

Balamore Farm Ltd.

THICKNESS SELLS

13TH ANNUAL BULL SALE

CHAROLAIS | *SIMMENTAL* | *ANGUS* | *LIMOUSIN*

MARCH 15, 2025 | 2:00 PM | BALAMORE FARM, GREAT VILLAGE, NS

IT IS OUR PLEASURE TO WELCOME YOU TO THE ***13th Annual “Thickness Sells” Bull Sale.***

We want to thank all of our customers that have supported us over the years and continue to use Balamore genetics, it is humbling and not something we take for granted. Cattle are our passion and we will forever be grateful to this industry for bringing so many amazing people into our lives that share the same passion as we do. Our bull pen this year is as solid as its ever been and showcases traits we love to see: thickness, clean front ends, length, docility and good structure. We invite you to the farm anytime prior to the sale to view our sale offering.

We hope to see you sale day,

THE COOPER FAMILY

Joe, Carolyn and William

Robert and Emily

David and Kathleen

Taylor Stewart and Family

Douglas Congdon

Mike and Shannon Geddes

Balamore Farm Ltd. THICKNESS SELLS

13TH ANNUAL BULL SALE

SATURDAY, MARCH 15, 2025 AT 2:00 PM AST

AT THE FARM, GREAT VILLAGE, NS

9036 Highway #2 Great Village Nova Scotia, B0M 1L0

BALAMORE FARM LTD.

Joe Cooper - 902.893.0744

Robert Cooper - 902.890.0663

William Cooper - 902.324.2005

Mike Geddes - 519.502.8864

Taylor Stewart *Herdsmen* - 902.956.4894

HEALTH:

Sale cattle have been vaccinated with Pyramid FP5, Fusoguard and Ultrabac 7. Commercial sale heifers have also had SelonE and Scourbos 9

INSURANCE:

Insurance forms will be available sale day

SEMEN :

All bulls will be semen tested prior to sale day. Balamore reserves the right to draw IN HERD semen only on any bull sold at our expense and the owners convenience.

ULTRASOUND DATA :

Ultrasound data will be available prior to sale day.

CATALOGUE INFORMATION &

ANNOUNCEMENTS :

EPDs are current and up-to-date as of publication date. Information in this document is believed to be accurate but any updates at the sale by the owners, auctioneer or sales management will take precedence over the information provided in the sale catalogue.

VIDEOS:

Videos will be available on CattleVids.ca in early March.

TERMS AND CONDITIONS:

Cattle will sell under the standard Canadian Limousin, Simmental, Angus, and/or Shorthorn Association Sale Terms and Conditions. These are available on request.

AUCTIONEER:

Ryan Hurlburt - 306.292.9812

SALE DAY PHONES:

For more information call
Mark Shogren 780-699-5082 or Pendered Taux 780-991-3023

DNA:

All Balamore bulls on offer will have been DNA tested for Homo Polled, Coat Colour, Sire Verified and 100K. The Limousin bulls have been tested for F94L (the muscling gene.)

DELIVERY AND SALE TIME

SALE BEGINS AT 2 PM AST

PDT - 10 AM

MDT - 11 AM

CDT - 11 AM

EDT - 1 PM

We understand that the idea of getting your bull from Nova Scotia to your pasture may seem daunting, but we at Balamore are well versed in how to get it done not only simply and efficiently, but at an extremely low, fixed cost as listed below:

Quebec and Ontario: \$250 Canadian Manitoba to BC: \$500 Canadian USA: \$750 Canadian

FROM THE DESK AT T BAR C

A breeder's true strength is exhibited in their ability to consistently produce high end, quality cattle that meet the demands of the industry. Balamore Farm does just that, while also serving customers from coast to coast, and a genetic pool that continues to stay outcross for annual buyers. The Balamore program is admirable in how hard they strive to manufacture a product that has become sought after by some of the most progressive purebred and commercial operations in North America. We would heavily recommend you take the time to tour through the cow herd in each breed division in Great Village and see the true maternal strength and quality of their large cow herd.

The Charolais offering comes to the forefront, as the reputation the precedes these bulls lives up to the stock. These are cattle made to impress and achieve the ultimate goal of enhancing your bottom line; they have lots of shape, a balanced design, and that trademark thickness. The Limousin portion is the bread and butter of Balamore. The offering is backed up by fantastic momma cows and are what originally put Balamore on the map. It is becoming extremely difficult to find high quality Limousin bulls, and Balamore has the goods. The Simmental and Angus sections are growing year after year, and while smaller in numbers, they have the same emphasis as the other breeds that make up this herd. The genetic lines are as good as you'll find, with all of the credentials and reputation.

Like many, the Cooper family are busy people, but I challenge you to find someone with the knowledge and energy that Joe and his family has. No matter if you like cattle or not, their operation is something to see. First class in all regards, we encourage you to do everything you can to join us on the coast. We at T Bar C have been through the cattle, and are eager to participate with you in this sale.

