35th Opportunity Sale of 2023

Thursday, April 6, 2023 • 12 Noon • ONLINE ONLY

Join us Tuesday, March 28 and Wednesday, March 29 at Sandy Ridge Ranch for our Open House.

SCHEDULE OF EVENTS:

Tuesday, March 28 & Wednesday, March 29

8:00 AM to 5:00 PM..... Open House at Sandy Ridge Ranch

.....Serving breakfast and lunch both days

12:30 PM Educational seminar (both days):

“Trends Drive Change in the Beef Industry”

The evolution of cattle marketing and how consumer demands have driven change in the beef industry.

Auctioneers:

**C.K. “Sonny” Booth, Ronn Cunningham
and Chisum Peterson**

OPEN HOUSE HOTEL ACCOMMODATIONS:

Sandhills Guest House, Atkinson, NE – 402-925-5600

Holiday Inn Express, O’Neill, NE – 402-336-4500

Super 8, O’Neill, NE – 402-413-6609

Fort Randall Casino and Hotel, Pickstown, SD 605-487-7871

Rodeway Inn, Ainsworth, NE 402-387-1050

Holiday Inn Express, Winner, SD 605-842-2255

SELLING 457 LOTS:

Cattle sell in lot number order

429 Registered Bulls

(Limousin, Lim-Flex, Angus)

121 Older Bulls • 308 Yearlings

28 Registered Females

(Limousin, Lim-Flex, Angus)

SALE DAY PHONE: Casey Fanta (320) 288-6128

Superior Productions recently launched a new bidding platform. If you plan to watch or bid on Superior Livestock, PLEASE CALL (800) 422-2117 FOR ASSISTANCE WITH ANY OF THE BIDDING PROCESS AT SUPERIOR.

Buyers may also register on DVAuctions.com

If you have any questions about getting a bidder number, please contact Tammy Mikkelson at (605) 949-5773.

See page 61 for more details on both bidding platforms.

Cattlemen,

I am happy to present our offering for the 35th Annual Opportunity Sale. For the last 35 years, Wulf Cattle has been focused on producing a set of genetics each year to offer to our customers to make them more profitable in the cattle business. We strive to incorporate genetics that are designed and proven right for the times by utilizing our feeding and carcass data in our program. Even though trends in the industry and consumer preferences have continued to change the genetics we produce, one thing has remained constant; our commitment to developing genetics that add value to our customer's bottom line.

The next several years look to be a prosperous time for cow/calf producers. Declining cow numbers across the country should equate to tighter supplies of feeder cattle and higher calf prices. Beef demand remains strong and the laws of supply and demand say that we should enjoy higher markets for the foreseeable future. This is definitely the time to upgrade your herd bull battery. An upgrade in genetics could help you produce more pounds of heavy muscled feeder calves infused with the genetics to add marbling. The progeny of these sires will be on point to produce carcasses to fit today's industry demand for higher quality grades.

Here are some of the major advantages of using Wulf Cattle genetics and purchasing at our Opportunity Sale:

COMPLETE DATA COLLECTION (RECORDED WITH NALF)

- Weight traits and measurements taken in large contemporary groups
 - Carcass ultrasounds
 - Majority of bulls feed efficiency tested
 - All genomic enhanced EPDs
 - Actual carcass data used to develop genetics
 - Customers receive carcass data on calves fed in our program (Telus Ag)
- Breeding soundness exams (Sweetgrass Veterinary Services)
 - Semen tested
 - Scrotal measurements
 - Physical soundness evaluation
- Free nationwide delivery to central points
- Sight unseen purchasing
 - Genetics specifically selected to fit your program
 - Complete satisfaction guaranteed

Please accept our invitation to view this year's offering at our Open House at Sandy Ridge Ranch on March 28th and 29th. Join us for lunch and to visit about your program's goals and genetic needs. Then take in the Opportunity Sale online from the comfort of your home or office to bid on your selections on April 6th.

Regards,
Casey Fanta
320-288-6128

The crew of Sweetgrass Veterinary Services and myself are excited to welcome everyone to the 2023 Wulf Cattle Opportunity Sale! We take great pride in continuing to perform the herd health preparation for the sale. I'd like to thank Emily, Mandy, Luke, Jeff, Kayla, and Maddy for their dedication and hard work this time of year when calving and production sale seasons collide!

