**Five Family Prefixes Working for You**

**CJSL • CELL • ADLL • KVLN • KQLL**

Limousin Friends & Enthusiasts,

It is our pleasure to invite you to the 10th edition of our "Business Done Right" Bull Sale, Saturday, March 1, 2025, at our sale facility near Leon, Iowa. We are a family operation just north of Leon in the heart of cow-calf country in southern Iowa. Our Limousin and Lim-Flex seedstock operation began in 1979 and has grown to nearly 600-producing females.

Over the years, we have worked hard to create a quality product and share in our customers' success while always doing things the right way.

We have brought you our very best in this offering. The bulls presented to you here have withstood the rigors of our stringent selection criteria. This group of 64 bulls consist of both spring yearlings and 18-month-old bulls. Like in years past, the influence of our premier donors, elite herd sires, progressive A.I. program and no "shortcuts" approach is evident in the bulls we are offering.

As you study the offering and evaluate the bulls as they relate to your overall production goals, we ask you to keep in mind the true "value" of a herd bull.

While we as an industry continue to enjoy excellent cattle prices relative to historical averages, the spread in value of genetically superior calves is at an all-time high. Regardless of whether you sell your calves at weaning at a sale barn, run them as yearlings or retain ownership throughout the feeding phase, buyers are becoming more selective to the types of calves that generate premiums. Factor in the long-term value of the females you retain, and reasons to purchase superior herd bulls becomes evident.

We are confident the bulls in this sale have the inherent genetic ability to sire market topping calves based on the comprehensive data supplied to you in this catalog. So rest assured, the product at hand is exceptional and will come to you at various price levels. Bid with confidence.

It's our goal to make all business transactions with customers a pleasant experience. In addition, all cattle sold are fully guaranteed to the catalog in accordance with their respective breed association. Furthermore, if you would like to discuss our sight-unseen purchase program, financial arrangements or trucking plans we are happy to accommodate. As a reminder to both our existing and prospective bull buyers, we encourage you to check out our industry competitive "Linhart Bull Program" incentives that we have in place to stand behind this quality set of bulls.

We look forward to seeing you at the sale. Plan to join us for lunch. If we can be of any assistance to you prior to or during the sale, we have an open door policy and welcome all calls and questions. Don't hesitate to give us a call anytime.

Sincerely,

*The Linhart Family*

# FEATURED LIMOUSIN YEARLING BULLS *lots 1-5*

It is with great pride we present this impressive group of featured spring yearling bulls. With our aggressive AI and embryo transfer programs, we continuously push the genetic envelope while maintaining the same common-sense approach our commercial customer's demand. Fresh pedigrees and breed leading EPDs may have value in the marketplace, but if the bulls themselves lack the convenience traits all cattlemen strive for, they are of little worth. It is you, our customers, who will measure the success of our program. As we continue to fine tune our program to one capable of ensuring our customers remain profitable based on part of the genetics we supply, your feedback is not only welcomed, but appreciated.

What an exceptional way to lead off this impressive offering! CELL Mayor 4015M combines a notable pedigree, a balanced EPD profile and an eye-catching phenotype. CELL Mayor 4015M is sired by, ELCX Kings Landing 599 D ET, the MAGS Xyloid x WLR Prada son that has taken the Limousin breed by storm. He was the 2018 NAILE Medal of Excellence Grand Champion Bull. His progeny continue to reign as the high-selling lots of numerous offerings. Mayor is sure to transmit

This herd sire prospect is an absolute eye-catcher. Stout featured, long bodied and wide based perfectly describe him. His sire, ELCX Kings Landing 599 D, has progeny flooding the backdrops. They are known for having tremendous base width, center capacity and muscle expression. His donor dam is the well-known CELL Fascination 8231F, who's out of the extremely successful LLJB Absolute Style 3056A, a Silverias Style 9303 daughter that Shelby Hennessy of North Dakota campaigned in 2014 with major success. On paper, CELL Major 4010M posts a balanced set of EPDs. This double homozygous Lim-Flex is going to do big things for his new owner. Make that be you.

Here is an absolute standout in the offering. KVLN Massimo 4014M is heavily muscled, ruggedly designed, big-bodied and sound on the move. His is sired by, BRDG Mahogany Prime 904B, the popular Silveiras Style 9303 son. His donor dam is a farm favorite, MAGS Walkin, who transmits a lot of good pieces into her progeny like impeccable structure and an eye appeal. On paper, KVLN Massimo boasts a balanced EPD profile, making him the total package.