THE CHAROLAIS DIVISION

The 2025 Charolais bulls are filled with an assembly of cattle that best exemplifies the Balamore kind. If you are looking for a calving ease specialist or a true performance sire, rest assured they will have the Balamore stamp of look, depth, and muscle shape. The Lone Stars and Frontiers offer a new outcross option while proven sires such as Justice, Powermax, and Hummer still continue to excel. If you examine any market report across the country be sure to circle the Charolais influenced calves and see where they fit in the hierarchy of the stocker calf industry. If you are looking for an edge in a business where margins are small and pounds reign supreme, please take a look at a Charolais bull offering we are proud of.

Lot 1

- large scale, large performance herdbull
- dam is a full sister to Balamore Lakota 318L who was a \$36,500 high seller in 2024 to Stipe Charolais, Montana
- the Powermax/Justice combo is one we believe in
- sharp fronted, sound structured

THE LIMOUSIN DIVISION

We are very excited about this years set of extra thick Limo bulls. The introduction of the Australian outcross Flemington Ready to Roll R20 has left us with an exceptional set of Homozygous Black coming 2-year-olds. On the yearling side we have several new sires offered such as Balamore Kestrel, SYES Keynote, SYES Knockout, and the high percentage CELL History Maker. Something that we are very proud of is that every bull in the Limousin offering (with the exception of the LimFlex) has tested with 2 copies of F94L which has a direct link to that trademark Limousin muscle expression, rest assured when buying a Balamore Limo that you will have the thickest calves at market.

Lot 25

- a true stud bull
- structure, muscle, and character
- top growth numbers and phenotype
- sired by the \$25,000 Balamore Hickory 060H who has been doing a great job at Plains Limousin, Alberta

THE SIMMENTAL DIVISION

As we transition into our Simmental bulls there is an eye-catching group of 8200 sired extra age bulls as well as a massive son of the Trailblazer bull that has done so well for us and others. If you are looking for a bull to cover more cows without the stress of micromanaging a younger bull, please examine these big powerhouses. The yearling bulls are specifically designed for the commercial cattlemen in mind, combining proven pedigrees and a solid makeup. If you are looking to retain females or sire sale topping calves with the Simmental advantage there is something in these pages to suit your needs.

Lot 48

- extreme length and power packed
- big solid foot and well-shaped muscle expression
- maternal sister is the dam of Lot 51

Maternal Sister

Lot 54

- rugged powerhouse of a red bull
- maternal sister was a past Shoreline sale feature to Stewart Farms and has turned into a beautiful cow for Taylor
- immense growth and power in this soggy calf

THE ANGUS DIVISION

Our Angus group is smaller in numbers but high in quality. We are both excited and sad to offer the last group of Balamore Gold sons. That bull has done so much for us in terms of adding muscle shape and performance while still providing an excellent brood cow on the female end. We thought so highly of his purple son on offer we gave him our entire group of summer Red Angus calving cows. To top it off the pair of Red Angus bulls are excellent options for those looking to calve heifers or retain females.

Lot 55

- we bred our entire summer calving Red Angus herd to this complete stud
- bold and square
- his presence and width will grab your attention

BRED FEMALES

1 3 H E A D

Although our bred females are short on numbers this year, we are proud to present this beautiful group of bred. The first calf heifers originated from Alberta and have all been bred to calving ease Balamore Limousin bulls. The 2nd calvers are the sisters to these females and have all weaned off an exceptional first calf. These are ones with the hard work already done and ready to head into the money-making prime of their lives.

Lots 77-137

O P E N

REPLACEMENT

F E M A L E S (6 0 H E A D)

These young females have been handpicked from Alberta and Manitoba and are ones we believe will make top production cows. The beef industry is at an all time high and if you are looking to increase cowherd numbers and herd quality these are the ones to consider.

NORTH SLOPE FARMS

Eugene and Sylvia Axley, along with their son Karsten and daughter Kira, own and operate North Slope Farms in Czar, Alberta. They breed approximately 400 head of Limousin-influenced cows with the purpose of selling high-yielding, growthy cattle to feedlots in the West and Ontario.

The Axleys have been great customers of Balamore, buying a bull in 2020, 2021, 2023 and 2024 at the Annual "Thickness Sells" Bull Sale. We are proud to say that they have used these bulls on their impressive cow herd with outstanding results. This past fall, they had, at the time, one of the highest sales in history, with their steer calves selling for \$5.20/lb at 585lbs on an internet auction, grossing \$3042/calf. This turned out to be a premium of almost \$400/calf over the next highest lots in that weight range.

A combination of good genetics, excellent management and a reputation for integrity have all contributed to the Axley's success, and their cattle prove that "Thickness Sells".