Several days were spent performing breeding soundness exams, which included evaluation of semen motility and morphology, scrotal measurements, hip heights, and visual examination of hoof and leg conformation. To reduce stress and times through the chute, yearling bulls were also carcass-ultrasounded by CUP Lab Certified Tech Jeff Schoenfelder at the time of the breeding exam.

All sale animals have received vaccinations for IBR, BVD, PI3, BRSV, Lepto, Vibrio, Clostridial diseases, and were poured to control external and internal parasites. In addition, heifers have also received their Brucellosis vaccination. Administration of magnets are given to both bulls and heifers for the prevention of hardware disease. Wulf Cattle tests all breeding stock for John's Disease and has a zero tolerance for positive tests. These animals and their offspring are removed from the breeding herd to ensure the future health of your herd.

We will be readily available on sale day and can be reached by email at vet@sweetgrassvets.com or at (605) 928-8387. We will be issuing electronic official health papers for lots sold outside of Nebraska the day of the sale. To assist us in this process, please provide your email and the physical address of where the cattle will be delivered to when you sign up for a bidder number. Please refrain from using P.O. Box numbers. You may also find it convenient to download the MyVetLINK app to see your health documents as they are created. In good practice, we encourage a 3-week quarantine period of your seedstock purchases before allowing contact with your herd to get over the high-risk time after the stress of transportation. Also, to work with your local veterinarian in preparing your bull for breeding by repeating a fertility test prior to pasture turn out.

Stay Healthy. Stay Happy. Stay Free!
Erik Holum DVM

Dear Friends & Fellow Cattlemen,

If you are raising cattle in the Midwestern United States, I don't have to remind you how challenging the past two years have been. Most of us experienced at least two years of widespread drought followed by a very harsh winter. Due to widespread dry conditions, the U.S. has liquidated two million beef cows from the national herd. Given the robust beef demand both domestically and abroad in conjunction with beef cow liquidation, we should continue to see cattle prices trend higher.

Our feeding programs remain solid. The value-added cattle, particularly Verified Natural & GAP, continue to work best for us. We appreciate all of you that have supplied us with consistent, high quality feeder calves that are Verified Natural & GAP certified.

On the genetics front, we have a lot of exciting things happening! We continue to build a large and powerful database that receives thousands of records each year. The volume of data is what drives our selection and advances our genetic progress year after year. We are now able to collect massive amounts of carcass data from thousands of our harvested BeefBuilders™ (Limo X Dairy cattle). This progeny production data is being entered into the database that drives our EPDs. We are also capturing individual feed intakes and feed conversions on approximately 500 bulls annually. In addition, we have expanded our genomics program to include our entire cow herd and sale bull offering. The cumulative effect of data and genomics is reflected in EPDs with much higher accuracy and predictability. Together, we have the potential to accelerate genetic progress much faster than ever before. Pretty exciting times!

We look forward to seeing you all at our Open House and seminar on March 28th and 29th. Come see the bulls, and enjoy the cattle-friendly fellowship with our team and others. We will be there to help you understand your carcass and health data on your calves if you like. Don't miss our online sale from the comfort of your home on Thursday, April 6th.

Kind Regards,
Jerry Wulf

Open House at Sandy Ridge Ranch Tuesday, March 28 & Wednesday, March 29

8:00 AM to 5:00 PM • Serving breakfast and lunch both days

Seminar:

"Trends Drive Change in the Beef Industry"

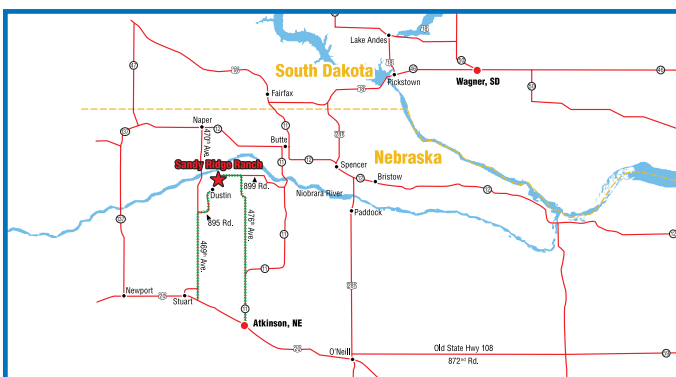

Time: 12:30 PM (Both days)

The evolution of cattle marketing and how consumer demands have driven change in the beef industry.