%RANK:	60	75	45	75	25	45	95	35	>95	40	25	10	90	35

Here's one that promises to catch your attention! He is a son of Riverstone Charmed—a female that needs no introduction—she is the "Larissa" Ratliff show heifer that will go down in history as one of the greatest show females and donors of all time. There are too many banners won to report on a single page from maternal siblings. These cattle have impressed some of the most reputable cattlemen in the industry with their eye-catching profile and athletic ability. Macho Man is sired by PVF Blacklist 7077, a popular Angus AI sire. We appreciate this bull's incredible depth of body, rib shape and natural thickness.

# FALL LIMOUSIN BULLS *lots 6-21*

This group of stout, well-developed fall yearling bulls also excites us. Rest assured, these are not “left-overs” or “picked-throughs”. We provide a variety of genetic combinations in different age brackets as part of our comprehensive plan. A number of the same cow families and sire groups represented in our spring bulls are also found in their fall-born counterparts. Having developed these bulls with longevity in mind, we are confident they will stand the test of time and provide years of trouble-free service. We are confident these bulls will sire the kind of calves buyers seek. In the event a problem arises with your bulls when you get them home, we hope you will call us first.

If you are searching for a herd sire prospect that will add pounds, look no further than CELL Mamba 3364L. Explosive growth could be predicted due to his performance EPDs—his weaning weight, yearling weight, scrotal and carcass weight rank in the top 1% of the breed. His sire, CELL Envision 7023, has made a lasting impact on the breed. Mamba's dam, CELL Miss Responder 6078D is a mainstay donor at our place. This combination of presence and numbers project him to be the type of herd bull that produces well balanced, polled, stout calves year-in and year-out.

Take note of this well-balanced individual that comes to you in a heavily muscled, double homozygous, 51% Lim-Flex package. He is a highly usable and versatile CELL-TNGC Hits The Mark 2055H son, a popular AI sire who continuously produces progeny that make their way to the winner's circle. His dam, CELL 9535G is a five-year-old CJSL Creed 5042C daughter. Visually, KQLL Mammoth 3306L is phenotypically elite. The earning potential is all here, and we're excited to offer a bull of this nature and proven lineage. We think Mammoth does a lot of things right.

Big-time growth bull here! CELL Majestic 3340L is a big footed, big legged and big backed herd sire prospect that gets out and moves freely. These phenotypical advantages promise to translate into your calf crop the way you'd hoped. We project him to be the type of herd bull that produces well balanced, stout calves year-in and year-out. He is sired by CELL-TNGC Hits The Mark 2055H, known for siring successful progeny both in the ring and in production. Notice, he ranks in the top 2% of the breed for yearling weight and carcass weight. He also ranks in the top 3% for both weaning weight and total maternal.

# ANGUS BULLS

*Lots 22-30*

Several years ago we made the decision to diversify our genetic base by adding several industry leading Angus donors to our program. We sought out females with fresh, yet identifiable pedigrees, along with the maternal and marbling the Angus breed is know for. During our search we insited upon easy fleshing Angus genetics with eye appeal. The goal was to not only offer our valued, long-time customers a new twist on Lim-Flex genetics, but to also provide purebred Angus genetics to our bull customers using a multiple breed crossbreeding program. We invite you to study the high quality Angus bulls available in this year's offering and decide how they can best influence your program. Just like thier Limousin and Lim-Flex contemporaries, these Angus bulls are backed by our same industry leading customer service program. Buy with confidence.

CELL Mateo has a rugged phenotype with capacity and extra muscle expression. His donor dam, Coleman Chloe 975 is the \$60,000 one-half interest for a \$120,000 valuation top-selling heifer calf of the 2020 Maternal Source Sale going to Jocko Valley of Montana. She is a daughter of one of the most proven Angus females in the entire business, Lawsons Chloe C815. Mateo is sired by Coleman Glacier 041, the featured Lot 1 bull of the 2022 Coleman Spring Bull Sale where one-quarter interest sold for \$270,000 as the record-selling bull in Coleman Angus history. This future herd sire epitomizes consistency and sheer quality.

Study this bull's length of body, level top and hindquarter dimension. His sire, Coleman Triumph was the top selling bull of Coleman Angus' 2020 Fall Production Sale where he sold for one-half interest for \$225,000 for a \$450,000 valuation. His donor dam is one of the most prolific and influential Angus donors in production today. Coleman Donna 504 stems from the iconic Coleman Donna lineage—a novel could be written about the Donna dynasty and their contribution to the Angus breed. Coleman Donna 504 is one of the most captivating females you will ever lay your eyes on— don't miss the opportunity to own a son.

