWSS Grand Champion % Simmental bull. We feel very confident that you can't go wrong with either one of these bulls back on the popular Jr. National Champion.

**108 FOUR Sexed HEIFER - IVF Embryos**  
**FHEN Halftime A127 x DAF Reba C85**

DAF Reba C85 was the 2016 Grand Champion Percentage Simmental Female in the Jr. Show at the NWSS and went on to be the Reserve Supreme at the 2016 Iowa Beef Expo as well as 5th Overall Female at the National Jr. Heifer Show. JSUL Reba's Fancy 8375f was a standout at the 2019 National Jr. Heifer Show as she was selected as the Grand Champion Bred and Owned Female. She is one of the most impressive percentage Simmental heifers we have ever raised at Sullivan Farms. She was a very popular champion this summer in Louisville, Kentucky. There are also two full sisters that are standouts in the Simmental division of this year Maternal Legends sale.

**109 FOUR Sexed HEIFER - IVF Embryos**  
**WLE Copacetic E02 x DAF Reba C85**

DAF Reba C85 was the 2016 Grand Champion Percentage Simmental Female in the Jr. Show at the NWSS and went on to be the Reserve Supreme at the 2016 Iowa Beef Expo as well as 5th Overall Female at the National Jr. Heifer Show. She is the dam of JSUL Reba's Fancy that was the champion Bred and Owned Female at the 2019 National Jr. Heifer Show. We, at Sullivan Farms, strive for females with structural integrity, body shape and eye appeal and we think this mating fits that ticket. This is a brand new mating on this great young new female that we will be excited to see some progeny from this fall and in our 2020 calf crop.

**110 FOUR Sexed HEIFER - IVF Embryos**  
**Profit x DAF Reba C707**

DAF Reba C707 is a full sister to DAF Reba C85, which was a 2017 NWSS Jr. and Open Show Grand Champion % Female that also went on to be the Champion % Female at the 2017 FWSS. This mating will be one that we will definitely be looking forward to more progeny from. Not only do we think they can be elite show heifers but make very valuable 3/4 Simmentals to breed back for 7/8 purebred Simmentals. These are genetics that you can count on with predictability.

**111 FOUR Sexed HEIFER - IVF Embryos**  
**SCC Tradition of 24 x Poisons Salty 129D**

Poisons Salty 129d is one of the soundest structured purebred females with an incredible phenotype backed by a proven pedigree. She is a Built Right back on the Poison Donor of Bloomberg's. A full sister to these embryos will be selling this fall on the Fitz Genetics online sale. She is a beautifully designed full faced baldy female that will be seeing a lot of banners in near future. Poisons Salty 129d will be used heavily in our foundation Simmental program. Our SCC Tradition of 24 calves are very impressive in our 2019 calf crop.

## 112 FOUR Sexed HEIFER - IVF Embryos

### Profit x Conley Arkdale Pride 6338

A new mating that will promise to be a home run. Conley Arkdale Pride 6338 was the 2017 American Royal Jr. Show Reserve Grand Champion Female, shown by Sara Sullivan. This elite donor is moderate framed, super loose structured and huge bodied in a very smooth package with a long cool neck. She reads to be a perfect fit for the breed leading sire, Profit. If she doesn't click with Profit, we don't know what will. We can say with confidence that this mating will be one that we will want to add some progeny to our show string in the near future. She also has two standout purebred Angus heifers in this year's Maternal Legends sale.

## 113 FOUR Sexed HEIFER - IVF Embryos

### WLE Copacetic E02 x Hara's Kim Kardashian

Hara's Kim Kardashian is massively constructed and super sound structured with the most incredible body shape of any of Broker/Hairreta daughters that has ever been born. With Kim Kardashian's added overall mass, added frame size and growth she will cross very well with WLE Copacetic E02. Another new mating that we will be looking forward to the progeny from in our 2020 calf crop.

## 114 FOUR Sexed HEIFER - IVF Embryos

### OBCC CMFM Deplorabull D148 x JSUL Who Dat Raptor 6976D

Another new elite mating of proven champion pedigrees at the highest level. JSUL Who Dat Raptor 6976d was the 2017 NAILE Supreme Champion Overall Breeds. JSUL Who Dat Raptor stems from the great Who Da Man/6640 mating. Again, we are striving to raise the most elite Simmental females in the country that combine structural correctness and eye appeal, and we think that this mating will do just that. Note, this mating will be dual registered 50% Simmental and 6.54% Chianina.

## 115 THREE Sexed HEIFER - IVF Embryos

### HPF Quantum Leap Z952 x JSUL Who's Tamale 4305

JSUL Who's Tamale 4305 is a new era powerhouse donor at Sullivan Farms that is the dam of the 5th Overall Female at the 2019 Chianina Jr. Nationals that is also selling as Lot 50 in this year's Maternal Legends sale. JSUL Who's Tamale 4305 stems from the JSUL Tamale 588 donor that has produced multiple high sellers through our Maternal Legends sale and has produced multiple National Champions and a NAILE Supreme Champion. This is a new mating at for us that we will be looking forward to seeing some progeny from in our 2020 calf crop. Note, this mating will be dual registered 50% Simmental and 8.9% Chianina.