We invite you to join us at Sandy Ridge Ranch and spend the day leisurely walking through the sale offering. Plan to join us for the educational seminar beginning at 12:30 PM both days. Since the 35th Annual Opportunity Sale is VIDEO ONLY, this is your chance to be onsite and appraise the sale offering.

Directions to Sandy Ridge Ranch

- From Stuart, Nebraska—North on 469th Avenue 14 miles to 895 Rd. Turn east 2.5 miles and north 4 miles.
- From Butte, Nebraska—1 mile west of Butte, turn south onto Highway 11 6.1 miles. First right after the Niobrara River, turn west onto 899 Rd. 10.9 miles.
- From Atkinson, Nebraska—North on Highway 11 7.9 miles. Continue straight onto 476 Avenue 14.5 miles. Turn west onto 899 Rd. 2.9 miles.

2023 Wulf Cattle Indexes

A method to simplify your bull selection and help you find the correct herd sires for your operation.

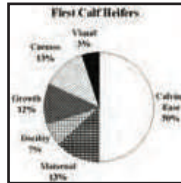

The indexes presented here can simplify your bull selection and help best match herd sires to your operation. Single-trait selection is not wise, rather, cattle with a balance of traits that match your production needs provide the greatest profit potential. Therefore, indexes were developed to combine traits of economic importance. Each index combines 19 different measurements grouped into six economically important categories.

- Breeding first-calf heifers
- Producing calves for the mainstream market using terminal sires
- Producing calves for the mainstream market while keeping replacement heifers

First Calf Heifers

This index score sires according to their usefulness on first calf heifers. While calving ease is the major driver in this index, a balance among the other traits is required to score high.

- Calving Ease** = Birth Weight EPD, Calving Ease Direct EPD, Actual Birth Weight
- Maternal** = Scrotal EPD, Milk EPD, Calving Ease Maternal EPD, Actual Scrotal
- Docility** = Docility EPD
- Growth** = Weaning Weight EPD, Yearling Weight EPD, Carcass Weight EPD, Actual WW, Actual YW
- Carcass** = Ribeye EPD relative to Carcass Wt EPD, Yield Grade EPD, Marbling EPD, Ultrasound ribeye to YW, Ultrasound marbling (Muscling and marbling are given greater or lesser importance depending on the index - see individual index descriptions).
- Visual** = Wulf's visual score

The icons listed below appear directly adjacent to each sale lot to serve as a quick reference to the corresponding Wulf Cattle Index.

* Indexes on all yearling bulls are based on EPDs only.

Mainstream Markets—Terminal Sire

This index scores bulls for terminal sire use to produce calves for the mainstream market. Their calves may be sold at weaning or retained in the feedlot and sold for cash or on the grid. Growth traits are given the most emphasis in this index, followed by carcass traits that emphasize a balance between muscle and marbling.

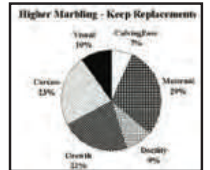

* Indexes on all yearling bulls are based on EPDs only.

Champion Pen of Three • 2023 National Western

- Wulfs Kut Above 7118K was the standout of our 2023 NWSS Champion Pen of 3
- Appreciated for his tremendous growth and stud bull presence
- Sired by Wulfs Horton 7358H, who has produced sons and daughters at the top of their contemporary groups wherever used
- Dam, Wulfs Elderberry 7118E, is a flush sister to Wulfs Ozark K115E ET, Wulfs Envoy K116E ET and Wulfs Easy Money K118E ET
- Elderberry has produced two other notable herdsires, Wulfs Handsome 7118H, Wulfs Jut 7118J, and is now slated to enter our donor program in 2023
- #1 on our Mainstream Terminal Index, which is impressive for a bull with show stopping phenotype.