This Angus herd sire prospect is sired by S A V Bloodline 9578, the cattlemen's kind and a breed changer for expansive rib shape, base width and muscle shape. Mayday's donor dam is Coleman Donna 504, who sold for one-half interest at \$60,000 for a \$120,000 valuation and is a featured donor in the Coleman and Sadler programs where she has produced 45 head that have sold for \$537,000 to average \$11,933 in past Coleman sales including the top-selling bull in the 2021 spring bull sale for \$40,000, Coleman Ninepipes, to Wall Street Cattle Company of Missouri. CELL Mayday 3313L is ready to go to work for the winning bidder on March 1.

Here is a bull that deserves some serious attention. A son of KR Casino 6243, the Grand Champion ROV Angus Bull at the 2017 American Royal. His most notable top-selling daughters have commanded \$500,000, \$135,000, \$80,000 and \$18,500 to average \$183,500 in the Udell "The Advantage" Sale in 2022. KR Casino 6243 genetics have quickly proven to far surpass show ring appeal, but the kind that revenue is generated from. His donor dam is the \$90,000 Conley Sandy 7350, arguably one of the most incredible females ever produced at Conley Cattle. Study his length of body, level top and hindquarter dimension.

This full-sib to lot 29 is a well-balanced individual. He comes to you in a heavily muscled, homozygous black, homozygous polled package. CELL Mercer 4121M is a highly usable and versatile KR Casino 6243 son. Visually, CELL Mercer 4121M is phenotypically elite with a balanced EPD profile across the board. The earning potential is built in, and we're excited to offer a bull of this nature and proven lineage.

# SPRING YEARLING LIMOUSIN BULLS *lots 31-62*

We can't help but feel immense pride for this set of bulls. Our annual aim is to introduce a set of herd sire prospects that outperform the previous calf crop. The bulls showcased here have successfully met our rigorous selection standards. Progressive AI and ET plays a role in showcasing the influence of our premier donors and elite herd sires. We approach producing seedstock in a no "shortcuts" manner. We have full confidence in the genetic capacity of these bulls to sire top-quality calves and replacement females for the front pasture. We are happy to accommodate any discussions regarding our sight-unseen purchase program, financial arrangements, or trucking plans. We highly recommend you explore the incentives available in our "Linhart Bull Program." We're here to help, so feel free to reach out to us with any questions or concerns.

### WATCH & BID ONLINE FOR FREE AT DVAUCTION.COM

Buying online is as easy as 1, 2, 3 ...

1. Create an account at [www.dvauction.com](http://www.dvauction.com) under the "register" tab.
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction—a DV representative will notify you once you have been approved.
3. Tune in for the sale and make your purchases!

After the sale, contact the sale manager or owner to arrange transportation and payment. High speed internet is required for successful bidding. Be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

**PROXY BIDDING:** If you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

**Having troubles?**  
During the auction, you can type a message to the operator at any time for assistance. Our full-time support team can also always be reached at 402.474.5557.

# VOLUME PURCHASES

Buy 5 or more bulls, receive a 5% discount;  
10 or more bulls receive a 10% discount.

## BULLS FOR EVERY BUDGET

- \$3,500 to \$4,249 - 23%
- \$4,250 to \$4,999 - 31%
- \$5,000 to \$6,999 - 28%
- \$7,000 and up - 18%

# REFERENCE SIRES

The importance of quality herd bulls, be it in a commercial or seedstock operation, cannot be stressed enough. Herd bull decisions made today influence your program, either positively or negatively, for years to come through daughters retained in the herd.

At Linhart Limousin we have always believed in having the absolute best bull power available in the industry. As such, we have invested heavily over the years to ensure only the best sires walk behind our progressive AI and embryo program.

As you study the bulls offered for sale in this catalog, and as you look over the reference sire listing on the following pages, you will notice the positive influence bulls owned by Linhart or bulls carrying the Linhart moniker, are currently having on our program.

By becoming a Linhart Limousin customer, you are not simply buying a new herd bull, you are buying into our philosophy of continuously striving to improve the sire side of the breeding equation.

# THANK YOU

We appreciate your support and interest in our breeding program. We take the people side of the business seriously and never for granted, that's why producing a quality product and making sure our customers are satisfied has always been a top priority. Simply put, your attendance and participation at our sales has humbled us, and we wish you many successes with your purchases. Thank you for taking time to view the catalog and allowing us the opportunity to earn your business.