## 116 FOUR Sexed HEIFER - IVF Embryos

### HPF Quantum Leap X952 x JSUL Jalynn 344

Jalynn 344 is the mother to Jalynn 0904 "Steiner" that was the 2011 American Royal and NAILE Supreme Champion. She is also the dam of SULL Revolution. This mating is a little different twist on Jalynn 344 combining the muscle mass of Jalynn 344 with body shape and structural correctness of HPF QUANTUM LEAP Z952 should make this a very interesting and promising mating. Note, this mating will be dual registered half-blood Simmental and 8.9% Chianina.

## 117 FOUR Sexed HEIFER - IVF Embryos

### 5T Power Chip 4790 x JSUL Who Dat Ginger 3241A

This is one of our new favorite matings from our 2019 calf crop. The sister in this year's Maternal Legends sale is an absolute standout in what is an incredible set of Chianina females. We couldn't be happier with the results from our first set of 5T POWER CHIP 4790 calves. He will definitely be a sire that we use a lot more on some of our Who Da Man daughters. JSUL Who Dat Ginger 3241a was the past Reserve National Champion Chianina Female that stems from the predictable Who Da Man/ Sultry 6640 mating.

## 118 THREE Sexed HEIFER - IVF Embryos

2 - BMW Onset x Miss Penny 15B  
1 - BMW Onset x SULL Jalynn 0904

JSUL Jalynn 0904 "Steiner" was the 2011 American Royal and NAILE Supreme Champion. She is also the dam of the very popular NAILE and American Royal Champion AOB Heifer, JSUL Sassy Jalynn 7507e and the 2018 Kansas Beef Expo Grand Champion Female that was recently selected as the 4th Overall Female at the 2019 Iowa St fair 4-H Heifer Show. The BMW Onset progeny with Steiner will be 15.28% Chianina. Miss Penny 15b is one of our top half-blood Broker donors. She has an outstanding set of BMW Onset calves in this year's Maternal Legends sale that will be catching a lot of attention on sale day. They would be 8.86% Chianina.

## 119 FOUR - Embryos - NOT SEXED

ASHW Who Da Man x JSUL Tamale 588-2

We have seen a ton of success, in the last couple years, from this mating on the great 588 donor. A full sister to these embryos includes JSUL Who's Tamale 4305, that is a new era powerhouse donor at Sullivan Farms and is also the dam of Lot 1b in this sale offering. Another full sister sold through the 2016 Maternal Legends Sale for \$32,000. JSUL Tamale 588 has produced plenty of success over the past decade, with multiple champions and sale toppers. Her Right Direction progeny in our Shorthorn Plus and Chianina program has produced two Maternal Legend sale toppers at \$100,000 and has averaged well over \$10,000 per calf. We think these embryos can produce elite show heifers, future donors and even the next great Who Da Man son. Note, this mating will be 17.8% Chianina.

## 120 FOUR Sexed HEIFER - IVF Embryos

SMA Watch Out 482 x JSUL Jalynn 0904

National Champion pedigree here! SMA Watch Out 482 was the 2016 NWSS National Champion Angus Bull. We think this mating will be very unique and maternal for Chianina show heifers when you think about the added performance that comes from the National Champion Angus bull combined with Steiner's maternal design, looseness of structure and incredible body shape. Jalynn 0904 "Steiner" was the 2011 American Royal and NAILE Supreme Champion.

## 121 THREE Sexed HEIFER - IVF Embryos

BOE Epic x GCC Sioux Miss 9/28

A powerful Maintainer mating backed by one of the most consistent and hottest Maine-Anjou bulls in the breed today. GCC Sioux Miss 9/28 has always been one of our very best Irish Whiskey daughters that is so unique in the amount of muscle shape and power she has and still maintains that with a cool look and very sound at the ground. These are genetics you can trust in!

## 122 FOUR Sexed HEIFER - IVF Embryos

3 - JHC Mr Yahtzee x JSUL Sultry 6640-2  
1 - JHC Mr Yahtzee x JSUL Sultry 6640

JHC Mr. Yahtzee was the 2014 National Champion Chi-Angus Bull. JSUL Sultry 6640, and her clones, are the dam of all the Who Da Man daughters that have been National Champion Chianina Females and Supreme Champion Females at the NAILE. They are some of the most popular and sought after genetics for cows. Selling progeny out of Sultry 6640, and her clones, considering the value, should be considered illegal. This is a 12.09% Chianina mating.