- Wulfs Kit Carson 7358K was a popular member of our Denver Pen of 3 who is appreciated for his tremendous length of body and muscle shape
- His sire, Wulfs Holliday 4841H, has produced outstanding progeny in his first calf crop and is seeing heavy use in our breeding program
- He is a maternal brother to Wulfs Horton 7358H, which is the sire to Lot 1 and Lot 4 who were also members of our 2023 Pen of 3
- Purebred prospect that stacks many of our most predominant genetics, including Wulfs Xcellsior X252X and Wulfs Xtractor X233X
- WW, YW and \$MTI all within the top 5% of the breed

Wulfs Holliday 4841H • Maternal brother to Lot 4 & Sire of Lot 2

Wulfs Horton 7358H • Sire of Lot 1 & 4, Maternal brother to Lot 2

- Wulfs Kadoka 7064K is a high percentage purebred that contributed to our Champion Limousin Pen of 3 with his outstanding WDA and flawless phenotype
- His sire, Wulfs Fifty T804F, has sired some outstanding progeny in his first two calf crops; including this years BHSS Supreme Champion, Wulfs Joint Venture G579J, and both the Grand and Reserve Canadian National Champion bulls
- His dam, Wulfs Efficient 7064E, records 3 calves with a weaning index of 111
- He is a high percentage Purebred with extra power and maturity, recording a 37cm scrotal and a 15.9" REA at the NWSS at just 10 months of age
- If you are looking for a bull to promote your program, this is one that you would rather show than show against

Marb: 2.43 (98)

- Wulfs Kactus 4841K has been a standout for growth and muscle since he was a young calf roaming the Sandy Ridge pastures alongside his valuable dam
- Sired by the highly regarded Wulfs Horton 7358H, who also sired Lot 1 and many other outstanding herdsire prospects in our sale and others
- His dam, Wulfs Besame Mucho 4841B, is also heralded for being the dam of Wulfs Holliday 4841H

- Dam's performance has been excellent and she has weaned 5 calves with an index of 104, yearling index of 99, and a huge IMF index of 157
- Ranks in the top 5% of the Limousin breed for WW, YW, MK, MB, and SMTI making him a bull that can accelerate your herd to current industry standards and demands

Wulfs Kactus 4841K • Sells as Lot 4

Selling Choice of Lot 5A, 5B or 5C

The two remaining herdsire prospects will remain in the Wulf Cattle program

- Wulfs Keynote 4815K is a herdsire prospect with breed leading EPD's across his tabulation
- Eye appealing, sound phenotype that has impressed experienced cattlemen with his style and balance coupled with an expressive muscle pattern
- His Sire, LFL Gamer 9116G ET was selected to add to our program because of his pedigree which is rich with growth and predictability
- His dam, Wulfs Ecarte 7036E, is a moderate framed RUNL Stetson 850S daughter, that has weaned 4 calves to index 114 and 3 yearlings at 105
- Top 1% for WW and YW in a picture perfect outline

- Wulfs Calculus 6067K is one of the highest growth individuals to be found in the NALF database and ranks in the top 1% for WW, YW, CW and \$MTI
- He anchored our 2023 NWSS Lim-Flex pen due to his tremendous WDA and a 205 day adjusted weight of 912 lbs which led his contemporary group of 63 head
- His sire, J Bar J Flintrock 899F ET, is doing a tremendous job of adding growth and quality while recording WW and YW indexes of 106 and 103 respectively
- His dam, Wulfs Persephone 6067D, is a beautiful daughter of the great War Party 2417 who has indexed 108 for WW on 5 calves
- If your program needs performance and carcass quality, the statistics all add up on this herdsire

Notes Regarding EPDs & Ratios

EPDs of Limousin and Percentage animals are percentile ranked among themselves and Lim-Flex animals are percentile ranked among themselves. However, the REA & MARB scan measurements from Limousin, Percentage & Lim-Flex all ratio together, if they are within the same contemporary group.

- Nicely designed red Lim-Flex whose pedigree contains all sires who have had positive contributions to the Wulf Cattle program
- His sire, Wulfs Amazing Bull T341A ET, needs no introduction to Limousin breeders who have seen his contribution of both muscle and maternal
- Wulfs Ebia 7505E, his dam, is a daughter of Bieber Hard Drive Y120, who has done a great job of adding marbling and scrotal to our population without sacrificing muscle

- A search of the NALF database will identify this powerful individual as one of the highest \$MTI Purebred prospects available in the Limousin breed
- His sire, VL Hunker Down 003H, has exceeded our expectations by siring heavy muscled, long bodied progeny with a desired calm disposition
- Ranks #5 on our Mainstream Terminal Index and #4 on our Mainstream Replacement Index

