

ANNUAL PRODUCTION SALE
FEBRUARY 23, 2025
SUNDAY • 1 PM CST | DEXTER, IOWA

10 YEARS

WELCOME

Welcome All Cattlemen,

This year marks the 10-year anniversary of Voss Angus, and it is a great honor to be celebrating 10 years with all of you. We want to begin by saying "Thank You" to all of our previous customers. You are the true backbone of this program! We would not exist without all of you. Each and every day, we strive to bring you the highest performing cattle in the industry. I have been in the concrete business for all of my life, and we truly understand the importance of having a strong foundation. This program exemplifies exactly that and is built from the best foundational donors and sires available in the industry.

This year, we have the most embryo calves ever offered at Voss Angus. This set of calves are of the highest quality ever produced by this program. We are confident that this set of bulls and females will not disappoint.

Easy-fleshing cattle with fertility, longevity, structural correctness, good feet and udder quality are what we are striving to produce every day. These cattle can go on and increase potential earnings for all of our customers.

Some of the sire groups offered in this year's sale include Coleman Rock, Galactic, Arrowhead, SAV Anthem, Panther, Throttle, Scale House, Riptide, Density, Renovation, Harvester, Pancho Villa, Brooking Next Generation, and one of our newest and exciting acquisitions: Mohnen Hollywood.

On the female side, there are exciting matings from our best donors featuring calves by Coleman Chloe 9275, SAV Emblynette 7566, SAV Blackcap May 1808, SAV Madame Pride 1171, Voss Blackcap May 4136, and compelling calves by Ideal 3020 of SE 6X7 Lady, plus many more.

Our nutritional program has been intensely monitored and developed for each life stage. We strongly believe that nutrition is of utmost importance. The feed program we use has continued to progress due to the care of Dr. Allen Stateler, PhD, of Nutrition Service Associates. These cattle are fed a diet of high roughage, which never compromises fertility or longevity. All calves are developed and fed carefully to withstand even the harshest of environments in the country.

We truly appreciate your consideration of our program. We are thankful for all of you and hope to see you on sale day!

Sincerely,
Brent & Teresa Voss

14440 Bear Creek Road
Dexter, Iowa

10th Annual Production Sale
Sunday, February 23, 2025
1 PM Sale

SALE LOCATION:

Voss Angus Sale Facility
14440 Bear Creek Road, Dexter, Iowa

DIRECTIONS TO THE SALE SITE:

The state-of-the-art Voss Angus sale facility is located 20 minutes west of Des Moines, Iowa on I-80. From I-80 take Exit 100, to north one mile. Look for Andy Angus out front to greet you!

MOTEL ACCOMMODATIONS:

AmericInn - Stuart, Iowa
(515) 523-9000
American's Best Value Inn and Suites - Stuart, Iowa
(515) 523-2888
Sleep Inn - Waukee, Iowa
(515) 987-6691
Holiday Inn Hotel and Suites - West Des Moines, Iowa
(515) 309-3900

TERMS AND CONDITIONS:

Cattle will sell under the terms and conditions as recommended by the American Angus Association, including payment upon purchase.

Voss Angus is retaining a 1/3 semen interest in all bulls. Bulls that are not settled for in full within 7 days of the auction are not eligible for free delivery.

SUPPLEMENTAL INFORMATION:

A supplemental sheet will be available sale day with complete and genomically enhanced information. Announcements from auction block will take precedence over printed material. All registered lots are AM, NH, M1, D2, DD, OH and OS free unless otherwise noted.

HERD HEALTH:

All cattle will be accompanied by proper health certificates for immediate shipment.

DELIVERY:

Voss Angus is offering free delivery on all bulls selling in the sale. We will either deliver the bulls personally or contract suitable trucking to accomplish safe and prompt arrival of your investment. All cattle will be delivered to the buyer within a week or two after the sale unless otherwise negotiated with Voss Angus. Canadian purchases will be available to be picked up at the farm following completion of health testing, and delivery arrangements will be the buyer's responsibility. Voss Angus will assist in any way we can. Bulls can be kept at Voss Angus until May 1, 2025.

TRUCKING:

Truckers will be available to assist in shipping cattle purchases.

LIVESTOCK NUTRITIONIST:

Allen Stateler (402) 992-2605

LIVESTOCK MORTALITY INSURANCE:

Jared Mohnen (605) 682-1368, Dakota Ag
Voss Angus will pay up to 50% of the premium on BULLS ONLY for the first year of insurance coverage.

FOOD AND REFRESHMENTS:

Cattle available for viewing throughout the week!
Lunch served on sale day.

COMMENTS FROM OUR SALE MANAGERS:

Voss Angus - The Best Ever!

Plan now to be on hand for the 10th Annual Voss Angus Production Sale set for February 23, 2025. With tremendous opportunity from start to finish, it is a special pleasure and privilege to work with Brent and Teresa Voss and the entire Voss family and crew in the presentation of this powerful sale offering that promises to highlight the 2025 sale season. The extraordinary dedication and commitment to the Angus breed is second to none.

The Voss family focuses on breeding cattle with performance and phenotype backed by pedigrees stacked with generations of predictable quality with a strong maternal emphasis and real world carcass quality that is second to none. The cattle in this sale are bred with the best of the basics in mind. The most dominant cow families in the industry are represented along with breed-leading sires of international renown. The concentration of blood from Schaff Angus Valley is monumental. Tremendous sale features abound throughout.

Plan now to be on hand with us in Dexter, Iowa for this great event. Please don't hesitate to call on us at American Angus Hall of Fame if we can be of assistance in any way. We are here to serve.

Nutrition Program

Overview

Welcome to the Voss Angus Annual Bull & Female Sale. I believe the Voss family and crew have produced another excellent set of Angus bulls and females for your consideration. As their consulting nutritionist, I strive to develop optimal nutrition and management programs to match and express the genetic potential of the Voss cattle while giving special attention to safeguarding soundness and reproductive longevity.

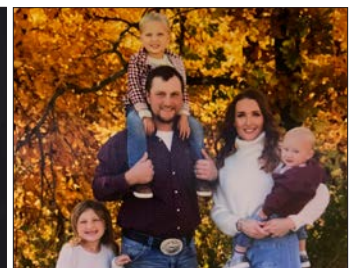

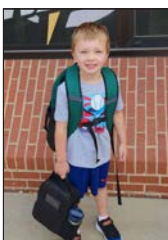

Nutritional Philosophy

The nutritional treatment of breeding stock from conception to first breeding can have a profound effect on their lifetime potential. In fact, nutritional influences on future health and productivity have been traced as far back as early embryonic development; a concept termed "fetal programming." Therefore, we focus not only on the nutrient requirements of the cow throughout her production cycle, but also on the nutritional factors that affect gene expression of economically important traits in the developing calf. From conception to turnout, we strive to express the genetic potential of the cattle without compromising structural soundness and breeding performance.

Bull and Heifer Development

We believe in the concept of developing seedstock, not finishing them. To properly develop breeding stock, we pay special attention to optimum energy and protein levels to achieve lean gain growth targets. To this end, the Voss bulls and heifers were developed on high-roughage, low to moderate-energy, high-protein diets. Particular attention was given to proper vitamin and mineral supplementation to promote reproductive development and longevity. We think that you will agree that our nutritional philosophy has produced an exceptional set of fertile Angus bulls and females that are ready to go to work for you. Buy with confidence!