## 123 THREE Sexed HEIFER - IVF Embryos

BOY Outlier 812 x SULL Impressive 0641-1

SULL Impressive 0641-1 needs no introduction as she has been the most dominant females in the Charolais breed over the past decade, producing National Champions and sale toppers. She has produced some of the most elite National Champions that have went on to also produce National Champions. Some of her most successful are the TR PZC Miss Ivory Angel 0711, SULL Impressive Fire, that was the 2016 National Jr. Heifer Show Reserve Champion Female as well as SULL Impressive 4272 that was the 2015 Grand Champion Female in the NAILE Open Show and was also 5th Overall Female at the 2015 National Jr. Charolais is Show. This is a new mating with the NAILE and NWSS Grand Champion Charolais Bull, BOY Outlier 812, and we look forward to seeing what this mating, of proven Champions, can produce.

## 124 THREE Sexed HEIFER - IVF Embryos

### C Miles McKee 2103 x LCC Two Timin "Harley" 438

We are offering some of the very best from our limited inventory from the now deceased LCC Two Timin "Harley". Harley's progeny by Miles McKee have been some of her very best and have been extremely consistent and even more importantly the progeny of this mating are making incredible cows after their show careers. Harley needs no introduction as she has done everything you could ever dream that a cow could do from being a National Champion herself to raising multiple champions and numerous of sale toppers. Full sisters to these embryos have seen tons of success. Winners include: SULL TCC Harley 4267 that was the 2014 National Jr. Heifer Show Reserve Champion Polled Female and Kolt's Carly's Harley 2858 was the 2017 NAILE Jr. Show Champion Female. She was also selected the 2018 NWSS Reserve Champion Polled Female in the Jr. Show. This mating has been very dominant in our program and there are three very good full sisters selling in this year's Maternal Legends sale.

### DM BR Sooner x LCC Two Timin "Harley" 438

LCC Two Timin "Harley" 438 needs no introduction as she has done everything you could ever dream that a cow could do from being a National Champion herself to raising multiple champions and numerous of sale toppers. DM BR Sooner progeny are some of the breed's best cows. This mating is definitely going to add some valuable genetics to anyone's program.

'17 NAILE Champion, Dam of Embryos

ECR Who Maker, Sire of Embryos

## 126 FOUR - Embryos - NOT SEXED

### ECR Who Maker 210 x KOLT Carleys Harley 2858

KOLT'S Carly's Harley is one of our all-time favorite Miles McKee/Harley daughters. Her mated with ECR Who Maker is the perfect fit for the power and overall structural correctness of Carly's Harley 2858. We have not seen any progeny from this great mating but we are very confident that these are going to be great. These embryos recently sold through Donors on Ice for \$2,800, per embryo. We can't wait to see some progeny soon from this perfect mating.

TCC Ms Diana 01, Dam of Embryos

'18 JNHE Division Champion,  
Full Sib to Embryos

## 127 FOUR - Embryos - NOT SEXED

### CRR 719 Catapult x TCC MS Diana 01

TCC MS Diana 01 was not only a dominate champion, but has also produced multiple champions. She needs no explanation to how elite of a female she has been in the breed. Any genetics out of this great female cannot have a value put on them. She has had limited progeny from CRR Catapult, SULL Dazzling Diana 7311e that sold for \$35,000 through our 2017 Maternal Legends sale and she's had a successful show career for Payton Farmer. She went on to be selected Reserve in her division at the National Jr. Heifer Show as well as Reserve Champion Hereford at the Indiana St Fair.

## 128 FOUR - Embryos - NOT SEXED

### ECR Who Maker 210 x JWG Serendipity 1114

JWG Miss Serendipity 1114 was the past 2012 NJHS Grand Champion Horned Female and also went on to be named the Grand Champion Horned Female in the Jr. Show at the 2013 NWSS. SULL Serendipity 5352, a full sister to these embryos, sold for \$62,000 through the 2015 Maternal Legends sale and had a lot of success during her show career being selected as the 2016 NJHS Reserve Champion Horned Female. She also went on to be named the Grand Champion Horned Female at the 2017 NWSS Jr. and Open Show.

## FROZEN GENETIC GUARANTEES

Peak View Ranch is honored to provide the foundation heifer for 2019. This young April heifer is our pick of the spring heifer calves. She exemplifies our program that utilizes the diverse and exceptional genetics our breed is blessed with. Her sire, Peak View Journey was shown very successfully and is utilized now in our operation as a herd sire. He carries breed greats like SFS Danny D and MAV Charisma. She is out of a cow that brings performance oriented cattle like Waukaru Gold Card and Peak View Cosmo to the pedigree. She is extremely well balanced in her EPDs and will be easy calving and maternal as a cow. We are also offering 2 units of semen as part of this lot on Peak View Marksman, a tremendous son of Sull RGLC Legacy. Marksman stood reserve champion Shorthorn bull in Fort Worth and caught so much attention from cattle enthusiasts of all breeds. Peak View Stevie is halter broke and ready to show or go home and be part of your operations replacement pen.