- Beautifully designed herd sire prospect that possesses a tremendous amount of fore rib combined with flawless confirmation
- With all of his physical and numerical advantages, calving ease will still be his specialty
- Top 2% for docility will make him a sale day favorite

- Extreme calving ease sire prospect that will make your replacement heifer project much more successful
- The first sons of this sire, Wulfs Godfrey E980G, have been impressive in every herd where used, to make low BW calves that have explosive growth to WW
- A great bonus is his added MB which ranks in the top 10% and SMTI in the top 20%

- Here's one that will catch your eye out in the pens with his desirable blend of muscle, body and his impeccable skeletal construction
- Dam, CAIT Zara 262Z, has weaned 9 AI sired calves with a WW index of 103 and an impressive calving interval of 368 days
- Balanced EPD's make this prospect one that can make improvements in multiple traits

- Purebred herdsire prospect that is packed with breed improving traits
- His dimension of length, depth and width in this homo black, homo polled option is stellar
- Like his sire, VL Hunker Down 003H, he possesses a very balanced EPD set that excels in all traits

- Eye appealing, pen favorite that is exceptionally designed through his front one third, deep and soft through his middle third and heavy muscled yet stylish in his hip and hind leg structure
- His dam, TMCK Cabo 290C, is a big middled, moderate framed brood cow that is best described as an easy keeper
- Balanced EPD's for multiple trait improvement

- Excellent calving ease combined with excellent performance potential
- His great young dam, Wulfs Gabardine 9000G, is a product of our ET program and goes back to the iconic Wulfs Missive 2258M, who is best known as the dam of Wulfs Xcellsior X252X and Wulfs Xclusive 2458X
- Dam has now weaned 2 calves with an index of 104 and maintains a 347 day calving interval

- If you have been searching for a powerhouse herd sire, look no further than this massively constructed son of Wulfs Eisenhower 3616E
- His old school dam retains a place in our breeding herd due to her magnificent performance indexes of 7 at 107 for WW, 6 at 105 for YW, 3 at 103 for REA and 3 at 107 for IMF
- Purchase this great candidate with confidence

FOR HELP WITH REGISTRATION OR ANY PART OF THE BIDDING PROCESS PLEASE CALL SUPERIOR AT (800) 422-2117.

VIEWING THE AUCTION

The auction will be broadcast online at Bid.SuperiorLivestock.com and the pre-recorded videos will also be hosted there. You do not need an account just to watch the auction or view videos of the sale offering.

ONLINE BIDDING

Go to Bid.SuperiorLivestock.com for Superior's new online bidding platform. If you have not registered there before you will need to create an account. The first time you register an account you will receive a confirmation e-mail that you must click on. Once you have completed this, select the auction you would like to bid on and click the "Request a Buyer Number" button. The first time you request a buyer number you will be sent a confirmation code via text. Enter that code in the login portal and you will receive a buyer number. This 2-step verification process will only have to be done once and in the future you will be able to simply login and request a buyer number and receive it instantly for any auction. Once you have successfully registered and received a buyer number it will show your name and buyer number on both the video preview page and the online bidding page when you are logged in. If you have an account at LiveAuctions.tv you may skip the registration process and use those login credentials to request a buyer number as LiveAuctions is a division of Superior Livestock. For more details on registering an account and also how to bid, you may watch a tutorial at Bid.SuperiorLivestock.com/how-it-works.

TURN IN BIDS OVER THE PHONE

This is Superior's traditional method of buying cattle and is the suggested process for anybody who does not have consistent, high-speed internet. You still must register an account at Bid.SuperiorLivestock.com and request a buyer number. Once you receive a buyer number you will see the bid line phone number. Just watch the auction online and call in at least 2 lots ahead of the lot you are looking to bid on. A Superior Livestock representative will be with you on the phone and will assist you in placing bids.

Watch & bid online for FREE at DV Auction
Buying online is as easy as 1, 2, 3...

1. Create an account at www.dvauction.com under the "register" tab.
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction—a DV representative will notify you once you have been approved.
3. Tune in for the sale and make your purchases! After the sale, contact the sale manager or owner to arrange transportation and payment. High speed internet is required for successful bidding. Be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

PROXY BIDDING: If you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

Having troubles? During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at (402) 474-5557.
